SUBJECT: JACK LEON RUBY, AKA.;
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

On 11/24/63 Assistant Director Evans furnished information received from Walter Sheridan of the Department to the effect that Tony Weitzel of the "Chicago Daily News" allegedly had information to the effect that either Ruby or Oswald had recently been in Chicago and had picked up a bundle of money from Dorfman (close associate of Jimmy Hoffa).

On Bureau instructions Tony Weitzel was interviewed to pin this down. He stated he knew Lee Oswald only from recent public news media and he had known Ruby by reputation since the 1940's as a low class Chicago hoodlum. He had no information that Oswald or Ruby had received any money from either Paul Dorfman or Allan Dorfman, nor did he have any information that either Ruby or Oswald had been in Chicago during the last year or two.

Upon ascertaining that the information originated with a reporter for the "Dallas Morning News" named [redacted], Supervisor Elmer Todd, Washington Field Office, was instructed to have [redacted] immediately interviewed to pin down this story. [redacted] allegedly could be reached at [redacted] and had an office in Room [redacted] Building.

Washington Field Office will immediately advise the Bureau of the results of the interview.

This is being submitted for record purposes.

At 10:55 p. m., Inspector Malley advised that they had just received word that District Attorney Wade was en route to meet with the press at which time he was going to review all of the evidence that had been obtained against Oswald. Attempts were made to intercept Wade but such attempts were futile. Malley advised that he is making every effort to contact Wade as soon as possible to insist that he refrain from any additional appearances before television or radio.

Mr. Malley also advised that they had ascertained from the police at Dallas that Wade had been specifically requested by the police not to go before the news media to give out this information. In spite of this specific request, Wade proceeded to meet with the press.

Memorandum

TO : Mr. Belmont

DATE: November 24, 1963

FROM : A. Rosen

SUBJECT: JACK LEON RUBY, AKA.
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

At 2:15 p.m. this date SAC Shanklin of the Dallas Office telephonically advised that pursuant to instructions, an Agent was participating in the interview of Ruby at the Dallas police headquarters. Shanklin advised that he had been informed by the Agent that Ruby claims no one else is involved, that no one knew he, Ruby, was going to do it and that he didn't tell anyone. Ruby stated he made no anonymous calls to anyone. Ruby further claimed that he didn't come down to the police department with the intention of shooting Oswald, but had come downtown to send money by telegram to some employee. Shanklin advised they were checking out this angle.

Ruby declined to state why he decided to kill Oswald. Ruby claimed he did not plan it beforehand.

Shanklin advised that he had also received information which at this point was rumor to the effect that Ruby is alleged to have said that Mrs. Kennedy was going to have to come to Dallas to testify and he thought this was a disgrace and it had been preying on his mind. Ruby stated he was worried about such a thing and the grief that had befallen the Kennedys and indicated that he dwelt upon it until he reached the point of insanity.

Ruby also stated that the gun he used was bought three years ago from the Ray Hardware Company in Dallas and was a .38 Smith and Wesson. Ruby indicated that he had nothing further to say and wanted an attorney.

Shanklin advised Ruby was born Rubenstein in Chicago and his parents were Fanny and Joseph Rubenstein and both of them were dead. Ruby has been in Dallas since 1950 and operates the "Carousel Club", a strip joint, and the "Vegas Club" in Dallas. He was advised that Ruby is single and has never been married.

Shanklin was further advised that the indices of the police department and the Dallas Office contained no information relative to any subversive activities with respect to Ruby. Shanklin further stated that there were some indications in the police files as well as in our Dallas Office files that Ruby may have homosexual tendencies. Our files show an association with a pervert.

RE: JACK LEON RUBY

Mrs. NONA GRAY, 211 Argo, San Antonio, Texas, who is employed as a waitress at the Chuck Wagon Restaurant at Joske's of Texas Department Store, San Antonio, furnished the following information:

Mrs. GRAY said that in about 1955 she married a man by the name of PAXTON HAROLD GRAY and that sometime before they were married she learned that PAXTON HAROLD GRAY was acquainted with a man known to her as BEN RUBY, whom she understood was connected with a private bottle club in Dallas, Texas, which was known as the University Club.

Mrs. GRAY stated that she had seen on television pictures of JACK RUBY, also known as JACK RUBENSTEIN, the alleged killer of LEE HARVEY OSWALD.

Mrs. GRAY said that PAXTON HAROLD GRAY got a divorce from her in the State of Indiana in 1958 or 1959, and she believes that he is at this time living in Dallas, Texas, where he is an independent oil operator and she also believes that he has remarried his former wife, EUNICE.

Mrs. GRAY said she had no further information as to the extent of association by PAXTON HAROLD GRAY and the individual known to her as BEN RUBY nor was she certain that the individual known to her as BEN RUBY is identical with JACK RUBY, the alleged killer of LEE HARVEY OSWALD but that she thought that they resembled each other.

POSSIBLE COHORT OF JACK RUBY....

DR. WILLIAM HUMPHREY, AMERICAN INTERNATIONAL OIL COMPANY, NYC, TELEPHONICALLY ADVISED THAT HE HAD WATCHED BOTH CBS AND NBC TAPES AND REPLAYS OF THE ASSASSINATION OF LEE HARVEY OSWALD. HE STATED THAT IN THE COURSE OF WATCHING THE SLOW MOTION SHOWING OF THE CBS TAPE HE NOTED AT THE BEGINNING OF THE TAPE SOMETHING APPEARED TO HIM TO HAVE POSSIBLE SIGNIFICANCE. HE POINTED OUT THAT IN THE BACKGROUND IS A TILED WALL, WHICH HAS A NINETY DEGREE CORNER, WHERE THE CORRIDOR EMERGES FROM THE VICINITY OF THE ELEVATOR. HE NOTED A TALL BLOND MAN, PRESUMABLY A DETECTIVE , WHO IS ACTUALLY THE SECOND MAN FROM THE CORNER. HE STATED THAT JUST PRIOR TO THE TIME THAT OSWALD AND THE DETECTIVES ACCOMPANYING HIM EMERGE FROM THE ELEVATOR CORRIDOR AND APPEAR IN FRONT OF THIS TILED WALL, THIS TALL BLOND MAN RAISED HIS HAND IN WHAT APPEARED TO BE A SIGNAL AND BROUGHT IT DOWN ALONG HIS BODY. HE STATED THAT HE RECOGNIZED THAT THIS MIGHT HAVE BEEN A SIGNAL BY A NEWSPAPERMAN TO A CAMERAMAN THAT OSWALD WAS APPEARING BUT HE DISIRED TO BRING IT TO OUR ATTENTION IN VIEW OF THE POSSIBILITY THAT IT MAY HAVE BEEN A DELIBERATE SIGNAL TO RUBY.

KENNEDY. THE DISCUSSION CONCERNED THE KILLING BY JACK RUBY OF LEE HARVEY OSWALD. A NUMBER OF THE PEOPLE DISCUSSING THIS MATTER IMPLIED THAT RUBY SHOULD BE GIVEN SWIFT JUSTICE WITHOUT DUE CONSIDERATION OF LAW, TO WHICH GIBSON OBJECTED, STATING THAT THIS WAS THE THING WRONG ABOUT THE ASSASSINATION, AND THE SECOND KILLING THAT WE HAD TO STOP, AND MADE THE STATEMENT "EVERYBODY DESERVES TO BE REPRESENTED BY COUNSEL." HIS CONCERN WAS RE PEOPLE TAKING THE LAW IN THEIR OWN HANDS. HE ADMITTEDLY SAID THAT HE PROBABLY "SHOT OFF HIS FACE" ON THIS VERY POINT, STATING IN EFFECT THAT ANYBODY CHARGED WITH A CRIME DESERVES COUNSEL, EVEN IF THE COURT HAS TO APPOINT COUNSEL, IN WHICH CASE THE ATTORNEY GETS NO FEE. GIBSON STATED THAT HE HAS ABSOUTELY NO INTENTION WHATSOEVER OF DEFENDING RUBY, AND IN FACT THIS WOULD BE IMPOSSIBLE SINCE HE DOES NOT HAVE AUTHORITY TO PRACTICE LAW IN THE STATE OF TEXAS BECAUSE HE HAS NOT BEEN ADMITTED TO THE BAR OF THAT STATE.

Memorandum

TO : Mr. Mohr

DATE: November 25, 1963

FROM : C. D. DeLoach

SUBJECT: ASSASSINATION OF THE PRESIDENT

Guthman of the Department called at approximately 3:00 p.m. He stated that the Attorney General of the State of Texas was having a press conference this afternoon in Washington and would undoubtedly indicate to the press that the State of Texas would convene a Board of Inquiry into the assassination of the President and the murder of Lee Harvey Oswald. Guthman stated that the Department had to prepare to answer a large number of inquiries which they undoubtedly will receive following the State Attorney General's press conference. Guthman then read to me the following proposed release he plans to make:

> "President Johnson has directed the FBI to investigate every lead and every shred of evidence in the assassination of President Kennedy and the shooting of Oswald. A full report on the FBI's findings in the assassination of President Kennedy will be made public. All evidence in the shooting of Oswald will be made available to local authorities in Dallas who will have responsibility for the trial of Jack Ruby. The Department of Justice, of course, will lend whatever assistance it can to any properly constituted Texas Court of Inquiry."

Guthman asked me what I thought of the release. I told him I disagreed with the plan to make a release. I mentioned that everything had already been said in the release which was made last night and, therefore, there was no further need to state anything else. I told him that it would be far better to wait until the FBI had procured all facts in the matter and had submitted an investigative report. I told Guthman that it was particularly bad that he wanted to make the statement that, "All evidence in the shooting of Oswald will be made available to local authorities in Dallas who will have responsibility for the trial of Jack Ruby." I mentioned that despite the truthfulness of this statement it will invite criticism. Many responsible individuals across the Nation are pointing to the inefficiency of the Dallas Police Department and a statement of this nature will merely add fuel to the fire.

DeLoach to Mohr 11-25-63
Re: Assassination of the President

Guthman stated he would remove the statement at once, however, wanted to go ahead and make the remaining statements. I told him I still disagreed, that there appeared to be no need whatsoever for any further press releases to be made by the Department. I told him that I, personally, believe that he should answer inquiries in the matter. He replied that he would think over the objections in question.

After talking with the Director, I called Guthman back and told him I wanted to reiterate my objections in the above regard. Guthman stated he had given the matter further thought and in view of FBI objections would not issue a press release but merely would answer inquiries. I told him I thought this was highly advisable.

BACKGROUND

Referenced communications set forth information concerning alleged telephone calls made to subject and victim approximately three weeks previously by an unknown person using telephone credit card with number ending in S32.

On 11/27/63, [redacted] advised that telephone credit cards ending in the number S32 designate that the card has been issued in the Washington, D. C., corporate area (not including Maryland and Virginia). There are approximately 126,000 cards issued in this area. According to this source, no record of credit calls are maintained at the origin of the call and the charges are forwarded within a few days to the location where the card is issued for appropriate billing.

Source stated that in order to locate a specific call without the credit card number or the name of the holder it would be necessary to review all cards issued in the area.

It is noted that information has been developed indicating that the source of the information concerning the alleged calls may not be reliable. Investigation is continuing to resolve this matter and WFO will hold in abeyance further investigation concerning the credit cards pending receipt of further investigation.

RE BU TEL TO CHICAGO AND DALLAS ELEVEN TWENTY FOUR LAST REGARDING QUESTIONING JACK RUBENSTEIN-S CONNECTION IN SHOOTING OF LEON COOK. FILES OF THE CHICAGO OFFICE REFLECT THE FOLLOWING..

QUOTE CHICAGO DAILY TRIBUNE UNQUOTE OF DECEMBER NINE, NINETEEN THIRTY NINE CARRIED AN ARTICLE STATING THAT JOHN MARTIN, PRESIDENT OF THE SCRAP IRON AND JUNK HANDLERS UNION LOCAL TWO ZERO FOUR SIX SEVEN, AF OF L, HAD SHOT LEON R. COOKE, THE ATTORNEY FOR THE ABOVE UNION. MAURY CAHN, TWENTY EAST DELAWARE, CHICAGO, ADVISED SA ROBERT L. BUCKINGHAM ON ELEVEN TWENTY FOUR SIXTY THREE THAT HE IS A FORMER ASSOCIATE OF RUBY. BOTH HE AND RUBY USED TO DOUBLE DATE. CAHN COULD NOT RECALL RUBY EVER BEING ASSOCIATED WITH THE UNION, NOR COULD HE RECALL RUBY BEING CONNECTED IN ANY WAY WITH THE SHOOTING. CAHN ADVISED THAT THE NAME OF LEON COOKE WAS UNFAMILIAR TO HIM. IN FACT, THE LAST TIME CAHN SAW RUBY WAS AT THE CLOVER BAR ABOUT FIVE YEARS AGO. RUBY AT THE TIME WAS INTERESTED IN BOOKING AN ENTERTAINER AND WAS INQUIRING OF COLITZ AND CAHN WHOM HE COULD CONTACT IN NEW YORK.

PAUL DORFMAN, FORMER HEAD OF ABOVE UNION, IS QUOTED IN IRV KUPCINET-S COLUMN, QUOTE CHICAGO SUN TIMES UNQUOTE DATED NOVEMBER TWENTY FIVE SIXTY THREE AS ADVISING RUBY WORKED AS AN ORGANIZER OF THE UNION FOR A SHORT PERIOD BUT WAS UNSATISFACTORY.

GLADYS WALSH, THIRTYFIVE, FOUR ZERO NINE WALNUT, HINSDALE, ILLINOIS, COULD NOT BE LOCATED. THE ARTICLE STATED THAT THEY SUBSEQUENTLY DID APPEAR AT THE POLICE STATION AND THAT IN THE TRIAL MARTIN MAINTAINED THAT HE SHOT COOK IN SELF DEFENSE AS IT WAS COOK WHO HAD THE GUN AT THE TIME HE APPEARED AT MARTIN-S HOME ON DECEMBER EIGHT, NINETEEN THIRTYNINE. MRS. WALSH TESTIFIED THAT SHE SAW THE TWO MEN ARGUING AND STRUGGLING, BUT COULD NOT SEE WHO HAD THE GUN OR HOW IT WAS FIRED.

JULIUS SALSBURY INTERVIEWED NOV TWENTY SIX AND ADVISED HE DID NOT KNOW AND HAD NEVER MET JACK RUBY, AKA JACK RUBENSTEIN. SALSBURY SAID RUBENSTEIN WAS NOT KNOWN TO HIM THROUGH HIS CONTACTS WITH VARIOUS OTHER NIGHT CLUB OPERATORS OR GAMBLERS. HE STATED NONE OF THE STRIPTEASERS EMPLOYED BY HIM HAD INDICATED THEY WERE ACQUAINTED WITH OR HAD EVER WORKED FOR RUBY. SALSBURY COMMENTED THAT ALTHOUGH HE DID NOT KNOW RUBY AND DID NOT KNOW ANYONE WHO WAS ACQUAINTED WITH RUBY HE FELT RUBY SHOULD BE GIVEN THE MEDAL OF HONOR. FOUR OTHER NIGHT CLUB OPERATORS IN VICINITY OF SALSBURY/S CLUB ALSO INTERVIEWED AND DENIED KNOWING RUBY.

RE BUREAU TEL TO ALL SAC-S, NOVEMBER TWENTY FIVE, LAST.

ROBERT LEE SHOREMAN, THREE THREE TWO MAGNOLIA AVENUE, LONG BEACH, CALIFORNIA, OPERATOR OF THE PEPPERMINT PIKE, THREE THREE SEVEN ONE HALF WEST PIKE, LONG BEACH, ADVISED HE MET JACK RUBY AROUND CHRISTMAS TIME OF NINETEEN SIXTY ONE. SHOREMAN WAS A MUSICIAN IN THE JAN GARBER BAND, PLAYING OTHER ENGAGEMENTS AT THE TIME, AND WOULD SPEND HIS OFF HOURS AT RUBY-S CAROUSEL BAR AND NIGHT CLUB, FOR A PERIOD OF APPROXIMATELY FOUR OR FIVE WEEKS, SOMETIMES HELPING OUT IN THE BAND AT THE CAROUSEL.

RUBY-S BACKGROUND. RUBY TOLD SHOREMAN HE WAS BORN AND BROUGHT UP ON THE NORTHWEST SIDE OF CHICAGO, ILLINOIS. IN LATER YEARS, RUBY LIVED HAND TO MOUTH, WORKING FLOATING CRAP GAMES IN THE CHICAGO AREA. RUBY MADE VAGUE REFERENCE TO

LEAVING CHICAGO IN NINETEEN FORTY EIGHT FOR DALLAS, TEXAS QUOTE WHEN THINGS GOT TOO HOT UNQUOTE. AN UNRECALLED SOURCE TOLD SHOREMAN RUBY HAD BEEN DUMPED IN A GARBAGE CAN AND LEFT FOR DEAD IN CHICAGO. UPON ARRIVAL DALLAS, RUBY CHANGED HIS NAME FROM RUBENSTEIN TO RUBY.

HOODLUM CONNECTIONS. THE ONLY HOODLUM CONNECTION KNOWN TO SHOREMAN WAS A MENTION ONE TIME ON THE PART OF RUBY THAT HE HAD KNOWN THE BROTHER OF JOHN GALLO PAREN PHONETIC UNPAREN, THE LEAD ALTO FOR THE RALPH MARTIERE BAND. SHOREMAN WAS A MUSICIAN IN THE MARTIERE BAND PRIOR TO PLAYING FOR GARBER. THE BROTHER OF JOHN GALLO, NAME UNKNOWN, HAD SEVERAL NAMES, ONE OF WHICH WAS GALLO, AND WAS UNDER INDICTMENT IN CHICAGO AROUND NINETEEN FORTY EIGHT FOR SOME UNREMEMBERED OFFENSE. MARTIERE-S RECORDINGS ALLEGEDLY WERE PUSHED BY THE CRIME SYNDICATE, AND MARTIERE RECEIVED PREFERENTIAL TREATMENT FROM UNIONS, AND RECEIVED ENGAGEMENTS BECAUSE OF THE SYNDICATE-S MONETARY INTERESTS IN HIS EARNINGS.

RUBY-S POLICE CONNECTION. INFORMATION POLICE OFFICERS, UNIFORM AND DETECTIVE, ON DUTY AND OFF, FREQUENTED THE CAROUSEL, AND SHOREMAN NEVER SAW A POLICE OFFICER PAY FOR A DRINK. THE ONLY POLICE OFFICER SHOREMAN KNEW BY NAME WAS

END PAGE TWO

AN OLDER DETECTIVE, LAST NAME FRITZ, WHOM HE SAW ON ONE OCCASION AT A TABLE IN THE CAROUSEL. SHOREMAN ESTIMATED HE SAW BETWEEN ONE HUNDRED FIFTY TO TWO HUNDRED POLICE OFFICERS AT THE CAROUSEL AT ONE TIME OR ANOTHER, HOWEVER, SOME OF THESE WERE IDENTIFIED AS POLICE OFFICERS BECAUSE THEY WERE ASSOCIATING WITH KNOWN POLICE OFFICERS OFF DUTY AT THE CAROUSEL. WHENEVER THERE WAS A CASE OF UNUSUAL INTEREST IN DALLAS, RUBY WOULD RUN DOWN TO THE POLICE STATION TO FIND OUT WHAT WAS GOING ON. HE TOLD SHOREMAN HE WAS QUOTE IN UNQUOTE WITH THE POLICE DEPARTMENT. SHOREMAN ADVISED IT WAS COMMON KNOWLEDGE RUBY HAD BEEN ARRESTED FOR CARRYING A CONCEALED WEAPON, BUT IT WAS ALSO COMMON KNOWLEDGE THAT RUBY STILL CARRIED A THIRTY EIGHT CALIBER REVOLVER, ALTHOUGH SHOREMAN DID NOT SEE RUBY WITH ANY WEAPONS.

END PAGE THREE

SUBVERSIVE CONNECTIONS

RUBY NEVER GAVE ANY INDICATION OF BEING PRO COMMUNIST OR PRO AMERICAN. HIS INTERESTS WERE ENTIRELY LIMITED TO MAKING MONEY. HE WAS NEVER HEARD TO MAKE MENTION OF THE FAIR PLAY FOR CUBA COMMITTEE NOR DID SHOREMAN EVER HEAR OF LEE HARVEY OSWALD DURING THAT PERIOD.

RADICAL OR EXTREMIST VIEWS

RUBY APPEARED TO HAVE NO MORE OR LESS THE ATTITUDE OF MOST INDIVIDUALS OF HIS CLASS AND LOCALE FOR NEGROES. HE SPOKE OF THEM IN DISRESPECTFUL TERMS SUCH AS QUOTE SPOOKS, SPADES, AND NIGGERS UNQUOTE AND REFUSED ON ONE OCCASION OBSERVED BY SHOREMAN TO ADMIT TO THE CAROUSEL A MIXED GROUP OF NEGRO AND WHITE BUSINESSMEN. HOWEVER, SHOREMAN NEVER HEARD RUBY EXPLICITLY EXPRESS HATRED OR USE INFLAMATORY REMARKS CONCERNING NEGROES.

CLOSE RELATIVES AND ASSOCIATES OF RUBY

SHOREMAN DID NOT KNOW RUBY-S FAMILY OTHER THAN TO HEAR RUBY STATE THAT HIS FATHER WAS PASSED EIGHTY YEARS. RUBY STATED THAT HE HAD SEVERAL BROTHERS AND SISTERS AND ONE BROTHER, NAME UNKNOWN, OPERATED THE VEGAS CLUB FOR RUBY ELSEWHERE IN DALLAS. RUBY WAS APPARENTLY ON SPEAKING TERMS WITH MANY APPARENTLY AFFLUENT INDIVIDUALS WHO CAME SLUMMING TO THE CAROUSEL BUT APPARENTLY HAD NO CLOSE FRIENDS OR ASSOCIATES. SHOREMAN BELIEVED RUBY HAD APPROXIMATELY FIFTY EX PARTNERS IN AND AROUND DALLAS AND THERE APPEARED TO BE A CONSTANT TURN OVER OF PARTNERS.

SHOREMAN BROKE RELATIONS WITH RUBY WHEN RUBY ATTEMPTED TO GET SHOREMAN TO INVEST SIX THOUSAND DOLLARS INTO HIS BUSINESS.

GIRL FRIENDS

SHOREMAN ADVISED RUBY PLAYED THE FIELD AND ATTEMPTED TO DATE VARIOUS ENTERTAINERS AND WAITRESSES OF HIS ESTABLISHMENT WHO WERE EXPECTED TO MINGLE WITH THE GUESTS DOUBLING AS B GIRLS BUT HAD NO APPARENT LASTING INTEREST IN THIS REGARD.

GENERAL CHARACTER

SHOREMAN CHARACTERIZED RUBY AS A JEKYL AND HYDE PERSONALITY, AFFABLE AND GENIAL WHEN IT SERVED HIS PURPOSE BUT APT TO FLY INTO A RAGE AT THE MOST INSIGNIFICANT REMARK OR HAPPENING. SHOREMAN STATED THAT RUBY WAS A SHOWOFF WHO WOULD OFTEN ATTRACT ATTENTION TO HIMSELF BY ARTIFICIAL LOUD LAUGHTER AND BY IMPROMPTU INJECTING OF HIMSELF INTO THE FLOOR SHOW. RUBY APPARENTLY PRIDED HIMSELF ON THE FACT THAT HE DID NOT DRINK OR SMOKE. RUBY HAD MORE THAN A PASSING INTEREST IN GAMBLING AND BET HEAVILY, MADE FREQUENT TELEPHONE BETS ON HORSE RACES AND BASKETBALL GAMES. RUBY WAS, FROM TIME TO TIME, SLOPPY AND VERY CARELESS IN HIS DRESS AND TENDED TO SHOW MORE CONSIDERATION FOR ANIMALS THAN PEOPLE. RUBY ALLEGEDLY HAD THREE DOGS. RUBY ON ANY OCCASION NEVER SHOWED INTEREST IN POLITICS, NATIONAL OR INTERNATIONAL, AND NEVER GAVE ANY

INDICATION OF HAVING EVEN A PASSING INTEREST IN RELIGION.
SHOREMAN STATED THAT AS FAR AS HE COULD TELL RUBY-S ONLY GOAL IN LIFE
WAS IN MAKING MONEY, ALTHOUGH HE NEVER APPEARED TO HAVE A SURPLUS
OF THIS.

Memorandum

TO : Mr. Morrell

DATE: 11-26-63

FROM : Daniel R. Evers

SUBJECT: JACK RUBENSTEIN

On Sunday, November 24, 1963, while I was working at J. E. Birchell's Sinclair Service Station, Arlington, Virginia, a Mr. C. H. Payne came in to have a headlight replaced. While we were installing his headlight, an announcement came over the radio that Lee Harvey Oswald had been shot in the Dallas Police Department by a Jack Ruby. After the news broadcaster gave the description of Jack Ruby and stated that he was an operator of a dance hall and strip tease show, Mr. Payne related that years ago, either in Tucson or Phoenix, he had worked for a man from Chicago who fit the description of Jack Ruby. Mr. Payne also stated that the man he worked for was named Jack Rubenstein but he did not know if there was any connection between Rubenstein and the above captioned individual. After Mr. Payne had left the station an announcement came over the radio that the real name of Jack Ruby was Jack Rubenstein. Mr. Payne's address is 3507 Hilltop Place, Falls Church, Virginia.

RECOMMENDATION:

For your information.

DRE:jfg

CORRECTION:

It was in Tulsa, Oklahoma, that he worked for the man by the name of Jack Rubenstein.

RE BACKGROUND OF JOE KELLMAN.

ON NOVEMBER TWENTYSEVEN INSTANT JOE KELLMAN, TWO SEVEN THREE THREE WEST JARLATH ST., CHICAGO, ILL., ADVISED SA RUFUS H. POWELL HE WAS IN DURHAM, N. C., UNDERGOING TESTS AT DUKE HOSPITAL.

ABOUT NINETEEN FORTYTHREE HE MET JACK RUBENSTEIN THROUGH HIS BROTHER, MORRIE KELLMAN AND A COUSIN ARTY WEINER, AKA ARTY WAYNE, IN CHICAGO, ILL. ALL TOGETHER HE SAW RUBENSTEIN FIVE OR SIX TIMES SOCIALLY. HE REMEMBERED RUBENSTEIN AS A HEALTH FADIST, AND KELLMAN EXERCISED WITH HIM ONCE AT POSTL-S GYM IN DOWNTOWN CHICAGO. KELLMAN WAS NOT CERTAIN BUT SAID HE THOUGHT RUBENSTEIN WORKED AS A JEWELER AT A PLACE KELLMAN COULD NOT REMEMBER.

KELLMAN NEVER KNEW HIM TO BE CONNECTED WITH A NIGHT CLUB PROFESSION AND REMEMBERED HIM AS SUCH A MILD MANNERED PERSON THAT THE IDEA OF HIS CONNECTION AT THAT TIME WITH ANY CHICAGO MOBSTER OR CAPONE GROUP APPEARED PREPOSTEROUS.

KELLMAN SAID HE NEVER KNEW RUBENSTEIN-S SISTER EVA GRANT OR OTHER RELATIVES NOR HAD HE HEARD ANYTHING AT ALL FROM RUBENSTEIN OR OTHER SOURCES. KELLMAN WAS NOT AWARE THAT RUBENSTEIN HAD LEFT CHICAGO UNTIL HE RECOGNIZED A FULL VIEW PHOTOGRAPH OF RUBENSTEIN WHEN HE WAS IDENTIFIED AS OSWALD-S ASSAILANT. HE NEVER HEARD ANYTHING TO INDICATE RUBENSTEIN HAD POSSIBLY BEEN CONNECTED WITH HOODLUM ELEMENTS. KELLMAN KNEW OF NO GROUPS, ORGANIZATIONS, OR ASSOCIATES OF RUBENSTEINS AND SAID HE NEVER HEARD OF OSWALD UNTIL THE PRESIDENT-S ASSASSINATION.

KELLMAN ADVISED RUBENSTEIN HAD APPEARED TO HIM TO BE A QUIET, WELL MANNERED, ALMOST EFFEMINATE TYPE OF MAN WHO LISPED. THE IDEA THAT HE COULD BECOME A STRONG ARMED BOUNCER AND AN AFFILIATE OF GANGSTERS WAS TOTALLY AT ODDS WITH THE IMPRESSION KELLMAN SAID HE FORMED OF RUBENSTEIN TWENTY YEARS AGO.

KELLMAN OFFERED ANY ADDITIONAL ASSISTANCE HE MIGHT PROVIDE THIS INVESTIGATION. AM COPY TO CHICAGO, FD THREE ZERO TWO-S FOLLOW FOR DALLAS.

RUBY ADVISED HIM THAT [redacted] AS A JEW WOULD HAVE NO CHANCE IF CAUGHT IN DALLAS AND THAT HE NEEDED RUBY TO GO INTO THE DEAL WITH HIM AS HE,

RUBY, HAD PLENTY OF QUOTE JUICE UNQUOTE GOING WITH THE DALLAS PD. [redacted] ADVISED THAT HE CUT RUBY IN ON THIS DEAL ON A SIXTY FORTY SPLIT WITH RUBY PUTTING UP THE MONEY THAT [redacted] NEEDED FOR QUOTE FLASH UNQUOTE IN HIS DEALING WITH ANDRADE. [redacted] ADVISED THAT AS A RESULT OF THIS TYPE OF OPERATION THEY WON ABOUT FIVE THOUSAND DOLLARS, WHICH HE AND RUBY DECIDED THEY WOULD GO TO MONTREAL, CANADA TO COLLECT. THEY FLEW TO CHICAGO AND RUBY STAYED THERE AND [redacted] WENT TO MONTREAL WHERE HE COLLECTED THE FIVE THOUSAND DOLLARS AND GAMBLED IT UP TO TWENTY THOUSAND DOLLARS. HIS POINT IN THIS STORY WAS THAT RUBY IN CHICAGO WAS ALWAYS CONTACTED BY HIM AT THAT TIME AT A STORE THAT SOLD OFF BRAND MERSHANDISE LOCATED ON NORTH STATE STREET, WEST SIDE OF STREET, ONE HALF BLOCK SOUTH OF GRAND WHICH STORE BEHIND THE SCENES HAD ALL KINDS OF WEAPONS AVAILABLE TO THOSE WHO DESIRED THEM. [redacted] COULD NOT RECALL THE NAME OF THE INDIVIDUAL RUNNING THIS STORE, BUT STATED THAT THIS INDIVIDUAL HAD A BROTHER RUNNING A SIMILAR STORE ALSO IN CHICAGO WHO IS AN EX CON. [redacted] RAISED THE POINT THAT PERHAPS RUBY SECURED THE WEAPON HE USED FROM THIS PLACE. [redacted] ADVISED THAT AN INDIVIDUAL NAMED GORDON PAID HIM OFF AT MONTREAL AND HE RETURNED TO CHICAGO AND SPLIT THE PROCEEDS WITH RUBY. HE ADVISED THAT DURING THIS PERIOD HE TRAVELED TO OKLAHOMA CITY WITH RUBY, THEN TO SHREVEPORT, LOUISIANA, ALSO AND THEY GAMBLED IN VARIOUS PLACES. HE ADVISED THAT ON ONE OCCASION HE AND RUBY TEAMED UP

L. HUNT CONCERNING A SON NAMED QUOTE HASSIE UNQUOTE WHO WAS THEN LOCATED AT CONCORD, MASS. HE ALSO ADVISED THAT HE AND RUBY ON ONE NEW YEARS DAY PRIOR TO NINETEEN FIFTY SIX HAD [redacted] USE THE NAME OF [redacted] AND GO TO FORT WORTH AND BET H. L. HUNT SOME FIVE THOUSAND DOLLARS ON FIVE DIFFERENT BOWL GAMES INVOLVING TEXAS AND TENNESSEE IN THE COTTON BOWL AND MICHIGAN AND CALIFORNIA IN THE ROSE BOWL TO RECALL A FEW OF THE GAMES AND HE AND RUBY SPLIT FIVE THOUSAND BETWEEN THEM ON THIS DEAL. HE ADVISED THAT ALSO PRIOR TO [redacted] GOING TO CHINO FOR FORGERY IN APRIL OF NINETEEN FIFTY FIVE RUBY HAD BEEN IN THE LOS ANGELES AREA, HAVING FIRST GONE TO SAN FRANCISCO WHERE HE HAD SOME KIND OF DEALINGS WITH ONE QUOTE STONEY UNQUOTE A BOOKMAKER WELL KNOWN IN THE SAN FRANCISCO AREA AND WITH EITHER KECKIE OR SALLIE SCHUMAN ALSO IN THE SAN FRANCISCO AREA WHICH INDIVIDUALS [redacted] ALLEGED WERE VISITING THE SHIPS THAT DOCKED AND WERE PICKING UP SMUGGLED MERCHANDISE FROM THE SEAMEN. DURING THE PERIOD HE WAS ACQUAINTED WITH RUBY, RUBY MAINTAINED TWO RESIDENCES AT DALLAS, ADDRESSES NOT RECALLED. ONE OF THESE WAS QUITE PRETENTIOUS AND THE OTHER WAS QUITE BARE AND IT WAS AT THIS SECOND ONE THAT RUBY MAINTAINED SOME KIND OF RECORDS, AS [redacted] STATED ON A VISIT TO THIS PLACE HE OBSERVED MANILA ENVELOPES WHICH RUBY PICKED UP ONE NIGHT AND TOOK WITH HIM TO HIS CLUB WHICH ACCORDING TO [redacted] AT THAT TIME CHARGED ADMISSION AND WAS LOCATED IN A SHED LIKE BUILDING. RUBY ACCORDING TO [redacted] HAD A NUMBER OF HAND GUNS WHICH HE, HALL, HAS SEEN.

[redacted] HAS HAD NO CONTACT WITH RUBY SINCE [redacted] WENT TO PRISON IN APRIL OF NINETEEN FIFTY FIVE, BUT STATED THAT IF RUBY WOULD TALK TO ANYONE HE WOULD TALK TO [redacted] AND OFFERED HIS SERVICES TO GO TO DALLAS AND ATTEMPT TO FIND OUT WHAT MOTIVATED RUBY AS HE CHARACTERIZED RUBY AS AN INDIVIDUAL WHO WOULD NOT DO ANYTHING UNLESS THERE WAS MONEY INVOLVED.

[redacted] ADMITS MOTIVATION OF HIS CALL TO SECRET SERVICE WAS TO GAIN FAVORABLE CONSIDERATION FOR HIMSELF IN CONNECTION WITH FUTURE RELEASE ON PAROLE. NO LEADS BEING SET OUT. FD THREE ZERO TWO FOLLOWS.

WOULD BE BACK MOMENTARILY. HE STATED THAT ON THESE TWO OCCASIONS, THE POLICEMAN LET HIM RE-ENTER THE RAMP WITHOUT AGAIN SHOWING HIS PRESS CARD. SISCO COULD DESCRIBE THIS OFFICER ONLY AS ABOUT SIX FOOT THREE INCHES, HUSKY, PROBABLY DARK COMPLECTED. SISCO STATED THAT HE DID NOT NOTICE ANY OTHER POLICE OFFICERS ON THE MAIN STREET SIDE AT THIS TIME. SISCO STATED THAT HE HAD NO KNOWLEDGE OF ANY UNAUTHORIZED PERSONS IN THE BASEMENT AREA.

SISCO STATED HE HAD NO KNOWLEDGE OR REASON TO BELIEVE THAT ANY PERSON CONSPIRED WITH RUBY IN THE KILLING OF OSWALD. SISCO RELATED THAT HE HAD NO KNOWLEDGE THAT ~~ANY~~ POLICE OFFICER OR OTHER OFFICIAL CONSPIRED OR PERMITTED THE UNAUTHORIZED PRESENCE OF ANYONE IN THE BASEMENT. SISCO SAID THAT HE CANNOT POSITIVELY SAY THAT HE SAW RUBY UNTIL AFTER OSWALD HAD BEEN SHOT AND RUBY WAS IN CUSTODY OF THE DALLAS POLICE DEPARTMENT IN THE BASEMENT AREA. SISCO STATED THAT HE WAS ONE OF A THREE MAN U.P.I. TEAM FROM CHICAGO PRESENT AT DALLAS PD ON ELEVEN TWENTY FOUR, NINETEEN SIXTY THREE. HE IDENTIFIED THE OTHERS AS OLIVER OAKES AND ISADORE BLECKMAN. BLECKMAN WAS WITH SISCO IN BASEMENT UNTIL AFTER THE SHOOTING. OAKES LEFT ABOUT TEN THIRTY AM TO COVER PRESS CONFERENCE BEING HELD BY WIFE OF GOVENOR CONNELLY. SISCO STATES HIS U.P.I. RE DETROIT TEL NOV. TWO SIX LAST.

JOHN G. MC CULLOUGH, PHILADELPHIA BULLETIN NEWSPAPER REPORTER, HOME ADDRESS SIX THREE FOUR FIVE WOODBINE STREET, PHILADELPHIA, PA., ADVISED SAS JOHN R. WINEBERG AND STANLEY S. CZARNECKI ON DEC. ONE SIXTYTHREE, HE WAS IN DALLAS COVERING THE STORY OF ASSASSINATION OF PRESIDENT JOHN F. KENNEDY FROM SEVEN FIFTEEN PM, FRIDAY, NOV. TWO TWO, UNTIL APPROXIMATELY SEVEN PM, WEDNESDAY, NOV, TWO SEVEN, LAST. HE SAID AT ALL TIMES HE WAS AT DALLAS MUNICIPAL BUILDING WHERE DALLAS POLICE DEPARTMENT IS LOCATED AND IN VICINITY OF ROOMS USED BY PD THAT HE HAD TO USE HIS PRESS CARD FOR IDENTIFICATION.

REC 30 44-24016-128

HE SAID ON NOV. TWO FOUR SIXTYTHREE, HE WENT TO DALLAS PD HEADQUARTERS LOCATED ON THIRD FLOOR OF MUNICIPAL BUILDING AND

cc: Huppert

ARRIVED THERE AROUND TEN O/CLOCK. HE HAD TO SHOW HIS CREDENTIALS TO GAIN ENTRANCE.

CHIEF OF POLICE CURRY, DALLAS PD, WAS TALKING TO A NUMBER OF REPORTERS RE TRANSFER OF OSWALD FROM PD TO COUNTY AUTHORITIES. AMONG THINGS CURRY MENTIONED, WAS THAT PD, DURING FRIDAY NIGHT AND EARLY SATURDAY MORNING, HAD RECEIVED SEVERAL ANONYMOUS PHONE CALLS THREATENING ACTION AGAINST OSWALD FOR HAVING ALLEGEDLY SHOT PRESIDENT. ONE CALLER SAID THAT THEY DID NOT WANT TO HURT ANY POLICE OFFICERS, BUT THEY WOULD GET THE S. O. B. OSWALD.

MC CULLOUGH WENT TO BASEMENT WHERE OSWALD WOULD BE LEAVING BUILDING ABOUT TEN THIRTY AM. HE AGAIN HAD TO SHOW HIS CREDENTIALS WHEN HE GOT OFF ELEVATOR. FROM ELEVATOR HE WENT TO BASEMENT GARAGE AREA, WHERE A VEHICLE WOULD TAKE OSWALD TO COUNTY AUTHORITIES. HE AGAIN HAD TO SHOW HIS CREDENTIALS WHEN HE CAME INTO THIS IMMEDIATE AREA. HE ALSO SAID HE NOTICED POLICE CHECKING POLICE CARS IN THIS UNDER-GROUND PARKING AREA TO SEE THAT NO ONE WAS IN AUTOMOBILES, AND THAT THEY WERE ALSO TAKING SHOTGUNS OUT OF PATROL CARS, WHICH ARE NORMALLY KEPT IN THEM.

UNKNOWN DALLAS PD SERGEANT WAS HEARD BY MC CULLOUGH TO SAY THESE GUNS HAD BEEN PLACED IN PD PROPERTY ROOM.

END PAGE TWO

MC CULLOUGH ESTIMATED THERE WERE PROBABLY FIFTY POLICE OFFICERS IN UNIFORM IN BASEMENT AREA, SOME ARMED WITH TWELVE GAUGE SHOTGUNS.

HE SAID A CROWD OF APPROXIMATELY ONE HUNDRED PEOPLE WERE GATHERED OUTSIDE ENTRANCE TO BASEMENT, WHERE THE ARMORED TRUCK WOULD LEAVE BUILDING, WHEN IT TRANSPORTED OSWALD AWAY. SHORTLY AFTER MC CULLOUGH GOT TO BASEMENT, THESE ONLOOKERS WERE MADE TO GO TO OTHER SIDE OF STREET BY POLICE. CROWD WAS A WELL ORDERED GROUP, ACCORDING TO MC CULLOUGH.

A UNKNOWN POLICE OFFICER TOLD MC CULLOUGH THAT ARMORED TRUCK THAT WAS BEING USED TO TRANSPORT OSWALD WAS TO KEEP OSWALD FROM BEING SHOT WITH HIGH POWERED RIFLE WHICH COULD HAVE BEEN USED TO BETTER ADVANTAGE IF HE WERE BEING TRANSPORTED IN POLICE SEDAN OR VAN. MC CULLOUGH SAID CLEARANCE FOR TRUCK WAS INSUFFICIENT TO ALLOW IT TO GET COMPLETELY INTO BUILDING, BECAUSE OF HEATING DUCTS PROTRUDING FROM CEILING. MC CULLOUGH SAID HE AND SEVERAL OTHER REPORTERS ATTEMPTED TO WALK OVER TO TRUCK TO EXAMINE INSIDE BUT WERE PREVENTED FROM DOING SO BY A POLICE OFFICER.

A CAPTAIN OF DALLAS PD, WHOSE NAME MC CULLOUGH DID

NOT KNOW, BRIEFED PRESS ON PROCEDURE THAT WOULD BE FOLLOWED AT TIME OSWALD WAS BEING TAKEN THROUGH BASEMENT TO TRUCK. THEY WERE TOLD THEY COULD STAND ALONG THE LINE OF PASSAGEWAY WHICH OSWALD WOULD TAKE GOING FROM THE " BOOKING ROOM " AND ACROSS THE BASEMENT TO TRUCK. WHEN NOTICE WAS GIVEN THAT OSWALD WAS IN BASEMENT, PRESS WAS NOT TO FOLLOW AFTER HIM, TRYING TO QUESTION HIM OR STEP OUT IN THE WAY OF THE GROUP. OSWALD WAS TO BE BROUGHT DOWN FROM FOURTH FLOOR CELLBLOCK OF BUILDING ON A SPECIAL ELEVATOR THAT CARRIES PRISONERS BETWEEN FOURTH FLOOR AND " BOOKING ROOM " IN BASEMENT. MC CULLOUGH ESTIMATED IT WAS APPROXIMATELY FIFTY FEET FROM THIS ELEVATOR TO SPOT WHERE TRUCK LOCATED. HE SAID THIS BRIEFING TOOK PLACE AT APPROXIMATELY ELEVEN AM.

HE SAID THERE WAS A POLICE CAR UNMARKED, PARKED RIGHT BEHIND TRUCK, AND SHORTLY AFTER A GREEN POLICE CAR WAS PARKED BEHIND THAT CAR. THEY HAD BOTH COME FROM PARKING AREA IN GARAGE.

THE AREA OF THE CORRIDOR THAT OSWALD WAS TO WALK THROUGH WAS WELL LIGHTED AS RESULT OF NEED FOR LIGHT FOR TV CAMERAS. AT ELEVEN TWENTY AM, CAPTAIN J. W. FRITZ, DALLAS PD,

CAME FROM BOOKING ROOM A FEW FEET AHEAD OF OSWALD AND THE TWO OFFICERS GUARDING HIM, AND SURVEYED AREA AS HE WALKED. MC CULLOUGH SAID AT THAT TIME HE WAS STANDING ON RAILING APPROXIMATELY FIFTEEN FEET AWAY FROM THE PASSAGEWAY WHERE OSWALD WOULD PASS. AT TIME OSWALD CAME OUT OF BOOKING ROOM ON HIS WAY TO ARMORED TRUCK, AREA FROM WHICH RUBY CAME WAS CONGESTED WITH TV CAMERAS, REPORTERS AND POLICE. HOWEVER, MC CULLOUGH NOTED THE MOVEMENT OF AN INDIVIDUAL, WHO LATER WAS IDENTIFIED AS RUBY, MOVING TOWARD OSWALD AS HE WALKED DOWN PASSAGEWAY BETWEEN REPORTERS AND POLICE OFFICERS. MC CULLOUGH ESTIMATED BY THE TIME RUBY GOT TO OSWALD, HE ONLY HAD TO GO FIVE TO TEN FEET TO PUT GUN IN OSWALD/S STOMACH. MC CULLOUGH DID NOT SEE RUBY/ S RIGHT HAND UNTIL HE SHOVED IT INTO OSWALD/ S STOMACH. AT NO TIME DID MC CULLOUGH SEE RUBY/ S FACE

MC CULLOUGH SAID IMMEDIATELY AFTER SHOOTING HE HEARD SOMEONE SAY JACK, YOU S. O. B. SHORTLY AFTER SHOOTING, DETECTIVE COMBAST TOLD MC CULLOUGH IT WAS HE WHO SAID THIS WHEN HE RECOGNIZED RUBY. TEXAS

LATER THAT EVENING, MC CULLOUGH WENT BACK TO HIS HOTEL AND SAW PICTURES OF RUBY ON TV. HE THEN RECALLED THAT FRIDAY NIGHT, NOV. TWO TWO, WHEN HE HAD FIRST GOT TO DALLAS,

END PAGE FIVE

HE WAS AT THIRD FLOOR OF MUNICIPAL BUILDING OUTSIDE OF POLICE HEADQUARTERS. AT SOME TIME AROUND MIDNIGHT, HE STOOD ON A CIGARETTE ASH STAND TO GET A BETTER VIEW OF AREA. AS HE WAS GETTING DOWN FROM STAND, HE BUMPED A MAN RATHER ABRUPTLY WITH HIS ELBOW. HE TURNED TO APOLOGIZE TO MAN AND NOTED MAN WAS CARRYING BLUE AND WHITE BOX WITH " ALPACUNA " STAMPED ON IT. THIS BOX WAS ABOUT EIGHT INCHES BY FIVE INCHES AND APPROXIMATELY THREE INCHES DEEP. AFTER MC CULLOUGH HAD SEEN RUBY/ S PICTURE ON TV, HE WAS CERTAIN THIS WAS INDIVIDUAL HE BUMPED ON FRIDAY. HE SAID THIS INDIVIDUAL WAS WEARING AT THAT TIME A BLUE TOP COAT AND GRAY PORK PIE HAT WHICH WAS WOOL, RATHER THAN FELT. THIS WAS A DIFFERENT HAT THAN RUBY HAD AT TIME HE SHOT OSWALD.

APPROXIMATELY ONE HOUR LATER THAT NIGHT, WHICH WAS PROBABLY EARLY SATURDAY MORNING, NOV. TWO THREE, DALLAS PD HAD PRESS CONFERENCE AT WHICH OSWALD WAS ALLOWED TO BE PHOTOGRAPHED AND SOME QUESTIONS ASKED BY PRESS. CONFERENCE WAS HELD IN " LINE UP ROOM " OF DALLAS PD AND LASTED APPROXIMATELY TEN TO FIFTEEN MINUTES. MC CULLOUGH ESTIMATED THERE WERE AT LEAST ONE HUNDRED PEOPLE PRESENT. HE DID NOT SEE RUBY THEN. BUT AFTER RUBY SHOT OSWALD, JUSTICE OF THE PEACE DAVID L. JOHNSTON, WHO HANDLED OSWALD/ S ARRAIGNMENT, TOLD MC CULLOUGH

AFTER OSWALD/ S DEATH, THAT IMMEDIATELY AFTER THIS CONFERENCE RUBY CAME UP TO JOHNSTON, INTRODUCED HIMSELF AND GAVE JOHNSTON A BUSINESS CARD ADVERTISING THE " CAROUSEL CLUB " NIGHT SPOT WHICH RUBY OWNED. MC CULLOUGH SAID JOHNSTON TOLD HIM THE DRESS OF RUBY WAS SAME AS MC CULLOUGH HAD NOTED APPROXIMATELY AN HOUR EARLIER.

MC CULLOUGH SAID ON SUNDAY, NOV. TWO FOUR, FOLLOWING SHOOTING OF OSWALD, SEVERAL REPORTERS, WHOSE IDENTITIES HE DID NOT KNOW, MENTIONED THAT FRIDAY NIGHT AND EARLY SATURDAY MORNING, RUBY HAD PASSED OUT THESE SAME BUSINESS CARDS ADVERTISING CAROUSEL NIGHT CLUB. THEY WERE GRAY CARDS WITH RED PRINTING. REPORTERS HAD GOTTEN THE CARDS FROM RUBY IN THE MUNICIPAL BUILDING AROUND POLICE DEPARTMENT.

MC CULLOUGH, WHO SAID HE HAD TRAVELED ON CAMPAIGN TRIPS WITH FORMER PRESIDENT KENNEDY AND ALSO ON PRESIDENTIAL TRIPS WITH FORMER PRESIDENT EISENHOWER, SAID THAT IN HIS OPINION THE SECURITY MAINTAINED BY THE DALLAS POLICE DURING WEEKEND OF PRESIDENT/ S ASSASSINATION WAS GOOD, CONSIDERING TREMENDOUS NUMBER OF PRESS AND TV PEOPLE WHICH WERE THERE; AND ALSO THE GREAT AMOUNT OF COVERAGE GIVEN THE STORY THROUGH RADIO AND TV. HE SAID HE RECALLS OF NO INSTANCE OF ANY

UNAUTHORIZED INDIVIDUAL BEING AROUND POLICE DEPARTMENT WITH THE EXCEPTION OF FRIDAY NIGHT WHEN HE ACCIDENTALLY BUMPED INTO JACK RUBY.

MC CULLOUGH SAID HE HAD NO INFORMATION THAT ANYONE HAD CONSPIRED WITH RUBY TO KILL OSWALD OR THAT THERE HAD BEEN ANY INDICATION THAT ANY POLICE OFFICER HAD WILFULLY ALLOWED SHOOTING OF OSWALD.

MC CULLOUGH ALSO ADVISED HE HAD NO INFORMATION REGARDING ANY RELATIONSHIP BETWEEN RUBY AND OSWALD PRIOR TO THE TIME OF THE KILLING OF OSWALD.

Relative to the notification of the police, Sheriff's office and Secret Service by the Dallas Office after receipt of the anonymous telephone call indicating that Oswald would be killed while being moved to the county jail, SAC Shanklin furnished the following details:

The call was received at 2:30 a. m. on November 24. It was received by the Security Patrol Clerk in the Dallas Office. A memorandum was immediately prepared reflecting this call and at 3:00 a. m. the Sheriff's Office was telephonically advised of the receipt of the call and its contents. At that time the Sheriff's Office advised that they had received a similar call and that security precautions would be taken.

At 3:20 a. m. Captain W. B. Frazer, who was in charge of the Dallas Police Department at that time, was telephonically advised of the receipt of the anonymous call and its contents. He at that time stated he would see to it that this information was immediately given to Chief Curry and he felt certain that in view of this information there would be a change of plans relative to the transfer of the prisoner Oswald.

At 8:15 a. m. SAC Shanklin personally called Chief Curry and repeated the information relative to receipt of the anonymous call and its contents. Chief Curry advised he had already been advised of this by Captain Frazer and that they were taking all necessary precautions. He told Shanklin he had two armored cars which would be brought into the basement of the jail and that no one would know which car Oswald would be placed in.

SAC Shanklin advised that the Dallas Office and he personally had made several attempts to notify the Secret Service Agent in Dallas but were unable to reach him either at his home or at his office.

RECOLLECTION OF A SLIGHT ASSOCIATION WITH A JACK RUBY WHO HE UNDERSTOOD TO BE JACK RUBENSTEIN. BERKE CANNOT RECALL THIS MAN-S IMAGE, BUT DOES FEEL THAT POSSIBLY THIS RUBENSTEIN WAS ASSOCIATED WITH ONE JACK HOWARD WHO WORKED IN THE SAME BUILDING AS A SONG PLUGGER. HE STATED THAT TO FURTHER IDENTIFY HOWARD, HE RECALLED THAT HOWARD IN ABOUT NINETEEN FORTY FIVE HAD A MUSIC STORE IN THE LOOP END BUILDING NEXT TO THE CHICAGO THEATRE BUILDING ON STATE STREET WHICH BUSINESS IS NO LONGER IN EXISTENCE. HOWARD HAD A BROTHER WHOSE NAME BERKE COULD NOT RECALL BUT WHO HE BELEIVED WAS CONNECTED WITH THE HOODLUM ELEMENT AND ALSO WORKED WITH JACK HOWARD IN THE SONG PLUGGING BUSINESS. BERKE STATED THAT IF HE IS CORRECT IN HIS RECOLLECTION, THIS JACK RUBY THAT HE RECALLS WAS ASSOCIATED WITH JACK HOWARD AND HIS BROTHER IN THE SONG PLUGGING BUSINESS.

BERKE HAS SEEN PICTURES OF JACK RUBY FROM DALLAS, TEXAS, AND DOES NOT RECOGNIZE HIS FROM HIS CURRENT PICTURES AS ANYONE HE KNEW IN CHICAGO. HE ADVISED THAT POSSIBLY FROM AN OLDER PICTURE OF JACK RUBY TAKEN DURING THE FORTIES, HE COULD DEFINITELY DETERMINE IF JACK RUBY FROM DALLAS IS THE MAN HE HAS REFERENCE TO AS BEING IN BUSINESS WITH HOWARD.

BERKE ADVISED THAT HE MARRIED ROSYLIN JAFFE IN CHICAGO, ILLIMOIS, IN NINETEEN THIRTY NINE. A YEAR AFTER THEIR MARRIAGE HIS WIFE-S PARENTS, MR. SAM JAFFE, ALSO AFTER THE SALE OF LAWSON- JAFFE-S JEWELRY STORE, MANAGED THE BUILDING FOR LAWSON JAFFE AND COLLECTED THE RENT. BERKE DOES RECALL THAT THERE WAS SOME KIND OF A HALL ON THE THIRD FLOOR OF THIS BUILDING. HE STATED THAT HE RECALLS NO METTWINGS THAT WERE EVER HELD IN THIS HALL AS IT WAS QUOTE A MISERABLE PLACE UNQUOTE. BERKE AND HIS WIFE MADE NUMEROUS TRIPS FROM CHICAGO, ILLINOIS TO MUNCIE, INDIANA, DURNING THE PERIOD BEFORE THE WAR AND AFTER MR. BERKE-S DISCHARGE FROM THE SERVICE. BERKE SUGGESTED THAT MARTY BRIN, WHO HE BELEIVES IS PRESENTLY A SALESMAN FOR A BEER COMPANY IN CHICAGO WOULD POSSIBLY KNOW THE JACK RUBY HE HAS REFERENCE TO AS BEING CONNECTED WITH JACK HOWARD. SHE WAS DESCRIBED BY MARIAN AS NEVER TAKING MUCH INTEREST IN HER CHILDREN/S WELFARE.

IN A LETTER DATE JULY SIXTEEN NINETEEN THIRTYSEVEN, THE MICHAEL REESE HOSPITAL, CHICAGO, ILLINOIS, REPORTED THAT FANNIE RUBINSTEIN HAS BEEN KNOWN TO THE MICHAEL REESE HOSPITAL SINCE NINETEEN TWENTYSIX DUE TO HER COMPLAINING OF A STICKING SENSATION

IN HER THROAT OVER A FIFTEEN YEAR PERIOD WHICH SHE INSISTED WAS A FISHBONE. SHE WAS DIAGNOSED AT THE PSYCHIATRY CLINIC OF THE HOSPITAL AS HAVING A PSYCHONEUROSIS WITH MARKED ANXIETY STATE.

THE LETTER FURTHER REPORTED THAT SINCE NINETEEN-TWENTYSIX FANNIE RUBINSTEIN RETURNED TO THE PSYCHIATRY CLINIC OF THE MICHAEL REESE HOSPITAL AT INTERVALS SOMETIMES VOLUNTARILY AND IN THE PAST FOUR YEARS AT THE REQUEST OF HER SON AND DAUGHTER. THEY FOUND HER BEHAVIOR INCREASINGLY DIFFICULT IN THE HOUSE. DURING THE PAST FOUR YEARS, ACCORDING TO THE LETTER, FANNIE HAS BEEN EXCEEDINGLY QUARRELSOME, USED PROFANITY AND WAS VERY MARKEDLY SUSPICIOUS OF THE MOTIVES OF HER FAMILY AND CONSTANTLY EXPRESSED THE IDEA THAT HER SONS ARE CONSPIRING AGAINST HER AND INFLUENCING THE OTHER CHILDREN TO BE IMPATIENT AND CRUEL TOWARD HER.

IN ANOTHER REPORT AT THE HOSPITAL DATED AUGUST TWELVE NINETEEN THIRTYSEVEN IT WAS STATED THAT FANNIE IN AN INTERVIEW WITH HOSPITAL AUTHORITIES GAVE HER AGE AS SIXTYTWO AND BORN IN POLAND IN OCTOBER BUT COULD NOT GIVE THE YEAR. THIS REPORT WHICH DIFFERS FROM INFORMATION IN OTHER SECTIONS OF THE FILE AND WHICH IS SET OUT ABOVE, STATES THAT FANNIE ADVISED THAT SHE

END PAGE FOUR

ALSO HAS TWO SISTERS IN POLAND IN ADDITION TO HER BROTHER IN DENVER. TWO OTHER SISTERS, ACCORDING TO FANNIE, DIED IN INFANCY AND ANOTHER SISTER DIED IN POLAND OF MALNUTRITION DURING THE WAR. SHE CLAIMED TO BE MARRIED TO JOSEPH RUBINSTEIN AT THE

AGE OF TWENTYFOUR WHEN HE WAS THEN THIRTY AND THE MATCH WAS MADE AS CUSTOMARY THROUGH A PROFESSIONAL MATCH MAKER AND HER MARRIAGE TO JOSEPH WAS AN UNHAPPY MARRIAGE.

THE FILE REFLECTED THAT FANNIE/S DECEASED CHILD DIED AT THE AGE OF TWENTY MONTHS DUE TO SCALDING. IT WAS NOTED THAT FANNIE RUBINSTEIN WAS ILLITERATE AND THAT SHE SPEAKS VERY LITTLE ENGLISH. SHE WAS QUESTIONED AT THE HOSPITAL, ACCORDING TO THE RECORDS IN QUOTE JEWISH UNQUOTE BY A DOCTOR [redacted] FIRST NAME NOT ENTERED. IN OCTOBER, NINETEEN THIRTYSEVEN, DATE NOT ENTERED FANNIE RUBINSTEIN WAS ENTERED IN THE RECORDS AS AN QUOTE ESCAPE UNQUOTE FROM THE HOSPITAL. SHE WAS THEN PLACED ON PAROLE FOR NINETY DAYS BY THE HOSPITAL ON OCTOBER SEVENTEEN NINETEEN THIRTYSEVEN TO HER DAUGHTER, MARIAN RUBINSTEIN, SIX TWO FOUR INDEPENDENCE BOULEVARD, CHICAGO. [redacted] EXPLAINED THAT APPARENTLY MARIAN RUBINSTEIN WAS LOCATED

AT THE ABOVE CHICAGO ADDRESS. THEREFORE, AS WAS THE CUSTOM OF THE AUTHORITIES AT THAT TIME, MRS. RUBINSTEIN WAS PLACED ON PAROLE FOR NINETY DAYS IN CARE OF HER DAUGHTER. SHE AT THAT TIME WAS ENTERED IN THE RECORDS AS IMPROVED, HOWEVER, WAS STILL IN A PARANOID STATE.

ON JANUARY FOURTEEN NINETEEN THIRTYEIGHT FANNIE WAS ENTERED ON THE RECORDS AS RETURNED FROM ESCAPE AND PAROLE DUE TO A REQUEST FROM HER FAMILY BECAUSE SHE WAS UNCOOPERATIVE AND CAUSED CONSTANT DISCORD IN THE FAMILY AND WAS NOISY AND USING OBSCENE LANGUAGE.

FANNIE RUBINSTEIN ON MAY TWENTYSEVEN NINETEEN THIRTYEIGHT WAS AGAIN PAROLED FOR NINETY DAYS TO HER DAUGHTER, ANN VOLPORT, THREE EIGHT ZERO SIX WASHINGTON BOULEVARD, CHICAGO, ILLINOIS, AS IMPROVED. SHE WAS STILL DESCRIBED AS BEING IN A PARANOID STATE WITH AN UNFAVORABLE PROGNOSIS.

THE LAST INFORMATION IN THE FILES REFLECTED A MONTHLY PROGRESS REPORT FROM THE ILLINOIS DEPARTMENT OF PUBLIC WELFARE DATED AUGUST TWENTYTHREE NINETEEN THIRTYEIGHT WHICH WAS AT THAT TIME AT THE END OF THE NINETY DAY PAROLE AND IT WAS REPORTED THAT MARIAN RUBINSTEIN, DAUGHTER, ADVISED THAT SHE WAS NOW

LIVING WITH FANNIE AT THREE EIGHT EIGHT FOUR WEST END AVENUE, CHICAGO, AND THAT FANNIE WAS GETTING ALONG MUCH BETER, EVEN GOING TO THE PARK DURING THE DAY. REPORT STATED THAT FANNIE, HOWEVER, DOES NOT GO BACK TO SIX TWO FOUR SOUTH INDEPENDENCE BOULEVARD, CHICAGO, WHERE HER HUSBAND AND CHILDREN LIVE, THEREFORE, MUCH TROUBLE HAS BEEN AVOIDED.

[redacted] STATED THAT HER RECORDS REFLECT THAT FANNIE RUBINSTEIN ON AUGUST TWENTYFIVE NINETEEN THIRTYEIGHT RECEIVED AN ABSOLUTE DISCHARGE FROM THE HOSPITAL AS IMPROVED.

IN ADDITION TO THE ABOVE, FANNIE RUBINSTEIN WAS FURTHER DESCRIBED AS WHITE, FEMALE, FOUR FEET SIX INCHES, ONE HUNDRED EIGHTYTWO POUNDS, BUILD OBESE, HAIR RED, EYES BLUE.

~~CORR LAST NAME SHOULD BE RUBINSTEIN~~

At 3:15 p.m. ASAC Clark of Dallas called to advise that U.S. Attorney has sent an Assistant U.S. Attorney over to the office to sit in on all conferences in the Ruby case and with instructions that he is to stay with the SAC to know of all instructions given, et cetera; that this was in accordance with the Attorney General's order. He said further that the head of the Criminal Division of the Department is flying down to Dallas.

I told ASAC Clark that he should advise the U.S. Attorney that we would consult with the U.S. Attorney on any legal matters or policies of procedure under the statute but that we would run the investigation in this matter and it was not feasible or practical for an Assistant U.S. Attorney or anyone else to be in the office. I told Clark the Assistant U.S. Attorney is not to stay in the office.

As to Assistant Attorney General Miller, head of the Criminal Division, I told Clark that Miller is a reasonable man and friendly to the Bureau and he should not hesitate to consult with him on any legal matters but that here again it was unnecessary and undesirable for Miller to take up headquarters in our office. Clark said he had already told the Assistant U.S. Attorney that it would not be possible for him to sit in on the conferences and he would also advise the U.S. Attorney.

[redacted] ADVISED HE KNEW OF NO LAW ENFORCEMENT OR POLITICAL CONTACTS OF RUBY, NOR DID HE KNOW OR HEAR OF ANY SUBVERSIVE CONNECTIONS OF RUBY. HE ADVISED HE NEVER HEARD RUBY EXPRESS ANY RADICAL OR EXTREMIST VIEWS AND ALSO ADVISED THAT HE HAS NEVER SEEN LEE HARVEY OSWALD OR HEARD RUBY MENTION HIM.

[redacted] STATED THAT RUBY WAS IN TROUBLE WITH TLCB, ON ONE OCCASSION THAT HE CAN RECALL, WHICH HE BELIEVES OCCURED IN NINETEEN FIFTYFIVE OR NINETEEN FIFTYSIX. HE BELIEVED THAT THIS WAS FOR SELLING OR PERMITTING CONSUMPTION OF BEER AFTER HOURS. [redacted] COULD NOT RECALL THE NAME OF THE CLUB INVOLVED BUT STATED THAT THE RECORD MAY STILL BE IN THE DALLAS DISTRICT OFFICE. HE ADVISED THAT THE TLCB IS ONLY REQUIRED TO KEEP RECORDS FOR TWO YEARS, BUT NEEDS APPROVAL FROM AUSTIN, TEXAS, BEFORE DESTROYING ANY RECORDS. HE ADVISED THAT THE DALLAS DISTRICT OFFICE MAY HAVE A COPY OF A PERSONAL HISTROY FORM ON RUBY, WHICH, THOUGH NOT MENDATORY, HE BELIEVES THE DALLAS DISTRICT REQUIRED WHEN RECEIVING AN APPLICATION FOR A BEER AND WINE LICENSE.

HE ADVISED THAT RUBY TRIED TO GIVE THE IMPRESSION THAT HE COULD BE "TOUGH" IF HE HAD TO BE. HE STATED HE DID NOT KNOW OSWALD AND HAD NEVER SEEN HIM.

WHO IS A RETIRED POLICEMAN, NAME AND ADDRESS UNKNOWN, SAID HE THOUGHT THAT YEARS AGO RUBY HAD SOME CONNECTION WITH ALDERMAN PADDY BAULER AS A BOOKIE, THAT RUBY WAS FIRED FOR NOT PAYING BETS, THAT PADDY/S BROTHER FNU BAULER, NOW DEAD, GOT RUBY SOME OTHER UNKNOWN JOB. BAULER THEN FIRED RUBY, LOST THIS JOB BECAUSE RUBY AND HIS SISTER, NAME UNKOWN, WERE HANDING OUT COMMUNIST LITERATURE. HE IS SIXTYSEVEN YEARS OLD AND RETIRED FROM FORMER EMPLOYMENT WITH CHICAGO PARK DISTRICT. HE WAS A FORMER DEMOCRATIC PRECINCT CAPTAIN. IN THE EVENING HE OFTEN HANGS AROUND THE NEWSSTAND AT IRVING PARK AND MILWAUKEE AVENUE. ON THE EVENING OF NOVEMBER TWENTY FOUR LAST ANDY KLASEN SAID TO HIM AND TO ANOTHER MAN KNOWN TO SPLITT AS QUOTE RED UNQUOTE WHITE, MALE, ABOUT SIXTY FIVE, A RETIRED POLICEMAN, THAT HE HAD BEEN LISTENING TO ALL THE NEWS ABOUT JACK RUBY. KLASEN SAID THAT MAYBE RUBY WAS A COMMUNIST. KLASEN SAID RUEY/S PICTURE IN THE PAPER LOOKED FAMILIAR AND KLASEN SAID HE MIGHT EVEN HAVE KNOWN RUBY YEAR/S AGO. THE INDIVIDUAL QUOTE RED UNQUOTE NEVER AT ANYTIME IN THIS CONVERSATION INDICATED THAT HE KNEW RUBY OR ANYTHING ABOUT POSSIBLE COMMUNIST ACTIVITIES OF RUBY. SPLITT SAID HE DID NOT KNOW QUOTE RED/S UNQUOTE ADDRESS OR LAST NAME.

SPLITT SAID THAT KLASEN WAS A SOURCE OF TROUBLE TO THE MEN THAT HANG AROUND THE NEWSSTAND, THAT KLASEN WAS CONSTANTLY

INVENTING STORIES WHICH SPLITT DID NOT BELIEVE AND THAT KLASEN WAS ALWAYS CLAIMING TO KNOW THIS PERSON OR THAT PERSON WHEN SPLITT WAS SURE KLASEN WAS LYING. KLASEN IS MOST IMAGINATIVE, ACCORDING TO SPLITT, WHO SAID KLASEN WAS LOSING HIS MIND. SPLITT COULD OFFER NO INFORMATION PERTINENT TO LOCATING QUOTE RED UNQUOTE AND DENIED THAT HE KNEW ANYTHING ABOUT JACK RUBY.

ON NOVEMBER TWENTY SIX LAST ANDREW KLASEN FURTHER ADVISED THAT HE HAD SEEN QUOTE RED UNQUOTE AT THE NEWSSTAND BUT FAILED TO LEARN HIS IDENTITY. ACCORDING TO KLASEN, QUOTE RED UNQUOTE, CLAIMS THAT HE NEVER TALKED OF ANY COMMUNIST ACTIVIES OF RUBY, THAT QUOTE RED UNQUOTE DOES NOT KNOW OF ANY SUCH ACTIVITIES AND DOES NOT KNOW RUBY. KLASEN NOW FEELS THAT HIS CRONIES AT THE NEWSSTAND ARE ALL OUT TO QUOTE GET HIM UNQUOTE BECAUSE THEY BEHAVE IN AN UNUSUAL WAY TOWARDS HIM. KLASEN ALSO RECALLED THAT HIS FAMILY HAD TURNED AGAINST HIM AND THAT HIS EXWIFE HAD TRIED TO POISON HIM WITH PHENOBARBITAL. KLASEN IS LYING

KLASEN ADVISED ON NOVEMBER TWENTY SEVEN INSTANT THAT HE HAD SEEN QUOTE RED UNQUOTE AGAIN BUT DID NOT LEARN HIS NAME. THEY TALKED ABOUT JACK RUBY AND QUOTE RED UNQUOTE STILL DENIES KNOWING OR SAYING ANYTHING ABOUT RUBY. KLASEN SAID HE NOW BELIEVES QUOTE RED UNQUOTE AND THINKS HE, KLASEN, WAS CONFUSED ABOUT THE CONVERSATION ON NOVEMBER TWENTY FOUR LAST AND THAT MIKE SPLITT OR SOMEONE ELSE MUST HAVE BEEN TALKING ABOUT RUBY.

AFTER COOKE RECEIVED HIS LAW DEGREE, HE ORGANIZED THE WASTE MATERIAL HANDLER-S UNION. COHN ADVISED RUBENSTEIN WAS AN ORGANIZER FOR COOKE AND THEY ONLY OTHER EMPLOYEE OF THE UNION KNOWN TO COHN.

COHN COULD NOT RECALL EXACT DATES, BUT REMEMBERED THE UNION WAS ORGANIZED DURING THE MID THIRTIES AFTER THE NRA WAS DECLARED UNCONSTITUTIONAL. COHN HAD LOST TRACK OF RUBENSTEIN AFTER THE COHN FAMILY HAD MOVED FROM THE AREA WHILE THEY WERE STILL IN SCHOOL.

COHN TOOK OVER HIS FATHER-S BUSINESS AND WAS RUNNING AN OPEN SHOP. RUBENSTEIN, WITHOUT COHN-S KNOWLEDGE, STARTED ORGANIZING COHN-S EMPLOYEES INTO THE UNION.

COHN DISCOVERED RUBENSTEIN TALKING TO HIS EMPLOYEES IN FRONT OF THEIR PLACE OF BUSINESS, AND IT WAS THEN HE BECAME AWARE THAT RUBENSTEIN WAS ACTING AS AN ORGANIZER FOR COOKE.

COHN-S BUSINESS WAS ORGANIZED AS A UNION SHOP AND THEREAFTER RUBENSTEIN WAS IN REGULAR CONTACT WITH COHN WHILE ACTING AS THE UNION REPRESENTATIVE. THIS CONTINUED FOR A COUPLE OF YEARS UNTIL COOKE WAS KILLED, PROBABLY DURING THE LATE NINETEEN THIRTIES.

COHN DID NOT KNOW ANYONE BESIDES RUBENSTEIN CONNECTED WITH THE REORGANIZATION OF THE UNION.

COHN CLAIMED ONLY HEARSAY KNOWLEDGE OF RUBENSTEIN THEREAFTER. HE SAID HE HAD NOT SEEN OR TALKED WITH RUBENSTEIN SINCE LONG BEFORE WORLD WAR II. HE HAD HEARD FROM AN UNRECALLED SOURCE THAT AFTER RUBENSTEIN GOT OUT OF THE SERVICE, HE SETTLED IN DALLAS. HE SEEMED TO RECALL THAT RUBENSTEIN HAD BEEN IN TEXAS WHILE IN THE SERVICE AND DECIDED TO SETTLE THERE.

COHN SAID THE ONLY THING HE KNEW RUBENSTEIN TO DO IN ADDITION TO UNION ORGANIZING WAS TO SELL GADGET AND PREMIUM TYPE OBJECTS. COHN OBSERVED THAT RUBENSTEIN ALWAYS HAD BEEN EMOTIONAL AND WAS QUOTE SOFT HEARTED UNQUOTE BUT NEVER INDICATED HE COULD BE VICIOUS. COHN CONSIDERED RUBENSTEIN A TRUE, LOYAL AMERICAN, WHO HAD NEVER HAD ANYTHING TO DO WITH MOVEMENTS SUCH AS COMMUNISM.

COHN COMMENTED THAT RUBENSTEIN HAD BEEN FATHERLESS, AND THE SHOCK OF THE ASSASSINATION AND KNOWLEDGE THAT THE KENNEDY CHILDREN WOULD ALSO BE WITHOUT A FATHER, COULD HAVE MOTIVATED THE MURDER OF OSWALD.

POLYGRAPH EXAMINATION REPORT

AUBREY DE PELLATON was given a polygraph examination at San Francisco, California, on November 26, 1963, by SA DAVID E. TODD. SA WILLARD E. BASEMAN was present at the examination.

During the pretest interview, DE PELLATON advised that his general health is good, that he had no history of heart trouble, tuberculosis, or other respiratory illnesses and had no history of mental illness. He did state that in 1951 he suffered a severe head injury in an automobile accident resulting in temporary loss of memory and that he was given electro-encephalogram tests in connection with his hospitalization. He claims he has no current memory defects and that he recovered fully.

During the polygraph examination, he was questioned in regard to the story he furnished previously to the effect that on Wednesday evening, November 20, 1963, at approximately 11:30 P.M. he, as a cab driver, picked up a fare near the Greyhound bus terminal in San Francisco, California, and delivered this fare to the general area of Jones and Eddy Street, San Francisco, and that during the ride this individual told him his name was JACK RUBY and mentioned that he was going to kill someone.

No significant emotional responses were recorded by the polygraph which would indicate that DE PELLATON was telling a deliberate falsehood. It is the opinion of the examiner that an incident with some person hiring DE PELLATON's cab occurred generally as described by him. However, in view of DE PELLATON's past medical history the possibility must be considered that he may be confused with respect to the name JACK RUBY. DE PELLATON stated he could not identify a photograph of RUBY.

Forwarded under separate cover to the Bureau is one developed roll of 8 mm. motion picture film, in color, which includes photos of an individual who is possibly LEE HARVEY OSWALD, as he took part in a street demonstration in New Orleans in August, 1963. The film was provided on the night of 11/27/63 by J. PAT DOYLE, 1107 SE 123rd Avenue, Portland, Oregon.

Enclosed herewith for Dallas are nine copies of FD-302s incorporating information supplied by Mr. and Mrs. DOYLE.

Mr. DOYLE is employed as a power line construction foreman by the Charles T. Parker Construction Co., 6457 NE Columbia Blvd., Portland. In August, 1963, he and his wife, Mrs. CHARLEEN DOYLE, and their two children, JIM, age 14, and SHARON, 11, traveled to New Orleans from Portland on a combination business and vacation trip. They were accompanied by Mr. and Mrs. MATT WILSON and their two children, MARSHA, age 13, and DONALD, 11. Mr. WILSON also is in the construction business, operating his own firm, the Wilson Construction Company, 14714 NE Hancock, Portland, where he also resides.

With DOYLE, he was attending an electrical contractors convention in New Orleans. DOYLE is president of the National Electrical Contractors in Portland, and WILSON is governor of the Northwest Line Construction Contractors.

At approximately 4 o'clock in the afternoon of Friday, August 9, 1963, the two families were walking on Canal Street in New Orleans when they observed two young men who were carrying pro-Cuban signs and distributing leaflets. One carried a placard on a stick. According to young SHARON DOYLE, this placard bore the figure of the Statue of Liberty and some such wording as "Cuba in Chains" and "Only 90 Miles from the U. S." The other man, possibly OSWALD, was wearing on his front a yellowish or orange-colored sign which bore the wording, "Viva la Fidel" and other wording believed similar to that on the above placard. The DOYLE family were agreed on the "Viva la Fidel."

The DOYLEs said that the demonstration was taking place in the approximate middle of a block on Canal Street, some five blocks toward the Mississippi River from the Jung Hotel.

As the DOYLEs and WILSONs passed the area, the two demonstrators were "rushed" by eight Cubans (Mr. DOYLE counted them), who argued vigorously with the two men, and trouble appeared imminent. Several police officers arrived on the scene immediately, however, both by car and on foot, and after talking to the two demonstrators for a time, apparently arrested them and placed them in a patrol car. This, however, was not before the placard on the stick had been smashed and the leaflets scattered on the sidewalk. It was believed by the DOYLEs that the pieces of the placard were picked up and placed in the police car. Mr. DOYLE commented that the policemen were able to arrive on the scene so hurriedly apparently because they had been "keeping an eye" on some picketing by Negroes which was taking place across the street a short distance away.

The pictures of the incident in the enclosed roll of film were taken by young JIM DOYLE. It will be noted that other vacation pictures appear on the roll, both before and after the New Orleans incident. The pertinent portion of the film occurs immediately following scenes showing SHARON DOYLE in front of a statue and a brief view of Mrs. DOYLE standing alone. It ends with a view of what appears to be a warehouse on the river.

At one point, the individual who is possibly OSWALD can be seen with his back to the camera, talking to an officer. He is motioning with one hand. Mr. DOYLE explained that he apparently was indicating that he had a right to walk on the sidewalk. Subsequent scenes show the man walking through the crowd. At one point, his yellow sign can be seen, but not deciphered. His companion never appears.

The film is being forwarded, in order that the Bureau may make copies of the pertinent scenes, if it so desires. Mr. DOYLE stated that the Bureau may use the film for whatever use it may desire and keep it as long as necessary. He asked, however, that eventually the film be returned to him.

In view of the circumstances, the presence of the police officers and the apparent arrest of the two demonstrators, complete information concerning the incident may already be in the possession of the Dallas Division. Consequently, any pertinent leads are being left to that office.

Information concerning the incident as provided by Mr. and Mrs. WILSON will be provided as soon as they can be interviewed.

DURING THIS INTERVIEW OF [redacted] IT IS NOTED THAT THERE WERE FOUR OTHER VISITORS PRESENT, ONE OF WHOM WAS IDENTIFIED AS [redacted] A KNOWN ASSOCIATE OF [redacted] AND GAMBLING PAYOFF MAN. IMMEDIATELY AFTER HEARING THAT RUBY HAD SLAIN OSWALD AND SHE RELATED RUBY CAME TO HER HOME IMMEDIATELY AFTER PRESIDENT KENNEDY WAS ASSASSINATED., THAT HE BROKE DOWN AND CRIED AT MRS. KENNEDY-S ANGUISH. THEY SAID HE HAD NO DOUBT THAT OSWALD KILLED THE PRESIDENT AND HE BELIEVED OSWALD WOULD BE PUT IN A MENTAL INSTITUTION. HE FELT THIS WAS NOT ENOUGH AND HE WANTED TO AVENGE MRS. KENNEDY. THEY RELATED THAT RUBY HAD CONTRIBUTED TO PRESEIDENT KENNEDY-S CAMPAIGN FUND AND HE BELIEVED PRESIDENT KENNEDY WAS THE NATION-S GREATEST LEADER. HYMAN TOLD PETACQUE THAT RUBY WOULD NOT KILL OSWALD TO BECOME A HERO, HE DID IT TO SET AN EXAMPLE OF HOW A PERSON LIKE OSWALD SHOULD BE PUNISHED. RUBY-S BROTHERS AND OTHER PEOPLE ACQUAINTED WITH HIM RELATED THAT RUBY WAS AN ARDENT ADMIRER OF PRESIDENT FRANKLIN D. ROOSEVELT AND WOULD FIGHT WITH ANYONE WHO MADE A SLURRING REMARK ABOUT ROOSEVELT.

PETACQUE SAID HE KNEW RUBY AROUND TWENTY YEARS AND THAT ABOUT SEVENTEEN YEARS AGO HE WENT TO DALLAS TO MANAGE A

TAVERN FOR HIS SISTER AND LATER BECAME OWNER OF THIS TAVERN. HE BELIEVED RUBY CHANGED HIS NAME BECAUSE OF ANTI SEMITISM IN DALLAS AND NOT BECAUSE OF ANYTHING HE HAD DONE IN CHICAGO. HE RECALLS THAT RUBY GREW UP IN THE ROOSEVELT AVENUE AREA OF CHICAGO WHERE HOODLUMS LIVED AND OPERATED AND THAT LIKE ANYONE LIVING IN THAT AREA, HE WAS ACQUAINTED WITH MOST OF THE HOODLUMS. HE BELIEVES RUBY NEVER CLOSELY ASSOCIATED WITH ANY HOODLUMS AND RECALLS THAT HE NEVER GOT HIMSELF INVOLVED IN ANY SERIOUS TROUBLE., AT MOST, HE WAS INVOLVED IN A PUNCH BOARD OPERATION BUT NEVER ARRESTED IN THIS REGARD. HE HAD THE REPUTATION OF A STREET BRAWLER. HE NEVER HAD A STEADY JOB BUT OCCUPIED HIMSELF AS TICKET SCALPER, SALESMAN OF ASSORTED GOODS, SMALL TIME PROMOTER, PROGRAM HAWKER AT SPORT EVENTS, ETC. PETACQUE RECALLS RUBY BELONGED TO A CHICAGO SOUTH SIDE QUOTE DAVE MILLER GANG UNQUOTE DURING EARLY NINETEEN FORTIES AND HIS GANG WOULD GANGFIGHT NAZI BUND GROUPS IN CHICAGO.

END PAGE SIX

FROM HIS PERSONAL KNOWLEDGE AND INFORMATION FROM RUBY-S ACQUAINTANCES, HE BELIEVES RUBY HAS ALWAYS BEEN A LOYAL PATRIOTIC AMERICAN. HE HAS NO KNOWLWDGE THAT RUBY OR HIS SISTER, EVA GRANT, HAD ANY CONNECTIONS WITH THE DALLAS POLICE DEPARTMENT OR WITH ANY HOODLUMS IN DALLAS. HE HAD NO PERSONAL KNOWLEDGE CONCERNING RUBY-S UNION ACTIVITIES, HOWEVER HYMAN RUBENSTEIN TOLD HIM THAT RUBY WAS A LABOR ORGANIZER OF THE WASTE HANDLER-S UNION DURING THE NINETEEN THIRTIES FOR A FEW MONTHS.

At 9:20 a.m., this date, an individual identifying himself only as Mr. Miller, 1125 14th Street, Northwest, Washington, D. C., called and advised he was a close friend of Ruby. He also identified Clint Murchison and Tommy Webb as friends of Ruby. Miller declined to furnish additional information.

Subsequent to the receipt of this call, Agents of the Washington Field Office (WFO) contacted the landlady at the afore-mentioned address, as well as individuals in the area, in an attempt to identify Miller without success. WFO was instructed to locate Tommy Webb and interview him regarding information furnished by Miller.

At 9:10 p.m., instant date, night supervisor Leonard Webster, WFO, advised the Bureau that Webb had been contacted and advised that he did not know Miller nor Ruby, and was positive that Murchison did not know either Miller or Ruby. It was Webb's opinion that this was obviously a "crank" complaint.

ACTION:

In view of the fact there appears to be no foundation in fact for Miller's statements, no further action is being taken regarding this matter.

I think we should talk to Clint Murchison Jr. Yes.

Memorandum

TO : Mr. Mohr

DATE: November 25, 1963

FROM : C. D. DeLoach

SUBJECT: ASSASSINATION OF THE PRESIDENT

For the Director's information, I talked with Al Friendly, Vice President and Managing Editor of the "Washington Post and Times Herald" at 10:50 AM this morning.

I told Friendly that I wanted to be perfectly honest with him, however. I must insist that our conversation remain completely off the record. I mentioned we had had numerous cordial arguments in the past and the fact was well established that we usually had different points of view on most matters. I mentioned that the purpose of my call, however, was a matter of grave concern and I felt certain he would recognize this fact. Friendly agreed and stated our conversation would be maintained strictly in confidence.

I told Friendly that apparently there had been a "leak" to his paper to the effect that a "Presidential Commission" had been suggested to look into the assassination of the President and the murder of Lee Harvey Oswald. I mentioned we had received information indicating his paper planned to prepare an editorial strictly affirming the necessity of a "Presidential Commission." It was mentioned that such an editorial would be most unwise at the present time. Friendly interrupted me at this point and stated he did not personally know whether this had been a "leak" or merely the idea of one of their staff members. He affirmed the fact an editorial was being considered.

I told Friendly I had just conferred with the Director regarding this matter and wanted him to know that such an editorial on the part of his paper would merely "muddy the waters" and would create further confusion and hysteria. It was mentioned that the President had personally asked the Director to have the FBI conduct a full investigation both into the assassination of the President and into the murder of Lee Harvey Oswald. I told him Mr. Hoover was personally supervising these investigations and that reports would be submitted to the Department of Justice and to the White House in two phases: (1) the assassination of the President and (2) the murder of Lee Harvey Oswald. I mentioned that Mr. Hoover had seen to it that the best trained men in the FBI were on these investigations and that our inquiries were proving to be swift and intensive. I told him no stone is to be left unturned. I further told him that the President had additionally discussed this matter with the Director today and that the

irector had assured the President that thorough investigations were proceeding at full peed. I mentioned to Friendly that our investigation would include and lay to rest any rumors of substance that had been flying around with respect to the two matters. I mentioned to him also the fact that the State of Texas was concerned with the matter nd was conducting inquiry. I told Friendly that, as a matter of personal interest o him, our investigation into the murder of Lee Harvey Oswald would determine he adequacy of security given to Oswald and that the facts, regardless of what they ight be, would allow the Department of Justice to determine whether a Civil Rights iolation had occurred. Friendly replied he was most interested in this phase.

I mentioned to Friendly that considering all the above, an editorial y his paper suggesting a "Presidential Commission" would merely serve to confuse he issue. I told him it was hoped that he would understand our viewpoint in this matter nd would, therefore, eliminate the editorial.

Without any hesitation, Friendly told me the editorial would be eliminated. He stated he would, of course, have to mention this matter to Russ Wiggins, the Editor, on a confidential basis. I told him there were no objections to this, however, Wiggins should specifically understand my reasoning in approaching him, Friendly, in this manner. Friendly stated there would be no misunderstanding. Friendly added that while he would respect our viewpoint, he sincerely hoped I would bring to the Director's attention the need for some outstanding group or body of men affirming and issuing the FBI report other than the U. S. Attorney General or that "boob" (Waggoner Carr) who calls himself the Attorney General of the State of Texas. Friendly mentioned he had every confidence in the Director and the FBI in conducting a fair and impartial investigation. He added, however, if the FBI investigative report was issued by either the Attorney General of the United States or the Attorney General of the State of Texas, the report would bear little weight in later suppressing rumors, ill-advised books, making a martyr out of Oswald. I told Friendly that in view of his cooperation, I would, of course, bring his personal thoughts to the attention of the Director and I felt sure that the Director would mention this to the President if the occasion arose. Friendly reiterated his confidence in the FBI and he stated he was glad to be of service.

The Director was advised of the above facts and specifically of Friendly's commitment not to print the editorial.

Friendly called back at 11:30 AM. He stated he had thought the matter over (he obviously had talked with Russ Wiggins) and wanted to let me know that while he agreed with some of our viewpoints, he could not make any definite commitment. He stated this was a matter for Wiggins to decide upon. I told him in view of his statements

DATION

aring our previous conversation, I thought the decision had already been made not
o publish the editorial. He stated that had been only his personal opinion, that after all
is paper had an obligation to the general public. I told him I was not asking him to
uppress anything but merely to listen to a point of common sense during a very trying
ime. He stated this was all very true but we should recognize that his paper had an
bligation to print what was felt might be the best for the general public. He indicated
hat no decision had yet been made concerning the editorial and in all probabilities
t would not be printed, however, he did want to let me know as of this time no definite
ommitment could be given.

This, of course, is the usual "hogwash" on the part of Wiggins who cannot be trusted and usually attempts to run opposite good judgment in order to satisfy his own ego.

The Director was advised immediately of the above facts.

I went over to see Guthman at 12:05 PM. Guthman was told that apparently there had been a "leak" to the "Washington Post and Times Herald" in connection with the "Presidential Commission" idea. I asked if he knew how this had come about. He replied that Jim Clayton, a reporter for the "Washington Post," had contacted him this morning and had referred to an article in today's issue of the "New York Times" by James "Scotty" Reston which specifically recommended a "Presidential Commission" (column attached). Clayton asked for comment from the Department of Justice and Guthman told him he had no comment to make, that the FBI was apparently conducting an intensive investigation and nothing could be said until the FBI investigation had been completed.

Deputy Attorney General Katzenbach was in Guthman's office at the time of my conversation with Guthman. After hearing our conversation, Katzenbach asked my opinion as to whether he should personally call Russ Wiggins. I told him it was entirely up to him. I asked him how well he knew Wiggins. He stated he hardly knew him at all. I outlined briefly to Katzenbach the results of my conversation with Al Friendly, the Managing Editor. Katzenbach stated he knew he could not trust Wiggins but he would give him a call.

Katzenbach called Wiggins at approximately 12:20 PM. He told Wiggins he felt that all facts should be, of course, made available to the public but that the Department of Justice seriously hoped that the "Washington Post" would not encourage any specific means or instrument by which these should be made available to the public.

iggins stated he, of course, could make no commitment to not write an editorial, owever, that the conversation that the FBI representative had previously had with riendly, the Managing Editor, had merit to it and he was inclined to go along. e stated he would give the matter serious consideration.

HE COULD RECALL NOTHING FURTHER CONCERNING RUBY-S ACTIVITIES SINCE HIS DEPARTURE FROM CHICAGO.

DURING NINETEEN THIRTYNINE HE VAGUELY RECALLED THAT RUBY MAY HAVE DATED HIS FORMER WIFE-S COUSIN A FEW TIMES AND POSSIBLE DOUBLE DATED WITH HIM. HE COULD NOT BE SURE OF THIS AND HE WOULD HAVE NO WAY OF VERIFYING IT SINCE HE IS NO LONGER IN CONTACT WITH HIS EX-WIFE OR HER FAMILY.

END PAGE FOUR

HE NEVER PERSONALLY KNEW OF RUBY LIVING ANYWHERE BUT IN CHICAGO. HE HAS NEVER HEARD OF ANY MENTION OF RUBY LIVING IN CHICAGO HEIGHTS OR ANY OTHER CHICAGO SUBURB. HE NEVER MET ANY MEMBER OF RUBY-S FAMILY AND COULD NOT RECALL ANY WOMAN RUBY WAS ROMANTICALLY INVOLVED WITH.

AS CONCERNS THE CHARACTER OF RUBY, HE RECALLED HIM AS BEING AN EXTREMELY QUIET INDIVIDUAL WHO AVOIDED ARGUMENTS AND CLASHES OF ANY KIND. HE, THEREFORE, HAD NO IDEA OF HOW RUBY PICKED UP A NICKNAME OF SPARKY. RUBY WAS EMOTIONAL TO THE EXTENT THAT WHEN DISCUSSING HIS READINGS OF SPORTS EVENTS OR CURRENT ISSUES HE WOULD TAKE THEM VERY SERIOUSLY. HE WOULD EARNESTLY DISCUSS THESE MATTERS WITH HIS ACQUAINTANCES AND WOULD OFTEN INQUIRE AS TO THEIR FEELINGS OR ATTITUDES ON THE SUBJECTS DISCUSSED. HE WAS NOT THE LEAST BIT VICIOUS AND HE IS THE LAST PERSON HE WOULD SUSPECT OF COMMITTING MURDER. HE NEVER CARRIES A GUN TO HIS KNOWLEDGE. RUBY ALMOST ALWAYS HAD A BIG SMILE ON HIS FACE AND WAS ALWAYS IMMACULATE IN APPEARANCE.

END PAGE FIVE

HE NEVER KNEW OF RUBY BEING ARRESTED AND IF HE HAD BEEN IT WOULD PROBABLY BE FOR SCALPING TICKETS OR PEDDLING WITHOUT A LICENSE. HE DOUBTED RECORDS WOULD BE KEPT OF THESE ARRESTS AS WHEN SUCH ARRESTS WERE MADE THE MEN WOULD USUALLY BE BROUGHT TO THE POLICE STATION AND RELEASED SHORTLY THEREAFTER.

RUBY NEVER GAMBLED TO HIS KNOWLEDGE, DRANK VERY LITTLE, DID NOT SMOKE, AND IF HE HAD ANY VICES IT WAS WOMEN. AT THAT TIME HE KNEW RUBY WAS ANTI COMMUNIST AND HE BELIEVED HE MAY HAVE BEEN ONE OF THE MEMBERS OF HIS GROUP WHO BROKE UP WHAT WAS THOUGHT WAS A COMMUNIST MEETING IN HIS NEIGHBORHOOD DURING THE LATE THIRTIES.

HE COULD RECALL NOTHING FURTHER AT THIS TIME CONCERNING RUBY, HIS ASSOCIATES OR ACTIVITIES.

FROM A REVIEW OF THIS PUBLICATION IT APPEARS THAT ADS ARE SOLICITED AND PUBLISHED FROM VARIOUS NIGHT CLUBS, RESTAURANTS AND QUOTE STRIP TEASE CLUBS UNQUOTE IN THE CHICAGO AREA. KAHN STATED HE HAS NUMEROUS FRIENDS AND CONTACTS AMONG CHICAGO SALOON KEEPERS, LIQUOR STORE OWNERS AND NIGHT CLUB OWNERS, AND PUBLIC OFFICIALS.

ON NOVEMBER TWENTYFIVE NINETEEN SIXTYTHREE JACK BEGUN, CHICAGO FIGHT PROMOTER, ADVISED SA JOHN R. BASSETT THAT AN ACQUAINTANCE OF HIS, ONE BOBBY O-DOWD PAREN PHONETIC ENPAREN, IS ACQUAINTED WITH RUBY. ACCORDING TO BEGUN, O-DOWD WAS IN DALLAS, TEXAS, IN COMPANY WITH RUBY, LEAVING THAT CITY TO RETURN TO CHICAGO ON NOVEMBER TWENTYONE NINETEEN SIXTYTHREE. BEGUN HAD NO KNOWLEDGE AS TO THE EXTENT OF O-DOWD-S ACQUAINTANCE WITH RUBY.

EXTENSIVE EFFORTS ARE BEING CONDUTED TO LOCATE AND INTERVIEW O-DOWD.

ATTEMPTS ARE CONTINUING TO LOCATE AND INTERVIEW LEONARD PATRICK, CHICAGO TOP HOODLUM, BUT AS YET PATRICK HAS NOT RETURNED TO HIS HOME NOR HAS HE BEEN LOCATED IN ANY OF HIS KNOWN HAUNTS.

THE AREA OF THE TWENTYFOURTH WARD, CHICAGO, ILLINOIS, WHERE SUBJECT RUBY IS KNOWN TO HAVE FREQUENTED HAS BEEN THE SUBJECT OF INTENSIVE SATURATION TYPE INVESTIGATION, INCLUDING INTERVIEWS WITH ALL LOGICAL STOREKEEPERS, POLICE OFFICERS, AND OTHERS WHO MIGHT HAVE KNOWN THE SUBJECT. IT SHOULD BE NOTED THAT THIS DISTRICT, IN NINETEEN FORTYSIX, WAS INHABITED PRIMARILY BY WHITE CAUCASIANS OF THE JEWISH FAITH. AT THE PRESENT TIME THIS DISTRICT IS NOW OCCUPIED, ALMOST ONE HUNDRED PERCENT, BY NEGRO AMERICANS. BECAUSE OF THIS, THE POLITICAL LEADERSHIP, BUSINESS PERSONS AND POLICE OFFICERS IN THE DISTRICT HAVE CHANGED DRASTICALLY SINCE THE SUBJECT-S RESIDENCE IN THIS AREA.

[redacted] ADVISED SA DENNIS W. SHANAHAN ON NOVEMBER TWENTYFIVE NINETEEN SIXTYTHREE THAT HE OVERHEARD A CONVERSATION ON THE EVENING OF NOVEMBER TWENTYFOUR NINETEEN SIXTYTHREE TO THE EFFECT THAT THE INDIVIDUALS FROM CHICAGO WHO ATTEMPTED TO TAKE OVER THE GAMBLING INTEREST IN THE DALLAS AREA IN NINETEEN FORTYSEVEN

THIS INFORMANT DID NOT KNOW THE IDENTITY OF THE INDIVIDUALS CONDUCTING THIS CONVERSATION AND HAD NO KNOWLEDGE OF HIS OWN AS TO ITS VERACITY. DURING THE COURSE OF THIS SAME CONVERSATION THIS INFORMANT LEARNED THAT ONE DEPUTY SHERIFF PAREN FNU ENPAREN TOMACELLI PAREN PHONETIC ENPAREN OF THE COOK COUNTY SHERIFF-S OFFICE WAS A PERSON WHO WAS WELL ACQUAINTED WITH SUBJECT RUBY. JACK RUBY GREW UP IN HALSTED STREET, ROOSEVELT AVENUE AREA OF CHICAGO AND IN THIRTIES MOVED TO THE ROOSEVELT, KEDZIE, INDEPENDENCE AVENUES SECTION OF CHICAGO ALONG WITH OTHER JEWISH PEOPLE FROM THE FORMER AREA. BARNEY ROSS WAS A PROMINENT BOXING FIGURE IN THE AREA AND COLITZ MET RUBY THERE DUE TO MUTUAL FRIENDSHIP WITH ROSS. DUE TO ROSS/ NOTORIETY HE ATTRACTED A GROUP OF PEOPLE WITH LIKE INTERESTS IN THAT THESE INDIVIDUALS GAINED A LIVELIHOOD FROM VARIOUS ENDEAVORS INVOLVING SALES AND PROMOTION OF A LEGITIMATE BUT SOMEWHAT QUOTE SHADY UNQUOTE NATURE. RUBY NEVER EXHIBITED AN INTEREST IN POLITICAL MATTERS,. HOWEVER, HE WAS SOMEWHAT OVERBEARING REGARDING THE RIGHTS AND FEELINGS OF OTHERS. HE WAS GREATLY UPSET AT SLANG LANGUAGE, PHRASES MADE ABOUT PEOPLE-S ORIGINS AND WAS READY TO FIGHT OR PROTECT IN SOME WAY THE RECIPIENTS OF SAME. RUBY HAD A STRONG FEELING REGARDING CIVIL RIGHTS AND WAS EXTREMELY PROUD OF HIS COUNTRY. FOLLOWING HIS DISCHARGE FROM MILITARY SERVICE HE CARRIED A CHIP ON HIS SHOULDER SO TO SPEAK, IN THAT IF ANYONE SPOKE IN A DEROGATORY NATURE OF THE MILITARY SERVICE OF THE UNITED STATES HE IMMEDIATELY WAS READY TO FIGHT OR RECEIVE APOLOGIES. HE WAS NOT SO STRONG, HOWEVER, REGARDING HIS RELIGIOUS CONVICTIONS.

RUBY COULD NOT AGREE WITH HIS BROTHER IN THE OPERATION OF THEIR BUSINESS AND THIS PROMPTED HIM TO LEAVE CHICAGO IN NINETEEN FORTYSIX OR SHORTLY THEREAFTER. HE SUPPOSEDLY

TOOK OVER HIS SISTER-S BAR BUSINESS IN TEXAS. HIS SISTER, WHOM HE, COLITZ, HAD MET, WAS STRICTLY A BUSINESSWOMAN AND UNLIKE HER BROTHERS. COLITZ ALSO KNEW RUBY-S OTHER BROTHER, HY, WHO WAS EMPLOYED BY THE CITY OR STATE IN AN UNKNOWN CAPACITY. HE DID NOT KNOW RUBY-S PARENTS.

COLITZ IS CERTAIN RUBY WAS NEVER CONNECTED WITH THE RACKETS OR WITH HOODLUM MATTERS IN CHICAGO. DUE TO VARIOUS PROMOTIONS IN WHICH RUBY WAS INVOLVED, IT IS POSSIBLE THAT THEY COULD HAVE BEEN ASSUMED AS BEING SOMEWHAT SHADY BUT HE, COLITZ, WAS INVOLVED IN SOME OF THIS SAME CAPACITY AND ONLY A LIVING WAS OBTAINED, WHICH IS UNLIKE THE FINANCIAL SUCCESS USUALLY ATTRIBUTED TO THE RACKETS. HE NEVER KNEW RUBY TO MAKE OTHER THAN A NORMAL TYPE LIVING. SEVERAL YEARS AGO HE HEARD THAT RUBY WAS STILL IN THE BAR BUSINESS IN DALLAS, TEXAS, AND HAD NOT HEARD OF HIM UNTIL THE MOST RECENT PUBLICITY GIVEN HIM.

THEIR ONLY MUTUAL FRIEND IS PAREN FNU ENPAREN FEINGOLD, WHO OPERATES A NOVELTY SHOP ON THE NORTHWEST CORNER OF STATE AND RANDOLPH STREETS, CHICAGO. COLITZ HAS LOST ALL CONTACT WITH OTHER COMMON ASSOCIATES. 1.1.

HE SAID THAT SPARKY DID NOT DRINK OR SMOKE BUT WAS QUOTE SORT OF A HEALTH NUT UNQUOTE WHO SPENT A LOT OF TIME AT THE YMCA. HE SAID THAT, BECAUSE SPARKY GREW UP IN THE OLD LAWNDALE NEIGHBORHOOD AND BECAUSE OF SPARKY-S GREGARIOUS NATURE, SPARKY WOULD UNDOUBTEDLY KNOW MOST OF THE PERSONS OF HIS IMMEDIATE GENERATION, BOTH GOOD AND BAD, WHO CAME FROM THAT AREA. HE SAID, HOWEVER, THAT SPARKY, THOUGH HE MIGHT BECOME INVOLVED IN THINGS OF A SHADY NATURE, WAS DEFINITELY NOT A HOODLUM., HE DID NOT CARRY A GUN., HE DID NOT BECOME INVOLVED IN BURGLARIES OR ROBBERIES AND TO HIS KNOWLEDGE NEVER EXPRESSED ANY PARTICULAR INTEREST IN ANY POLITICAL PHILOSOPHY. HE SAID THAT SPARKY DID HAVE A TENDENCY TO BE QUICK TEMPERED, INTENSE IN HIS LIKES AND DISLIKES AND A STRONG AFFINITY FOR BEING QUOTE WHERE THE ACTION WAS UNQUOTE.

JOE EPSTEIN, ST. CLAIR HOTEL, CHICAGO, ILLINOIS, INTERVIEWED NOVEMBER TWENTY FIFTH, NINETEEN SIXTY THREE, ADVISED SA ROBERT L. DATION

IN THE LATE FALL OF NINETEEN FIFTYNINE, DUNNE LOANED JOE SLAYTON, A FRIEND IN DALLAS, APPROXIMATELY FIVE THOUSAND DOLLARS WHICH SLAYTON WAS GOING TO USE TO ESTABLISH A PRIVATE CLUB IN DOWNTOWN DALLAS. AS PREPARATIONS WERE BEING MADE TO OPEN THIS CLUB, DALLAS NEWSPAPERS BLASTED PRIVATE CLUBS AS RESULT OF GAMBLING AT ONE PRIVATE CLUB. SLAYTON FELT THAT PRIVATE CLUBS WERE IN DISREPUTE, THAT SUCCESS OF CLUB WAS DOUBTFUL AND THAT MORE CAPITAL WOULD BE NEEDED. JACK RUEY HAD LOOKED AT THE CLUB DURING TIME IT WAS BEING DECORATED AND EQUIPPED AND EXPRESSED AN INTEREST IN THE CLUB. AS RESULT, JOE SLAYTON TOOK RUBY IN AS A PARTNER.

THE CLUB OPENED AS THE SOVERIGN CLUB IN JANUARY OR FEBRUARY NINETEEN SIXTY TO BEST OF DUNNE-S RECOLLECTION. IT WAS NOT A SUCCESS. SLAYTON WITH DUNNE-S CONSENT , GOT OUT OF THE CLUB, LETTING RUBY HAVE THE ENTIRE OPERATION. DUNNE RECEIVED NOTHING ON HIS LOAN TO SLAYTON. RUBY LATER CHANGED IT TO A PUBLIC CLUB WITH STRIP TEASE ACTS AND CHANGE THE NAME TO THE CAROUSEL. DUNNE IS OF THE OPINION THAT RUBY PUT UP T THOUSAND DOLLARS INITIALLY AND SLAYTON INDICATED THAT RUBY LOST FIVE TO TEN THOUSAND DOLLARS IN OPERATION BEFORE HE MADE IT A PUBLIC CLUB.

DUNNE INDICATED THAT HE FREQUENTED THE SOVERIGN CLUB DURING THE PERIOD WHEN SLAYTON WAS ASSOCIATED WITH THE CLUB WHICH WAS ONLY ABOUT A MONTH AND A HALF AFTER IT OPENED. HE SAW MORE OF RUBY DURING THIS TIME THAN BEFORE OR AFTER. DUNNE STATED THAT HE HAD NO PART IN THE

MANAGEMENT OF THE CLUB.

RUBY IMPRESSED DUNNE AS A MAN WHO CAME FROM VERY POOR CIRCUMSTANCES. HE HAD A GREAT INFERIORITY COMPLEX AND WANTED TO BETTER HIMSELF. THE SOVERIGN CLUB, DUNNE BELIEVED, IMPRESSED RUBY AS A STEP UP FROM THE TYPE OF CLUBS HE HAD BEEN OPERATING. RUBY HAD A GREAT RESPECT FOR AUTHORITY AND FOR SUCCESS AS EXEMPLIFIED BY A BANKROLL AND GOOD CLOTHES. RUBY WAS AT HIS WORST IN A CROWD WHEN HE WOULD BE LOUD. ALONE, HE WAS QUIET.

DUNNE NOTED THAT RUBY-S TREATMENT OF POLICEMENT AT HIS CLUB WAS NOT AN ATTEMPT ON HIS PART TO BUY FAVORS BUT WAS MERELY AN INDICATION OF HIS RESPECT FOR AUTHORITY. RUBY INTIMATED BUT NEVER DIRECTLY STATED THAT HE HAD QUOTE IMPORTANT END QUOTE CONNECTIONS IN CHICAGO. HE DROPPED NAMES OF UNDERWORLD FIGURES WHO WERE MENTIONED IN NEWSPAPERS. DUNNE STATED THAT HE ALSO WAS ACQUAINTED IN CHICAGO ALTHOUGH NOT IN THE UNDER WORLD AND THAT HE NEVER FOUND ANYONE IN CHICAGO WHO KNEW RUBY.

RH

RUBY USED TO TAKE PERIODIC TRIPS TO CHICAGO. HE WOULD INTIMATE THAT HE HAD TO GO TO CHICAGO TO SEE HIS CONNECTIONS, DUNNE SUSPECTS THAT RUBY WAS MERELY FOLLOWING JEWISH CUSTOM MERELY FOLLOWING JEWISH CUSTOM OF PAYING HIS RESPECTS TO HIS FATHER.

RUBY IS NOT AS ROUGH AS NEWS REPORTS INDICATE. HE WOULD EJECT

ANY CUSTOMER FROM HIS CLUBS IF THE CUSTOMER WAS CAUSING TROUBLE AND HE WOULD PROTECT HIS INTERESTS BUT HE WAS NOT AGGRESSIVE OR QUARRELSOME. TO THE CONTRARY, HE SEEMED TO WANT EVERYONE TO LIKE HIM.

WHILE RUBY AND SLAXTON HAD THE SOVEREIGN CLUB, RUBY HAD A BLUE THIRTY EIGHT CALIBER SNUB-NOSED REVOLVER WHICH HE CARRIED IN HIS MONEY SACK WHEN HE CARRIED MONEY. RUBY INDICATED HE FEARED BEING ROBBED, THAT HE HAD BEEN ROBBED AT ONE TIME OR THREATS TO ROB HIM HAD BEEN MADE AND THAT HE WAS GOING TO PROTECT HIMSELF.

RUBY ALSO INTIMATED THAT HE HAD HAD TO LEAVE CHICAGO BECAUSE HE HAD OFFENDED SOME OF QUOTE THE BIG BOYS END QUOTE BUT ACTUALLY, DUNNE BELIEVES RUBY WAS SIMPLY NOT SMART ENOUGH TO MAKE A LIVING IN HIS FIELD IN CHICAGO.

DUNNE INDICATED HE BELIEVED RUBY BASICALLY A SIMPLE, LONELY MAN WHO WAS EASILY MOTIVATED AND SWAYED. HE INDICATED THAT RUBY WAS EASY TO HANDLE IN BUSINESS DEALS. DUNNE DOES NOT BELIEVE RUBY WAS QUOTE RIBBED END QUOTE INTO SHOOTING OSWALD. DUNNE BELIEVES RATHER THAT RUBY MAY HAVE BEEN INFLUENCED BY BITTER TALK

HE MUST HAVE HEARD FROM POLICE PLUS THE ATTITUDE EVIDENCED BY OSWALD. RUBY MAY HAVE SEEN HIS SHOOTING OF OSWALD AS THE ONE GREAT ACT IN HIS LIFE AND HIS ONE GREAT CHANCE TO AMOUNT TO SOMETHING.

DUNNE RECALLS NO POLITICAL COMMENT BY RUBY WHATSOEVER. HE IS CERTAIN RUBY HAD NO RADICAL OR EXTREMIST VIEWS: RUBY EXHIBITED SUCH ADMIRATION FOR FINANCIAL SUCCESS THAT HE COULD HAVE HAD NO SOCIALIST SYMPATHIES WHATSOEVER. DUNNE HAS NO REASON TO BELIEVE RUBY HAD ANY CONNECTION WITH THE FAIR PLAY FOR CUBA COMMITTEE OR ANY OTHER ORGANIZATION OF A SIMILAR CHARACTER. DUNNE HAD NEVER HEARD OF OSWALD PRIOR TO THE ASSASSINATION OF PRESIDENT KENNEDY AND HAS NO INFORMATION AS TO ANY PRIOR CONNECTION BETWEEN OSWALD AND RUBY.

DUNNE STATED HE DID NOT KNOW OF RUBY EVER HAVING DATES WITH GIRLS BUT HE HAD NEVER NOTICED ANTHING WHICH CAUSED HIM TO SUSPECT RUBY OF BEING A HOMOSEXUAL, ALTHOUGH DUNNE PARTICULARILY CONSIDERED THIS POSSIBILITY BECAUSE RUBY DID NOT SEEM TO HAVE DATES WITH FEMALES.

QUNDATION

DUNNE KNOWS T[redacted] THE CURRENT ROOMMATE OF [redacted], GEORGE SENATOR DIE DATE GIRLS.

ANOTHER ASSOCIATE OF RUBY WAS A MAN NAMED RALPH WHOSE LAST NAME DUNNE DOES NOT RECALL. THIS MAN, PROBABLY FOREIGN BORN, OPERATED A DRIVE-IN RESTAURANT AT GRAND PRAIRIE, TEXAS. DURING DEALINGS WITH SLAYTON REGARDING SOVEREIGN CLUB, RUBY INDICATED HE WAS GETTING MONEY FROM A BROTHER IN CHICAGO BUT DUNNE SUSPECTS THAT RALPH WAS FURNISHING RUBY MONEY. RALPH IS IN HIS LATE SIXTIES OR SEVENTIES.

DUNNE RECALLED THAT DURING THE SOVERIGN CLUB PERIOD, RUBY WAS VISITED BY A MAN FROM MIAMI, FLORIDA, WHO TALKED LIKE A MILLIONAIRE BUT WAS APPARENTLY BROKE AND WHO BOASTED OF HAVING OPERATED NIGHT CLUBS IN FLORIDA.

RUBY EMPLOYED A DALLAS ATTORNEY NAMED KAUFMAN TO DRAW CONTRACTS REGARDING SOVEREIGN CLUB.

DUNNE KNOWS NONE OF RUBY-S RELATIVES. HE LAST SAW RUBY ABOUT TWO YEARS AGO IN DALLAS AND THEN ONLY TO SAY HELLO. DUNNE HAS NEVER BEEN IN THE CAROUSEL CLUB SINCE IT HAS BEEN SO NAMED.

SUBJECT: JACK LEON RUBY, AKA.
JACK RUBENSTEIN;
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

This is to set forth available background information concerning Jack Leon Ruby who shot and mortally wounded Lee Harvey Oswald on the afternoon of 11/24/63, at Dallas, Texas. Oswald, the killer of President John F. Kennedy, was walking from the Dallas City Jail to a waiting vehicle when shot at close range by Ruby.

Subsequent to the shooting on 11/24/63, Ruby on interview advised he is manager of the Carousel Club and owner of the Vegas Club both located in Dallas. These establishments are strip tease, low class night clubs. He claimed he has never been arrested for any felony and no one else was involved in the shooting of Oswald. Ruby stated no one knew he was going to do it, and he did not go to the police department for the purpose of shooting Oswald. He declined to state why he desired to kill Oswald but commented he supposed his grief over the President's death drove him to the point of insanity. Ruby claimed he had owned the gun used to kill Oswald for about three years. This gun was a Smith and Wesson .38 Special revolver. At the time he was placed under arrest by local officers, Ruby had over $2,000 in cash on his person.

When questioned concerning any anonymous telephone calls he may have made threatening to kill Oswald, Ruby stated he had made no anonymous phone calls. In this regard it is noted that during the morning of 11/24/63, our Dallas Office received an anonymous telephone call from an individual who threatened Oswald would be killed during his scheduled transfer from the City Jail to the County Jail in Dallas. It was learned that the Sheriff's Office in Dallas received a similar telephonic threat at approximately the same time. The Dallas Police Department was immediately advised of these threats in

order that appropriate security arrangements could be taken for prisoner Oswald. At 8:15 a.m., 11/24/63, the Chief of Police was again notified by our SAC of this threat, at which time he said he was taking proper security precautions.

By way of background information, Ruby was born 3/25/11, at Chicago, Illinois, the son of Joseph and Fannie Rubenstein both deceased and legally changed his name in Dallas from Jack Rubenstein to Jack Ruby. Ruby served in the Army Air Corps from 1943 to 1946 and has been on file with the Dallas Credit Bureau since December, 1950, and has an unsatisfactory credit rating.

The Dallas Office advised in October, 1950, Ruby and one Norma Miller were operators of the Silver Spur Club in Dallas and for years has been associated with the criminal element in the Dallas area. In April, 1956, Ruby was reportedly in association with one Eileen Curry an alleged prostitute who was operating call girls in Dallas and who herself had association with numerous criminals. In April, 1959, the Oklahoma City, Police Department advised Dallas that Sidney Siedband was in possession of numerous names and telephone numbers of Dallas individuals including the name of the subject Jack Ruby. Siedband was described as an associate of Dallas gamblers.

In August, 1953 Ruby was observed by a Dallas Agent in the office of American Guild of Variety Artists (AGVA) demanding that girls be supplied for entertainment at his club. Ruby was extremely argumentative and threatening and asked Branch Manager, AGVA "Do you want to know whether or not I am packing a gun," "What are you trying to do be a tough guy in Dallas." "Well I am just about as tough as they come." Subsequent to the above overheard conversation, the AGVA Manager advised the Bureau Agent that Ruby was an associate of Joe Bonds, operator of the Sky Club at Dallas and a known Dallas area criminal at the time and further stated that Ruby and Bonds always carried concealed weapons.

In May, 1961, a potential criminal informant of the Dallas Office described Ruby as "no good" stating he did not permit girls to work for him unless they were intimate with him.

The Chicago Office advised on 11/24/63, that David Byron, a businessman at Antioch, Illinois, was interviewed and stated he first met Ruby as Jack Rubenstein a neighborhood acquaintance in Chicago in 1928 to 1931. Byron stated he moved away from Chicago in 1931 and returned to Chicago about 1938 and recalled Chicago newspaper articles in the period 1939 to 1942 which indicated Ruby has been president of some junk dealers union in Chicago. According to Byron a shooting occurred and Ruby was charged with killing a man. Byron was of the opinion that Ruby was convicted and sentenced for this killing. It was Byron's understanding that Ruby left Chicago about 1943.

Byron stated that between 1946 and 1959 he saw Ruby at Ruby's Dallas night spot on about ten occasions. In about 1946 Ruby informed Byron that he had changed his name from Rubenstein as he was "trying to live down his Chicago background." Byron concluded by stating he had no information that Ruby was involved with any hoodlums in Chicago or Dallas or that he had any subversive sympathies.

Concerning the reported arrest of Ruby in Chicago in about 1940, Bureau files disclose in a Chicago crime survey that one Jack Rubenstein, Secretary Scrap Iron and Junk Handlers Union was questioned 12/9/39, in connection with shooting of Leon Cook, attorney for the union, and then released. Chicago Office has checked records at the Chicago Police Department and to date has been unable to locate any record concerning this arrest and this phase of the investigation is being pressed.

A review of Identification files located only one arrest for the subject Jack Leon Ruby on 12/5/54, by the Dallas Police Department for investigation of violation of state liquor law. No other arrest record was located in Identification Division files. However, those records do verify that Jack Rubenstein was fingerprinted by the U. S. Army on 5/21/43 at Chicago, Illinois.

Memorandum to Mr. Belmont
Re: JACK LEON RUBY, AKA.

On 11/24/63, Elaine Mynier of San Francisco, California, advised Bureau Agents that she lived in Dallas for many years and was well acquainted with Ruby. She stated that in May following the January when Castro took over, she took a pleasure trip to Cuba and prior to departure, Ruby gave her a written message in code consisting of letters and numbers and included the word "Arriving." Ruby instructed that this message be delivered to L. J. McWillie, who then operated a gambling establishment at the Tropicana Hotel in Havana. Mynier stated she delivered the message to McWillie who made some comment regarding Ruby to the effect that "he is nuts." She stated she has known McWillie for many years and has dated him in the past, and that prior to going to Cuba he was a well known Dallas and Fort Worth gambler. Her last knowledge of McWillie was that he was involved in gambling in Reno, Nevada, about one year ago.

Evanston, Illinois, attorney, John Marcus, advised the Chicago Office on 11/24/63, that after seeing the photograph of Ruby in the Press he noted a sharp resemblance to a Jack Ruby he met in Havana, Cuba, in 1959. On this Cuban trip Marcus stated he and his traveling companions were approached by a man who identified himself as Jack Ruby at the Tropicana night club in Havana. Ruby on introducing himself indicated he was familiar with Chicago, had acquaintances in Chicago and Marcus recalled Ruby stated he owned a night club in Texas, believed to be in Dallas and possibly called the Carousel. Ruby extended an invitation to stop in at his night club if he should ever pass through Dallas.

Attached is a photograph of Ruby taken by Dallas police at the time of his arrest on 12/5/54.

ACTION:

Investigation has been initiated by the Bureau as an outgrowth of Ruby shooting Oswald to determine if there has been a possible violation of the Civil Rights Statute relating to the rights of citizens under Title 18, U. S. Code, Section 241. The field has been instructed to vigorously investigate allaspects concerning Ruby's background, associates and any connection he may have had with Oswald. You will be advised of pertinent developments concerning this investigation

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY
NOVEMBER 22, 1963,
DALLAS, TEXAS

At 1:25 p.m., 11/25/63, Special Agent Lawrence S. Mohr, Washington Field Office, telephonically advised that the Washington Field Office had just received a call from an anonymous caller. This call was from a pay phone and was apparently long distance as the operator informed the caller his three minutes was up.

The anonymous caller advised he worked at the Pontiac Division of General Motors, Pontiac, Michigan. He said that Jack Rubenstein's brother is in Washington, D. C., is heavily armed and may try to kill the Attorney General or somebody. The caller said Ruby's brother has connections with the "Mafia underground."

He said he was recently talking with three fellow employees, unidentified, and these fellow employees said " don't talk about the Rubensteins or you will get yourself shot in the back." The anonymous caller was of the opinion that if we would send an Agent, under cover, into the above-mentioned plant, we could possibly obtain information concerning the connections of Rubenstein's brother with the "underground," from "Negro employees."

In our investigation of Jack Leon Ruby, formerly Rubenstein, we have received information that he was one of eight children. Earl Ruby, formerly Earl R. Rubenstein, resides in Southfield, Michigan, and is the only brother we know of living in that state. On 11/24/63, Agents of the Chicago Office interviewed Earl Ruby at the residence of his brother Hyman Rubenstein, Chicago, Illinois. Earl Ruby stated he traveled to Chicago to consult with other members of his family regarding the advisability of traveling to Dallas. Earl claimed to be greatly shocked and stunned on hearing of his brother's actions in Dallas and claims to be very upset over this matter.

Reference is made to my memorandum to you today captioned as above setting forth information in Bureau files concerning Nathan Soll and three other individuals. An addendum to that memorandum advised that Soll had been interviewed 11/25/63 by the Los Angeles Office and a separate memorandum would be submitted.

This memorandum is to set forth the results of this interview of Soll by Los Angeles.

Nathan N. Soll, 1142 South Clark Drive, Los Angeles, was interviewed by two Agents of the Los Angeles Office on 11/25/63. Soll stated that he and Jack Ruby had grown up together in the same neighborhood in Chicago but he had not had any contact or association with him for the "past 20 or 30 years." Soll was unable to furnish the identity of any persons either in the Los Angeles area or elsewhere who could furnish any information concerning Ruby.

Los Angeles noted that Soll was interviewed on a Los Angeles television station on 11/24/63 at which time he described Ruby as a long-time acquaintance and stated that in connection with his business operation (Soll Bail Bonds, 450? West Pico Boulevard) he had solicited the aid of other acquaintances of Ruby in the Los Angeles area and was suffering the drive to post bail for Ruby in addition to obtaining legal counsel for him. During the interview by the Agents Soll stated he does not intend to post any bail for Ruby and his statement on television concerning friends of Ruby in the Los Angeles area was untrue. BACKGROUND

KEN MC DERMITT, State Supervisor of the Arizona State Bureau of Identification, Florence, Arizona, advised that he was acquainted with JACK RUBY in the latter part of 1953 until the first part of 1955. MC DERMITT now lives at 543 West Raymond, Coolidge, Arizona. He is 35 years of age.

MC DERMITT stated that in 1953 he had automobile trouble and was without funds and through the Salvation Army in Dallas, he was able to obtain a job at a photo studio. While working in this photo studio, he frequented the Club Vegas at 2500 Oaklawn Avenue. The manager and partner was an individual by the name of IRVING (LNU). IRVING offered him a job as assistant manager. JACK RUBY was the co-partner in the Club Vegas, but only stopped by the Club Vegas two or three times a week. RUBY at that time was running a strip show or nightclub on the other side of town.

MC DERMITT stated that in the latter part of 1954 IRVING had financial trouble and sold the Club Vegas and RUBY became the sole owner. He stated that the Club Vegas was not a strip show or after hour club. MC DERMITT recalled that RUBY had a quick temper and would flare up over small things but would then cool off. He recalled one time that one of the waitresses failed to show up and RUBY blew his top.

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

This morning Dr. William Colliton, a neighbor of the writer's, telephonically advised that he had had dinner with a Mr. Paul Egli and his wife last night, yesterday evening at which time Egli related to him the fact that Egli had a few years back worked in Dallas, Texas, and indicated that the Carrousel Club, owned and operated by Jack Ruby, was frequented by well-known professional and businessmen of the Dallas area and was considered a rather respectable club of its type by these individuals. Egli further related to Colliton that, however, word allegedly got around these individuals that Jack Ruby was a card-carrying communist and they stopped frequenting the club. The purpose of the Doctor's call to the writer was, as he put it, to pass this information along for whatever action the Bureau might wish to take and upon inquiry advised that he knew that Paul Egli, who is employed at the Naval Research Laboratory and who is a former neighbor of Dr. Colliton's, would be cooperative in talking to representatives of the Bureau should we desire to have him interviewed. He furnished Egli's address as 25 Blackhawk Drive, S.E., Forest Heights, Maryland, and his telephone number is LO 7-0750.

RECOMMENDATION:

That this memorandum be forwarded to the Investigative Division for whatever action is deemed appropriate.

DALLAS, TEXAS

Jack Miller, Records Management Center, Adjutant General's Office, Department of Army, Washington, D. C. (telephone 11-75486), telephoned Identification Division at 3:25 P.M. today to find out whether we had definitely identified the Jack Ruby under arrest in Dallas, Texas, with the fingerprints of Jack Rubenstein, Army serial #36666107. I told him fingerprints taken in connection with Ruby's current arrest in Dallas had not yet been received for comparison.

Miller said his St. Louis Office at the Army Records Center noted the military record shows Rubenstein has no middle name while the news accounts indicate the man arrested in Dallas has a middle name of Leon, raising some doubt in the minds of the people in Department of Army whether this military record actually pertains to the man under arrest.

Dear Mr. Brooks:

Your letter of November 25th has been received, and I want to thank you for giving me the benefit of your observations and comments.

My staff and I certainly share your concern over the brutal assassination of President Kennedy, and we want to assure you that the full forces of the FBI were immediately deployed to assist the Secret Service and local authorities. In addition, the President has now instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Dear Mr. Hoover:

I hope that your men are now engaged in an intensive investigation of the reasons for the drastic invasion of the rights of Lee Oswald during the successful deliberate murder staged by Dallas police.

I can imagine few things more shameful than inviting TV cameramen to attend a cynically prearranged murder.

Was Jack Ruby (Rubenstein) hired by the cops to murder Mr. Oswald? If not, whose agent was he? Why was it necessary to see to it that Mr. Oswald did not come to trial?

It seems certain that he either was innocent or that he was a hired assassin who could not be left free to tell the world how the Kennedy assassination was arranged, and if this theory is correct, who paid for it and why. The whole affair leaves us with nothing but unanswered questions.

I wish you godspeed in this task and any other you may undertake.

FOR THIS REASON HE WAS AFRAID THAT SOMEHOW OSWALD MIGHT ESCAPE PUNISHMENT FOR PRESIDENT KENNEDY-S DEATH.

RUBY SAID AFTER WATCHING TELEVISION AND READING NEWSPAPERS REGARDING EVENTS FOLLOWING ASSASSINATION, HE FOUND HIMSELF GRIEVING AND CRYING A GREAT DEAL. HE THOUGHT THAT MRS. INFORMATION CONCERNING LEWIS JOSEPH MC WILLIE

It is noted that Elaine Wynier, San Francisco, advised that she took a pleasure trip to Cuba in May, 1959, and as she was leaving Dallas Ruby gave her a short written message in code to be delivered to L. J. McWillie, who was then operating the gambling casino at the Tropicana Hotel in Havana. When she delivered the message McWillie commented that Ruby was "nuts."

McWillie apparently is identical with Lewis Joseph McWillie, FBI Number 4404064, and has used the aliases Lewis Joseph Martin, Lewis J. Chapman and Lewis Olney. He was born 5/4/08, Memphis, Tennessee, and operated in the Dallas-Fort Worth area as a gambler for several years prior to the middle or latter part of 1958 when he became manager of the gambling casino at the Tropicana in Havana. The Tropicana was owned by Cuban interests.

All casinos in Havana were closed 1/1/59, when Castro took over, but the Tropicana was one of several permitted to reopen by 2/26/59, at which time McWillie was still manager.

In January, 1961, McWillie reportedly assaulted one LaVerne Kautt, a Chicago schoolteacher who was returning from Cuba and allegedly made favorable comments regarding Castro's regime. The assault took place at the Miami Airport and, according to a newspaper account of the incident, most of McWillie's assets had been confiscated by the Cuban Government.

In July, 1962, McWillie was stated to be gaming manager of the Riverside Hotel, Las Vegas. This hotel reportedly went bankrupt about one year ago.

Memo to Mr. Rosen
Jack Leon Ruby, aka

In 1953, the Salt Lake City Office advised that one L. J. McWillie became associated in the early part of 1946, with Lester Benjamin Binion, a Las Vegas hoodlum who was formerly considered to be a big-time gambler in Dallas and Fort Worth. Binion allegedly had been involved in several murders and it was reported that L. J. McWillie had once killed one George Arthur McBride in an attempted holdup.

The most recent fingerprints received on McWillie are a set of applicant prints submitted 2/15/63, by the Sheriff's Office, Las Vegas.

ACTION:

Dallas and Las Vegas have been instructed to locate McWillie for interview concerning his knowledge of Ruby and any knowledge he may have regarding the shooting of Oswald.

FROM : A. Rosen

SUBJECT: JACK LEON RUBY, AKA.
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

On 11-26-63, the Chicago Office advised that Eli Schulman, owner of a Chicago nightclub advised he has known Ruby for many years. According to Schulman, while residing in Chicago, Ruby was a small time salesman and ticket scalper. Schulman stated that he has had infrequent contact with Ruby since 1946, but is aware that Ruby had many close friends among the Dallas Police Department personnel. He also recalled that Ruby made trips to Hot Springs, Arkansas, with the Dallas Chief of Police, but did not remember when these trips were made and was unable to advise if the trips were with the current Chief of Police Jesse E. Curry.

Information previously reported, but unverified from Houston Office on 11-25-63, was to the effect that Ruby was alleged to be payoff man for the Dallas Police Department and whenever liquor and gambling raids were to be made on the Dallas underworld Ruby would always be contacted first by some unknown person of the Dallas Police Department

ACTION

For information. Dallas was previously instructed to rigorously pursue the allegation of Ruby's association with the Dallas Police Department.

The New York Office advised on 11-26-63, that Jack Ruby, who gave an address 223 South Ewing and the Carousel Club, Dallas, Texas, was registered at the New York Hilton Hotel from 10:59 P. M., 8-4-63, to 4:49 P. M., 8-6-63. Ruby told the registration clerk he was in New York locating "talent" for his club in Dallas. Review of telephone calls made by Ruby while he was registered at the above hotel reveals that on 8-5-63, he made one call to Fort Williams, Canada, area code 8072754891.

Legal Attache Moss Innes on 11-27-63, telephonically furnished the above number to Assistant Commander Parsons of the RCMP and requested the subscriber be identified and interviewed re the call. Assistant Commander Parsons telephonically advised at 10:30 A. M., there was no such number as that furnished.

This was rechecked with Supervisor John Joyce, New York Office who confirmed the number was correct.

It appears the number was incorrectly recorded by the operator at the Hilton Hotel. No further action being taken.

DATION

Dear Mr. Lewis:

Here is a lead which may be another first for you--Vincent Lee is head of the Cuba Fair Play Committee of New Orleans.

There was a Vincent Lee who was head of the Dallas Branch of the American Guild of Variety Artists. This Vincent Lee was Chinese--had a temper and once said that he used to lay awake nights thinking of ways to get even with people he didn't like. He was noted for his police state tactics. If he didn't like a club owner he would find some union rule that they had broken and then march into the club during the middle of a show and order all of the union acts to walk out!

After being thrown out of his union job for embezzlement in about 1955 he traveled the southern states as a book salesman.

JACK LEE RUBENSTEIN WAS A CLOSE FRIEND OF VINCENT LEE.

Rubenstein's room mate, George Mentor, used to live with George Quest--he was a professional vibratone player--both were quite effeminate.

Bill Dolker--master of ceremonies at Jack Rubenstein's club said that Oswald was a guest at the club about a week ago.

SUBJECT: JACK LEON RUBY, AKA.
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

Assistant Director Courtney A. Evans called at 10:25 p. m., and advised he had just received a call from Deputy Attorney General Katzenbach concerning the whereabouts of Mrs. Oswald. Katzenbach indicated that it was his thinking that if anything should happen to Mrs. Oswald it would create more talk concerning the possibility that this entire matter was foreign inspired. Mr. Evans was told that during the day SAC Shanklin advised that the police had stated that they had taken Mrs. Oswald out of the area shortly after Oswald was shot.

SAC Shanklin of the Dallas Office was contacted again and he advised that now the Secret Service, Dallas, have taken over the mother and the wife of Oswald and have them in some locale, the whereabouts was unknown by the office at this time. In order to be certain, Dallas was going to verify this again with Secret Service and establish the whereabouts of Mrs. Oswald and Oswald's mother.

Immediately after receiving this information from Dallas, Assistant Director Evans was contacted and this information given to him.

Dear Dr. Grimmett:

Your letter of November 25th has been received, and I want to thank you for giving me the benefit of your observations and comments.

My staff and I certainly share your concern over the brutal assassination of President Kennedy, and we want to assure you that the full forces of the FBI were immediately deployed to assist the Secret Service and local authorities. In addition, the President has now instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Sincerely yours,

While watching closely the slowmotion T. He immediately then (Oswald) looked over intensely in the direction of Ruby (& the cameraman). He had an expression of recognition on his face.

I might mention that I mentioned this immediately to my wife - who stated that she also noted this. And today my receptionist independently and without my remarking about it stated that she had noticed the same thing.

I hope this may be of some use to you in solving this case and determining whether or not there was any planned conspiracy that lead to the horrible sequence of events in the last few days.

Gentlemen:

I want to offer a suggestion, which I hope may be of some help to you in connection with your investigation of the circumstances surrounding President Kennedy's assasination.

I assume that, among the large body of evidence you will obtain and evaluate, you will review the television films and video tapes made of events in Dallas las Friday thru Sunday. I suggest that you give particular attention to a CBS kinescope film, which recorded the shooting of Mr. Oswald by Mr. Rubenstein.

This film was televised and re-televised several times—once in slow-motion, a frame-at-a-time. During each of these re-runs, I tried to pay close attention to the eyes and expressions of Oswald and the two detectives who were escorting him through the garage of the Dallas police station. Two observations impressed me, and I shall try to describe them here for you to verify and evaluate.

First, I noted that both detectives continued to look straight ahead in the direction of their intended movement and, apparently, to be unaware of Mr. Rubenstein's dash toward them, until he was directly in front of, and perhaps in physical contact with, Mr. Oswald.

264

Second, and possibly of more importance, Mr. Oswald's attention appears to become fixed on Mr. Rubenstein for several seconds while Rubenstein is still standing motionless on the sidelines among reporters. During this interval, Mr. Oswald's eyes and his expression give no evidence of fear or fright. But he does seem to evidence definite recognition of and special attention to a familiar face. Another film or video tape taken from a different angle was also televised of this scene—I believe also by CBS. This film seems to confirm that Oswald's attention became fixed on Rubenstein and not simply at something or someone near him.

22 DEC 8 1963

After this incident, as I recall, Oswald's eyes returned to the direction in which he was moving and then registered a look of fear only when Rubenstein was upon him.

I do not know what, if anything, these two observations may be worth in the investigation. The first observation suggests to me, however, that the two detectives, whose duty it was to guard Mr. Oswald, not only from flight but also from harm, were far from alert to their responsibilities. Their failure in this respect, therefore, contributed directly to the second crime and may have seriously complicated the first. My second observation, if verifiable, strongly suggests the possibility that a prior relationship of some sort existed between Messrs. Oswald and Rubenstein.

I do hope that my suggestion may be of some value to you and that consideration of it, at least, does not add another small but useless burden to the tremendous task you surely face in carrying out this investigation.

I am taking the liberty of sending an informational copy of this letter to the CBS News Division of the Columbia Broadcasting System in Washington, D. C.

Sincerely yours,

James E. Herby

With reference to the statement furnished by George Robert Phenix, a newsman associated with KRLD-TV in Dallas, that on the morning of November 24, 1963, he was admitted to the basement of the Dallas Police station without identifying himself and that no one had questioned him regarding his identity or his business there, Inspector Malley furnished the following information at 12:55 a.m., November 29, 1963.

Phenix was reinterviewed on November 28, 1963, and he has changed information furnished by him, which was reported correctly as he initially furnished it, so as to alter its significance.

When reinterviewed yesterday, Phenix stated that he actually went to the Dallas Police Department at 9:10 a.m. on the morning of November 24, 1963, approximately two hours and thirty-five minutes before the attempt to move Oswald was made. At that time, no unusual security measures had been established or set up by the Dallas Police Department.

Phenix stated that he went to the Police Department in a television mobile unit which was clearly marked and recognized as such. He was dropped in the basement of the Dallas Police Department by the driver of this unit where he set up his location and equipment across from the elevator.

Although he was not checked for identification on his arrival at the Police Department, after he had set up his equipment, uniformed officers did come through and check people in the area. One officer came up to him, looked he and his equipment over, apparently recognized him as being a local television man and went on without specifically questioning him or asking for his identification.

With reference to his previous statement that to his knowledge no other newsmen were asked their identifications, Phenix when reinterviewed November 28, 1963, stated that he had been extremely busy setting up his equipment and specifically doesn't know whether other newsmen and press representatives were required to show identification or not.

JGK:scp (6)

REC 36 44-1266

267

53 DEC 4 1963

In this connection, Malley stated that the Dallas Office had also interviewed Robert J. Huffaker, 4700 East Side Avenue, Apt. 115, Dallas, Texas, who is also a newsman affiliated with KLRD-TV in Dallas.

Huffaker stated that on November 24, 1963, he went to the Dallas Police Department at approximately 8 a. m. No one checked him as he entered the Police Department but he took an elevator up to the third floor of police headquarters and upon reaching the third floor was immediately challenged and required to show his identification.

Approximately one half hour before the attempt was made to move Oswald, Huffaker went to the basement of police headquarters. Upon arriving in the basement, he was immediately required to produce identification.

Huffaker stated that Sargeant Patrick Dean and Jim Putnam of the Dallas Police Department were checking newsmen in the area for their identifications and he commented that he was particularly impressed with the manner in which they were checking all persons there.

Malley stated that copies of the 302's on the reinterview of Phenix and the interview of Huffaker will be flown into Washington with other material November 29, 1963.

Malley subsequently stated that on the basis of the limited number of interviews conducted to date, no specific information has been developed to show there was any widespread breakdown in the security procedures established by the Dallas Police Department, requiring individuals to identify themselves. It of course is recognized that such procedures apparently broke down insofar as Ruby is concerned, but no substantial investigation has yet been conducted to prove or disprove whether there was any widespread breakdown in the security procedures established by the Dallas Police Department.

NOVEMBER TWENTYFOUR, SIXTYTHREE. THIS RUMOR WAS THAT RUBY/S ROOMMATE, BARTENDER, OR AN ENTERTAINER AT RUBY/S NIGHT CLUB, HAD SAID OSWALD HAD VISITED RUBY AT RUBY/S CLUB A DAY OR TWO PRIOR TO NOVEMBER TWENTYTWO, SIXTYTHREE. HE CAN NOT FURNISH THE NAME OF ANY NEWSMEN OR PHOTOGRAPHERS WHO REPEATED THIS RUMOR AND DID NOT CHECK INTO THE TRUTH OF THE RUMOR. HE HAS NO INFORMATION THAT ANY POLICE OFFICER CONSPIRED WITH RUBY TO WILFULLY PERMIT OSWALD TO BE SHOT.

ALEXANDER ENTERED THE BASEMENT OF THE CITY HALL IN DALLAS AT SEVEN THIRTY A. M., ON NOVEMBER TWENTYFOUR, SIXTYTHREE, HAVING BEEN ADVISED THE PREVIOUS EVENING BY THE CHIEF OF POLICE, DALLAS, THAT OSWALD WOULD BE MOVED AT TEN A. M. ON NOVEMBER TWENTYFOUR, SIXTYTHREE. ALEXANDER WAS THE FIRST REPRESENTATIVE OF NEWS MEDIA TO ARRIVE THERE AND HE FOUND BUSINESS GOING ON AS USUAL IN THE BASEMENT. SEVERAL PERSONS WERE AT THE BAIL OUT DESK IN THE BASEMENT WHERE THEY WERE OBTAINING THE RELEASE OF INMATES. FROM SEVEN THIRTY A. M. TO ELEVEN THIRTY A. SOME WORE PRESS CARDS ON COAT LAPELS BUT MOST DID NOT. HE DID NOT OBSERVE POLICE OFFICERS CHECK ON THE IDENTITY OF ANY PERSON IN THE BASEMENT. IT IS HIS OPINION ANY PERSON WITH A CAMERA COULD ENTER THE BASEMENT WITHOUT QUESTION. HE DOUBTS THE POLICE WOULD HAVE CHECKED THE IDENTITY OF ANYONE UNLESS THE POLICE RECOGNIZED THE PERSON AS OBVIOUSLY NOT A REPRESENTATIVE OF NEWS MEDIA.

ALEXANDER FURNISHED THE NAMES OF THE FOLLOWING REPRESENTATIVES OF NEWS MEDIA WHOM HE KNOWS WERE IN THE BASEMENT AT THE TIME OSWALD WAS SHOT---

ALEXANDER ADVISED THAT ONE OR TWO HOURS AFTER THE SHOOTING OF OSWALD, HE OVERHEARD ONE OF RUBY/S FOUR ATTORNEYS TALKING TO REPORTERS. THIS ATTORNEY, WHO ALEXANDER DESCRIBED AS ONE OF THE THREE NORMAL SIZED ATTORNEYS AND NOT THE SHORT ATTORNEY, TOLD REPORTERS THAT AT THE TIME HE ENTERED THE THIRD FLOOR OF CITY HALL THERE SEEMED TO BE A GREAT DEAL OF EXCITEMENT IN THE BUILDING. ALEXANDER UNDERSTOOD THE ATTORNEY TO SAY SOMEONE HAD CALLED HIM AND SAID TO GET TO THE JAIL TO BAIL RUBY OUT. ALDERMAN ACKNOWLEDGED SYMPATHY WITH THE AIMS OF THE FAIR PLAY FOR CUBA COMMITTEE AND ACTIVITY FOR THE FPCC IN PICKET LINES IN WASHINGTON, D. C. AND SEATTLE, WASH., ADDITIONAL TO ACQUIRING FPCC LITERATURE IN NEW YORK CITY. HE SAID, HOWEVER HE DID NOT JOIN THE FPCC COMMITTEE, BECAUSE HE CONSIDERS MEMBERSHIP OF SAME MORE MOTIVATED EMOTIONALLY THEN POLITICALLY. KNOWS OF NO ORGANIZED FPCC ACTIVITY IN NEW ORLEANS AREA, NOR DOES HE KNOW LEE HARVEY OSWALD OR JACK LEON RUBY.

S. LYTLE NOVEMBER TWENTYSIX INSTANT THAT IN ABOUT MAY, SIXTYTHREE HE PICKED UP A HANDBILL FROM A STACK WHICH HAD BEEN LEFT IN THE FOYER AT TULANE UNIVERSITY LIBRARY. HE RECALLS IT WAS TITLED QUOTE HANDS OFF CUBA UNQUOTE AND SPONSORED BY THE FPCC COMMITTEE. HE RECALLS THAT IT HAD A NAME AND BOX NO. STAMPED ON IT BUT DOES NOT RECALL THE DESIGNATION. HE SAID HE KNOWS NO ONE WHO FOLLOWED UP THE HANDBILL BY CORRESPONDENCE AND HE DOES NOT RECALL EVER HAVING MET LEE HARVEY OSWALD OR JACK LEON RUBY.

RE CUBAN SOURCES, NEW ORLEANS.

ADDITIONAL SOURCES FAMILIAR WITH SOME PHASES OF CUBAN ACTIVITY IN THE NEW ORLEANS AREA ADVISED ON NOV. TWENTYFIVE DASH TWENTYSIX, SIXTYTHREE THAT THEY HAD NO INFO REGARDING LEE HARVEY OSWALD, A. J. HIDELL, JACK LEON RUBY, JACK RUBENSTEIN OR O. H. LEE.

APPROACHED HIM AND INTRODUCED HIMSELF AS JACK RUBY. THIS INDIVIDUAL ADVISED CORNMAN HE WAS THE OPERATOR OF THE CAROUSEL IN DALLAS, TEXAS AND THAT HE WAS IN NEW ORLEANS TO ATTEMPT TO RECRUIT JADA /JEANETTE ~~CONFORTO~~/, AN ENTERTAINER WHO WAS THEN PERFORMING AT THE SHO BAR, NEW ORLEANS.

RUBY STATED HE WAS ALSO INTERESTED IN OBTAINING GIRLS TO WORK FOR HIM AT THE CAROUSEL. AT THE TIME OF CONTACT RUBY WAS ALONE AND DID NOT GIVE ANY SPECIFIC DETAILS AS TO HAVING CONTACTED OTHER SHOW PLACES IN NEW ORLEANS NOR DID HE MENTION AT THAT TIME HIS MODE OF TRANSPORTATION TO AND FROM NEW ORLEANS OR HIS PLACE OF ABODE WHILE IN NEW ORLEANS.

CORNMAN ADVISED THAT HE BELIEVED THIS CONTACT WAS MADE JUST PRIOR TO THE COMPLETION OF JADA/S CONTRACT AT THE SHO BAR, SHORTLY AFTER WHICH SHE WORKED UNDER CONTRACT FOR RUBY AT THE CAROUSEL. HE SUGGESTED THE BUSINESS BRANCH MANAGER, TOM ~~PALMER~~ OF THE DALLAS DIVISION OF AGVA MAY BE ABLE TO GIVE AN APPROXIMATE DATE WHEN JADA BEGAN WORKING FOR RUBY AND SHOW WHEN RUBY WAS IN NEW ORLEANS.

RUBY, WHEN CONTACTING CORNMAN PRESENTED HIS BUSINESS CARD FOR THE CAROUSEL WITH THE INK NOTATION ON THE BACK OF CARD QUOTE JACK RUBY WH ONE DASH FIVE SIX ZERO ONE HOME UNQUOTE. CORNMAN INDICATED HE BELIEVED THIS WAS RUBY/S HOME PHONE IN DALLAS, TEX.

RE BACKGROUND OF JACK RUBY.

HERBERT CHARLES DAVID KELLY, UNEMPLOYED RESTAURANT MANAGER, NEW ORLEANS, ADVISED SA/S L. M. SHEARER AND FURMAN G. BOGGAN NOVEMBER TWENTYSIX, SIXTYTHREE, THAT HE WAS EMPLOYED BY JACK LEON RUBY IN DALLAS FOR APPROXIMATELY ONE YEAR DURING NINETEEN FIFTYNINE AND NINETEEN SIXTY, AS MANAGER OF KITCHEN AND FOOD OPERATIONS AT THE SOVERIGN CLUB, A HIGH CLASS MEMBERSHIP SUPPER CLUB WHICH WAS THEN OPERATED AT THE SITE OF THE PRESENT CAROUSEL CLUB.

KELLY CLAIMED HAD MET RUBY THROUGH DALLAS INDIVIDUALS IN FOOD SERVICE FIELD, KELLY HAVING BEEN FORMERLY EMPLOYED AS FOOD DIRECTOR OF EATING ESTABLISHMENTS IN TITCHES DEPARTMENT STORE, DALLAS. KELLY LEFT EMPLOYMENT WITH RUBY BECAUSE OF ILLNESS AND WAS HOSPITALIZED IN VA HOSPITAL, DALLAS, FOR PERIOD OF ABOUT YEAR FOLLOWING EMPLOYMENT. WHEN RELEASED FROM HOSPITAL KELLY DID NOT RETURN TO RUBY/S EMPLOY AS IN INTERIM RUBY HAD DISPENSED WITH SERVICE OF FOOD AT SOVERIGN CLUB.

END PAGE FIVE

PAGE SIX

KELLY QUESTIONED EXTENSIVELY CONCERNING RUBY/S BACKGROUND, ASSOCIATES, AND CONNECTIONS WITH DALLAS LAW ENFORCEMENT OFFICERS. KELLY CLAIMS RUBY SAID HE CAME FROM CHICAGO AREA ABOUT FIFTEEN YEARS AGO AND BELIEVES RUBY MAY HAVE BEEN ASSOCIATED WITH SOME UNKNOWN UNION IN CHICAGO AREA AND MAY HAVE LEFT CHICAGO BECAUSE OF DIFFICULTY WITH UNION. KELLY COULD NOT PIN THIS BELIEF DOWN STATING IT WAS OPINION FORMED AS RESULT OF GENERAL CONVERSATION WITH RUBY OVER ONE YEAR PERIOD.

KELLY ADVISED THAT ENTERTAINERS BRECK WALL AND JOE PETERSON, NOW APPEARING IN SHOW AT ADOLPHUS HOTEL, ENTERTAINED AT THE SOVERIGN CLUB, DALLAS, TEXAS, AND POSSIBLY HAD FINANCIAL INTEREST IN SOVERIGN CLUB. KELLY CLAIMED RUBY ONCE HIT JOE PETERSON IN ARGUMENT OVER PETERSON/S DESIRE TO SEE CLUB FINANCIAL RECORDS. LEO PAREN LNU END PAREN BARTENDER AT SOVERIGN CLUB BELIEVED BY KELLY LONG TIME ASSOCIATE OF RUBY. KELLY STATES PAUL PAREN LNU END PAREN A BANKER, APPROXIMATELY SIXTY YEARS, SHORT, MEDIUM BUILD, POSSIBLY WITH REPUBLIC NATIONAL BANK, OCCASIONALLY LOANED MONEY TO RUBY IN NINETEEN FIFTYNINE AND PAUL/S NAME APPEARED AS COUNTER SIGNATURE ON CLUB/S PAYROLL CHECKS DRAWN ON REPUBLIC NATIONAL BANK. KELLY STATES RUBY ONCE HIT KEITH WILLIAMS, WILLIAMS OIL COMPANY PROMOTER, FOR GIVING RUBY SIXTY DOLLAR WORTHLESS CHECK. TEXAS

END PAGE SIX

b

KELLY QUESTIONED AT LENGTH RE IDENTITY OF CLOSE LAW ENFORCEMENT ASSOCIATES OF RUBY AND EXTENT OF CLOSENESS BETWEEN RUBY AND THESE OFFICERS. KELLY CLAIMED HE KNEW NONE OF THEM BY NAME ALTHOUGH RUBY/S OFFICER FRIENDS COMPRISED OF DETECTIVES, UNIFORMED POLICE OF ALL RANKS AS WELL AS SHERIFF/S DEPUTIES. KELLY CLAIMED WHILE HE WAS ASSOCIATED WITH RUBY, LATTER HAD WHAT HE CALLED QUOTE CELEBRETY NIGHT UNQUOTE EACH SUNDAY EVENING ON WHICH OCCASIONS RUBY WOULD ENTERTAIN AS MANY AS EIGHT DIFFERENT LAW ENFORCEMENT OFFICERS GIVING THEM STEAK DINNERS AND DRINKS. KELLY CLAIMS HE QUESTIONED RUBY/S PURPOSE FOR THIS DUE TO COST OF SUCH ENTERTAINMENT AND RUBY REPLIED HE LIKED POLICE OFFICERS AND THESE MEN HAD LITTLE MONEY TO SPEND FOR PERSONAL ENTERTAINMENT. KELLY CLAIMED TO HIS KNOWLEDGE RUBY NOT THEN ENGAGED IN ANY ILLEGAL ACTIVITY AND HAD NO REASON TO CULL FAVOR OF DALLAS POLICE. KELLY COULD RECALL NO INCIDENT WHERE RUBY ENTERTAINED OFFICIALS OF DALLAS CITY GOVERNMENT, CLAIMING RUBY RESTRICTED HIS FRIENDS TO LAW ENFORCEMENT OFFICERS. KELLY DESCRIBED RUBY AS QUOTE POLICE BUFF UNQUOTE, A PERSON WHO HAD A NATURAL LIKING FOR MEN IN LAW ENFORCEMENT FIELD. KELLY INDICATED THERE WERE INSTANCES

WHEN IT APPEARED THAT RUBY WAS FURNISHING CRIMINAL INFORMATION TO POLICE OFFICERS ON INFORMANT BASIS.

KELLY SAID DURING NINETEEN FIFTYNINE RUBY WAS OWNER OR OPERATOR OF VEGAS CLUB WHICH HE DESCRIBED AS QUOTE HONKY TONK UNQUOTE, PATRONIZED BY QUOTE LEVI AND BLACK LEATHER JACKET CROWD UNQUOTE. KELLY SAID RUBY EMPLOYED AN EXPOLICEMAN, NAME UNKNOWN, AS BOUNCER AT VEGAS CLUB. KELLY SAID VEGAS CLUB NOT TYPE OF BAR WHICH WOULD BE FREQUENTED BY PEOPLE OF GOOD CHARACTER, HOWEVER DENIED ANY KNOWLEDGE OF PROSTITUTION, B DRINKING NARCOTICS ACTIVITY OR GAMBLING IN THIS PLACE AND DENIED KNOWLEDGE IT MIGHT HAVE BEEN TROUBLE SPOT FOR POLICE.

KELLY SAID RUBY LIVED WITH LATTER/S SISTER WHEN KELLY ASSOCIATED WITH HIM. HE DESCRIBED RUBY AS EXTREMELY INTERESTED IN MAKING AS MUCH MONEY AS HE COULD AND RELUCTANT TO TURN LOOSE OF MONEY. CITED AS EXAMPLE THAT FREQUENTLY RUBY WOULD FAIL TO PAY EMPLOYEES AT END OF EACH WEEK SOMETIMES WAITING UNTIL FOLLOWING WEDNESDAY TO DISTRIBUTE PAYROLL CHECKS FOR NO APPARENT REASON. HE DESCRIBED RUBY AS HOT TEMPERED AND IMPULSIVE, STATING WHEN HE BECAME ASSOCIATED WITH RUBY HE HAD HEARD OF LATTERS REPUTATION OF TEMPER AND WAS SOMEWHAT GUARDED

END PAGE EIGHT

IN HIS DEALINGS WITH RUBY BECAUSE OF THIS. IN DESCRIBING RUBY AS IMPULSIVE, KELLY SAID RUB Y WOULD BECOME ANGERED OVER SOME INCIDENT AND TAKE IMMEDIATE ACTION SUCH AS HITTING A PERSON NOT THINKING OF CONSEQUENCES OF ACTION OR DEVELOPMENTS WHICH MIGHT RESULT FROM SUCH IMPULSIVE ACTION.

ONLY RELATIVE OTHER THAN RUBY/S SISTER KNOWN TO KELLY WAS RUBY/S OLDER BROTHER, NAME NOT KNOWN TO KELLY, WHO RESIDED IN CHICAGO. ON OCCASIONS RUBY MENTIONED TO KELLY THAT THIS INDIVIDUAL WAS RATHER WEALTHY AND ON ONE OCCASION WHEN FINANCES OF CLUB WERE LOW KELLY SUGGESTED THAT RUBY BORROW MONEY FROM THIS OLDER BROTHER AND RUBY REPLIED HE COULD NOT AS HE ALREADY OWED THIS BROTHER TOO MUCH. KELLY SAID RUBY HAD NO ACTIVE INTEREST IN POLITICS AND DID NOT KEEP ABREAST OF CURRENT EVENTS THROUGH READING NEWSPAPERS AND PERIODICALS. KELLY SAID HE NEVER HEARD RUBY MENTION LEE HARVEY OSWALD AND HAD NEVER SEEN OSWALD ASSOCIATING WITH RUBY. KELLY STATED BECAUSE OF RUBY/S TEMPERAMENT HE DIDN NOT BELIEVE RUBY WOULD HAVE EVER KNOWN OSWALD AND WOULD NOT HAVE ASSOCIATED WITH OSWALD IF THEY HAD MET.

PORTLAND TEL. , INTEROFFICE, TO DALLAS, NOV. TWENTYFIVE, LAST ADVISED GEORGE WILLIAM FEHRENBACH, JEWELRY STORE PROPRIETOR, MEDFORD, OREGON, THAT DATE VOLUMTARILY CONTACTED PORTLAND AGENTS, FURNISHING INFO. IN SIGNED STATEMENT, PERTINENT PART QUOTED AS FOLLOWS.

I WAS BORN MARCH EIGHT, TWENTY SIX, IN MUNCIE, INDIANA. WHEN I WAS SIXTEEN YEARS OLD, I LEFT SCHOOL AND TOOK JOB WITH SAM JAFFE AS A JEWELRY APPRENTICE. HIS STORE WAS LOCATED ON WALNUT STREET BETWEEN JACKSON AND ADAMS STREETS IN MUNCIE, INDIANA. DECEASED THERE WAS A GROUP OF MEN IN THE NEIGHBORHOOD WHO TALKED TO ME ABOUT THE COMMUNIST PARTY AND ABOUT RUSSIA AND I BELIEVE THAT THEY WERE

END PAGE TWO

PAGE THREE

MEMBERS OF THE COMMUNIST PARTY. THEY WERE PHILLIP JASSER OF JASSER-S CLOTHING STORE ON MULBERRY ST., LAWSON JAFF, WHO OWNED LAWSON-S JEWELERS ON WALNUT ST. AND MORTON STANDT, WHO OWNED STANDT-S JEWELRY STORE ON JACKSON ST. AND HE ALSO OWNED ROGERS JEWELERS ON WALNUT STREET.

ABOUT SIX MONTHS TO A YEAR AFTER I STARTED WORK FOR SAM JAFFE A GROUP OF PEOPLE CAME DOWN FROM CHICAGO AND I BELIEVE THEY WERE GOING TO HOLD A MEETING IN MUNCIE. THE GROUP I HAVE NAMED WERE GOING TO ATTEND THE MEETING, AND I BELIEVE THE MEETING HAD SOMETHING TO DO WITH THE COMMUNIST PARTY OR WITH RUSSIA. IT WAS TO BE HELD IN A UNION HALL UPSTAIRS FROM THE STORE WHERE I WORKED OR IN THE JEWISH MEETING HALL. THE SON-IN-LAW OF SAM JAFFE WAS ONE OF THE PEOPLE WHO CAME FROM CHICAGO AND HE BROUGHT WITH HIM A MAN WHO WAS INTRODUCED TO ME AS JACK RUBENSTEIN -PH- LAST NIGHT I SAW THE PICTURE O JACK RUBY ON TELEVISION AND AT THAT TIME I DID NOT THINK ANYMORE ABOUT IT. TODAY WHILE I WAS AT WORK, IT CAME TO ME SUDDENLY THAT JACK RUBY IS THE SAME PERSON WHO WAS INTRODUCED TO ME IN MUNCIE, INDIANA, AS JACK RUBENSTEIN.

END PAGE THREE

AS I REMEMBER IT, JACK RUBENSTEIN CAME TO MUNCIE, INDIANA TWICE WITH THE SON-IN-LAW OF SAM JAFFE BEFORE I WENT IN THE NAVY. BOTH TIMES THEY WERE THERE TO ATTEND A MEETING WITH THE GROUP THAT TALKED TO ME ABOUT THE COMMUNIST PARTY. I RECALL THAT JACK RUBENSTEIN WAS IN SHOW BUSINESS IN CHICAGO AS HE SHOWED ME A FEW CARD TRICKS AND READING FROM A FOLDED PAPER SOMETHING I HAD WRITTEN. HE ALSO BROUGHT WITH HIM A VERY TALL BLOND GIRL WHO WAS IN SHOW BUSINESS.

I WENT IN THE NAVY ON SIX FOURTEEN FORTY FOUR AND WAS DISCHARGED ON SIX TWENTY ONE FORTY SIX. I THEN WENT BACK TO MY JOB WITH SAM JAFFE.

SHORTLY AFTER MY FIRST BOY WAS BORN IN JUNE, ONE NINE FORTY SEVEN, THERE WAS ANOTHER MEETING HELD AND JACK RUBENSTEIN CAME AGAIN FROM CHICAGO WITH THE SON IN LAW OF SAM JAFFE. THIS MEETING WAS HELD IN THE UNION HALL ABOVE THE JAFFE STORE. THE NEXT MORNING AFTER THE MEETING I WAS SENT UP TO THE UNION HALL TO GET A CHAIR THAT HAD BEEN TAKEN UP THERE FROM THE STORE. UP IN THE HALL, I SAW A LIST OF NAMES ON A TABLE. THERE WERE TWO TYPEWRITTEN PAGES OF NAMES. THE FIRST NAMES AS I REMEMBER THEM WERE LAWSON JAFFE, PHILLIP JASSER, HERBERT PAZOL, MORTON PAZOL, MORTON STANDT AND JACK RUBENSTEIN. I TOOK THIS LIST OF NAMES TO MERVIN COLLINS, AN UNCLE TO MY WIFE, WHO WAS ON THE MUNCIE POLICE DEPT. HE SAID HE WOULD TURN THE LIST OVER TO THE FBI.

TONIGHT I HAVE BEEN SHOWN THE PICTURE OF JACK RUBY IN THE OREGON JOURNAL ELEVEN TWENTY FIVE SIXTY THREE AND THIS IS A VERY GOOD LIKENESS OF THE PERSON WHO WAS INTRODUCED TO ME AS JACK

~~CORRECTIONS LINE THIRTEEN WORD SEVEN IN RPT. IN LINE TWENTYTWO WORD THREE TURN~~

RUBENSTEIN. HE APPEARS OLDER AND THE HAIRLINE IS A LITTLE HIGHER. I HAVE ALSO BEEN SHOWN THE PICTURE OF JACK RUBY ON PAGE TWELVE OF THE OREGONIAN ELEVEN TWENTY FIVE SIXTY THREE AND THIS PICTURE DOES NOT LOOK LIKE JACK RUBENSTEIN. I HAVE ALSO BEEN SHOWN THE PICTURE OF JACK RUBY IN THE SAN FRANCISCO EXAMINER, PAGE D. ELEVEN TWENTY FIVE SIXTY THREE, AND THIS PICTURE LOOKS LIKE JACK RUBENSTEIN, EXCEPT THE HAIRLINE IS HIGHER AND RUBY APPEARS HEAVIER.

AFTER THE MEETING WHEN I GOT THE LIST, I NEVER SAW JACK RUBENSTEIN AGAIN.

I NEVER SAW ANY MEMBERSHIP CARDS OF THE PEOPLE WHO TALKED TO ME ABOUT THE COMMUNIST PARTY AND THEY DID NOT DIRECTLY SAY THEY WERE MEMBERS, BUT THEY TOLD ME I SHOULD JOIN THE COMMUNIST PARTY AND "GET ON THE RIGHT SIDE OF THE FENCE BEFORE IT IS TOO LATE."

THE LAST TIME I SAW JACK RUBINSTEIN, I WOULD DESCRIBE HIM AS FOLLOWS.. THIRTY TO THIRTY FIVE YEARS OF AGE, ABOUT FIVE TEN TO SIX, ONE SIX FIVE TO ONE SEVEN FIVE LBS. , NO SCARS OR MARKS OR ANYTHING UNUSUAL I CAN REMEMBER BUT HE ALMOST ALWAYS WORE A HAT.

WHEN THE SON IN LAW OF SAM JAFFE AND JACK RUBENSTEIN TRAVELED FROM CHICAGO TO ATTEND THE MEETINGS, I THINK THEY CAME BY AUTO BUT I DO NOT REMEMBER SEEING IT.

WILLNER ADVISED THAT NO ONE PERSON WAS SOURCE OF THIS INFORMATION. AFTER THE ASSASSINATION OF PRESIDENT KENNEDY, A NUMBER OF PEOPLE, INCLUDING PATROLMEN ON CHICAGO PD, CONTACTED HIM WITH TIDBITS OF INFORMATION AND IDEAS. HE STATED HE RECEIVED INFORMATION THAT THERE HAD BEEN A CUBAN COMMITTEE THAT HAD BEEN ACTIVE IN CHICAGO AND ONE INDIVIDUAL, WHOSE IDENTITY HE CANNOT RECALL, SUGGESTED TO HIM THAT PERHAPS THE CUBAN COMMITTEE HAD BEEN BEHIND THE ASSASSINATION.

ACCORDING TO WILLNER, AS A RESULT OF ALL THE INFORMATION HE HAD GLEANED CONCERNING THE ASSASSINATION OF PRESIDENT KENNEDY, HE CONCLUDED THERE WAS A GOOD POSSIBILITY THERE HAD BEEN MONEY PAID TO OSWALD BY TO PROVIDE FOR THE ASSASSINATION. HE DID NOT HAVE ANY FACTS TO BACK UP AND HE PASSED THIS ANALYSIS OF HIS OWN TO HANSEN, QUOTE

WILLNER STATED HE WAS UNABLE TO GET ANY CORROBORATION OF HIS THEORY AND THEREFORE DID NOT PRINT THIS STORY. HE STATED HE STILL FEELS, ALTHOUGH HE DOES NOT HAVE FACTS TO BACK IT UP, THAT THERE COULD VERY LIKELY HAVE BEEN SUCH AS HE DOES NOT BELIEVE THAT EITHER OSWALD OR RUBY ACTED SPONTANEOUSLY [redacted] ON THEIR OWN. HE STATED ~~HE HAD~~ HAD HE SECURED ANYTHING TO CORROBORATE THIS THEORY OF HIS HE WOULD HAVE PUBLISHED IT IN THE PAPER. HE COULD NOT GIVE THE IDENTITY OF ANY PERSON WHO SUGGESTED THIS THEORY TO HIM AND FEELS THAT THIS CONCLUSION WAS ARRIVED AT BY HIM AS A RESULT OF ALL OF THE INFORMATION REACHING HIM.

Date 12/1/63

Mrs. RUTH E. BONDS, aka Mrs. Joseph Bonds, Dale Belmont, 11736 College View Drive, was interviewed at her residence. She was advised that she did not have to make a statement, that anything she said could be used against her in a court of law and she had the right to consult an attorney if she wished. She volunteered the following information:

She said that she and her husband, JOSEPH BONDS, owned and operated the Skyview Club, also known as the Sky Club, located on Palmer Street just outside of Dallas, Texas, during the period 1948 to 1953-54 and that during part of this time she and her husband had known JACK RUBY as the owner of another night club.

Mrs. BONDS said she knew RUBY only as another club owner and that she had never worked for him as a stripper or in any other capacity. She said as a matter of fact she had never worked as a stripper but she had worked in the entertainment field and had used the name DALE BELMONT. She said that she was not an associate of RUBY and her contact with him was limited to occasional visits she and her husband made to his night club and similar visits he had made to their night club. On these visits RUBY would come to their table and talk to them usually about the night club business in general. She said she knew of no personal friends or associates of RUBY but named "HAPPY" DOLSON, owner of Happy's Showland Club, and ABE WEINSTEIN, owner of the Colony Club in Dallas, as other club owners who could have known RUBY at least in business contacts.

Mrs. BONDS denied that she knew LEE OSWALD and stated she had never heard his name mentioned prior to the assassination of President KENNEDY on November 23, 1963.

Mrs. BONDS said she recalled that RUBY originally came from Chicago, Illinois, and that from conversations she had had with him she regarded him as very poorly educated and a very quiet man. She said RUBY reportedly was a good fighter and acted as his own club "bouncer". She had no information regarding any trouble in which RUBY might have been engaged and she would consider his mental condition normal.

Mrs. BONDS advised she had never heard RUBY discuss politics and she had no reason to believe he had any interest in politics.

She advised further she had no information regarding any sex perversion or subversive activities on the part of RUBY.

According to Mrs. BONDS, she left Dallas in 1955 and has had no contact with RUBY since that time.

Mrs. BONDS is currently employed by Hot Shoppes, Inc., 11190 Biers Mill Road, Silver Spring, Maryland, as head cashier and bookkeeper.

Houston Office advised 11-25-63, concerning information received from one Al Bright, an ex-felon of Corpus Christi, Texas, who said he had heard information to the effect that Ruby is a payoff man for the Dallas Police Department and whenever liquor and gambling raids were to be made on the Dallas underworld Ruby would always be contacted first by some unknown person from the Dallas Police Department.

Bright who contacted the Corpus Christi Resident Agency on 11-25-63, advised he knows the former bookkeeper of the Carousel Club in Dallas which was operated by Jack Ruby, the purported murderer of Oswald. Bright said this bookkeeper is known as Mike Ryan, aka Ray Pike and Ryan is the individual who informed Bright concerning the above information regarding Ruby. Bright stated in about March, 1963, he met Ruby in the company of Ryan and has not seen Ruby since.

ACTION

Dallas has been instructed to immediately locate and interview Mike Ryan and vigorously pursue this allegation of Ruby's association with the Dallas Police Department.

SUBJECT: JACK L. RUBY, AKA.;
LEE HARVEY OSWALD -
VICTIM - DECEASED
CIVIL RIGHTS

At 9:00 P.M., ASAC Kyle Clark was telephonically contacted and instructed to:

1. Interview Eva Grant, subject's sister, at Dallas, if not already handled, and clarify whether she was operating a night club in 1947 at the time Ruby first went to Dallas. It is not clear from information already available as to whether Ruby went to Dallas to help her operate a club already functioning or whether after his arrival in Dallas, he and his sister pooled their resources and opened a club.

2. Concerning ownership of the Vegas Club, establish the year Ruby opened this establishment and review available records to verify any partners he may have had. Also, it is noted that in interview, Ruby advised that his partners in the Vegas Club were Joe Bonds and Irving Alkanan. If not already handled, set out expedite leads to interview these two persons concerning their business venture with Ruby in the Vegas Club.

3. Verify that Ruby actually purchased the sandwiches at a Dallas delicatessen on 11-22-63 and determine whether or not he actually gave them to KLIF Radio Station personnel.

ReButel 11/25/63.

LLOYD SINEATH, Manager, Charleston Heights Motel, 4241 Rivers Avenue, North Charleston, S. C., advised 11/27/63 that one WALTER last name illegible, registered at Charleston Heights Motel, 9/3/62 in room #17. He was driving a 1956 model Chevrolet automobile. He believes car was green and white. The car bore Virginia license #759078.

The white male paid for one night's lodging and remained at the motel for two days, leaving without paying balance of bill. When he departed he left several articles of personal property and a few clothes in the room.

Sometime later he received a letter from this individual from someplace out of state requesting that he send the clothing and personal articles to him. He destroyed the letter and does not recall the exact locality from which the letter was mailed. He disposed of the clothing and personal articles and did not send them as requested.

When the man registered alone at the motel he appeared to be very nervous and emotionally upset. The man carried on a rambling conversation and did not make sense during his talk with him.

ARTURO VOLPE RAVA, also known as Yoyo, Nuevo Laredo, Mexico, advised November 29, 1963, that he operates some gambling in Nuevo Laredo, Mexico, and recalls that around the time of the assassination of President KENNEDY and the assassin LEE HARVEY OSWALD was killed by JACK RUBY, someone stated that a lot of bandits and gamblers come to Nuevo Laredo, Mexico from Fort Worth and Dallas, Texas, and wondered if maybe JACK RUBY had possibly been gambling in Nuevo Laredo, Mexico, and RAVA stated that he had never heard the name of JACK RUBY or RUBENSTEIN before this person shot OSWALD and that RUBY has never gambled in Nuevo Laredo, Mexico, to his knowledge.

Records of Mexican Immigration Service, Nuevo Laredo, checked from July 15 to November 22, 1963, failed to disclose any record of JACK RUBY or RUBENSTEIN having entered Mexico at Nuevo Laredo.

MORNING NOVEMBER TWENTYONE, NINETEEN SIXTYTHREE FROM WHERE HE CALLED BOTH DALLAS NEWSPAPERS TO PLACE ADDS FOR CAROUSEL AND VEGAS CLUBS.

ALL INVESTIGATION CONDUCTED REGARDING RUBY/S ACTIVITIES, WHEREABOUTS, TRAVELS IN RECENT WEEKS REFLECTS AN ABSENCE OF TRAVEL OUTSIDE DALLAS AREA IN NOVEMBER, NINETEEN SIXTYTHREE. ALTHOUGH RUBY USUALLY TRAVELS BY AIR, THE FACT THAT HE WAS WITH SISTER IN DALLAS AREA MORNING NOVEMBER TWENTYONE, NINETEEN SIXTYTHREE, IN VIEW OF ABOVE STATEMENT OF BILLY JOE WILLIS AS WELL AS FACT THAT NO ONE INTERVIEWED HAS FURNISHED ANY INFORMATION REGARDING ANY TRAVEL TO SAN FRANCISCO BY RUBY, OR ANY REASON OR PLAN FOR SUCH TRAVEL BY RUBY, IT IS CONSIDERED HIGHLY UNLIKELY THAT HE COULD HAVE BEEN IN SAN FRANCISCO AROUND ELEVEN P. OPTIONAL FORM NO. 10

UNITED STATES GOVERNMENT

Memorandum

TO : Mr. Belmont

DATE: November 26, 1963

FROM : C. A. Evans

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Deputy Attorney General Katzenbach called with reference to the report which is to be submitted by the FBI in relation to the circumstances surrounding the assassination of President Kennedy.

He noted that a tremendous responsibility had been placed on the FBI in this instance by President Johnson because this report, which is to be publicized, is for the purpose of assuring the American public and the world as to what the facts are in Kennedy's assassination and setting to rest the many, many rumors that have been circulating and speculation both in the United States and abroad.

Katzenbach noted in this regard that we are being called upon to, in many instances, prove the negative. For example, he observed that there has been considerable speculation in the press in the United States and in Europe that the assassination was part of a communist or Castro conspiracy. There have also been allegations that Oswald and Ruby were known to each other and were part of a conspiracy. It has been further alleged that Oswald was killed to silence him.

Katzenbach noted that it is, of course, more difficult to prove that something did not occur than to prove what actually happened. As a consequence, it is his belief there might have to be some so-called editorial interpretation. He noted that the report will be subjected to the closest scrutiny by the world-wide press and foreign governmental representatives, as well as by the American people. He knew that we were keeping this in mind in preparation of the report.

As Katzenbach understands it, the report is to be reviewed by the Justice Department and transmitted to the White House. In this regard, he feels it is his responsibility to do this personally for the Department. To this end, he said if it would be helpful he would be glad to review and discuss preliminary drafts, since time is of the essence.

Memorandum to Mr. Belmont

ACTION BEING TAKEN:

From the facts disclosed in our investigation, there is no question but that we can submit in our report convincing evidence beyond any doubt showing Oswald was the man who killed President Kennedy. The problem is to show motive and this, of course, is a condition of Oswald's mind and can be, at best, a speculative conclusion predicated upon circumstantial evidence. Oswald has admitted he was an avowed Marxist. The facts are not clear cut as to his relationship with organized communism, either the Communist Party or the pro-Castro organizations. The Domestic Intelligence Division has been reviewing this very matter so that our report may reflect the factual information we have in this regard. While neither the White House nor the Department should be able to contend that our report does not meet the required purpose, we must be factual and recognize that a matter of this magnitude cannot be fully investigated in a week's time.

Just how long do investigations like this take.

It seems to me we have the basic facts now.

SUBJECT:

ASSASSINATION OF
THE PRESIDENT

Relative to the Director's question as to how long we estimate the investigation in this matter will take, we plan to have the report on this matter, and on the Jack Ruby matter, this Friday, 11/29/63.

The investigation in both cases will, however, continue, because we are receiving literally hundreds of allegations regarding the activities of Oswald and Ruby, and these, of course, are being run out as received. I think this will continue, and in the absence of being able to prove Oswald's motive and complete activities, we must check out and continue to investigate to resolve as far as possible any allegations or possibility that he was associated with others in this assassination. Likewise, we have to continue to prove the possibility that Jack Ruby was associated with someone else in connection with his killing of Oswald.

All leads are being handled telephonically or by teletype, as they arise. We are continuing to work on the report today and tomorrow, and will have it to the Director on Friday.

The Presidential Report on both matters should not be prepared until all allegations & angles have been completed.

RE: AMERICAN NAZI PARTY

The November 23, 1963 issue of the Northern Virginia Sun, an Arlington, Virginia, newspaper, contained an article captioned " 'Nazi' Chief Not Upset By Assassination,' which reported as follows:

"Nazi Commander George Lincoln Rockwell expressed no 'heartbreak' over the murder of President Kennedy in Dallas today.

" 'I'm not heartbroken but it louses up the political picture for the preservation of the white race,' he said. 'The President brought it on himself, the way he has been pillorying the white race. The people of the South hated that man with a passion and I don't blame them.'

"Rockwell, himself a member of the extreme right wing believes the President was shot by a right-winger. 'The right wing has played into the hands of Moscow. Moscow has already announced the right wing has shot him. It certainly will help the Reds. I think we're (the Nazis) going to have a hard time for awhile. I wouldn't be a bit surprised to be picked up on it,' Rockwell said in a telephone interview shortly after the President's death."

A characterization of the American Nazi Party, the self-styled national commander of which is George Lincoln Rockwell, is attached.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Virginia newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the American Nazi Party, the phases of ANP struggle for power are fourfold, namely, first, "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and, fourth, "the attainment of power through the votes of the newly-won masses".

Enclosed herewith for the Dallas Division are 32 copies each of three page insert to be inserted in the Administrative Section of report submitted to the Bureau mentioned in referenced Bureau teletype dated 11/25/63.

For the information of the Bureau, the same information is furnished in referenced Albuquerque teletype to Dallas, 11/25/63, and contains results of negative contacts with informants familiar with gambling and hoodlum activities at Albuquerque, Roswell, Grants and Clovis, N.M. Also for the information of the Bureau, contact with [redacted] revealed that this informant once met RUBY in an unknown hotel in Dallas, Texas, many years ago, but was unable to recall any events whatsoever concerning this contact.

REC-111 44-24016-323

[redacted] furnished positive information concerning RUBY by stating he met him at the Carousel Club in Dallas, Texas, on a visit approximately eleven months ago. Informant advised RUBY was a good friend of [redacted]

minor gambler. Informant learned through [redacted] that RUBY had a "good in" with the Dallas Police Dept., which would be borne out from his observation that RUBY had a B-girl operation where drinks were pushed heavily with no interference from the police department. [redacted] had a brief conversation with RUBY.

On 11/25/63 [redacted] Albuquerque, N.M., who requested his name be kept confidential, is a previously admitted former bookmaker in Chicago, Ill. He grew up in Chicago in the same general area as JACK RUBY, known to him as SPARKY RUBENSTEIN. States as a child was not closely acquainted with RUBY, but knew RUBY's father as the neighborhood drunk. [redacted] described RUBY as emotional, unstable and a person who made his living primarily from "scalping" tickets to sports events in Chicago and at one time traveled throughout the country selling punch boards prior to the Senator KEFAUVER investigations.

[redacted] described RUBY as an extremely stubborn person and a publicity hound. Due to RUBY's emotional instability. [redacted] did not think it unusual when RUBY was reportedly more upset over the death of the President than the death of his own father. [redacted] said he was surprised when RUBY actually killed OSWALD, adding that he would think it more proper that RUBY would shoot him in the leg with a .22 caliber weapon in order to get publicity.

[redacted] saw RUBY approximately 1½ years ago at Dallas, Texas, for the first time in more than 20 years. He knew of RUBY's presence there and visited him at the Carousel Club where they talked briefly of old times. [redacted] knew of no specific connections of RUBY at Chicago, Illinois, or with the Dallas Police Dept., and stated that RUBY had no contact with organized criminal, hoodlum or subversive element. He did not know OSWALD and knew of no connection between the two.

HOWARD NELSON, Watertown, Wisconsin area, early a.m. of 11/26/63 telephoned Milwaukee Office to report his conversation the night previous in a Watertown tavern with ADOLPH FRANKEL, manager of Glen Mfg. Co., a dressmaking firm at Watertown, Wisconsin, wherein NELSON states FRANKEL made the remark he knew RUBY 20 years ago in Chicago.

NELSON was interviewed at Watertown, Wisconsin the a.m. of 11/26/63. He is a semi-invalid with spinal arthritis and states he has to drink to kill his pain. He admits he was somewhat under the influence when at the tavern talking to FRANKEL and that later after calling the FBI he got good and drunk and then also phoned Wisconsin Congressman KASTENMEIER and Senator PROXMIRE, both of whom expressed annoyance at being called when he had already called the FBI.

ADOLPH J. FRANKEL was interviewed 11/26/63 and he stated he was born January 30, 1892 in Rumania, came to the U.S. when he was 16 years of age, has no living relatives to his knowledge in Russia or Rumania now and that he has worked in the dress manufacturing business since his arrival in this country, specifically for the Glen Mfg. Co. in Milwaukee, 1938-47, for Model Garment Co. in Chicago, 1947-53 and since 1953 at Watertown, Wis. for Glen Mfg. Co.

FRANKEL stated that he does not know RUBY and that to his knowledge he has never seen RUBY in his life. He recalled a tavern conversation in which comments were being made on newsmedia that RUBY, OSWALD's assassin, reportedly was a hoodlum in Chicago 20 years ago. FRANKEL said that upon hearing this he at the most made the remark that he was probably one of those who hung around the Loundale Smoke Shop at Roosevelt and Loundale, Chicago, Ill. FRANKEL said that his remark was purely presumption because that was a Jewish neighborhood and gamblers then frequented the smoke shop. FRANKEL liked the food at the smoke shop restaurant and ate there during the period 1947-53 when he lived on Washington Blvd. in Chicago.

From the interview with FRANKEL, it appears that the complainant in this matter exaggerated what he heard.

[redacted] stated that FRANKEL has a favorable reputation at Watertown but that NELSON [redacted] is a chronic source of complaints to law enforcement agencies.

As it appears NELSON's information is without basis, no further action or reporting will be made on this complaint.

Honorable Walter W. Jenkins
Special Assistant to the President
The White House
Washington, D. C.

Dear Mr. Jenkins:

Recent news releases have indicated that District Judge Joseph B. Brown, Dallas, Texas, will preside at the trial of Jack Ruby, the accused murderer of Lee Harvey Oswald. Although we have not investigated Judge Brown, our files do contain some information which appears to pertain to him.

In October, 1959, an informant, whose reliability is not known, advised this Bureau that the grand jury in Dallas, Texas, was "rigged." The informant stated that Judge Brown had aligned himself with Dallas County District Attorney Henry Wade and he considered the grand jury was "rigged" because the jury was planning on indicting Dallas County Commissioner Mel Price. Judge Brown, according to the informant, decided that it would be necessary for him to take a rest before the actual indictment of Price in order that Brown's political foes could not connect him with the actions of the grand jury. The informant advised that Commissioner Price, Dallas, had been scrutinizing the financial dealings of the other Dallas commissioners as well as those of the District Attorney's office.

SUBJECT: JOSEPH BRADLEY BROWN
CRIMINAL COURT, DISTRICT JUDGE
DALLAS, TEXAS

The following information is contained in Bureau files concerning the captioned individual and is being submitted pursuant to your request. It is noted that "The Washington Post" issue of November 27, 1963, contained an article indicating Judge Joe B. Brown will preside at the trial of Jack Ruby, accused murderer of Lee Harvey Oswald. Bureau files indicate Brown's true name to be as it appears in the caption.

We have not investigated Judge Brown. In October, 1959, in connection with our General Intelligence Program, a potential confidential informant advised that the Grand Jury in Dallas, Texas, was "rigged." According to [redacted] Judge Brown had aligned himself with Dallas County District Attorney Henry Wade. [redacted] stated that he considered the grand jury "rigged" because the grand jury was planning on indicting Dallas County Commissioner Hal Price. Judge Brown, according to the informant, decided that it would be necessary for him, Judge Brown, to take a rest before the actual indictment of Price, in order that Brown's political foes could not connect him with the actions of the grand jury. It appeared that Hal Price, Dallas Commissioner, had been scrutinizing the financial dealings of other commissioners, as well as District Attorney's Office. No further information in this connection is noted in our files. (63-4296-12-302)

SUBJECT: JACK LEON RUBY, AKA

On 12/2/63 the Los Angeles Office furnished information indicating that Earl Ruby, subject's brother, has contacted a California writer to write a story of Ruby's life as a means to raise funds for the defense of Ruby.

Michael Shore, a Hollywood publicity agent, contacted the Los Angeles Office on 12/1/63 advising he had received a telephone call from Earl Ruby in Chicago. Earl Ruby stated to Shore he desires to raise funds for his brother's defense by selling rights for a story of Jack Ruby's life. Earl Ruby reportedly stated his brother has no money for defense and would depend on funds raised from the story of his life. Shore advised he suggested William Reed Woodfield, well-known photographer, independent writer, and biographer, who aided in writing "The Ninth Light," concerning Caryl Chessman, the notorious California murderer who was executed in San Quentin Penitentiary.

Shore advised that he contacted Woodfield concerning this matter and Woodfield requested that Shore fly with him to Dallas to introduce him to Jack Ruby. Shore continued that he and Woodfield will contact Earl Ruby to see if he agrees to Woodfield's handling the story.

Shore, in contacting the Los Angeles Office, stated he did not want to become involved without first advising the FBI. Shore was clearly informed that this was a matter for his own decision. Shore commented he had called Ruby's sister, Eva Grant, in Dallas, who indicated she feels her brother does not have adequate legal defense.

William Reed Woodfield on 12-1-63 also voluntarily contacted the Los Angeles Office stating he was calling from Shore's office. Woodfield advised he has already made several inquiries around the world concerning the value of Jack Ruby's story. He commented that he and Shore both had a high regard for President Kennedy and they feel Ruby has a right to proper defense. Woodfield was also advised that any action taken by him was a matter for his own decision.

Woodfield commented he would like to help the FBI in any way he can, but if he gets Ruby's story it should be kept confidential until published.

ACTION:

Bureau indices are being searched concerning Michael Shore and William Reed Woodfield for any available background information on these two individuals.

I noted in one of the newspaper stories that allegedly Jack Ruby, the individual who shot Oswald, in commenting on his motive for the killing, said he would be willing to undergo a polygraph examination by the FBI. I doubt the truth of this; nevertheless, one of the key issues in this matter is the actual motive of Ruby for the killing; whether he had help in getting into the police department; whether he is tied in with anyone else, and whether he knew Oswald. Therefore, while I do not think Ruby's attorney would allow any such polygraph interrogation, we should raise the issue.

RECOMMENDATION:

To this end, I propose

(1) that we discuss it with the Department from a legal aspect;

(2) that we talk with District Attorney Wade about this, on the basis that, according to a newspaper article, Ruby allegedly was willing to undergo a polygraph examination, and see whether Wade has any objections;

(3) if Wade has no objections, suggest that Wade contact Ruby's defense attorney to see whether he would agree;

(4) if the attorney agrees, and Wade is willing, our agents give Ruby a polygraph examination.

PICK FIGHTS OR GO OUT OF HIS WAY TO FIND TROUBLE. CONVERSELY AS A YOUNGSTER AND EVEN MORE SO AS HE MATURED, JACK RUBY WAS MORE INCLINED TO MAKE FRIENDS. DURING THE YEARS RUBY WAS IN CHICAGO, HE WAS EMPLOYED BY HIS BROTHER, EARL RUBY, AS A SALESMAN FOR A WHILE AND WAS CHARACTERIZED AS A QUOTE PROMOTER UNQUOTE, PUSHING WHATEVER HE COULD FIND TO MAKE MONEY WITH. LEVINE CHARACTERIZED RUBY/S PERSONALITY AS FRIENDLY, VOLATILE, AND INDUSTRIOUS. EARL RUBY WAS CHARACTERIZED AS THE MOST INTELLIGENT MEMBER OF THE FAMILY AND LEVIN INDICATED THAT THE OTHER MEMBERS OF THE FAMILY INCLUDING JACK RUBY APPEARED TO BE MENTALLY SLOW, BUT NOT RETARDED OR NECESSARILY DEFICIENT. CONCERNING THE POLITICAL FEELINGS OF JACK RUBY., LEVIN STATED THAT HE WAS NOT STRONGLY INCLINED TOWARD EITHER DEMOCRATS OF REPUBLICANS, SOCIALISTS OR COMMUNISTS, BUT DUE TO THE CIRCUMSTANCES AND

END PAGE TWO

ENVIRONMENT OF THE TWENTYFOURTH WARD WHEREIN HE WAS RAISED, JACK RUBY WAS PROBABLY A DEMOCRAT. LEVIN STATED THAT NEITHER JACK RUBY NOR ANY MEMBER OF HIS FAMILY HAVE TO HIS KNOWLEDGE, BEEN AFFILIATED WITH ANY PARTY OR ORGANIZATION WHICH WOULD BE DEEMED SUBVERSIVE. IT WAS HIS OPINION THAT THE FAMILY WAS NOT OF SUFFICIENT INTELLIGENCE OR INTEREST TO BE POLITICALLY INVOLVED. LENIN SAID JACK RUBY WAS NOT CONNECTED WITH ANY QUOTE HOODLUM UNQUOTE ELEMENT NOR DID HE OWE ALLEGIANCE OR TIES TO ANY KNOWN QUOTE HOODLUMS UNQUOTE. HE FLATLY STATED THAT RUBY WAS NOT QUOTE RUN OUT OF TOWN UNQUOTE, BUT LEFT SOME SIXTEEN YEARS AGO OF HIS OWN ACCORD FOR DALLAS, TEXAS. HE COULD NOT EXPLAIN WHY HE SELECTED DALLAS, BUT STATED THAT AFTER JACK RUBY WENT TO DALLAS OTHER MEMBERS SPECIFICALLY EVA AND SAM RUBENSTEIN FOLLOWED JACK RUBY INTO THE DALLAS, TEXAS AREA. LEVIN STATED THAT THE FAMILY LIFE AFFORDED THE

RUBENSTEIN CHILDREN OBVIOUSLY LEFT MUCH TO BE DESIRED INDICATING THAT THE MOTHER WAS NOT PARTICULARLY BRIGHT AND THE FATHER DRANK HEAVILY. HE STATED THAT PRIOR TO THE MOTHER-S DEATH SHE BECAME SENILE. LEVIN STATED THAT HE IS COMPLETELY UNAWARE OF ANY EVIDENCE OF INSANITY OR MENTAL ILLNESS INCONNECTION WITH ANY MEMBERS OF THIS FAMILY AND HAS NO KNOWLEDGE OF ANYONE BEING TREATED BY OR ADMITTED TO A HOSPITAL BY A PSYCHIATRIST. HE HAS NO KNOWLEDGE OR INFORMATION OTHER THAN NEWSPAPER ACCOUNTS CONCERNING AN INJURY TO JACK RUBY-S HEAD. LEVIN SAID THAT HIS OPINION OF JACK RUBY WOULD BE TO SUM HIS PERSONALITY UP INTO A STATEMENT OF QUOTE DESIRE FOR RECOGNITION UNQUOTE ELABORATING FURTHER THAT RUBY HAD ALWAYS ATTEMPTED TO SEEK RECOGNITION, BUT UNTIL SUCH TIME AS HE BECAME AFFILIATED WITH THE ENTERTAINMENT FIELD HE NEVER ACHIEVED THE RECOGNITION HE WANTED. APPARENTLY

END PAGE FOUR

AFTER HIS MOVING TO DALLAS, HE FOUND THE RECOGNITION SO VITAL TO HIS PERSONALITY AND THAT THIS COULD HAVE BEEN A MOTIVATING FACTOR FOR THE ACTION WHICH RUBY TOOK TOWARD OSWALD. IN HIS OPINION RUBY ACTED ON IMPULSE AND WITHOUT MEDITATION OR MALICE AFORETHOUGHT. LEVIN STATED THAT HE FELT RUBY WOULD PURSUE THE LINE OF DEFENSE CLAIMING TEMPORARY INSANITY AND THAT IN LEVIN-S HONEST OPINION HE FEEL THIS MAY WELL HAVE BEEN THE CASE.

DATE: 11/27/63

FROM : J. L. Handley

SUBJECT: JACK L. RUBY,
LEE HARVEY OSWALD - DECEASED
CIVIL RIGHTS

Mr. Malley telephonically advised this date that a lead was received by Dallas to trace a Western Union money order which was allegedly sent by Ruby to a female on Sunday morning.

Dallas has advised this female is Karan Bennett. She was interviewed and stated that she had attempted to obtain money from Ruby Saturday evening as he did not have it at that time. She stated that Ruby did send her a money order on Sunday.

Mr. Malley stated the only way information can be obtained from Western Union at this time would be in the manner of a subpoena duces tecum. The U. S. Attorney is willing to prepare such a subpoena. However, Mr. Malley advised against it in view of Ruby's arrest by local authorities in connection with the murder of Oswald. No further action will be taken by the Dallas Office in this regard, UACB.

Regarding the gun used by Ruby, Mr. Malley stated that Dallas verified the place where it was purchased. The above is to be confirmed by teletype this date.

Information has been received from V. P. Schumacher, President, Merchant State Bank, Dallas, Texas, 5217 Ross Street, Dallas, Texas, that Ruby rented a safety deposit box at the bank in 1959. He entered the box eleven times in 1959, three times in 1960, once in 1961. The last entry by Ruby to the box was 3/21/61. Mr. Schumacher advised in view of the circumstances existing concerning Ruby it would require a court order to enter the safety deposit box.

ACTION:

While the contents of the safety deposit box could be of some value concerning our civil rights investigation, in view of the fact state authorities are responsible for prosecution of Ruby for murder, no action should be taken concerning a court order without first discussing same with the District Attorney. If approved, the Dallas Office will be so instructed.

It was pointed out that in the interview with Sherwin Jack Braun, it is not specifically set forth as to whether Braun was able to identify a photograph of Ruby as the person Braun saw over Labor Day weekend in Havana. Chicago is requested to clarify this point. Also, no lead was set forth in Chicago to interview Jack Marcus, an individual who accompanied Braun and Jay Bishov to Cuba in 1959 and who also may have seen Ruby.

FROM : A. Rosen

SUBJECT: JACK LEON RUBY, AKA.;
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

On 11/24/63 during interview by Dallas Agents, Jack Ruby indicated that he had been held by the Chicago authorities during the latter part of 1939 or early 1940 in connection with the killing of Leon Cook, a friend and attorney who had been active in the organization of the Iron and Junk Handlers Union, AFL. Ruby advised that he was merely held in jail overnight for questioning and that he was the secretary-treasurer of this Local in Chicago. Cook, according to Ruby, had been killed during an altercation at a Union meeting and an individual named Jim Martin was subsequently charged with his murder.

Our Chicago Office reports that no arrest could be located for Ruby in the files of the Chicago Police Department nor could any record be located with respect to the investigation of the Cook murder.

Under FBI # 693 083 E an arrest was recorded by the Dallas Texas, Police Department, under the name Jack Leon Ruby, their number 36 398, dated 12/5/54, for investigation of violation of the State Liquor Law. No other record for Ruby could be located in the files of the Identification Division.

CARL L. MAYNARD, B MAR 1936 AGE TWENTYSEVEN, RESIDING SPADE E SIX, REX TRAILER PARK, TWO SEVEN ZERO NINE NORTH ONTARIO STREET, BURBANK, CALIFORNIA, WHO IS EMPLOYED AT PACIFIC AIRMOTIVE COMPANY, BURBANK, CALIFORNIA, CONTACTED LOS ANGELES OFFICE AT INSTIGATION OF HIS WORK SUPERIOR, TO WHOM HE MENTIONED HE HAD KNOWN JACK RUBY. MAYNARD DOES NOT WANT HIS NAME IN PAPERS BUT WISHES TO COOPERATE FULLY.

MAYNARD LIVED ALL ADULT LIFE IN DALLAS DASH FORT WORTH AREA AND RESIDED FOR PAST YEAR UNTIL MID JULY NINETEEN SIXTYTHREE AT THREE TWO TWO SUMTER AVENUE, WALNUT HILLS, TEXAS.

HE ORIGINALLY MET RUBY ABOUT TWO YEARS AGO WHEN MAYNARD ACCOMPANIED A FRIEND, GEORGE LOVE, APARTMENT TWO THREE SIX,

TIMBERS APARTMENTS, IRVING, TEXAS, TO TWIST CONTEST HELD AT VEGAS CLUB. RUBY-S SISTER EVE WAS MANAGER OF VEGAS CLUB. HE ALSO SAW RUBY AT THE LONGHORN RANCH CLUB, WHERE RUBY SEEMED TO KNOW THE OWNER, DEWEY GROOM. MAYNARD BECAME FRIENDLY AND RUBY GAVE HIM PASSES TO THE CAROUSEL CLUB. THE LATTER CLUB CATERED TO BUSINESS, EXECUTIVE AND CONVENTION TRADE.

LAST JUNE AND JULY, MAYNARD OPERATED THE ALIBI CLUB, FIVE FIVE ONE SIX HARRY HINES BOULEVARD. HE EMPLOYED GEORGE LOVE AND ALSO HIRED DIANA PAREN LNU END PAREN, WHO FORMERLY WORKED AS WAITRESS FOR RUBY. IN CONSULTING DIANA AS TO RUBY-S BUSINESS PRACTICES, SHE TOLD MAYNARD THAT RUBY PAID OFF THE DALLAS POLICE DEPARTMENT BUT DID NOT SPECIFY WHOM. SHE TOLD MAYNARD SHE HAD BEEN SENT ON AHEAD TO SET UP QUOTE CHAMPAGNE DATES UNQUOTE FOR OTHER GIRLS AT THE ALIBI CLUB, BUT DID NOT SAY WHO SENT HER. THE CHAMPAGNE DATE IS A B GIRL OPERATION WHEREIN CUSTOMER BUYS CHAMPAGNE, GIRLS

PRETEND TO DRINK, AND GET CUT.

WHEN MAYNARD SET UP ALIBI CLUB, LIEUTENANT GILMORE AND ANOTHER POLICE OFFICER FROM VICE DETAIL CHECKED OUT HIS OPERATION BUT DID NOT ASK FOR PAYOFF AND NONE WAS GIVEN. GILMORE-S PARTNER IS DESCRIBED AS A SHORT, THIN, SANDY HEADED OFFICER, ABOUT THIRTY YEARS OLD. MAYNARD HEARD THAT LIEUTENANT GILMORE HAD TRIED TO CLOSE THE CAROUSEL SEVERAL TIMES BUT NEVER SUCCEEDED. HOWEVER, MAYNARD PERSONALLY SAW GILMORE AND HIS PARTNER AT CAROUSEL A GREAT DEAL AND FELT HE COULD HAVE SHUT DOWN THE CAROUSEL IF HE HAD DESIRED FOR PROSTITUTION AND LIQUOR LAW VIOLATIONS.

RUBY HAD STRICT RULES THAT STRIPPERS AND WAITRESSES SHOULD NOT LEAVE CAROUSEL WITH DATES, BUT DIANA SAID THAT ALL GIRLS EMPLOYED DID FILL ONE HUNDRED DOLLAR A NIGHT DATES AFTER WORK, PARTICULARLY ON CONVENTION NIGHTS. SHE DID NOT SAY THAT RUBY RECEIVED A CUT AS PIMP, BUT MAYNARD-S IMPRESSION OF RUBY IS THAT HE WOULD DO ANYTHING FOR MONEY AND UNDOUBTEDLY GOT A PERCENTAGE OF PROSTITUTION DATES.

END PAGE THREE

HE UNDERSTOOD THAT STRIPPER KATHY KAY PAREN TRUE NAME BELIEVED KATHY CLAYBORNE END PAREN WENT WITH A POLICE DEPARTMENT OFFICER, BUT MAYNARD DOES NOT KNOW IDENTITY. KATHY KAY RESIDES IN APARTMENT HOUSE ON SOUTH EWING BOULEVARD, OAK CLIFF, BELIEVED CALLED NORTH HILLS APARTMENTS.

BECAUSE OF NIGHT WORK, MAYNARD WAS NOT AWARE UNTIL NIGHT OF NOVEMBER TWENTYFOUR LAST THAT IT WAS RUBY WHO SHOT OSWALD. AFTER VIEWING PHOTOGRAPH OF OSWALD IN PAPER, IT STICKS IN MAYNARD-S MIND THAT THE PERSON HE ASSOCIATES WITH OSWALS-S PHOTOGRAPH WENT WITH A LITTLE TWENTYEIGHT DASH TWENTYNINE YEAR OLD MEXICAN STRIPPER AT THE CAROUSEL, THIS BEING ABOUT MID JULY NINETEEN SIXTYTHREE. PERSON WHO CAN DEFINITELY IDENTIFY THIS BOY FRIEND OF MEXICAN STRIPPER WOULD BE DIANA LNU SINCE DIANA WORKED FOR RUBY FOR PAST THREE TO FOUR YEARS AND KNOWS ALL OF HIS CONTACTS AND ACTIVITIES AT CAROUSEL. TELEPHONE FOR DIANA IS FRANKLIN ONE DASH TWO TWO NINE ONE, DALLAS. HE DOES NOT KNOW WHETHER

Oswald lived in New Orleans through June 5, 1963 left to Mexico. Jan

DIANA WILL BE COOPERATIVE, PARTICULARLY IF SHE IS FEARFUL OF GETTING INVOLVED, BUT SHE IS FOND OF MAYNARD AND HE BELIEVES HE COULD OBTAIN INFORMATION.

GEORGE LOVE CAN ALSO GIVE CONSIDERABLE INFORMATION CONCERNING RUBY.

MR. HIRS WALLY WESTON WAS MC AT THE CAROUSEL. IT IS NOT GENERALLY KNOWN BUT ONE OF THE STRIPPERS WAS WALLY-S WIFE, WHOSE STAGE NAME HE THINKS WAS SHAWNEE ANGEL. AT ONE TIME SHAWNEE WAS HOSPITALIZED, DURING WHICH TIME THE HOSPITAL CALLED THE CAROUSEL FOR WALLY TO COME TO THE HOSPITAL IMMEDIATELY. RUBY DID NOT DELIVER THE MESSAGE UNTIL SHOW WAS OVER, WHICH ANGERED WESTON. HE THINKS WESTON QUIT FOR AWHILE BUT LATER RETURNED. HE MAY HAVE INFORMATION CONCERNING CAROUSEL ACTIVITIES.

MAYNARD HAS NO KNOWLEDGE AS TO ANY POSSIBLE SUBVERSIVE, CUBAN, RACIST, EXTREMIST, OR POLITICAL VIEWS OF RUBY SINCE THEY NEVER DISCUSSED THESE THINGS. HE HAS NO ACTUAL BASIS WHATEVER BUT MAYNARD FEELS THERE MUST BE A CONNECTION OF

END PAGE FIVE

SOME KIND BETWEEN OSWALD AND RUBY BECAUSE HE DOES NOT FEEL THAT RUBY IS THE TYPE TO HAVE THE DEPTH OF FEELING FOR PRESIDENT KENNEDY TO THE EXTENT HE WOULD SACRIFICE ALL OF HIS FINANCIAL WEALTH TO SHOOT OSWALD, WHO WOULD BE EXECUTED IN THE LONG RUN. HE STATED RUBY DOES HAVE A QUICK TEMPER AND HAS SEEN HIM BOUNCE DRUNKS OR CUSTOMERS MAKING PASSES AT GIRLS. HE KNOWS OF NO RELATIVES OF RUBY ASIDE FROM HIS SISTER EVE, AND KNOWS OF NO PARTICULAR MALE OR FEMALE ASSOCIATES. NO POLICE DEPARTMENT CONNECTIONS ARE KNOWN OTHER THAN THOSE PREVIOUSLY MENTIONED.

CAROUSEL STRIPPERS KNOWN TO MAYNARD WERE KATHY KAY, TAMMY TRU, SHAWNEE ANGEL, PREVIOUSLY REFERRED TO MEXICAN GIRL, NAME UNRECALLED, AND A BLACK HAIRED GIRL WHO WAS ORIGINALLY A WAITRESS. RUBY-S REGULAR WAITRESSES WERE DIANA, ALICE, AND NEESIE PAREN PHONETIC END PAREN.

DALLAS INTERVIEW DIANA, GEORGE LOVE, KATHY KAY, AND WALLY WESTON, DEWEY GROOM, LT. GILMORE, SHAWNEE ANGEL TO DEVELOP ABOVE INFORMATION, IDENTIFYING MEXICAN STRIPPER WHO WENT WITH MAN THAT MAYNARD BELIEVES MAY BE IDENTICAL WITH OSWALD.

INFORMATION FROM JADWIGA HELENA KAZIMIERCZAK AND DYONIZY KAZIMIERCZAK RE (FNU) RUBENSTAIN, BADEN BADEN, GERMANY

Mrs. Jadwiga Helena Kazimierczak, 213 East Center Street, Stockertown, Pa., telephonically advised the Philadelphia Office of the FBI at 10:45 p.m., November 24, 1963, that she could positively identify Jack Leon Ruby as one Mr. Rubenstain (phonetic), who was an SS Officer for Hitler in the 1940's. She said she based this on her viewing him on television November 24, 1963, while watching an interview of a woman who worked for Ruby.

Shortly after midnight, Mr. Dyonizy Kazimierczak and his wife Jadwiga were interviewed at their residence by a Special Agent of the FBI. The following information was obtained:

In 1945 they were in Baden Baden, Germany, which was French occupied territory under the charge of General DeGaulle. Mr. Kazimierczak was working for the French Underground for a Mr. Kohn (phonetic) and Lieutenant Baron. It was his duty to report each day to the French Underground all Nazi Party Members. The Polish Mission in Baden Baden told him there was a man named Rubenstain who operated a black market antique business in the downtown section of Baden Baden whom they suspected of being a Nazi. Mr. Kohn gave Mr. Kazimierczak the assignment of attempting to ascertain whether or not Rubenstain was a Nazi Party Member. He contacted Rubenstain and both Mr. and Mrs. Kazimierczak became friendly with Rubenstain.

Mr. Kazimierczak reported to the Underground that Rubenstain had many parties and also an abundance of wine and whisky. In addition, Rubenstain had a photograph of Hitler, Swastika emblems, and a black SS Uniform, which he kept in the basement of his residence because he was afraid the French Police would see it. They never actually saw Rubenstain engaged in any Nazi activities; however, Mr. Kazimierczak said that the French Underground apparently had other information which was not made known to him. Early in 1946 Mr. Kohn advised Mr. Kazimierczak that

FEROI 363

Rubenstain was going to be arrested based on information given by him, and the information which they themselves had. A short time thereafter the French Military Police arrested Rubenstain and Mr. Kazimierczak at Ruberstain's residence and took both of them down to the police department. Immediately after arriving in the police department, they were separated and Mr. Kazimierczak was released. Rubenstain's antique shop was closed, and neither Mrs. nor Mr. Kazimierczak saw Rubenstain again.

At the time the Kazimierczaks knew him, Rubenstain was approximately 40 - 42 years of age and sirgle. He was living with a Russian girl, name unknown, who was approximately 22 years of age, 5'3", black hair. She spoke French, German, and Russian. A short time after Rubenstain's arrest, Mr. and Mrs. Kazimierczak were arrested for black market activities which arrest was a result of information given to the police by Rubenstain who stated that the Kazimierczaks were working with Rubenstain.

Mrs. Kazimierczak stated while watching television some time around 10:15 or 10:30 p.m., on November 24, 1963, the woman who worked for Ruby was being interviewed by a reporter. During the interview, Ruby's picture was seen three times by her. She said that when she saw the photograph on television she was positive that Ruby is the Rubenstain she and her husband knew in Baden Baden, Germany. In addition to this identification, she stated that the interview reflected that Ruby is a cat and dog lover and that the Rubenstain in Germany had dogs and cats. She also stated Rubenstain had a nervous temperament and was quick tempered similar to the description given of Ruby on television.

Mr. Kazimierczak stated that he only saw Ruby on television once briefly and only saw his profile. He believes the Ruby on television could be the Rubenstain from Baden Baden, but he cannot make a positive identification.

On November 1, 1957, the Immigration and Naturalization Service, Philadelphia, Pa., advised that Dyonizy Kazimierczak and Jadwiga Helena Kazimierczak entered the United States at New York, N.Y., as displaced persons for permanent residence on August 18, 1951. Dyonizy was born October 9, 1902, in Zyrardow, Poland. He married Helena Gredziak on February 27, 1927, in Poland, and she died June 16, 1926. He then married Jadwiga Helena Krupa Janowicz May 16, 1945, in Germany.

JACK LEON RUBY

Jadwiga Helena Kazimierczak was born July 27, 1921, at Kanikowo, Poland. She married Adam Maciej Krupa March 31, 1939. Krupa died in January 1940 in a concentration camp in Germany. She then married Dyonizy Kazimierczak May 16, 1945, in Germany.

Mr. Dyonizy Kazimierczak was interviewed by Special Agents of the FBI on November 19, 1958, at which time he advised he was conscripted into the Polish Army as an officer in August 1939. In October 1939 he was captured by the Germans. He managed to escape in February 1940, went to Zyrardow, Poland, and worked in the Polish Underground Movement until he was captured in February 1943. He was sent to a concentration camp in Natzweiler Vaihingen, Germany, where he remained until liberated in May 1945 by the American Army. A few months after being liberated he moved to Baden Baden, Germany, where he resided for the remainder of 1945 and all of 1946. While in Baden Baden he worked with French Intelligence. He produced a document dated September 12, 1946, from the Military Government of the French Occupied Zone in Germany attesting to the fact that Lieutenant Baron was with the French Intelligence in Baden Baden and certifying that Mr. and Mrs. Kazimierczak assisted the French Intelligence Service by helping to locate traitors and by determining the identities of those individuals who were against the Polish Free Government.

Mr. and Mrs. Kazimierczak left Baden Baden of their own accord in late 1946, having been advised by French Intelligence their work had been completed.

Records of the Wilson Borough, Pa., Police Department, indicate Dyonizy Kazimierczak was arrested May 24, 1955, for [redacted] in Wilson Borough and was held for the grand jury. The grand jury met on May 31, 1955, and failed to indict him.

On November 13, 1959, Mr. Kazimierczak advised that her husband had been arrested for shooting two teenagers who are reported to have been playing Halloween pranks at their home. She stated her husband did not shoot anyone and does not even own a gun. Further that a search by local police and state police failed to locate any weapon.

JACK LEON RUBY

In interview on November 25, 1963, Mrs. Kazimierczak advised that her husband had been found guilty of shooting two teenagers in 1959 and a judge had sentenced her husband to one year. In addition, the judge had stated the boy and girl who had been shot had to go to jail every day to read a parable of the good samaritan with Mr. Kazimierczak. Any day the victims did not appear at the jail Mr. Kazimierczak would be eligible for immediate parole. After appearing the first day victims failed to return to the jail, and Mr. Kazimierczak filed a petition and was released on parole. Mrs. Kazimierczak stated this information appeared in a newspaper immediately after her husband's sentencing in 1960.

Mr. Kazimierczak is currently employed as a mechanical inspector at Stancor Electronics in Palmer Township, Pa., and Mrs. Kazimierczak is employed at West Mills, Nazareth, Pa. Mrs. Kazimierczak is a naturalized United States citizen evidenced by Certificate #8135370 dated May 23, 1960, at Easton, Pa. Mr. Kazimierczak filed a petition #14394, for naturalization at Easton, Pa., on November 25, 1958, and has been held up because of his arrests.

TO : Mr. Belmont

DATE: November 27, 1963

FROM : A. Rosen

SUBJECT: JACK LEON RUBY, AKA
Lee Harvey Oswald - Victim
CIVIL RIGHTS

With reference to the allegation by one of the newspapers that Jack Ruby would be willing to undergo a polygraph examination by the FBI, this matter was taken up with the Department for the purpose of determining whether there was any objection from the legal standpoint to such a plan.

This matter was taken up with Assistant Attorney General Miller, who stated that it was his view that it would be undesirable to give Ruby a polygraph test at this time because Attorney Ehrlich, representing Ruby, would insist upon receiving the results of the polygraph examination. Having this in his hands before the trial, he might come up with a statement saying that the FBI had cleared Ruby in connection with the test which had been given to him. Miller also said that Ehrlich was smart enough and tricky enough to probably give Ruby a pill before such polygraph examination which would make any examination inconclusive. (It has been alleged that Ehrlich is a California attorney whose services were going to be obtained.)

Under the circumstances he felt it would be undesirable at this time to request that such an examination be given to Ruby in view of the above factors.

RE: JACK LEON RUBY

On November 29, 1963, JACK R. CHANEY, Manager, El Antonio Motor Hotel, San Antonio, Texas, advised that he formerly worked at the Statler Hilton Hotel and Lido Motor Hotel in Dallas from October, 1955, to November, 1960. He then was employed at the Holiday Inn from November, 1960, to January 5, 1962, leaving Dallas at that time to become Food and Beverage Manager for the Continental Houston Hotel, Houston, Texas.

He stated that because of the nature of his business, which deals with promotion and entertainment, it is possible that he could have met JACK RUBY while working in Dallas but cannot recall such a meeting. He also advised that he cannot recall ever receiving a telephone call from RUBY, although again he said it would be possible.

DETAILS.

ON NOVEMBER THIRTY, LAST, JOSEPH STEFAN, CADDYMASTER, TROPICANA GOLF CLUB, LAS VEGAS ADVISED SA FRANCIS J. SCHMIDT THAT A SEARCH OF THE RECORDS MAINTAINED BY THAT GOLF CLUB FAIL TO SHOW THAT JACK RUBY OR JACK RUBENSTEIN HAD PLAYED GOLF THERE DURING THE PAST THIRTY DAYS. HE STATED THAT ALL OF THE RECORDS REFLECTING THE NAMES OF THE PLAYERS ARE DESTROYED AFTER THIRTY DAYS. HE SAID THAT PHOTOGRAPHS OF RUBY ARE UNFAMILIAR TO HIM. STEFAN SAID THAT WHEN THE NEWS OF RUBY AND OSWALD FIRST APPEARED IN THE NEWSPAPERS AND ON TELEVISION HE HAD THE IMPRESSION THAT AT ONE TIME RUBY MIGHT HAVE PLAYED GOLF AT THE COURSE SINCE, HE, STEFAN, WAS SURE THAT SOMEBODY FROM TEXAS HAD GIVEN HIM A CARD FROM THE CARROSEL CLUB IN DALLAS. STEFAN SEARCHED FOR THE CARD BUT WAS UNABLE TO LOCATE IT AND SAID HE MUST HAVE THROWN THE CARD AWAY.

STEFAN FURTHER ADVISED TO HIS KNOWLEDGE PRESTON FEINBERG, TROPICANA OFFICIAL, IS KNOWN TO HIM AND THAT FEINBERH HAS NOT PLAYED GOLF ON THAT COURSE FOR AT LEAST EIGHT MONTHS.

ON NOVEMBER THIRTY, LAST, CARL BARBALOT, [illegible] GENERAL MANAGER, TROPICANA COUNTRY CLUB GOLF COURSE, ADVISED SA SCHMIDT HE IS NOT ACQUAINTED WITH RUBY AND FURTHER TO HIS

HE SAID THAT SINCE THE NEWS OF RUBY AND OSWALD CAME OUT HE HAS HEARD RUMORS THAT RUBY HAD BEEN IN LAS VEGAS IN THE PAST, BUT HE HAS NEVER HEARD ANYONE ADVISE THAT THEY KNEW RUBY ON A PERSONAL BASIS NOR ANYONE WHO HAS SEEN RUBY IN LAS VEGAS. HE STATED THAT PRESTON FEINBERG HAS NOT PLAYED GOLF AT THE TROPICANA FOR MANY MONTHS.

ON DECEMBER SECOND, LAST, MARK MARQUESS, GOLF PROFESSIONAL, TROPICANA GOLF CLUB, ADVISED SA SCHMIDT THAT TO HIS KNOWLEDGE JACK RUBY, THE KILLER OF OSWALD, HAD NEVER PLAYED GOLF AT THAT COURSE. MARQUESS STATED THAT PRESTON FEINBERG HAS NOT PLAYED GOLF IN MANY MONTHS.

ON DECEMBER SECOND, LAST, JOHN TIHISTA, CREDIT MANAGER, STARDUST HOTEL, LAS VEGAS ADVISED SA JAMES E. DOYLE ABOUT ONE MONTH AGO, GILBERT COSKEY, CASHIER IN THE HOTEL CASINO CAGE, CAME TO TIHISTA WITH A CHECK FROM A CUSTOMER TO DETERMINE WHETHER OR NOT IT SHOULD BE CASHED. ACCORDING TO COSKEY THE CUSTOMER HAD NO PREVIOUS CREDIT BUT CLAIMED TO OWN A NIGHT CLUB IN DALLAS AND TIHISTA BELIEVED THE MAN-S NAME WAS RUBY, THE CHECK WAS NOT CASHED. TIHISTA REVIEWED THE HOTEL REGISTRATIONS AND CREDIT RECORDS AND COULD FIND NO RECORD OF JACK RUBY OR JACK RUBENSTEIN.

END PAGE THREE

ON DECEMBER SECOND, LAST, GILBERT COSKEY CASINO CASHIER, STARDUST HOTEL, ADVISED SA DOYLE ABOUT FOUR WEEKS AGO A MAN WHOM HE BELIEVED WAS NAMED RUBY, ATTEMPTED TO HAVE A CHECK CASHED AT THE CASINO CAGE. COSKEY RECALLED THAT THE MAN TALKED ABOUT OWNING THE VEGAS CLUB AND ANOTHER NIGHT CLUB IN DALLAS, TEXAS. COSKEY TURNED THE MATTER OF CASHING THE CHECK OVER TO MR. JOHN TIHISTA WHO REFUSED TO CASH THE CHECK.

ON DECEMBER THIRD, INSTANT, GORDON KENT, LOCAL LAS VEGAS TV COMENTATOR, ADVISED SAS DONALD M. HOLLAND AND ARTHUR N. BARRETT THAT A SOURCE OF HIS, WHO HE REFUSED TO IDENTIFY, HAD TOLD HIM THAT JACK RUBY HAD BEEN IN LAS VEGAS WEEKEND OF NOVEMBER SIXTEEN AND SEVENTEEN LAST AND THAT HE HAD PLAYED GOLF AT THE TROPICANA GOLF CLUB, HAD FILED A CREDIT APPLICATION AT THE STARDUST HOTEL AND HAD PREVIOUSLY HAD A CREDIT CARD AT THE RIVIERA HOTEL AND CASINO. KENT INCLUDED ABOVE INFORMATION IN HIS NOVEMBER TWENTY NINE LAST, SIX PM NEWSCAST. HE ADVISED HE DID NOT VERIFY ANY OF THIS INFORMATION.

ON DECEMBER THIRD INSTANT RICHARD CHAPPELL, MANAGER, RIVIERA HOTEL ADVISED SAS HOLLAND AND BARRETT HE SEARCHED ALL RECORDS, CREDIT AND HOTEL RESERVATIONS AND REGISTRATIONS, OF THE RIVIERA IMMEDIATELY AFTER HEARING KENT-S BROADCAST FOR RUBY OR

UNITED STATES GOVERNMENT

Memorandum

TO : Mr. Rosen

DATE: November 27, 1963

FROM : C. L. McGowan

SUBJECT: JACK L. RUBY, AKA;
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

The following leads were given to Mr. Malley and ASAC Clark, Dallas, at 1:40 a.m. 11-27-63.

It was pointed out that this is a full investigation of a possible civil rights violation and that one of the prime considerations is whether Oswald was set up by the Police Department bearing in mind that Oswald would be regarded by the police as a "cop killer." The investigation cannot be conducted on the assumption that Oswald's death was just the result of a breakdown in security procedures. A full investigation would normally include all witnesses, and therefore should certainly include all police who were in the area. ASAC Clark advised that all police in the area have been interviewed.

It was noted that approximately 150 newsmen were in the area and would be possible witnesses, but Dallas was advised these newsmen should not be interviewed on a wholesale basis at this time; however, if it is possible to determine the identity of those present, this should be done. ASAC Clark advised that it is impossible to determine what newsmen were present.

The following questions were raised on the basis of the summary memorandum prepared at Dallas. These points evolve from a review of pages 11 through 17 of this memorandum for civil rights interest.

1. Where was Chief of Police Jessie Curry. Why didn't he personally handle the removal of Oswald. Precisely what orders did he give regarding the removal of Oswald. To whom did he give such orders, and were such orders given in writing. If so, copies should be obtained. (ASAC Clark advised written orders were not given.

WLM:cac

REC-16

XEROX

27 DEC 5 1963

2. Where was Assistant Chief of Police Stevenson. Precisely what instructions did he give regarding Oswald's removal. To whom did he give them; and if written instructions were issued, copies should be obtained.

3. Assistant Chief of Police Stevenson stated that 60 to 80 officers were present while Captain Talbert spoke of having 18 officers and 25 reserves. Is this a discrepancy or was the total number 60 to 80 plus 18 officers and 25 reserves. Just how many officers were present.

4. Who selected the time for Oswald's removal and why was that particular time selected. Is it true as indicated in the memorandum that the Sheriff's Office would not have received Oswald during night time hours on 11-22-63; (Clark advised this is true) and if Oswald could not have been transferred on the night of 11-22-63, why wasn't he transferred during daylight hours on 11-23-63. When Oswald was being taken from the city jail, why was he not surrounded by police officers.

5. Who is "Johnson" mentioned in last paragraph on page 11 of the memorandum. (ASAC Clark advised this is a typographical error and Johnson is identical with Captain O. A. Jones who is mentioned in the same paragraph.)

6. Where was Deputy Chief N. T. Fisher, and what instructions did he give.

7. Where was Captain Talbert. What were his plans for handling the situation, and what instructions did he give regarding the transportation of Oswald and the admission of spectators to the area. What credentials or authority for presence were to be required. Who was permitted to be present besides newsmen and officers.

8. Who conducted the thorough search of the area mentioned by Captain Talbert. Was Ruby present at the time the "thorough search" was made.

9. Captain Talbert stated unauthorized persons were cleared from the building. What unauthorized persons were removed.

FOIPA SECTION

10. How many men did Captain O. A. Jones have and did they keep press representatives and others except police east of the basement driveway as they were apparently instructed to do.

11. How many men did Lt. Smart have. What were his specific instructions, and where was he when he heard what he described as a sound like a firecracker.

12. Where was Detective Archer stationed and what instructions did he have.

13. Where was Detective McMillan stationed. What were his instructions. How did he happen to talk to Ruby after the shooting. Did he see Ruby before the shooting. Did Ruby actually send a Western Union money order as he allegedly told McMillan. If so, when and to whom was the money order sent, in what amount and for what purpose. How far is the Western Union office from the jail. Who were the officers stationed along the route Ruby allegedly told McMillan he had taken in entering the building. Interview these officers and any officers stationed outside the building who may have seen Ruby arrive. It is noted that Ruby reportedly told McMillan an officer had shouted at him but he ducked his head and kept on going.

14. Where was Lt. Gilmore when Oswald was shot. Where was Ruby when Gilmore saw him in the basement on the night of 11-22-63 and what was Ruby doing there.

15. District Attorney Wade saw Ruby at a press conference 11-22-63. Where was the conference held. Was it a closed conference and how did Ruby get in.

16. Where was Detective Cutchshaw and what were his instructions. Cutchshaw saw three men push in a television camera but only two men took the camera out. Detective Lowery stated he was under the impression three men pushed in a television camera which was later removed by two men and that this camera was never plugged in or put into operation. The two men removing the camera reportedly were taken to the homicide robbery bureau for questioning after the incident was brought to the attention of

MARY FERRELL
FOUNDATION

Lt. Swain. Identify and interview these two men. (ASAC Clark said he believed this has already been done.) Lt. Swain should also be interviewed.

17. A. D. Hodge saw Ruby in the elevator of the police station 11-22-63. What was Hodge doing there. Where was Ruby going and where had he been when seen on the elevator.

18. Where was Detective Lowery. What were his instructions and why does he believe that Ruby came into the building with the television cameramen.

19. Officer McGrath, who allegedly overheard an officer state that Ruby had gained entrance with a press pass, should be interviewed. Did Ruby have a press pass or other identification card which could have been used for admission to the area and was such card or identification included in his property taken at the time of arrest. (McGrath was assigned to guard Ruby.)

20. George Phenix, a newsman, stated that he was immediately admitted to the basement of the police station on the morning of 11-24-63 without showing any identification. Were other newsmen also being admitted without being required to establish their identity. Just how did Phenix gain access. Where, when and by whom was he admitted. Where was Ruby when Phenix first saw him.

21. Information has been received that the staff at the hospital where the President and Oswald were taken after they were shot was jittery because they were afraid there would be trouble when Oswald was removed. Is this true, and if so, what was their basis for believing there would be trouble. (This is not based upon the Dallas memorandum but is information which apparently originated with news media.)

22. Interview Captain Fritz who was in charge of the investigation and movement of Oswald and who was not yet interviewed.

23. Submit a sketch of the area.

24. Account for Ruby's movements for the entire period between the arrest of Oswald and the killing of Oswald.

RRELL
FOUNDATION

25. Interview off duty policemen who were employed by Ruby and any police officers who were his special friends. (Mr. Malley and Mr. Clark advised that there are 1,000 officers on the Dallas police force of whom an estimated 75 per cent were friendly acquaintances of Ruby and that none of these 750 officers are known to have been any more friendly with him than the others. It was agreed that at this time interviews will be had only with officers employed by Ruby and with any few officers who may become known to have been particularly close to Ruby.)

ACTION

Mr. Malley advised that investigation has already resolved many of the questions raised and that as much additional investigation as is possible will be conducted to resolve the other points in order that the information may be available 11-27-63. Mr. Malley pointed out that other leads and requests have been received from the Bureau, other ramifications are being explored. It is physically impossible to completely exhaust all of the leads which can be set out in time for the memorandum to reach the President Friday but they will do everything possible to resolve as many points as possible today.

INSIDE LABOR

Jack Ruby's Life: A Glimpse Into the Underworld's Snake Pit

By Victor Riesel

Washington, D.C.: -- For days I have been wandering through the life and times of Jack Ruby, indicted for the murder of the murderer of John Kennedy. I have traced Ruby, his friends and friends of his friends.

I have been in a snake pit through which have slithered such characters as "Needlenose" Labriola, Paul Jones, goons from Joe Valachi's Cosa Nostra and killers and con-men out of the Chicago Capone combine.

I have found that Ruby's night spot at one time was a haunt of Chicago hoods who came to Dallas to "case it" for its possible "take." They decided they could take at least $18 million a year out of the city from labor rackets and other operations.

From Dallas they planned to expand the business to cover Oklahoma, Arkansas and Louisiana.

Their gall was matched only by their arrogance and disdain. One of them suggested that to prove their toughness they murder four local gamblers, put their bodies in a car and leave it outside police headquarters.

Jones, who was friendly with Ruby now in prison, had broad horizons. One Dallas police lieutenant later told the McClellan Committee that Jones had told him that the group planned to unionize every truck driver in the U.S. Jones said: "When we do that, we can bring industry to its knees, and even the government if we have to...." Jones indicated that his combine thought this was the most important area of their activities.

The hoods terr[illegible] restaurant operators. They [illegible]ed some owners to buy meat from them at prices higher than the market. How? By cutting off linen supplies -- and workers.

But they reached too far, too hard. Jones tried to bribe a sheriff. He was convicted. "Chicago" became disgusted. The others were recalled. "Needlenose" wound up with a tight wire around his throat in the back of a car. This interfered with his breathing. And so went "Needlenose."

But Chicago never held any terror for Jack Ruby. He knew lots of the boys. Back in 1937, Ruby was so cocky that he stepped in where the wise ones are loath to tread.

Here starts a bizarre play cast in the image of ancient Greek tragedy.

Ruby knew a lawyer c[illegible]led Leon Cook. The former got Cook to lunch and suggested they organize a union in an unorganized area. It was indicated there would be no difficulty getting a federal charter from the old AFL. (A federal charter is one issued directly by the central office in Washington, not by a national union.) The CIO called these "L.I.U.'s" -- Local Industrial Unions.

They got their charter -- local 20467, Waste Material Handlers Union. Ruby was secretary. He and Cook worked hard. Someone decided Cook was working too hard and eased his pain with some bullets on Dec. 8, 1939. Ruby stayed on for a while. Then the AFL regional office removed him. Out of nowhere came the new secretary-treasurer -- Paul "Red" Dorfman, buddy of Jimmie Hoffa.

"Red" Dorfman, an ex-pug had no difficulties for a long while -- perhaps some 15 years.

Then came the McClellan committee. Its chief counsel, Robert Kennedy, decided to probe this friend and intimate of Jim Hoffa.

To this investigation Kennedy assigned one James McShane. Today he is chief of the federal marshals.

--MORE--

On Jan. 29, 1957, Kennedy put McShane on the Senate committee witness stand.

Kennedy asked: "...Do you have some information that would summarize your investigation, as well as the investigations that have been conducted by other government departments?"

McShane replied: "According to our investigation, Mr. Kennedy, Mr. Paul Dorfman is a major figure in the Chicago underworld. He is an associate of most of the leading gangsters in the Chicago area. He is the contact man between dishonest union leaders and members of the Chicago underworld...."

And then McShane continued: "...Of Mr. Dorfman's criminal and other associates, there is one Anthony "Tony" Accardo, known as the head of the Chicago mob since the death of Al Capone. Another is Mr. Abraham Teitelbaum, former attorney for the Capone mob. Another is Abner "Longy" Zwillman, one of the top figures in the American underworld...

"Now there is Mr. John Dioguardia, alias Johnny Dio, a notorious New York gangster in the garment district...."

At the end of 1957, Dorfman was ousted from the Waste Handlers union by labor's national office here. But soon he was organizing for a Teamster' local in Chicago.

When last heard from he was in the Palm Springs sunshine.

He said he thought Jack Ruby was a "real nice guy."

TO : MR. TROTTER

DATE: 11-29-63

FROM : A. K. Bowles

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY, NOVEMBER 22, 1963
DALLAS, TEXAS

Today, Ident received the fingerprints from Dallas, Texas, Police Department on Jack Leon Ruby, their #36398, taken in connection with his arrest 11-24-63 for "investigation murder (charged with the slaying of Lee Harvey Oswald, who was charged with the murder of President John F. Kennedy)." These fingerprints are definitely identical with fingerprints in the identification record of Jack Leon Ruby, aka., Jack Rubenstein, FBI #693 083 E. Copy of this identification record is attached. In addition to the current arrest, it contains fingerprints of Jack Rubenstein, Army serial #36666107, who enlisted in U. S. Army May 21, 1943, at Chicago, Illinois, and fingerprints from Dallas Police Departmentshowing arrest of Jack Leon Ruby December 5, 1954, for "investigation, violation State Liquor Law" -- disposition not shown.

You will recall that Jack Miller of Records Management Center, Adjutant General's Office, Department of Army, Washington, D. C., telephoned Ident 11-26 and 11-27 to determine whether the person arrested in Dallas for murder is definitely identical with Jack Rubenstein, Army serial #36666107 (see my memos 11-26 and 11-27). Today, K. Stanton of Adjutant General's Office (telephone 11-52010) telephoned Ident to ask whether we had definitely determined that the man arrested for murder in Dallas recently is positively identical with the former Army enlistee Mr. Miller had inquired about. I told Mr. Gordon (in Mr. Stanton's office in his absence) Ruby is definitely identical with Rubenstein.

Memorandum

TO : Mr. Rosen

DATE: 12-1-63

FROM: J. L. Handley

SUBJECT: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

At 1:37 a.m. 12-1-63, Extra Duty Supervisor Stephen F. McInerney was contacted telephonically by ASAC Kyle G. Clark, Dallas Office, who advised that he had the following answers to questions previously presented in this case by Mr. McGowan concerning the following items:

Police Officers Interviewed at Dallas

Investigation at the Dallas Police Department determined that there were 77 officers on duty in the basement of the Police Department at time of the Oswald shooting. Thirty-six of these officers have been interviewed by Bureau Agents, and steps are being taken to interview the remaining forty-one officers. Clark advised that some of the interviews conducted to date have disclosed additional names of officers who were on the scene, and they will also be interviewed.

News Media

To date the Dallas Office has identified forty-six individuals connected with the news media that had been at the scene of the Oswald shooting. Eighteen of those individuals have been interviewed in Dallas. Eighteen additional are scheduled for interview in Dallas, and leads have been set out for other offices to interview ten other of these individuals.

ASAC Clark raised the question concerning a memo for the President which was prepared which indicated that there were 150 persons at the scene of the Oswald shooting in Dallas other than police officers. Clark stated that since investigation conducted in Dallas to date has failed to indicate that there were that many individuals other than police officers at the scene, they would appreciate being advised of the source which indicated the number to be 150 so that attempts could be made to verify same.

Memorandum to Mr. Rosen
RE: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

Mr. Clark advised that as of instant call the Ruby-CR report index is not complete but they expect to have same completed today, 12-1-63, and the Bureau would be advised when same would reach Washington which should be sometime on Sunday, 12-1-63. Clark advised that the report in this case is made up of 800 and some pages.

Mr. Clark advised that Agents at Dallas had placed four packages on American Airlines Flight 628 at 11:37 p.m. on 11-30-63 for delivery at Washington National Airport, morning of 12-1-63. Packages consist of following:

Large box containing reports re Ruby-CR.
A flat package containing X-ray of Governor Connally.
Two tubes, one containing portion of a window sill which appears to have fingerprints on same. Second tube contains a hand sketch of the Dallas Police Department basement.

Mr. Clark advised that American Airlines Flight 628's schedule is as follows:

Departs Love Field, Dallas, Texas, 11:37 p.m. 11-30-63
(In charge of Captain Mark Huebner)
Arrives Memphis, Tennessee, 1:25 a.m. 12-1-63

Captain William Reese will be in charge of flight from Nashville, Tennessee, to Washington, D. C.
Expected arrival Washington, D. C., 6:43 a.m.
12-1-63 (Washington National Airport)

Clark described the location of the Bureau packages aboard instant flight as follows: Two tubes are located behind Captain's seat. Large box and flat package located behind Co-pilot's seat on right side in crew baggage compartment below oxygen tanks in area where mail is stored. Captain Huebner has been instructed to remain in plane with instant packages until relieved by Captain Reese at Nashville.

Memorandum to Mr. Rosen
RE: ASSASSINATION OF PRESIDENT
JOHN F. KENNEDY

Mr. Clark advised that authorized polygraph test given to James E. Floyd 11-30-63 who had claimed Ruby offered him $5,000 to kill Governor Connally and test indicated that Floyd was lying. Floyd subsequently admitted that he was lying and had done so in an attempt to hurt Ruby since that individual had dated Floyd's wife while Floyd was in jail. Detailed report will be submitted re polygraph exam.

Mr. Clark advised that Dallas had been requested by Mr. J. Allison Conley to supply answers to three questions previously directed to Dallas concerning this investigation. He advised that question number 1 was answered in Dallas tel to Bureau 11-30-63, 1:26 a.m. Question number 2 re interview of Alkanan is answered in report of Ruby-CR en route Bureau. Question number 3 being answered by teletype today, 12-1-63. Mr. Clark stated that the question concerning interview of radio station employees was answered in part in Dallas tel 11-29-63, 7:30 p.m., which referenced Mr. Handley's telephone call of 11-28-63 at which time nine questions were presented to Dallas.

ACTION

At 2:05 a.m. 12-1-63, Mr. Wade Barger, Washington Field, was telephonically contacted by SA Stephen F. McInerney and advised in detail concerning the four packages mentioned above. He advised that he would immediately take steps to insure that an Agent from Washington Field makes contact with Captain Reese, American Airlines Flight 628, Washington National Airport, at 6:43 a.m. 12-1-63, and takes possession of instant packages and thereafter deliver same to the General Investigative Division, Room 5714, Justice Building, on 12-1-63.

MR. MEYERS STATED THAT HIS NEXT CONTACT WITH JACK RUBY WAS AT APPROXIMATELY ONE ZERO, THREE ZERO P.M., SATURDAY, NOVEMBER TWO THREE LAST, WHEN RUBY TELEPHONED HIM AT THE CABANA MOTEL. HE SAID THAT AT THIS TIME RUBY SEEMED GREATLY DISTURBED OVER THE PRESIDENT-S ASSASSINATION, AND THAT THIS FEELING WAS COMPOUNDED BY THE FACT THAT, ACCORDING TO RUBY, THE COLONY CLUB AND THE THEATRE LOUNGE, WHICH ARE OPERATED BY ABE AND BARNEY WEINSTEIN, WERE REMAINING OPEN FOR BUSINESS IN SPITE OF THE FACT THAT ALL OTHER CLUBS HAD CLOSED OUT OF RESPECT FOR THE PRESIDENT. MEYERS SAID THAT RUBY ASKED

QUOTE WHAT DO YOU THINK OF THIS AWFUL THING, UNQUOTE AND QUOTE I-VE GOT TO DO SOMETHING ABOUT THIS. UNQUOTE. MEYERS STATED THAT ALTHOUGH HE DID NOT GIVE IT ANY THOUGHT AT THE TIME HE DOES NOT NOW KNOW UPON REFLECTION WHETHER RUBY WAS REFERRING TO THE WEINSTEIN BROTHERS CLUBS REMAINING OPEN OR WHETHER HE WAS REFERRING TO THE ASSASSINATION OF PRESIDENT KENNEDY, AT THIS TIME JACK RUBY INVITED MEYERS TO JOIN HIM FOR A CUP OF COFFEE, BUT MEYERS DECLINED THE INVITATION AND IN RETURN INVITED RUBY TO COME TO THE MOTEL TO TALK, RUBY IN TURN DECLINED THE INVITATION AND AT THAT TIME IT WAS AGREED THAT THEY WOULD MEET THE FOLLOWING EVENING FOR DINNER. THE CONVERSATION ENDED ON THIS NOTE AND MEYERS HAS NOT BEEN IN FURTHER CONTACT WITH JACK RUBY.

MR. MEYERS STATED THAT ON SUNDAY, NOVEMBER TWENTYFOUR LAST, HE DROVE TO MC KINNEY, TEXAS, WHERE A FACTORY OF HIS FIRM IS LOCATED AND THEN CONTINUED ON TO SHERMAN, TEXAS, WHERE HE INTENDED TO PLAY GOLF. HE SAID THAT WHILE EN ROUTE

END PAGE SIX

HE HAD THE CAR RADIO ON AND HEARD THE NEWS THAT RUBY HAD KILLED LEE HARVEY OSWALD IN THE DALLAS POLICE STATION. MEYERS STATED THAT HIS REACTION WAS ONE OF SHOCK AND DISBELIEF THAT RUBY COULD ACTUALLY HAVE BEEN INVOLVED IN SUCH A DEED.

MEYERS STATED THAT UPON HIS RETURN TO DALLAS HE DEBATED WHETHER OR NOT TO CONTACT THE DALLAS POLICE CONCERNING HIS RECENT ASSOCIATION WITH RUBY, BUT DECIDED THAT IN THE LIGHT OF THE APPARENT HECTIC ACTIVITIES THEN ENSUING AT THE POLICE STATION IT WOULD BE BETTER IF HE DID NOT DO SO. MEYERS ALSO STATED THAT HE MADE NO EFFORT TO CONTACT RUBY.

MEYERS STATED THAT HIS OBSERVATIONS AND ASSOCIATIONS WITH RUBY OVER THE PAST FIVE YEARS HAVE CULMINATED IN SOME RATHER DEFINITE IDEAS AS TO RUBY/S PERSONALITY. HE STATED THAT HE REGARDS RUBY AS A PERSON WHO IS WELL AWARE OF HIS LACK OF FORMAL EDUCATION AND WHO, BY ASSICIATION WITH INDIVIDUALS WHO ARE WELL EDUCATED AND /OR WELL RESPECTED, TRIES TO INFLATE HIS OWN POSITION. MEYERS EXPLAINED THAT ON MANY OCCASIONS RUBY

END PAGE SEVEN

WOULD DROP NAMES OF WELL KNOWN ENTERTAINERS, MANAGERS, AND AGENTS, OR WOULD MAKE A POINT OF BEING SEEN IN THE COMPANY OF A PUBLIC OFFICIAL OR RESPECTED MEMBER OF THE COMMUNITY. HE SEEMINGLY FELT THAT BY ENGAGING IN THESE ACTIVITIES HE WOULD HIMSELF, GAIN STATURE AND IMPORTANCE. HE STATED THAT RUBY HAS ALWAYS IMPRESSED HIM AS A GREGARIOUS INDIVIDUAL WHO GENUINELY LIKED TO BE WITH PEOPLE AND IN ORDER TO PROMOTE THIS NEED AND TO ENCOURAGE BUSENESS AT HIS CLUB WOULD PASS OUT DRINK CARDS FREELU TO ANY GROUP WITH CHICH HE CAME IN CONTACT. HE STATED THAT ALTHOUGH HE, MEYERS, WAS NEVER INTRODUCED TO ANY POLICE OFFICERS IN DALLAS RUBY ON MANY OCCASIONS WOULD IDENTIFY VARIOUS INDIVIDUALS IN THE CLUB AS BEING MEMBERS OF THE DALLAS POLICE DEPARTMENT. HE STATED THAT THROUGH PAST CONVERSATIONS WITH RUBY HE IS OF THE IMPRESSION THAT RUBY WAS WELL KNOWN TO MOST OF THE MEMBERS OF THE DALLAS POLICE DEPARTMENT.

END PAGE EIGHT

MEYERS CONTINUED THAT HE DOES NOT CONSIDER RUBY TO BE AN EMOTIONALLY STABLE PERSON AND THAT RUBY HAS ALWAYS BEEN VERY EMPHATIC CONCERNING HIS LIKES AND DISLIKES. HE STATED THAT RUBY SELDOM, IF EVER, TAKES A MIDDLE OF THE ROAD ATTITUDE, BUT WOULD RATHER HAVE A STRONG LEANING TOWARD ONE OR THE OTHER EXTREME. MEYER ADVISED THAT HE FEELS JACK RUBY WOULD USUALLY ACT ON THE SPUR OF THE MOMENT, BEING QUICK TO EITHER HELP OR TO FIGHT. IN THIS REGARD HE COMMENTED THAT JACK RUBY HAD SEEMED RATHER PERTURBED ON HIS LAST THREE OR FOUR VISITS AND IN FACT, POURED OUT HIS TROUBLES TO MEYERS REGARDING OTHER CLUBS THAT WERE IN COMPETITION TO RUBY/S. SPECIFICALLY RUBY MENTIONED THAT THE ACTORS UNIONS HAD CAUSED THEM TO QUIT ENGAGING IN AMATEUR NIGHTS WHEREIN GIRLS WITH NO EXPERIENCE WOULD TRY OUT AS STRIPPERS IN THE NIGHT CLUBS.

MEYERS STATED THAT RUBY HAD STOPPED THIS PRACTICE BUT THAT THE CLUBS OPERATED BY THE WEINSTEIN BROTHERS HAD CONTINUED TO DO THIS AND THAT HE HAD HOPED HE COULD GET THE UNION MANAGEMENTS TO CHANGE THEIR RULE AND ALLOW THIS

END PAGE NINE

PRACTICE TO CONTINUE. REGARDING RUBY BEING QUOTE QUICK TO FIGHT UNQUOTE HE SAID HE MEANT HE DID NOT MEAN PHYSICALLY, INASMUCH AS HE HAD NEVER SEEN JACK RUBY IN A PHYSICAL FIGHT, BUT WAS REFERRING TO RUBY/S QUICK AND FIRM CONVICTIONS.

HE STATED THAT HE HAD NEVER SEEN RUBY WITH A GUN BUT ON ONE OCCASION WHEN RUBY HAD CLOSED THE CLUB, MEYERS ACCOMPANIED HIM TO HIS AUTOMOBILE WHERE HE PLACED THE NIGHTS PROCEEDS IN THE TRUNK OF THE CAR. SOMETHING WAS SAID AT THE TIME WHICH GAVE MEYERS THE IMPRESSION THAT RUBY SOMETIMES MAINTAINED A GUN IN THE TRUNK OF HIS CAR BECAUSE OF THE SUMS OF MONEY THAT HE WAS REQUIRED TO REMOVE FROM THE CLUB.

REGARDING HIS GENERAL ASSOCIATION WITH RUBY HE STATED THAT TO HIS KNOWLEDGE RUBY DRANK VERY LITTLE, WAS A QUOTE HEALTH NUT UNQUOTE AND HAD A DEEP INTEREST IN PHYSICAL FITNESS. HE SAID IN THIS REGARD HE AT ONE TIME HAD OBTAINED A SET OF BARBELLS FOR RUBY/S PERSONAL USE. HE CONTINUED THAT HE DID NOT KNOW OF ANY CLOSE FRIENDS OR ASSOCIATES OF RUBY/S, BUT MENTIONED THAT HE HAD MET GEORGE SENATOR IN

END PAGE TEN

RUBY/S PLACE OF BUSINESS ON SEVERAL OCCASIONS. HE ADVISED HE DOES NOT KNOW IF SENATOR HAD ANY OFFICIAL CONNECTION WITH THE CLUB OR NOT. HE STATED THAT HE CAN PLACE NO CREDENCE IN THE NEWSPAPER QUERIES THAT RUBY HAD ANY CONNECTION OR ACQUANTANCE WHATSOEVER WITH LEE HARVEY OSWALD OR ANY CHICAGO HOODLUMS. HE STATED THAT REGARDING YHE LATTER HE IS SURE THAT KNOWING MEYERS WAS FROM CHICAGO HE WOULD HAVE AT SOME TIME OR ANOTHER DROPPED THE NAME OF SOMEONE ENGAGED IN UNDERWORLD ACTIVITIES IN THE CHICAGO AREA IN HOPES OF ENHANCING HIS OWN LEVEL OF IMPORTANCE IN MEYERS/ EYES. MEYERS ALSO SAID THAT ALTHOUGH HE DOES NOT KNOW ANYTHING ABOUT JACK RUBY/S POLITICAL AFFILIATIONS RUBY HAS NEVER GIVEN HIMA NY REASON WHATSOEVER TO THINK THAT HE HAS ANY COMMUNISTIC TENDENCIES OR INTERESTS.

HE SAID THAT HE HAD FORMED THE OPINION THAT RUBY SHOT LEE HARVEY OSWALD FOR ONE OF TWO REASONS, QUOTE THAT RUBY SINCERELY FELT HE WAS RIDDING THE WORLD OF VERMIN IN SHOOTING OSWALD UNQUOTE OR THAT HE QUOTE ELECTED HIMSELF

Mr. Herbert Hoover
Director
Federal B. Investigation
Washington 25, D. C.

Dear Mr. Hoover,

The tragic death of our President, John F. Kennedy, and the young man in Dallas, Lee H. Oswald, have moved me to write this letter to you, and your department. Mostly out of devotion to my country. Also help you, if possible in this investigation. I'm not sure I can, but am willing.

At this writing I've been questioned by one of your agents in Pascagoula, Mississippi, regarding a past acquaintance and employment for a Mr. Jack Ruby or Jack Rubenstien in Dallas, Texas. In the summer of "61," I was a personal employee in the Carosel Club at 1312 1/2 Akkard St in Dallas for Mr. Ruby. I lived in the club for several months and got to meet many of Mr. Ruby's friends, also knew Mr. Ruby quite well. Personally. His actions, moods and habits.

I am at the present in trouble myself. But am not bitter toward anyone. I realize my mistake, and am willing to pay for them. However, in my travels across the United States I've met many people, and have a pretty liberal education about crime, the underworld, and criminals in general. I was an airpolicman in the Air Force and held a security clearence. At the present, I'm in rather unplesant surrondings, but I'm not a criminal. I would like a chance to offer you any service I possibly can. When released from custody, I want a chance to help your department with information which I come across from time to time. In the past year I've met many corrupt individuals and groups. Both an overt and covert threat to the United States. No one knows of this letter to you, and no one will.

From the people I know now, and knew in the past, I would have little trouble being accepted in their operations. I mean from prostitution to dope, and illegal entry into this country. Activities in Fort Lauderdale, Dallas, Austin, Richmond, Boloxi, Pascagoula, New Orleans, etc. Also a family running liquer between Mississippi and Alabama. I met a number of prominent people in Dallas involved in certain shady activities. I don't know if I'll be sent to prison or not, but thats as good a place as any to start what I have in mind. I'm asking for a chance to undo some of the wrongs I've committed. I am quite capable of finding out information

SUBJECT: JACK LEON RUBY, AKA
LEE HARVEY OSWALD - DECEASED - VICTIM
CIVIL RIGHTS

During the current investigation of captioned individual, individuals have been interviewed who state they met Ruby in Havana, Cuba, some time in 1959. Two of these persons believe it was during the Labor Day weekend of 1959, however, investigation had not further pinpointed the date Ruby may have been there.

The New York Office has advised that microfilm records of the Immigration and Naturalization Service (INS) have been reviewed at New York in an effort to obtain further information concerning Ruby's travel to Cuba. These records reflect that one Jack Ruby, 4722 Homer, Dallas, Texas, left Miami, Florida, on 9/12/59 aboard Pan American Airlines, Flight 415, bound for Havana, Cuba.

New York is continuing efforts at the INS Microfilm Center New York City to locate any record of Ruby's return to the U.S.A.

MRS CARL O. LARSON

On 11/29/63 Mrs. MYRTLE B. LARSON, 12 West 4th North, Salt Lake City, called and stated she is acquainted with one MAX GRUNDSTEIN, a young man who is employed as a maintenance employee in the Felt Building, Salt Lake City, where her husband, Dr. CARL O. LARSON, maintains his office. GRUNDSTEIN was described as a "book-worm" who is an avid reader and well liked by Dr. and Mrs. LARSON.

GRUNDSTEIN had shown Mrs. LARSON a publication which she recorded as "First Report - un-American Activities in Washington State, 1948. Report of Joint Legislative Fact-Finding Committee on Unknown Activities." She stated the name JAY RUBINSTEIN is contained therein as admitting that he is a Communist. She felt this one JAY RUBINSTEIN in Washington State in 1948 mentioned in the above publication might be identical with subject.

She stated she noticed on the television program when victim was shot by subject that as soon as victim observed subject he flushed with fear, and she feels that victim knew subject and that subject is a Communist and was acting as a Communist when he shot the victim. She wanted this to be passed along to the FBI since she felt it was highly significant.

MAX GRUNDSTEIN was interviewed at his place of employment, the Felt Building, by SA W. RULON PAXMAN, 11/29/63, and advised as follows:

The booklet in question is entitled, "First Report - un-American Activities in Washington State, 1948. A Report of the House Committee on un-American Activities." GRUNDSTEIN has the book at home and will make it available if desired, but could not obtain it on 11/29/63 because of his work commitments and since his wife also works and no one is at home.

The name of J. RUBEN and JAY RUBEN, also spelled RUBIN, appears in this booklet for the same man who has admitted to being a Communist, all of his activities being centered in the New York City vicinity. This man by the name of RUBEN had been involved in what was referred to as the Paterson, New Jersey Rebellion, and had been convicted for his activities. The information in the booklet states that JAY RUBEN has been engaged primarily in labor union activities.

It is noted Butel to all offices 11/25/63, setting forth description and background of subject RUBY, indicates no felony arrests and fingerprinted in 1954 by Dallas PD for state liquor law violation.

Salt Lake City taking no further action unless requested by Bureau or Dallas, since it does not apear the JAY RUBEN referred to in HUAC report 1948 is identical with subject JACK LEON RUBY.

Exclusive to WALTER WINCHELL

Though Dallas Police described strip joint operator Jack Ruby, the confessed killer of alleged presidential assassin Lee Harvey Oswald, as a "police character", many New Yorkers know him better as a "Broadway character". The F.B.I., Secret Service, and the New York and Texas gendarmes are apparently unaware of his frequent trips to New York and his many friends and acquaintances in and around the show biz crowd. Ruby is classed, by the late nite bright-lighters, as "a typical nitery manager...tough and not too bright, but a nice guy!"

(Source: He was a regular at the B/G, 7th Ave & 51st St., according to night counterman "Bob". Shaved head comic Danny Davis and Ray Wells, who write comedy for Jackie Vernon (currently at the Living Room), know him well and, as a matter of fact, I am told, Danny just got a card from Ruby at the Dallas' Carousel Club. Songwriter Al Byron (he wrote top hit "Roses are Red") of 58 W. 58 St. and Jack E. Leonard's protegee on Talent-Scouts TVer, singer Billy Marvin, who lives at the Hotel President, I think, know Jack Ruby, also. They tell me that he is very friendly with part time comedian Abie Goldberg, who works a "day gig" in the garment district and lives somewhere on the lower east side.)

LEWIS J. MC WILLIE, THREE SIX TWO SEVEN EASTERN, LAS VEGAS, NEVADA, WAS INTERVIEWED ON NOVEMBER TWENTY-FIVE, NINETEEN SIXTY-THREE. MC WILLIE FORMERLY WORKED FOR FRED BROWNING AT THE TOP OF THE HILL CLUB BETWEEN DALLAS AND FT. WORTH, TEXAS, IN TARRANT COUNTY. THIS WAS AN ILLEGAL GAMBLING OPERATION WHERE HE WORKED DURING THE NINETEEN FORTIES. HE STATED THAT HE HAS KNOWN JACK RUBY SINCE NINETEEN FORTY-SEVEN OR FORTY-EIGHT AND THAT RUBY FORMERLY OPERATED THE VEGAS CLUB AND NOW ALSO OPERATES THE CARROUSEL CLUB IN DALLAS. HE SAID THAT HE HAS KNOWN RUBY FOR SOMEWHERE BETWEEN FIFTEEN AND TWENTY YEARS, FIRST GETTING ACQUAINTED WITH HIM IN DALLAS, BUT KNEW HIM ONLY AS AN OPERATOR OF A NIGHT CLUB. HE STATED THAT TO HIS KNOWLEDGE RUBY HAS NEVER BEEN INVOLVED IN ANY OTHER KIND OF ENTERPRISE AND TO HIS KNOWLEDGE NO ONE ELSE WAS ASSOCIATED WITH HIM IN THE VEGAS CLUB. HE SAID THAT AS FAR AS HE KNEW RUBY OPERATED THIS ESTABLISHMENT WITHIN THE LAW AND WAS NOT KNOWN TO HIM TO BE INVOLVED IN GAMBLING, PROSTITUTION, OR ILLEGAL LIQUOR SALES. HE SAID THAT HE DID KNOW THAT RUBY

HAD COME TO DALLAS FROM CHICAGO, BUT DID NOT KNOW OF ANY PARTICULAR ASSOCIATES OF RUBY. HE SAID RUBY HAD VISITED THE TOP OF THE HILL BUT WAS NOT A FREQUENT VISITOR THERE. HE SAID HE WOULD THINK THAT RUBY PROBABLY KNEW MOST OF THE MEMBERS OF THE DALLAS POLICE DEPARTMENT SIMPLY BECAUSE OF THE TYPE OF ESTABLISHMENT THAT HE RAN, BUT FELT THAT THIS WOULD BE THE ONLY BASIS OF ANY ASSOCIATION WITH THE DALLAS POLICE DEPARTMENT SINCE HE FELT THAT THE OPERATION WAS A LEGAL ONE.

MC WILLIE SAID THAT HE HAD GONE TO CUBA TO WORK AT THE TROPICANA IN HAVANA, CUBA, AND WHILE THERE SOMETIME IN NINETEEN FIFTY-NINE, RUBY HAD BEEN IN CUBA FOR ABOUT A ONE WEEK-S VACATION AND HE HAD SEEN RUBY THERE AT THAT TIME. HE SAID HE KNEW OF NO INTERESTS RUBY MIGHT HAVE HAD IN CUBA.

MC WILLIE SAID THAT HE RETURNED FROM CUBA ON JANUARY TWO, NINETEEN SIXTY-ONE ON THE SAME PLANE WHICH CARRIED SOME OTHER PASSENGERS, AT LEAST ONE OF WHOM EXPRESSED A DISLIKE FOR PRESIDENT EISENHOWER AND AMERICA-S ACTIONS IN REGARDS TO CUBA AND

END PAGE FOUR

IT WAS HIS RECOLLECTION THAT THIS INDIVIDUAL WAS A MEMBER OF THE FAIR PLAY FOR CUBA ORGANIZATION. HE STATED THAT HE HAD BECOME HIGHLY INCENSED OVER THE REMARKS THIS INDIVIDUAL MADE WHILE WAITING FOR THE PLANE IN HAVANA AND DURING THE TRAVEL TO THE UNITED STATES, BUT THAT HE HAD CONTROLLED HIS EMOTIONS CONCERNING THIS MAN-S REMARKS UNTIL AFTER THE PLANE-S ARRIVAL IN MIAMI, WHEREUPON HE HAD PHYSICALLY ATTACKED THIS INDIVIDUAL BECAUSE OF THE REMARKS HE HAD MADE CONCERNING THE UNITED STATES. HE SAID THAT THIS MATTER RECEIVED LOCAL PUBLICITY IN MIAMI PRESS AND THAT HE WAS ALSO INTERVIEWED BY THE FBI IN MIAMI CONCERNING THIS SITUATION. HE STATED THAT IT WOULD BE HIS BELIEF THAT JACK RUBY WOULD ALSO BE VERY MUCH OPPOSED TO ANY SUCH ORGANIZATION AND ALSO POINTED OUT THAT HE HAD TALKED TO JACK RUBY FOLLOWING THIS INCIDENT AND RUBY HAD REMARKED TO HIM THAT HE HAD DONE THE RIGHT THING IN ATTACKING THIS MAN.

HE STATED THAT HE HAD CORRESPONDENCE WITH RUBY AND MAINTAINED CONTACT WITH HIM PRINCIPALLY THROUGH THIS MEANS AND SOMETIME IN EARLY NINETEEN SIXTY-THREE HAD FELT THAT HE NEEDED SOME TYPE OF

END PAGE FIVE

PROTECTION AROUND THE HOUSE AND HAD REQUESTED RUBY, BELIEVED BY LETTER, TO OBTAIN A GUN FOR HIM. HE STATED HE DID NOT SPECIFY WHAT KIND OF GUN HE WANTED BUT THAT HE HAD SUBSEQUENTLY LEARNED THAT A COD PACKAGE AWAITED HIM AT THE POST OFFICE. HE STATED THAT HE HAD DISCUSSED THIS MATTER WITH HIS WIFE AND THEY HAD DICIDED NOT TO PICK UP THE GUN WHICH HAD BEEN MAILED FROM DALLAS, TEXAS, AS THEY WERE AFRAID THEIR CHILDREN MIGHT FIND THE GUN. HE STATED HE WAS SURE THAT THIS GUN WAS SENT TO HIM THROUGH RUBY-S EFFORTS BASED UPON HIS INITIAL REQUEST. HE STATED HE DOES NOT KNOW WHAT DISPOSITION MIGHT HAVE BEEN MADE OF THE GUN.

HE SAID HIS LAST CONTACTS WITH RUBY WERE ABOUT TWO MONTHS AGO WHEN RUBY CONTACTED HIM VIA TELEPHONE CONCERNING SOME TROUBLE HE WAS HAVING WITH A SHOW, AS A RESULT OF WHICH HE REFERRED RUBY TO BILL MILLER, THE OWNER OF THE RIVERSIDE HOTEL IN RENO, NEVADA WHERE MC WILLIE HAD FORMERLY BEEN CLUB MANAGER. THEIR DISCUSSION ON THIS OCCASION HAD TO DO ONLY WITH THE CLUB-S ACT WITH WHICH RUBY WAS CONCERNED.

END PAGE SIX

MC WILLIE SAID THAT SINCE RUBY-S NAME HAD FIRST COME TO HIS ATTENTION IN CONNECTION WITH THE KILLING OF OSWALD HE HAD SEARCHED HIS MIND CONCERNING A POSSIBLE MOTIVE AND HAD COME TO THE CONCLUSION IN HIS OWN MIND THAT RUBY MUST HAVE BEEN BROODING OVER THE DEATH OF THE PRESIDENT AND THAT THIS WAS AN INSANE ACT ON THE PART OF RUBY. HE STATED THAT HE IS CERTAIN IN HIS OWN MIND THAT RUBY HAS NO UNDERWORLD CONNECTIONS ALTHOUGH HE MIGHT BE ACQUAINTED WITH SOME FIGURES IN GAMBLING AND OTHER ILLEGAL ACTIVITIES AND STATED THAT THE ONLY PERSON THAT HE COULD SUGGEST WHO MIGHT BE ON A MORE INTIMATE BASIS WITH RUBY OTHER THAT THE MEMBERS OF THE IMMEDITATE FAMILY, WAS A GIRL HE WENT WITH IN DALLAS, TEXAS FOR ABOUT FOUR YEARS BY THE NAME OF ALICE.

HE STATED HE HAS NEVER KNOWN RUBY TO VISIT LAS VEGAS AND IS CERTAIN THAT IF RUBY DID HE WOULD HAVE BEEN IN CONTACT WITH HIM AS RUBY KNOWS WHERE HE WORKS AND HOW TO CONTACT HIM. HE ALSO FEELS THAT THEIR ACQUAINTANCE IS SUCH THAT RUBY WOULD NOT PASS THROUGH LAS VEGAS WITHOUT BEING IN TOUCH WITH HIM. HE STATED HE DOES NOT

(insert) RUBY TO HAVE EVER BEEN INVOLVED IN ANY BOOKIE ACTIVITY, CUBA OR IN ANY GAMBLING OF ANY NATURE OTHER THAN AS A PLAYER.

MC WILLIE ADVISED THAT ELAINE MYNIER IS A DALLAS GIRL WHO WORKED AT THE AVIS RENTAL IN THE DALLAS AIRPORT TERMINAL BUILDING AND IS ACQUAINTED WITH RUBY. HE RECALLED SHE VISITED HAVANA, AND STAYED FOR ABOUT TWO WEEKS. HE DENIED HAVING USED HER AS A COURIER BETWEEN RUBY AND HIMSELF, EXPLAINING THAT THERE WAS NO RESTRICTION AT THE TIME AND HAD HE WANTED TO GET A MESSAGE TO RUBY, HE WOULD HAVE TELEPHONED HIM.

Memorandum

TO : Mr. Belmont

DATE: November 26, 1963

FROM : A. Rosen

SUBJECT: JACK RUBY
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

At 5:00 p.m., this date, Inspector Malley called from Dallas advising that Ruby has been indicted by the State of Texas and trial is set for December 9, 1963. Malley did not have immediately available information concerning the section of the state statute under which the indictment was returned.

Inspector Malley advised Ruby is now held without bond and it is not known whether he will be released on bond in the future but Ruby's attorney has announced he will request a hearing on the bond situation.

Malley also advised that Assistant Attorney General Miller has told the Dallas Office that he will stay over at Dallas. In this connection, Malley stated they had learned through Assistant U. S. Attorney Timmons, who is very cooperative and who furnished the information on a strictly confidential basis, that Miller and Barefoot Sanders, the U. S. Attorney, have left Dallas reportedly for Austin, Texas, to see Waggoner Carr, Attorney General of Texas. Carr has announced the possibility of holding a special court of inquiry in connection with the captioned matter.

The purpose of the trip of Miller and Sanders is unknown but Malley stated there is a possibility that they may try to dissuade Carr from holding the special court of inquiry in order to allow the Federal Government to release pertinent information when it has been developed.

Rerep SA Manning C. Clements dated 11/30/63 at Dallas.

Subsequent to the review of rerep as concerns the section entitled "MURDER OF LEE HARVEY OSWALD" the following points are being brought to your attention to insure the coverage thereof in the event these items have not to date been resolved during this investigation.

The above enumerated section of rerep does not contain the results of interviews of certain police officers, however, as you have previously been instructed all officers on duty in the pertinent areas should be interviewed in detail as to their specific assignments, location, instructions, what they observed, etc. Be certain that Fred Brunner, who according to subject, would arrange bonds, is interviewed as well as George Schepps who was observed by a Bureau Agent during the removal of the victim for lineups. According to Agent Clements, Schepps was the only individual observed by him during this period of time who was not known to be an officer or connected with the press. He has been characterized as a member of a prominent Dallas family.

Postal Inspector Forrest Sorrels and Secret Service Agent Tom Kelly who were interviewing subject at the time Chief Curry inquired of Captain Fritz if he was ready to transfer Oswald should be thoroughly interviewed for all details concerning this conversation, comments, etc.

MAIL ROOM ☐ TELETYPE UNIT ☐

Be certain the interviews of Detective E. R. Beck and Detective C. N. Dhority who were involved in the transportation cars are thorough in every detail.

Chief of Services George L. Lumpkin, Dallas Police Department, should be thoroughly interviewed for all information in his possession, even though he had no assignment in connection with the security of the victim, to ascertain his exact location, what he was doing, who he saw, etc.

Officer Dwayne McGrath who was assigned to guard the subject advised that while he was in the dressing room changing his uniform, he overheard one of the officers make a statement to the effect Ruby had gained entrance with a press pass. In the event not already done, this statement should be fully explored, the officer identified and this allegation pinned down.

Pages 84 and 85 contain a copy of the statement furnished by Detective B. S. Clardy to the Chief of Police, however, it appears there is a typing omission in this statement between pages 84 and 85. Clarify this by return mail.

Insure the interviews of Detective W. J. Harrison and Detective Combest who allegedly saw the subject pulling a gun and who allegedly said, "Jack, don't do it," respectively cover these points in every minute detail.

It is noted Patrolman R. E. Vaughn in his signed statement to the Chief of Police advised he was assigned to the Main Street Ramp and at approximately 10:15 p.m. ex-police officer N. J. Daniels came by this location, and remained until after the shooting occurred. Both Patrolman Vaughn and ex-officer Daniels should be interviewed for all information in their possession concerning this incident.

It is noted AQ 195-PC advised he met subject through Jack Hardee, Jr., and Hardee mentioned that subject had a good "in" with the Dallas Police Department. The informant stated this would be borne out from his observation that Ruby had a B-girl operation where drinks were pushed heavily. Hardee should, of course, be interviewed if it is possible to do so without compromising the informant.

Airtel to SAC, Dallas
RE: JACK L. RUBY, AKA.

As concerns the section of rerep captioned "PERSONAL HISTORY, ACTIVITIES, ASSOCIATES, AND ARREST RECORD OF JACK L. RUBY, AKA." the following is called to your attention in the event these facts have to date not been followed through.

Known associates of the subject, such as Benjamin Kaye, Michael Levin, Jim Dolan, William Earl "Pat" O'Donnell and Jim Martin should be interviewed. According to subject's roommate George Senator, he called Jim Martin, an attorney in Dallas who accompanied Senator to city hall to see what if anything they could do in connection with the situation.

It is noted Cecil Hamlin, Dallas, advised that on Monday night 11/25/63 he received a telephone call from the subject from the Dallas County Sheriff's Office at which time subject made a statement to the effect "If I had it to do over again, I sure wouldn't do it." The interview of Hamlin does not indicate the reason and/or purpose of the subject telephonically contacting him from the Sheriff's Office or the entirety of their conversation. Reinterview Hamlin and be certain all information in his possession is obtained concerning his contact, association, relationship and specifically why the subject telephoned him on 11/25/63.

Mrs. Stella Coffman advised she has been a very close friend of the subject since 1948, was employed as a head waitress by subject from 1948 to 1953, stated Officer Tippit has patrolled the area of the Silver Spur, made numerous visits to the club and was a close friend of the subject. This point of issue is of utmost importance to our over-all investigation. You must without fail during this investigation establish to the fullest degree the extent of relationship between the subject and Officer Tippit. If Mrs. Tippit has not to date been interviewed, this of course must be done immediately. All information in Mrs. Tippit's possession as concerns knowledge of the subject, association between Officer Tippit and subject and association between the subject and herself should be thoroughly explored. Do not lose sight of the possibility the subject murdered the victim in the light of the victim being a "cop killer."

Rerep contains data the subject had a benefit at the club for a deceased police officer in the past. Therefore, this may have had a bearing upon the action he took in this case.

Hal H. Collins advised that in approximately 1950 Ruby adopted a small boy believed to be of Spanish extraction. The subject brought this adopted boy to Collin's home. This point should be explored.

Alfred Davidson, Jr., North Hollywood, California, in late September - early October was in Dallas, toured about the city in the subject's car and advised subject had a press pass on his car, had a police pass and carried a revolver in the glove compartment. These allegations should be pinned down as to Ruby's possession of press and police passes.

Robert Lee Shorman, Long Beach, California, who stated he met the subject around Christmas of 1961, was a musician and would spend off hours at subject's Carousel Bar and did so for approximately four or five weeks stated numerous police officers frequented the club and the only officer he knew by name was an older detective, last name Fritz, whom he saw on one occasion at a table in the club. Do not lose sight of developing any contact between the subject and Captain Fritz, it being noted Fritz said Ruby was unknown to him.

The above items are, of course, not all conclusive but every logical source of information pertinent to this case is to be exhaustively explored.

Dear Sir,

Undoubtedly your department is already plagued with a burdensome number of letters concerning the assicination of our President and the subsequent murder of Lee Oswald. I am also convinced that you are well aware of the details involved in this case of such magnitude. However there is one item that I feel I must direct to someone in your department.

From the first tape re-broadcast I noticed a seemingly obvious connection between two honkings of an automobile horn and the action which followed. The first honk of the horn came at the same moment that Lee Oswald appeared through the doorway. Mr. Ruby was to the far right. Beyond sight of Oswald's appearance? Then there was a second honk at which time Ruby made his move toward Oswald.

I don't know if there are any connections among any of these incidents. However, I was prompted to make mention of them for several reasons. I found no mention of the honking horn in any newspaper reports, nor heard anything about it on any radio or TV accounts of the detailed description of the events. None of my friends noticed what to me seemed so clear. Then too, I am reminded of the warnings that no information should go unreported, especially to the people who can do the most with the information.

I hope this lengthy letter will be of some help. If not then may it serve as a word of thanks and encouragement for all the devoted work I know your department will do in solving this shameful crime.

Sincerely,

It was indicated that William Keel Woodfield, a writer who previously collaborated with another individual in writing "The Ninth Light" which dealt with Caryl Chessman, would probably write the story.

Gentlemen

In connection with the assassination of the President, I saw Oswald state on television that he wanted a John Abt, an attorney in New York City, to represent him. There is a John J Apt, Attorney, listed in the Manhattan telephone book, his office being at 320 Broadway and his residence at 444 Central Park West. Later on during the day, a radio commentator advised that their reporters had checked into this individual and found his office closed and his residence apartment closed, but that at the residence they found numerous pieces of mail indicating he was receiving mail from left wing organizations. Since then nothing more has been said about John Abt.

I immediately remembered that there was a Abt connected with the Alger Hiss case, and upon checking into the matter see that his name is indeed John Abt. Chambers claims that Abt was a member of the Ware cell in Washington and that Hiss was also a member of this same cell.

If the John Abt that Oswald apparently knew is the same John Abt that was connected with the Hiss case, it would seem to me to be a very important matter, for there may be a very sinister plot in this terrible assassination.

Since nothing more was ever said about John Abt, I thought it might be well for me to call this matter to your attention. I hope I am doing the right thing in writing you this letter.

Yours truly,

Dear Miss Gandy:

After twenty years how are you? I'm still living in California and have adopted the state. Still a member of the Women's National Press Club, however, and some day hope to be back for a meeting or two, and maybe we could have lunch together then.

In connection with the tragedy of President Kennedy's passing, I thought you might like to hand Mr. Hoover the enclosed article about one Robert Shorman who, according to the story, worked with Jack Ruby in Dallas. Since this is a local story in a relatively small-town newspaper I felt maybe your local bureau might happen to miss it.

In case you have forgotten all about me, I'm enclosing a picture taken of me a generation since I've seen you. With me is my fine husband of five years, Glen W. McFarland. With him I acquired two fine sons, one, an M.A. from Pepperdine College who is teaching at Long Beach City College, and another who is finishing four years in the Navy in Key West. My name there, of course, was Violet Sweet Haven, and now it is Mrs. Glen W. McFarland and we live at the above address. If you come to California please let me know and I'll show you the wonders of Disneyland, Knotts Berry Farm and Marineland.

The passage of time does not remove my pride in being once a member of the "Fifty Floor Family". It is hard to realize that we still survive in fine health and look to the future with lots of hope and plans; yet being aware of the gross loss of such good friends as Gordon Dean, Brien McMahon, Harold Stephens, William Stanley, Robert Jackson, Frank Murphy and Homer Cummings. Tell your Boss I miss seeing him each year at the Ambassador Hotel Restaurant; and tell Mr. Tolson that I'm still remembering how scared I was when he gave my dictation test in the Hubbard Building in February 1934. He counseled me well, when I came back in a flash with several mistakes, and Mr. Tolson said: "It isn't the speed that counts, it's the accuracy." Then my anxious days when Jim Morris sent me up to Frank Wideman through the tender care of Grace Stewart, who forwarded me to Dan McGrath who, with the shepherding of Bern Berard helped me obtain an excepted position in the office of Joseph B. Keenan.

Even though the tragedy of the hour has paralysed us all, please know it is good to write to you and I hope this article will in some small way help.

ROBERT SHORMAN
Rejected Partnership

L.B. Man Calls Ruby Showy Cad

By GEORGE ROBESON

Jack Ruby, the man who shot and killed the accused assassin of the President of the United States, was not an idealist. He was not politically motivated, or even interested in politics. He was not a religious man.

But he was a violent man. A man with a too-quick temper. And a man who sought the spotlight.

This was the description given The Independent, Press-Telegram Sunday by a Long Beach club owner who once worked for Ruby in one of his Dallas nightclubs.

• • • •

UNTIL 18 MONTHS ago, Robert (Bobbie) Shorman, 36, of 832 Magnolia Ave., was a bandleader at the Carousel, one of two clubs Ruby runs in Dallas.

"Ruby wanted me to go into partnership with him at the Carousel," said Shorman, who now owns and operates the Peppermint Pike on the Nu-Pike.

"I backed away from the partnership. Ruby was a seedy character, dishonest. I couldn't trust him. And a lot of people were afraid of him.

"He had a violent temper, a quick one," Shorman told The Independent. "Once, he grabbed a guy at the bar who couldn't pay for a drink. Ruby and an off-duty policeman beat the man up terribly and threw him down the stairs of the second-floor club."

• • • •

SHORMAN HEARD many stories about Ruby when he started working at the club. None of them were encouraging.

"We heard he was usually in trouble with the police—those he didn't do favors for, anyway," Shorman said. We heard he was arrested at least once for carrying a concealed weapon.

"He used to make vague references to his departure from Chicago. He would say, 'Things got too hot for me there.' We heard it had something to do with gangland activities."

According to Shorman, Ruby is anything but an idealist. He encouraged bartenders to short-change and otherwise "soak" customers. He used B-Girls to hook the suckers, Shorman said.

"The only ideal he had was making a buck," Shorman declared.

• • • •

"THEY WILL probably try to defend him by saying he was patriotic or something. He wasn't."

Ruby made "a big deal" out of the fact that he neither smoked nor drank. "He was always bragging about it," Shorman said.

If there was one dominant characteristic of Ruby's personality, according to Shorman, it was his compulsive need to be the center of attention.

"He was always looking for attention," Shorman said. "He wanted to be the center attraction. He wanted to be in the limelight when anything was happening.

"If I was to choose any particular reason why he might have shot Oswald, I'd say it was that—plus that mean and violent temper of his."

SHORMAN SAID the Carousel was a favorite hangout for Dallas policemen—patrolmen and detectives—and that the police seldom had to pay for drinks there.

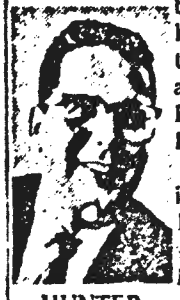
"Ruby knew most of the policemen and they knew him," Shorman said. "He was a real wheeler-dealer."

"He was mean, though, and a real shady character. I didn't want to be his partner. So I left Dallas."

Ruby's Sister Fears — She Gave Him Idea

By BILL HUNTER
L P-T Staff Writer

DALLAS — A shocked and horrified woman, Mrs. Eva L. Grant, told reporters here Sunday that unwittingly she may have planted in her brother's mind his plan to kill the accused assassin of President John F. Kennedy.



Mrs. Grant is a sister of Jack Rubinstein, alias Ruby, the 52-year-old bachelor and nightclub operator who shot and killed Lee Harvey Oswald, accused slayer of the President.

"My brother became hysterical when he learned President Kennedy had died," the middle-aged housewife said.

"We are Orthodox Jews and do not believe in violence. I honestly believe my brother was so affected by the President's death that he actually went out of his mind."

• • • •

SHE TOLD OF a conversation she had with her brother on Friday.

"I told him, 'Don't worry, someone will shoot Oswald.'

"He told me, 'Look at the logic of this: Oswald got to the President but no one can get to Oswald.'"

Mrs. Grant said she believes her brother may have brooded over the conversation until he lost reason.

Hours after the fatal shooting of Oswald, the justice of the peace who accepted the formal murder-with-malice complaint against Ruby said the suspect "was very calm."

• • • •

THE JUSTICE of the peace said Ruby was acquainted with a number of detectives present in the interrogation room where Ruby had been questioned at length.

Ruby gave names of three Dallas attorneys he hoped would represent him: Tom Howard, Fred Brunner and Stanley Kaufman. None of the three was with Ruby in the interrogation room in four hours of questioning.

The killer of Oswald was described by those close to him as "a typical nightclub owner."

• • • •

HE BOASTED of his achievements as a brawler. He is a heavy-set man, described by one acquaintance as "a bouncer type" who "dealt with strippers and yet apparently was not interested in women."

Ruby Kin's Home Under Police Guard

SOUTHFIELD, Mich. (AP)—Police today guarded the home of Earl R. Ruby, a brother of Jack Ruby, the man who shot and killed Lee Harvey Oswald in Dallas.

Earl Ruby was believed en route to Dallas to see his brother. Earl Ruby's wife, Marge, declined to talk to newsmen. Sunday night she told newsmen that she "had nothing to say until my husband returns."

The Rubys live at 29925 Woodland in this fashionable Detroit suburb.

Mrs. Ruby said her husband was away and would not return Sunday night. She declined to tell newsmen whether he was Jack Ruby's brother. Southfield police, however, said Mrs. Ruby identified her husband when she called asking for police protection.

However, police said Ruby (Earl) was now believed en route to Dallas.

• • • •

THE FIRST indication that Jack Ruby had a brother living in the Detroit area came when a sister, Mrs. Eva L. Grant, of Dallas told newsmen Sunday of how Jack Ruby called her after President Kennedy was shot.

"He was crying," she said. "I could see he (Jack) was so emotional. Then he called his brother in Detroit."

Neighbors said Earl Ruby and his wife and two children moved into their $50,000 home last August.

Sleepless Newsmen Watch

Second Killing

By BILL HUNTER
L. P-T Staff Writer

DALLAS—It was a typical Dallas November morning. The air outside was crisp and clean.

Scores of press reporters and photographers had crowded into the subterranean basement Sunday to witness the transfer of Lee Harvey Oswald from his Dallas city jail cell to the county jail where he would await trial for assassination of the President of the United States.

• • • •

WE WERE LINED across from the doorway. A smell of gasoline and exhaust fumes from the scores of police cars parked in the garage permeated the air.

The exhaust of an idling armored truck poured into the basement.

We were tired. Many of us had worked since Friday, with little sleep, on this—the biggest story of our lifetime. Cameramen jostled for vantage points. Radio announcers with portable microphones contested them. Reporters gave ground grudgingly.

• • • •

THEN OSWALD, still defiant, still arrogant, appeared.

He looked into the cameras. His guards looked straight ahead.

Suddenly, without warning a husky man in a brown suit and gray hat thrust his way forward.

There was a muffled sound. Oswald fell.

Then bedlam broke loose.

"He's shot! He's shot!"

"Get a doctor!"

Oswald fell mortally wounded after taking fewer than 15 steps toward the armored car parked 100 feet away.

• • • •

ODDLY, an air conditioner may have cost the people of Dallas and the citizens of the United States a chance to try the accused assassin in a court of law.

The overhanging air conditioner had prevented the truck from backing close to the jail exit. It had remained parked on the incline, its blunt nose pointing toward thinly trafficked Commerce Street.

In a matter of seconds, Oswald was wounded—and Jack Ruby overpowered by at least eight policemen, who wrenched from his hand a .38 caliber revolver.

Another group of officers turned themselves into a human shield over the bleeding Oswald.

• • • •

IT ALL happened so suddenly everyone was taken by surprise. However, press and TV cameramen already had their cameras pointed at the door, and in a brief instant recorded the shooting.

Ruby gained entrance to the tunnel area, he told police, by posing as a newsman.

Newsmen from all over the United States thronged into the tunnel basement, similar to the tunnel beneath Long Beach police headquarters.

• • • •

OSWALD apparently saw his killer a split-second before the bullet plunged downward into his abdomen. The two plainclothes officers gripping Oswald were taken by surprise as

were the scores of other uniformed and plainclothes officers flanking Oswald on the 120-foot walk from the jail exit to the parked armored car in the tunnel.

Oswald fell writhing on the pavement at 11:26 a.m. Dallas time.

In Parkland Memorial Hospital, surgeons struggled nearly two hours over the unconscious Oswald—ironically, only twelve feet from the spot where teams of surgeons lost their fight for the life of President Kennedy.

• • • •

AT 1 P.M. Dallas time a blood-stained surgeon announced, "His heart has stopped. We are administering electrical and hand massage of his heart."

At 1:07 p.m. Dallas time the accused killer of President John Fitzgerald Kennedy died.

With the death of Oswald, ~~Homicide~~ Captain Will Fritz, one of the most respected lawmen in the Southwest, said:

"The case of the President's assassination is now closed."

However, many citizens of Dallas expressed regret that Oswald died before his guilt or innocence could be established in a court of justice. "This way, there still is some doubt," said James R. Hash, a mortgage broker.

"Many people may feel there is doubt that he was the actual assassin."

Dear Mr Hoover,

If has been a sorrowful and grief filled several days Americans have had all over this land & that includes this family. We are no tears left to cry yet somehow we do.

Added to these events, we witnessed, on television, the slaying of Lee H. Oswald. In regards to this the enclosed Courier Express (11-26-63) article may be of interest to you.

This is only an average citizen's opinion for what it may be worth but I thought the way the transfer of Oswald was handled looked more like a three-ring-circus than the carrying out of law & order. I don't remember which Dallas police official said it but the comment goes as something to the effect that "I promised the reporters I would'nt have the prisoner until morning."

The question in my mind was why this official had to make any "promises" to anyone & also wasn't the first duty of this official the carrying out of his responsibilities in his official capacity — his duty to see to the safety of Oswald so that Oswald could be brought to the bar of American Justice — our Courts of Law?

One more thing, Mr Hoover, I hope you & your staff see the "T" tape of this "transfer" in attempt of murder. One tall lanky policeman kept marching back & forth to the elevator door & to the reporters commenting all the while — "He'll be coming thru that elevator door" — "Here he comes" etc. It was incredible. I am sorry that Oswald can't be brought into Court. Ruby Is Linked to Chicago Mob

Kefauver Reveals Plot to Take Over Rackets in Dallas

By JACK WILLNER
Special to Buffalo Evening News and Chicago Daily News

CHICAGO, Nov. 25 — Jack Ruby, one-time Chicagoan who killed the accused assassin of President Kennedy, has been linked to the West Side Chicago mob that tried to take over the Dallas rackets in the postwar years.

He was also identified as a Government informer against some of the gang, some of whom were later murdered and the bodies stuffed into car trunks.

A Chicago attorney, Luis Kutner, who represented Ruby before the old Kefauver crime committee, has been questioned by the FBI. He said he was questioned by FBI agents Sunday night about his relationship with Ruby.

Planned Power Play

Mr. Kutner said that in 1950 he arranged a meeting for Ruby with Rudolph Halley, chief counsel of the Kefauver committee.

At the meeting, which took place here, Mr. Kutner said Mr. Halley disclosed evidence gathered by Dallas Detective Lt. George Butler.

This was that Ruby was part of the Chicago mob, possibly the go-between, that planned on taking over all rackets in Dallas.

Mr. Butler told the committee that the Chicagoans, in order to ensure full competition and show how tough they were, planned to kill four leading Dallas gamblers, put their bodies in a car, and park it in front of police headquarters.

DIST. ATTY. HENRY WADE
Starts New Investigation (UPI)

Leader of the Chicago delegation, according to Mr. Butler, was Daniel Lardino, at the time a power in the Chicago restaurant unions.

Worked for Hoffa Buddy

Others identified by Mr. Butler were Paul Roland Jones, Marcus Lipsky, Martin (The Ox) Ochs, Paul (Needlenose) Labriola, James S. Weinberg, and Nicholas (Nick) DeJohn.

Mr. Kutner also linked Ruby to Dave Yarras, Lennie Patrick, William Block, West Side gamblers questioned in the murder of racing czar James Ragen, and with Zookie the Bookie Zuckerman.

"He was really part of the West Side mob," said Mr. Kutner of Ruby. "He liked to hang around those fellows."

Ruby also worked as a union organizer for Paul (Red) Dorfman, Chicago union boss and buddy of James R. Hoffa, Teamsters president.

Woman Describes Ruby As 'a Loner and Bully'

SAN DIEGO, Calif., Nov. 25 (UPI)—Mrs. Geneva Foster, former acquaintance of Jack Ruby, Sunday described him as "a loner and a bully."

"I never knew anyone who liked him, "she said." Characterwise, I don't think he's much better than the man he shot."

Mrs. Foster said she and her partner demonstrated ballroom dancing in Ruby's Dallas Club, the Silver Spur, in 1956.

"I never saw him in a clean shirt and frequently his necktie would be undone. He was sloppy and arrogant, a mean little man," she said.

FBI Is Investigating Trip By Oswald to Mexico City

Wants to Know About Who He Saw, And Who Was Providing His Money

Buffalo Evening News Bureau

WASHINGTON, Nov. 27 — A trip Lee Harvey Oswald made to Mexico City, where he visited the Soviet and Cuban Embassies seven weeks before President Kennedy was slain, is one subject of the FBI investigation now under way.

The disclosure of his week-long stay in the Mexican capital, confirmed by the Mexican Ministry of the Interior, raised still more unanswered questions in the murder of the President and the subsequent slaying of the accused assassin.

Luis Farias, press officer for the ministry, said Oswald visited the two embassies in Mexico City between Sept. 26 and Oct. 3, in an attempt to obtain visas for travel to Cuba and Russia.

Received Tourist Card

The FBI, following the orders of President Johnson to pursue all facts and leads until every aspect of the case has been thoroughly checked, is probing Oswald's Mexican trip.

"His intent was to obtain a Cuban transit visa," Mr. Farias said, "and a visa permitting him to enter the Soviet Union. He argued that he was married to a Russian woman.

"Both embassies told him it would take time. He got mad and left. As far as we know, he had no contact with other organizations or individuals."

The Ministry of Interior, whose police arm functions similarly to the American FBI, said it was continuing its investigation.

Mr. Farias said records showed that Oswald had gone to the Mexican Consulate in New Orleans on Sept. 17 and obtained a tourist card for Mexico.

Passport Haste Questioned

At that time Oswald already had an American passport in his pocket. On June 24, in New Orleans, he had applied for the passport, and indicated his intention to make a far-ranging trip abroad at the end of this year.

The passport was issued one day later. It still isn't clear how it was processed so rapidly.

Oswald went to the Soviet Union in October 1959, and told the U. S. Embassy that he was applying for Soviet citizenship.

In November he wrote out an affidavit in Moscow, saying: "I affirm that my allegiance is to the Soviet Socialist Republic."

Oswald later said he was refused Soviet citizenship, but he stayed for three years as an alien, working in a factory in Minsk. During this time he married a Russian girl and they had a daughter there.

Passport was Renewed

In May 1962, after an exchange with State Department officials, the U. S. Embassy in Moscow renewed Oswald's first passport and lent him $435.71 for his family's passage home.

On the new passport application, filled out in New Orleans last June, Oswald listed himself as a photographer. He said he planned to tour England, France, Germany, Russia, Finland, Italy and Poland leaving sometime between October and December, traveling for a year.

Just as baffling as his plans for a grand tour of Europe are the still unknown details of his trip to Mexico City. Authorities on both sides of the border want to find out how he traveled and where he stayed during his seven days in Mexico.

Checked at Border

Eugene Pugh, U. S. agent in charge of the Customs office on the American side of the bridge at Laredo, Tex., said that Oswald had been checked by American immigration officials on entering and leaving Mexico.

Mr. Pugh said that this was "not the usual" procedure. He said Americans were not required to check in with Immigration when crossing the border, "but U. S. Immigration has a folder on Oswald's trip," he said.

Immigration officials at the Mexican border refused to comment.

The FBI also wants to know how Oswald financed his travels from New Orleans to Dallas and to Mexico City. It also is interested in where he expected to get the money for the trip abroad.

Since the time Oswald arrived back in the United States from the Soviet Union, on June 13, 1962, he had given the appearance of being destitute.

Connally Urges Inquiry

Ruse Used to Shift McKinley's Slayer

By MARSHALL BROWN

The problem of how to protect from avengers a man who has slain a U.S. president was successfully overcome 62 years ago in Buffalo after President McKinley was shot here by Leon F. Czolgosz.

The solution was simple, far simpler than the unsuccessful procedures employed Sunday by the Dallas, Tex., Police Dept. Its charge, Lee H. Oswald, was mortally shot in the presence of escorting policemen during a jail transfer.

A similar jail transfer was effected in Buffalo on Friday, Sept. 13, 1901, but only a handful of persons was aware of it.

Secrecy and deception were the weapons employed by Police Supt. William Bull to make sure that no one got to the assassin as he was transferred from a cell in Buffalo police headquarters to a penitentiary a mile away.

Czolgosz, who shot the President at 4:07 p.m. the preceding Friday, Sept. 6, had been held in police headquarters all week and everyone knew it. Crowds gathered at headquarters after the shooting, but they diminished as news spread that the President might recover.

Feared Action by Mob

Bull decided on the jail transfer on the morning of Sept. 13. He had information that the President was dying. The policeman feared mob action and admitted it to his associates.

He arranged for a closed carriage to appear at the commissioner's entrance to headquarters at noon. He had the prisoner sent to his office from a basement cell to advise him that the dangerous transfer would ensue.

At 12:05, two men strolled from the commissioner's office into the street. They boarded the carriage and it pulled away slowly. About a dozen spectators in the street stared at headquarters, unaware that an assassin, unhandcuffed, and a policeman, had just walked by them into a waiting carriage.

This account, from the pages of the Buffalo Express, noted that the policeman accompanying Czolgosz was Asst. Supt. Patrick Cusack.

Cusack, according to the account, was walking a step or two behind the prisoner, who boarded the carriage first.

The policeman told the driver: "The man in there is Czolgosz who shot the President. Do you want a revolver?"

"No, sir," the startled driver replied.

Gun Held to Prisoner's Head

Cusack then boarded the carriage, drew his revolver, and held

The ride to the penitentiary at Trenton and Pennsylvania was uneventful.

After the secret transfer, Bull staged an impressive side show to convince the public that Czolgosz was still in headquarters.

Persons who did not live or have businesses within a one block radius of the Franklin St. building were ordered away by club-wielding police. Heavy ropes were put up to block approaches to headquarters.

The entire 750-man police force was summoned to duty.

By late afternoon, word got around that the President was dying. By 10 that night, 5,000 angry persons were milling around headquarters but club-swinging police kept them at a distance.

3,000 Repelled by Police

And shortly after midnight, following a premature report of the President's death, 2,000 persons rushed at the building but they were driven back by police. The mob was unaware that the assassin had been moved to the penitentiary 12 hours earlier.

The President died at 2:15 a.m. Sept. 14 while police still were keeping at bay an angry mob.

Later that day, the Buffalo Express headlined a story, "Where is Czolgosz?" following a tip that the prisoner had been transferred. Police refused to say where he was.

Rumors were plentiful, including one that the assassin had left headquarters in Supt. Bull's uniform. Untrue, an Express reporter wrote Monday.

Supt. Bull told the press: "We believe he is safer where he is not known to be than where he is known to be, even if protected by our strongest forces."

The true account of Czolgosz's transfer was released to the press Tuesday, four days after the President's death. The prisoner had to be taken out of hiding to make a court appearance.

But tempers had died down to the degree that no one attempted to get Czolgosz. Convicted, he was executed at Auburn Prison 45 days after McKinley died.

A front-page story in the Buffalo Express on the day the President died had cautioned: "Clear heads and steady nerves and strong arms are engaged in upholding the law of the land here in Buffalo. The police planned well to combat any mob demonstration that might be made against their assassin-prisoner . . .

"The temptation to lynch, to wreak vengeance without due process and forms of law became a passion at midnight when word was passed that the President was dead . . . It was not for the

JACK LEON RUBY;
LEE HARVEY OSWALD

BACKGROUND OF RUBY

B. Chicago, Ill

On 11/25/63, JOSEPH P. ROSSI, Real Estate, 231, Mercantile Continental Building, Dallas, Texas, interviewed at Brownsville, Texas, stated that he and JACK RUBY, whose real name is RUBENSTEIN, were both born in 24th Ward in Chicago, Illinois. They did not know each other until about 11 years ago when they met in Dallas, Texas. RUBY had the Silver Spur Club and later the Vegas Club.

ROSSI said that he did not know any of RUBY's family but knew that they were Jewish and that JACK RUBY observes Jewish religious customs. He said that he knew of no connection between JACK RUBY and LEE HARVEY OSWALD. ROSSI described RUBY as having a bad temper and being highly emotional. He said that he heard that RUBY cried when he learned of the death of the late president FRANKLIN D. ROOSEVELT, at Warm Springs, Georgia. ROSSI described RUBY as being very anti-Communist but not being a member of any "right wing hate groups". In politics he described RUBY as being "a 24th Ward Chicago JAKE ARVEY Democrat".

ROSSI knew of no connection on the part of RUBY with gamblers or organized crime except that he knew some of these "characters" personally. ROSSI knew of no close friendships or relations that RUBY ever had with anyone on the Dallas Police Department.

ROSSI last saw RUBY in Dallas on 11/20/63, at which time RUBY discussed opening a new club and wanted ROSSI to invest money in the club and perhaps help in the management of the venture. RUBY talked of future plans at that time in a manner to indicate that he did not anticipate getting into any sort of trouble.

ROSSI said that when RUBY was identified over television as the man who killed OSWALD, that ROSSI's first thoughts were that RUBY was a type emotional enough to do that sort of thing.

COPIES DESTROYED

21 DEC 19 1972

ROSSI believed that RUBY's motive in killing OSWALD was the over-simplified solution of a simple and emotional man for obtaining justice in the case.

ROSSI noted that persons who had seen OSWALD killed by RUBY on the television had remarked that just prior to the shooting that OSWALD seemed to look at RUBY in a manner reflecting recognition. ROSSI said that he thinks that the look was one of curiosity and perhaps suspicion, as RUBY among a group of Texas peace officers would "stick out like a sore thumb." ROSSI said that RUBY wore a hat which he termed "a Chicago hoodlum hat" which was perhaps unique in Dallas. ROSSI said that RUBY wore this same type of gray hat all the time and he thinks it was some sort of a badge reflecting RUBY's origin and background. In the past, according to ROSSI, friends of RUBY have "kidded RUBY about his Chicago hoodlum hat".

O-LEARY OF THE WASHINGTON STAR, WASHINGTON, D.C., THE ONLY OTHER SO DASH CALLED UNAUTHORIZED INDIVIDUAL IN THE BASEMENT WAS ONE TOM HOWARD, WHO IS NOW THE DEFENSE ATTORNEY FROM DALLAS FOR JACK RUBY, WHOM HE BELIEVED TO BE IN THE BASEMENT PRIOR AND DURING THE SHOOTING. HOWARD-S OFFICE IS ACROSS THE STREET FROM THE DALLAS MUNICIPAL BUILDING.

RIPLEY-S FIRST CONTACT AT THE DALLAS MUNICIPAL BUILDING WAS AT ABOUT NINE FORTY FIVE AM, NOVEMBER TWENTY FOUR, LAST. AS HE APPROACHED THIS BUILDING ON THE CORNER NEAREST TO THE STATLER HILTON HOTEL, WHERE HE AS STAYING, HE WAS CHALLANGED BY OFFICER, DALLAS PD /IDENTITY UNKNOWN/, AS TO HIS IDENTITY. HE STATED THERE WAS NO SECURITY PROCEEDURE OF INSTRUCTIONS CONCERNING REPORTERS AS FAR AS HE KNOWS. HE DEFINITELY SAID HE WAS NOT REQUIRED TO IDENTIFY HIMSELF PRIOR TO ENTERING BASEMENT, BUT HAS NO KNOWLEDGE AS TO WHETHER OTHER REPORTERS WERE REQUIRED TO DO SO.

IMMEDIATELY AFTER THE SHOOTING, HE WAS APPROACHED BY A PLAINCLOTHESMAN OF THE DALLAS PD TO AGAIN IDENTIFY HIMSELF WHICH WAS ABOUT FIVE MINUTES AFTER THE SHOOTING. OFFICE IS EITHER IN WASHINGTON, D.C. OR NYC.

ON NOVEMBER TWENTY SIX, LAST, RIPLEY AND EGGERTON INTERVIEWED DE MAR. DE MAR SAID HE HAD SEEN INDIVIDUAL WHO BE BELIEVED TO BE OSWALD AT THE CLUB ON A WEEK NIGHT SEVERAL WEEKS PRIOR TO THE OSWALD SHOOTING, AND CLAIMED THAT OSWALD WAS PART OF HIS AUDIENCE PARTICIPATION IN HIS MEMORY ACT. DE MAR IS FROM EVANSVILLE, INDIANA. RIPLEY ADVISED HE DID NOT PURSUE DE MAR-S INFORMATION THAT OSWALD WAS AT THE CLUB BECAUSE HE WAS CONVINCED IN HIS OWN MIND THAT DE MAR HAD NOT SEEN OSWALD. RIPLEY GAVE NO REASON EXCEPT FROM HIS EXPERIENCE IN THE NEWSPAPER BUSINESS.

RIPLEY ADVISED FROM OVERALL OBSERVATION, THE SECURTIY OFFERED BY THE DALLAS PD WAS RATHER QUOTE RELAXED UNQUOTE AND OFFERED THIS OBSERVATION IN COMPARING OTHER IMPORTANT AFFAIRS WHICH HE COVERED WITH THE SECURITY TAKEN BY OTHER POLICE DEPARTMENTS. HE BASED THIS MOSTLY ON THE FACT HE, RIPLEY, WAS ALLOWED DOWN THE RAMP WITHOUT BEING CHALLENGED EVEN THOUGH HE WAS PREVIOUSLY CHALLENGED ELSEWHERE.

ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY

Attached are two reports which we have prepared at the direction of President Johnson, concerning the assassination of President Kennedy and the subsequent killing of the assassin, Lee Harvey Oswald, by Jack Ruby. These are being transmitted to you in compliance with your request so that you may examine them before they are transmitted to President Johnson.

Assassination Report

This report, in Part I, briefly relates the assassination of the President and the identification of Oswald as his slayer. Part II sets forth the evidence conclusively showing that Oswald did assassinate the President. Part III is in two sections, the first setting forth what the FBI knew about Oswald prior to the assassination; and the second section setting forth the results of our investigation of Oswald's background, activities, associates, et cetera, subsequent to the assassination.

Three sets of exhibits accompany this report. The first sets out evidence tying Oswald in with the assassination of the President; the other two set out documents relative to Oswald's contacts with the Soviets, the Communist Party, et cetera.

We are continuing to receive leads concerning Oswald and, consequently, at the end of the report we state that this investigation will continue in order to resolve them.

Report of Killing of Lee Harvey Oswald

The report on the killing of Oswald by Jack Ruby covers the actual killing; the information developed concerning Jack Ruby; the interview of Ruby; Ruby's whereabouts from November 22 to November 24, 1963; and the investigation by the FBI under the Civil Rights Statutes to determine whether there was any conspiracy involved in the killing.

The Deputy Attorney General

Attached to this report are two exhibits, one a photograph of the actual killing, and the other a diagram of the police department building basement where the killing occurred.

Due to the fact that no records were kept of the police officers or news media representatives in the basement at the time of the killing, we have not been able to identify, locate and interview all persons who were present when Ruby killed Oswald. We state in the report that persons identified to us have been or are being interviewed. We have interviewed 93 Dallas police officers, and are attempting to identify any others who were in the basement and interview them. An estimated 100 news media representatives were in the basement. We have been able to identify and interview 51 so far, and leads are set out throughout the country to identify and locate others who may have been present. We have no reason at this time to believe that the stories of these people, when we locate them, will be at variance with the facts developed so far, but we do want to locate them so that all possible questions can be resolved.

You will note our statement at the end of this report that the investigation will continue until every possible source of pertinent information has been exhausted.

Miss VERLEN ALEXANDER, 101 Montrose Drive, advised that while she attended Sophie Newcomb College, Girls' Division, Tulane University, New Orleans, Louisiana, she met JOHN BASS, 2225 Jena Street, Apartment C; ED CLARK; AL PECCARERO (phonetic); and LIONEL HAMPTION (last name not certain).

On an average of once per week during the past year the above group discussed politics at the University Center at Tulane University. On May 23, 1963, the discussion concerned the attempted assassination of President DE GAULLE of France, with the conversation shifting to the question as to how one would go about the assassination of the President. President KENNEDY's name was not mentioned in the discussion.

Miss ALEXANDER advised that the above listed four individuals have strong Marxist and Pro-Cuban feelings.

Miss ALEXANDER advised that she, along with ROBERT HOFFMAN, published a newspaper called "The Reed", which she described as "a very liberal paper."

She advised that ROBERT HOFFMAN's brother, [illegible] HOFFMAN, held a party during the summer of 1963 in his apartment near Slogan's Bar in New Orleans. At his party BASS, CLARK, PECCARERO and HAMPTION were present, along with PADDY HAHN, BEN BOGAN and others. Miss ALEXANDER had the strong belief that LEE HARVEY OSWALD was also possibly present at this party.

She stated that PECCARERO is a leader or a member of a local Socialist group in New Orleans.

STEVE ALLEN BRILL and his wife, ELAINE ESTERMAN BRILL, 710 East Columbia Avenue, College Park, Georgia, advised Special Agents THOMAS M. CORBETT and JOHN J. LANGSFELD on November 26, 1963, that they obtained Mexican Immigration Tourist Permits from Mexican Tourist Bureau, Miami, Florida, in September, 1963, for travel on their honeymoon to Mexico. They traveled to Laredo, Texas, where they parked their car and entered Mexico at Nuevo Laredo on foot on September 25, 1963, where they spent one hour and returned to Laredo, Texas. On September 26, 1963, they again entered Mexico at Nuevo Laredo where they boarded a bus and traveled to Monterey, Mexico, for one day and returned to Laredo, Texas that same night.

The bus was stopped by Mexican police officers about twenty miles out of Nuevo Laredo on the morning of September 26, 1963, where they were asked to surrender their Mexican immigration tourist permits. They do not recall the numbers of their permits.

As they recall, the names on their Mexican tourist immigration permits were issued as STEVE ALLEN BRILL and ELAINE ESTERMAN BRILL and they state there must have been a mistake in transposition of names and spelling of the surname.

Both Mr. and Mrs. BRILL had observed photographs of LEE HARVEY OSWALD on television and in newspapers and stated they did not see anyone resembling him on either of their entries into Mexico.

Mr. BRILL is employed as Civil Engineer for Federal Aviation Agency, Atlanta, Georgia.

Mr. HAL SUIT, Assistant News Director, Radio and Television Station WSB, Atlanta, Georgia, advised on November 30, 1963, that he received information to the effect that LEE HARVEY OSWALD visited Atlanta in August or September, 1963, following the announcement that President KENNEDY was to visit Atlanta for a speech at Georgia Institute of Technology. SUIT advised that OSWALD allegedly stayed at Holiday Inn Motel, Atlanta, and was reported to have left a gun in his room and later returned to obtain the gun. SUIT declined to reveal his source.

Mr. TRUMAN SLINKLIFF, Desk Clerk - Manager, Downtown Holiday Inn, Atlanta, advised on December 1, 1963, that in April or May, 1963, an individual possibly resembling OSWALD registered at the Northwest Holiday Inn, Atlanta, driving a car, make and license number unknown. Mr. SLINKLIFF believes this individual used the name OSWALD in registering. The individual stayed one night, checked out of the motel, and later that same day the motel received a telephone call from this individual from Birmingham, Alabama, stating he had left a gun under the motel bed and asked that the motel manager retain the gun for a few days. Several days later this individual appeared, furnished identification, including a Texas drivers license and obtained this weapon.

SLINKLIFF described the gun as a .38 caliber S & W four inch barrel, with pearl handle.

Miss ELAINE GLOSSON, former cashier, Northwest Holiday Inn, furnished substantially the same information as Mr. SLINKLIFF, stating she thought the individual resembled OSWALD and distinctly recalls he used the name OSWALD in registering.

Mr. WILLARD BURGER, Innkeeper, Northwest Holiday Inn, advised he recalls the incident, but did not recall the name this individual used. He remembered talking with this individual and he released the gun to this person. Mr. BURGER stated he does not believe this person was identical with OSWALD.

JOHN O'LEARY, Proprietor of Johnny O'Leary Theatrical Agency, Room 422, Loew's Grand Building, advised that JACK RUBY called him on the telephone from Dallas, Texas, about two years ago to book theatrical acts into the Carousel Club in Dallas, which club was managed by RUBY. RUBY said that he had been referred to O'LEARY by one BUDDY KING, a singer and impressionist, who, according to RUBY, had worked for RUBY for many years and was very friendly with RUBY.

RUBY told O'LEARY that he was having trouble booking acts into the Carousel Club because ABE WEINSTEIN, owner of the Colony Club, and his brother, BARNEY WEINSTEIN, owner of the Theater Lounge, both located in Dallas, controlled theatrical booking in the Dallas area and RUBY was unable to obtain good acts for his club.

O'LEARY talked to RUBY several times telephonically, but did not book any acts for him.

O'LEARY never met RUBY in person and knows nothing of his present or past activities or associations. O'LEARY was unable to furnish the identities of anyone in the Atlanta area who might know RUBY.

O'LEARY said that he last heard of BUDDY KING playing in the Dallas area, but has heard that KING also has played in New Orleans, Louisiana, and Kansas City, Missouri.

Memorandum

TO : Mr. Belmont

DATE: November 24, 1963

FROM : A. Rosen

SUBJECT: ASSASSINATION OF THE PRESIDENT

At 1:00 p.m., today, the Director telephoned Mr. Rosen's Office from his residence and advised he had just spoken with President Johnson concerning the shooting in Dallas, Texas, of Lee Harvey Oswald. The President was greatly disturbed about this incident and desired that the FBI conduct whatever investigation possible into this matter. Mr. Hoover said it had occurred to him that we might have jurisdiction from a possible civil rights standpoint. Mr. Hoover had talked with Deputy Attorney General Katzenbach concerning this possibility, and Katzenbach is presently in the process of having research performed to determine under what Federal jurisdiction we might proceed.

Mr. Hoover referred to the fact that our Dallas Office had warned local authorities concerning the anonymous call received at the Dallas Office 11/24/63. This was the call that threatened the shooting of Oswald when he would be transferred from the City to the County Jail 11/24/63. He said Dallas Chief of Police Curry had not properly handled the situation, as evidenced by the fact that Oswald was, in fact, critically wounded.

Mr. Hoover stated he wanted the Dallas Office to immediately have Agents participate in the interview at Dallas Police Department Headquarters of the individual who had shot Oswald. (At this point Mr. Hoover was apprised of the identity of this individual, Jack Leon Ruby, and what background was then available concerning him. He was advised that we were reviewing Bureau files for all available information on Ruby. It had already been determined that records of the Identification Division contained only one print which had been submitted by the Dallas Police Department 12/5/54 when Ruby was arrested on a local liquor violation. The Director was also advised that the Dallas Office was considering the possibility of a dying declaration being obtained from Oswald. He agreed that this should be done.) He said that Deputy Attorney General Katzenbach was going to recontact him and furnish results of his research. At that time Mr. Hoover will have further instructions concerning this matter.

Memorandum to Mr. Bel[illegible]nt
Re: ASSASSINATION OF THE PRESIDENT

Mr. Hoover reiterated that the President wants us to vigorously pursue this matter from whatever angle possible and, if necessary, without complete regard for technicalities.

The Director advised he wanted Agents standing by at the Parkland Hospital in Dallas in order that we may know on a current basis the physical condition of Oswald. Mr. Hoover was advised that as of the time of this call, we had learned from Dallas that Oswald had not yet regained consiousness. He said he wanted to be kept advised telephonically at his residence concerning developments in this matter.

ACTION:

At 1:18 p.m., SAC Shanklin of the Dallas Office was furnished the above information and instructions. Shanklin advised that Agents were taking part in the interview of Ruby and that an Agent was also standing by at Parkland Hospital.

RePDlet 11/27/63, which forwarded a developed roll of 8 mm motion picture film, as well as copies of FD-302s relating to interviews of Mr. and Mrs. J. PAT DOYLE.

Enclosed herewith for Dallas are nine (9) copies each of FD-302s incorporating information provided by Mr. and Mrs. MATT WILSON, who accompanied Mr. and Mrs. DOYLE to New Orleans in August, 1963.

It should be noted that Mrs. WILSON said that she could not state what the sign said that the young demonstrator was wearing; that she had not noted the wording. It should further be noted that the WILSONs could not recall observing a second demonstrator. Mr. and Mrs. DOYLE had recalled that there were two. Young DONALD WILSON, age 11, said that he remembered that during the incident a placard on a stick, which, he thought, might have been carried by the one demonstrator, before the trouble started, was leaning against a lightpost at the scene and that, among other things, it bore the figure of the Statue of Liberty.

SUBJECT: JACK LEON RUBY, AKA
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

I talked to SAC Shanklin on the afternoon of November 24 and advised him that Inspector Malley was flying down to Dallas, leaving Washington at 5:15 p.m. in view of the shooting of Lee Harvey Oswald by Ruby. The President is very much concerned over this second shooting as it will depict the U.S. around the world as a lawless jungle where even though a man is in custody of the police, law enforcement is not able to control the situation.

Deputy Attorney General Katzenbach has advised that Section 241 of Title 18, the lynching statute, is applicable from a technical standpoint in view of the fact that we notified the police last night and again this morning of the telephone warning that Oswald was going to be killed.

I told SAC Shanklin that we don't want to get into an argument with the police or get to the point of demanding that Ruby be turned over to us in view of the primary jurisdiction of the police in the murder or assault case; however, we have jurisdiction under Section 241 and it is essential that our Agents interview Ruby. I told Shanklin that, of course, our investigation of this shooting encompasses not only a thorough investigation of Ruby and his motives, tracing his activities back and to his associates, etc., but also encompassed the problem whether the police were derelict in their duty in protecting Oswald while he was in their custody.

I also told Shanklin to go to Chief of Police Curry personally and try to get him and his officers to stay off the air and television; advise the Chief that by the statements he and Lieutenant Fritz are making he is providing strong ammunition for the defense counsel to claim his client cannot get a fair trial and demand a change of venue. I told Shanklin to be specific with the Chief on this point.

Shanklin called me back later to advise that he had talked to the Chief as directed; that the Chief was [redacted] and admitted that he was wrong in appearing on television and radio, that he would do it anymore. The Chief said he had trouble controlling Lt. Fritz. Shanklin told him that was his problem and that he was hurting the case and the evidence by these statements and appearances.

I called Shanklin's attention to the radio reports that Ruby was an underworld character who fled from Chicago and we should run a complete check on his background, associates and activities and the Chicago Office should telephonically be advised to do this also and send in a teletype.

Date 12/1/63

JOHN G. MC CULLOUGH, Philadelphia Bulletin newspaper reporter, home address 6345 Woodbine Street, Philadelphia, Pa., advised he was in Dallas, Texas, covering the story of the assassination of the President, JOHN F. KENNEDY, from 7:15 p.m., Friday, November 22, 1963, until approximately 7 p.m., Wednesday, November 27, 1963. He said that at all times he was at the Dallas Municipal Building where Dallas, Texas, Police Department is located and in the vicinity of the rooms used by the police department, that he had to use his press card for identification.

He said that on November 24, 1963, he went to Dallas, Texas, Police Department headquarters located on the third floor of the Municipal Building and arrived there around ten o'clock. He had to show his credentials to gain entrance.

Chief of Police CURRY, Dallas, Texas, Police Department, was talking to a number of reporters regarding the transfer of LEE HARVEY OSWALD from the police department to county authorities. Among the things CURRY mentioned, was that the police department, during Friday night and early Saturday morning, had received several anonymous telephone calls threatening action against OSWALD for having allegedly shot the President. One caller said that they did not want to hurt any police officers, but they would get the S@@.B. OSWALD.

MC CULLOUGH went to the basement where OSWALD would be leaving the building about 10:30 a.m. He again had to show his credentials when he got off of the elevator. From the elevator he went to the basement garage area, where a vehicle would take OSWALD to the county authorities. He again had to

show his credentials when he came into this immediate area. He also said he noticed the police checking police cars in this underbround parking area to see that no one was in the automobiles, and that they were also taking shotguns out of the patrol cars, which are normally kept in them.

An unknown Dallas, Texas, Police Department sergeant was heard by MC CULLOUGH to say these guns had been placed in the police department property room. MC CULLOUGH estimated that there were probably fifty police officers in uniform in the basement area, some armed with 12-gauge shotguns.

He said that a crowd of approximately 100 people were gathered outside the entrance to the basement, where the armored truck would leave the building, when it transported OSWALD away. Shortly after MC CULLOUGH got to the basement, these onlookers were made to go to the other side of the street by the police. The crowd was a well-ordered group, according to MC CULLOUGH.

An unknown police officer told MC CULLOUGH that the armored truck that was being used to transport OSWALD was to keep OSWALD from being shot with a high-powered rifle which could have been used to better advantage if he were being transported in a police sedan or van. MC CULLOUGH said the clearance for the truck was insufficient to allow it to get completely into the building, because of heating ducts protruding from the ceiling. MC CULLOUGH said he and several other reporters attempted to walk over to the truck to examine the inside but were prevented from doing so by a police officer.

A captain of the Dallas, Texas, police department, whose name MC CULLOUGH did not know, briefed the press on the procedure that would be followed at the time OSWALD was being taken through the basement to the armored truck. They were told they could stand along the line of the passageway which OSWALD would take going from the "booking room" and across the

basement to the truck. When notice was given that OSWALD was in the basement, the press was not to follow after him, trying to question him or step out in the way of the group. OSWALD was to be brought down from the fourth floor cellblock of the building on a special elevator that carries the prisoners between the fourth floor and the "booking room" in the basement. MC CULLOUGH estimated that it was approximately fifty feet from this elevator to the spot where the truck was located. He said that this briefing took place at approximately 11 a.m.

He said there was a police car unmarked, parked right behind the truck, and shortly after a green police car was parked behind that car. They had both come from the parking area in the garage.

The area of the corridor that OSWALD was to walk through was well lighted as a result of the need for light for television cameras. At 11:20 a.m., Captain J. W. FRITZ, Dallas, Texas, Police Department, came from the booking room a few feet ahead of OSWALD and the two officers guarding him, and surveyed the area as he walked. MC CULLOUGH said at that time he was standing on a railing approximately fifteen feet away from the passageway where OSWALD would pass. At the time OSWALD came out of the booking room on his way to the armored truck, the area from which RUBY came was congested with television cameras, reporters and police. However, MC CULLOUGH noted the movement of an individual, who later was identified as JACK RUBY, moving toward OSWALD as he walked down the passageway between reporters and police officers. MC CULLOUGH estimated that by the time RUBY got to OSWALD, he only had to go five to ten feet to put the gun in OSWALD's stomach. MC CULLOUGH did not see RUBY's right hand until he shoved it into OSWALD's stomach. At no time did MC CULLOUGH see RUBY's face.

MC CULLOUGH said that immediately after the shooting,

he heard someone say JACK, you s-- c- a b-----. Shortly after the shooting, Detective CONRAD told MC CULLOUGH that it was he who said this when he recognized RUBY.

Later that evening, MC CULLOUGH went back to his hotel and saw pictures of RUBY on television. He then recalled that on Friday night, November 22, 1963, when he had first got to Dallas, Texas, he was at the third floor of the Municipal Building outside of the police headquarters. At some time around midnight, he stood on a cigarette ash stand to get a better view of the area. As he was getting down from the stand, he bumped a man rather abruptly with his elbow. He turned to apologize to the man and noted that this man was carrying a blue and white box with "Alpacuna" stamped on it. This box was about eight inches by five inches and approximately three inches deep. After MC CULLOUGH had seen RUBY's picture on television, he was certain that this was the individual he had bumped on Friday. He said this individual was wearing at that time a blue top coat and gray pork pie hat which was wool, rather than felt. This was a different hat than RUBY had at the time he shot OSWALD.

Approximately one hour later that night, which was probably early Saturday morning, November 23, 1963, the Dallas, Texas, police department had a press conference at which OSWALD was allowed to be photographed and make questions asked by the press. The conference was held in the "line-up room" of the Dallas, Texas, police department and lasted approximately ten to fifteen minutes. MC CULLOUGH estimated that there were at least 100 people present. He did not see RUBY then, but after RUBY shot OSWALD, Justice of the Peace DAVID J. JOHNSTON, who handled OSWALD's arraignment, told MC CULLOUGH after OSWALD's death, that immediately after this conference, RUBY came up. JOHNSTON, introduced himself and gave RUBY a business card advertising the "Carousel Club" night spot which RUBY owned. MC CULLOUGH said JOHNSTON told him that the date of RUBY was

the same as MC CULLOUGH had noted approximately an hour earlier.

MC CULLOUGH said that on Sunday, November 24, 1963, following the shooting of OSWALD, several reporters, whose identities he did not know, mentioned that on Friday night and early Saturday morning, RUBY had passed out these same business cards with advertising on them concerning the "Carousel" night club. They were gray cards with red printing. The reporters had gotten the cards from RUBY in the Municipal Building around the police department.

MC CULLOUGH, who said he had traveled on campaign trips with former President KENNEDY and also on presidential trips with former president EISENHOWER, said that in his opinion the security maintained by the Dallas, Texas, police department during the weekend of the President's assassination was good, considering the tremendous number of press and television people which were there, and also the great amount of coverage given the story through radio and television. He said he recalls of no instance of any unauthorized individual being around the police department, with the exception of Friday night when he accidentally bumped into JACK RUBY.

MC CULLOUGH said he had no information that anyone had conspired with RUBY to kill OSWALD, or that there had been any indication that any police officer had willfully allowed the shooting of OSWALD.

MC CULLOUGH also advised that he had no information regarding any relationship between RUBY and OSWALD prior to the time of the killing of OSWALD.

On November 30, 1963, Mr. LEE SHEARER, owner of the Oak Grove Ranch, 14 miles east of Mason, Texas, and also of a ranch called the San Saba Ranch, 5 miles north of Pontalec, Texas, advised that he leases the San Saba Ranch to six hunters from Dallas, Texas. HSCA 49-29 011 - 486

December 3, 1963.

Mr. J. Edgar Hoover
F.B.I. Director
Washington, D. C.

Dear Sir:

With regard to the killing of Lee Oswald by Jack Ruby, I am curious as to an interview which was broadcast on T.V. right after the killing.

Shortly after Ruby killed Oswald, a man (Mr. Sol, Mr. Senator, or some such name) was interviewed and he stated his belief that Ruby had shot Oswald in the heat of emotion and a group, including himself (he happened to be in the bonding business) wanted to get Ruby out on bond and were prepared to put up the amount to secure his release on bond.

Do are there people who are, so soon after the shooting, ready to put up "any amount" for Ruby's bond considering the probability they must have read how Goblen jumped his $100,000 bond and fled to England? Few people, it would seem, would be able to secure such bonding (especially an operator of a strip tease joint) so soon .

Also, Oswald's first choice of a lawyer to represent him was John Abt. Mr. Abt's refusal to represent Oswald on the basis that "it would not be fair to his other clients" seemed fishy. One wonders if this was the signal that Oswald was being deserted by his ideological colleagues and to foreclose the possibility that Oswald might "talk" he had to be silenced.

Ruby's seemingly easy access to the jail in view of his record puzzles many people. This is especially puzzling in view of the universal knowledge that Ruby was an unpredictably hot-tempered, emotional person. His offer of "free drinks" to newsmen, at his bar, (which was closed) does not give the impression of a man deeply sorrowful and emotionally upset over the assassination.

REC-16 44-24016-487

In view of the tragic event which took place, one can't help remembering the appearance of a spiritualist named Stella on the Jack Carson show a few months ago. She foretold that the Communists would, in the not too distant future, make a power move from a place not too far from our shores. She stated that no people would be killed but there would be panic and all lights would go out and Jack Carson would not be able to broadcast. As it coincidentally happened, all the lights on Broadway were turned out and Jack Carson wasn't able to broadcast for several days. I realize this is just an unusual fluke coincidence, but in view of what happened, I'll never a lot of people recall it.

It took 50 years for a John Chancellor to report that British archives contained a list of the guns the Lusitania carried when sunk. We may never get the full truth about President Kennedy's assassination.

Sincerely,

(Mrs.)

I have received your letter of December 3rd and understand your concern over the brutal assassination of President Kennedy.

Immediately following the assassination the full resources of the FBI were made available to the Secret Service and local law enforcement agencies. The President has instructed the FBI to conduct a full investigation into the assassination of President Kennedy and the murder of Lee Harvey Oswald. I can assure you that this Bureau will discharge its responsibilities in this regard with the same thoroughness and dispatch that have characterized our investigations in the past.

Since we do not disclose developments in connection with pending investigations, I will not be able to answer your questions.

DIAGRAM NO. 1 (Sixth Floor of the Texas School Book Depository Building, 411 Elm Street, Dallas, Texas)

Detailed measurements were made of the Sixth Floor of this building on December 2, 1963. The work of gathering data was accomplished during the evening hours between 8:40 p.m. and 11:40 p.m. at a time when no one other than the watchman (EDDIE PIPER) was in the building.

Two photographs have been selected, considered to be suitable for incorporation in the design to graphically illustrate the conditions of the areas immediately inside the window where the assassin fired the fatal shots and where the rifle was discarded among cardboard cartons.

All of the technical facts developed have been set forth to scale in Diagram No. 1.

DIAGRAM NO. 2 (The Incoming and Outgoing Ramps of the Garage Area and Plan View of the "Jail Office" of the Dallas Police Department, Dallas, Texas)

Detailed measurements were made of the basement area on December 3, 1963, during the hours of 8:30 a.m. to 11 a.m. Assistant Chief of Police CHARLES BATCHELOR, Dallas Police Department, upon request, demonstrated the parking of two police squad cars which he stated were held in readiness to transport OSWALD to the county jail on November 24, 1963, and the position each vehicle occupied on the outgoing ramp at the time OSWALD was fatally wounded.

Mr. BERT HALL, Dallas Manager, Armored Service Co., 1500 Leonard Street, Dallas, who was the driver of the armored car hired by the Dallas Police to stand by to move OSWALD, made Armored Car No. 46 (2½ ton Chevrolet, 1961) available for photographing and detailing for size. Assistant Chief BATCHELOR indicated the exact location of this truck on the outgoing ramp. The body of the truck was inside the building on the ramp, with the front of the truck and driver compartment outside the building. This method of parking permitted the door of the driver's compartment to be fully open at any time. Three officers were stationed at both sides of the truck with instructions to deny admittance to any unauthorized individuals. Assistant Chief BATCHELOR stated that the truck in this position narrowed the entrance considerably and assisted his police officers in keeping maximum guard at this point. He further stated that it was the intention of the police that in the event the van was used (some thought was also given to using a squad car as a decoy), OSWALD would enter the armored compartment from a door located in the rear of the truck. A side door to this truck permits entrance to a center compartment. The driver compartment is completely separated from the two rear compartments.

Although the armored truck could have been placed one full truck length down the ramp toward the point where OSWALD was led out of the jail office, BATCHELOR stated that the decision to park the truck where they did park it was due to the fact that the engine was not operating satisfactorily, and also because the driver, BERT HALL, felt it desirable to hold the front wheels of the truck on a more level grade just outside the entrance rather than take the chance of the brakes not holding this piece of heavy equipment on a steep ramp. Chief BATCHELOR stated that had the brakes not held or had the engine stalled, it would have materially interfered with the scheduled operation of the Police Department to move the prisoner at a most critical moment. He further indicated the route used to move OSWALD after he had reached the basement floor on the prisoner elevator through the jail office space and on to the vehicle ramp, where OSWALD was fatally wounded. OSWALD's killer, JACK RUBY, according to BATCHELOR, gained entrance to the garage by walking down the ramp from Main Street. The outgoing ramp to Commerce Street was blocked by the armored truck and the two police cars.

All of the technical facts developed are diagramatically set forth to scale in Chart No. 2.

3-Dimensional Exhibits

A considerable amount of technical data is being gathered which will permit the construction of a very accurate and detailed model of the assassination site and the area in the police garage where OSWALD was killed. The police department has been very cooperative in furnishing aerial photographs, construction plans, etc., which will be most valuable to the Bureau in reconstructing the facts around these two incidents.

Assistant Chief BATCHELOR realizes that the Bureau is doing a very thorough job in connection with the investigation of the killing of OSWALD and the Department would appreciate very much if a copy of the diagrams that are being prepared by the FBI can be made available to them when possible.

FROM : D. J. Brennan

CONFIDENTIAL

SUBJECT: JACK RUBY, aka
LEE HARVEY OSWALD - VICTIM
CIVIL RIGHTS

Assistant Legal Attache Hinnich, London, telephoned at 12:45 p.m., 12/3/63 via cost-free Defense facilities. He stated that this morning one Aleksander Ivanov Kosterski appeared at the American Embassy and volunteered the following information to the Office of the Legal Attache:

He was born 3/17/01 at Jaslo, Poland, and now resides in London. He claims to have been recruited by the Russian Secret Police in 1942 and to have met subject Ruby in Tel Aviv, Israel in 1943. In support of this allegation, he stated that on 3/6/39 while residing in Poland, he was mobilized into the Polish Army. He was captured by the Russians 9/9/39 and sent to a concentration camp in Russia. At this time, he was using the name Ivanov although he was born Aleksander Kosterski. In August, 1941, he was released from the concentration camp and wandered around Russia until early 1942 when he was in Buchara, Russia. Here he was contacted by one Frank Beznos, a member of the Russian Secret Police. Beznos stated he knew Ivanov was trying to escape from Russia but suggested that instead he rejoin the Polish Army and assist NKVD. Ivanov agreed to do this.

Several weeks later after rejoining the Polish Army, and while in uniform in Kaghan, he was again contacted by Beznos in company with one Arthur Segal. This would have been in May or June, 1942. At this time he was given instructions on reporting on people in the Polish Army. Shortly thereafter he left Kaghan and travelled to Persia, Iraq, and Israel but had no further contacts with the NKVD until his arrival in Israel in 1943, when he was contacted by one (FNU) Ernst, a Polish intelligence officer who had an unidentified NKVD man with him. They made arrangements for him to furnish reports on Polish Army personnel to an unrecalled address in Tel Aviv. He claims he did not send any reports to this address.

Re: JACK RUBY, aka

CIVIL RIGHTS

CONFIDENTIAL

Shortly after meeting Ernst and the NKVD man, he was once more contacted by Beznos and invited to Beznos' room in a home in Tel Aviv at an unrecalled address. Here he was introduced by Beznos to a man whom Beznos called "Ruby." Beznos stated that "Ruby" was "high up" in the NKVD and was in Israel to recruit members of the Polish Army for the NKVD. The informant saw "Ruby" several times subsequently and "Ruby" was always dressed in civilian clothes and spoke fluent German, Russian, and English.

The informant stated positively that the "Ruby" he met in Tel Aviv in 1943 is identical with the man who killed Lee Harvey Oswald and that he bases this identification upon photographs which have appeared in British press and on British television programs. The informant stated that the last time he saw Beznos was in 1943 when the latter was aboard an American ship leaving the Port of Haifa, Israel.

RE: JACK RUBY
LEE OSWALD - CR

An individual called today giving his name as Krouse and purporting to give information on Jack Ruby, killer of Lee Oswald, he stated he is in the Union, apparently the Teamsters Union. He is motivated by his affection and grief for the President. He relates that Ruby grew up on the West Side of Chicago; that there is a tie-in between Ruby in Dallas and Dayo Lares in Miami. This tie-in he alleges is through shylocking and girls. He also relates that Ruby grew up with Leon Patrick of Chicago.

Re Philadelphia airtel, 11/26/63, and accompanying letterhead memo, "Information From JADWIGA HELENA KAZIMIERCZAK, ET AL, RE (FNU) RUBENSTAIN, Baden Baden, Germany".

The sources were positive in their identification of RUBY as RUBENSTAIN as an SS officer for Huter in the 1940's. He was described as 40-42 years of age, when they first knew him, and specify the year 1945 as one year when they saw him.

RUBY was born in 1911, would have been 34 years of age in 1945. He served in the Armed Forces, all in Continental USA, 1943-46.

Accordingly, no consideration is being given in this case to the information furnished by the sources. One copy of LHM is being retained in Dallas file.

FOLLOWING ARE RESULTS OF INTERVIEW YESTERDAY BY SA EDWIN O. JOHNSON OF CHARLES HOFFMAN, GUADALAJARA, MEXICO.

HOFFMAN MOVED TO DALLAS AREA IN 1951 BUT DID NOT SEE RUBY AGAIN UNTIL ABOUT 1953 OR 1954. AT THAT TIME HE MET RUBY ON STREET AND LATER VISITED HIM AT "SILVER SLIPPER" NIGHT CLUB RUBY HAD ON IRVING STREET IN DALLAS. HE RECALLED CONTACTING RUBY ON 2 OR 3 OCCASIONS TRYING TO SELL HIM STOCK IN UNITED INVESTMENT FUND FOR WHICH HOFFMAN WORKED PART TIME.

HOFFMAN WAS PRESENT IN OFFICES OF AGVA IN 1956 WHEN RUBY CALLED AND COMPLAINED TO REGIONAL MANAGER ALTON SHARPE ABOUT FACT THAT 2 OF HIS COMPETITORS WERE OFFERING AMATEUR NIGHT ON SATURDAY NIGHTS IN COMPETITION WITH RUBY. HOFFMAN RECALLED THAT RUBY WENT INTO RAGE WHEN TOLD AGVA COULD DO NOTHING FOR HIM. Texas

HOFFMAN LAST SAW RUBY IN 1958. HE KNEW NOTHING ABOUT ANY KIND OF ORGANIZATIONS TO WHICH RUBY MAY HAVE BELONGED NOR DID HE KNOW ANYTHING ABOUT ANY CLOSE FRIENDS OR CONTACTS OF RUBY. HE WAS UNDER IMPRESSION THAT RUBY'S CONTACTS WERE LARGELY LIMITED TO PEOPLE IN SHOW BUSINESS AND POSSIBLY NEWSPAPER PEOPLE. HE KNOWS NOTHING ABOUT ANY POLITICAL LEANINGS RUBY MAY HAVE. HE STATED POSSIBLY JACK IRVING, WHO YEARS AGO WAS REGIONAL MANAGER OF AGVA IN CHICAGO, MIGHT HAVE KNOWN RUBY. HE HAD NO INFORMATION CONCERNING PRESENT WHEREABOUTS OF IRVING. JCC

HOFFMAN HAS BEEN LIVING IN MEXICO SINCE ABOUT 1957 BUT INDICATED HE TRAVELS TO NEW YORK AND DALLAS ABOUT EVERY FOUR MONTHS.

Enclosed herewith is one copy each of a letter and an eight-page statement received at the Bureau on 12/5/63 from Mr. Carroll Jarnagin, Attorney at Law, 511 North Akard Building, Room 428, Dallas, Texas.

Mr. Jarnagin, furnished information to the effect that an individual named H. L. Lee had a conversation on October 4, 1963, in Dallas, with Jack Ruby, during which they discussed possible assassination of Governor of Texas. Mr. Jarnagin stated he had identified the person using the name H. L. Lee as Lee Harvey Oswald from a photograph.

In view of the allegations made by Mr. Jarnagin, your office should immediately contact Jarnagin, acknowledge receipt of his letter orally, and thoroughly interview him for any possible information he may be able to furnish of assistance in this case. Insure that all allegations made by him are fully and completely resolved.

Enc. (2)

NOTE: Mr. Jarnagin's statement, which he enclosed with his letter, is a long rambling account of activities at the Carousel Club, operated by Jack Ruby. In view of the allegations made by Jarnagin, it is deemed advisable to have him interviewed. Due to the possible mental instability of Jarnagin, his letter is not being acknowledged in writing but will be orally acknowledged upon interview.

Mr. J. Edgar Hoover

Dear Mr. Hoover,

On Oct. 4, 1963 I was in the Carousel Club in Dallas, Texas, and while there I heard Jack Ruby talking to a man using the name of H.L.Lee. These men were talking about plans to kill the Governor of Texas. This information was passed on to the Texas Department of Public Safety on Oct. 5, 1963 by telephone. On Sunday Nov. 24, 1963 I definitely realized that the picture in the Nov. 23, 1963 Dallas Times Herald of Lee Harvey Oswald was a picture of the man using the name of H.L.Lee whose conversation with Jack Ruby I had overheard back on Oct. 4, 1963. I thereafter attempted to recall as much of the Oct. 4, 1963 conversation with as much accuracy as possible, and to reduce it to writing. The enclosed original and two copies of this report are true to the best of my own personal knowledge and belief; and this report is sent to you for whatever use it may be in assisting the F.B.I. in your current investigation. If and when you see fit, I have no objection to the copies of this report being sent by you to the District Attorney of Dallas County and to the Attorney General of Texas, and to any other officials to whom you may see fit to disclose this information. My only request is that my identity remain undisclosed as long as possible.
Respectfully Submitted,

Yours Very Sincerely,

Carroll Jarnagin

CORRESPONDENCE

Commerce Street.

Witness, who is on attorney, and a client, who is an "exotic dancer", walk up the stairs to the Carousel Club Oct. 4, 1963 at about 10PM, on business, the dancer, stage name "Robin Hood", desires to talk with Jack Ruby, the owner of the club, about securing securing a booking for employment. The witness and the dancer enter the club, and sit down at the second table on the right from the entrance; the dancer faces the stage, which is against the East wall and to the left, North, of the passage way which leads East from the second floor entrance door; and the witness sits facing the entrance doorway; the ticket booth is at the South end of the landing at the top of the stairs, and the entrance door way on the second floor is to the left coming off the landing, that is East would be the direction a person faces entering the club. Several minutes after the witness and the dancer are seated, the witness notices a man appear in the lighted entrance area and tell the girl in the ticket booth: " I want to see Jack Ruby." In a short period of time the bouncer appears and with a flash light shines a beam of light upon the ceiling on the inside of the club at the entrance area. The man whohas aked to see Jack Ruby is dressed in a tan jacket, has brown hair, needs a haircut, is wearing a sport shirt, and is about 5' 9 or 10" in height, his general appearance is somewhat unkempt, and he does not appear to be dressed for night-clubing; he, the new arrival, sits with his back to the wall at the first table to his right from the entrance area; after a few minutes he orders and is served a bottle of beer; he continues to sit alone and appears to be staring at the dance: the dancer leaves the table and the new arrival stares intently

44_24016_516

at the witness; the witness notices that the new arrival's eyes are dark, and his face is unsmiling; after some minutes a man dressed in a dark suit, about 45-50 years of age, partially bald, medium height and medium to heavy build, dark hair, and more or less hawk faced in appearance from the side, joins the new arrival at the table; the new arrival appeared to be about 25 years of age;(the older man dressed in the dark suit was later indicated by the dancer to be Jack Ruby); and the following conversation was overheard:

Jack Ruby: "------(some name not clearly heard or not definitely recalled by the witess)--what are you doing here?"

Man who had been sitting alone: "Don't call me by my name,.."

Jack Ruby: "What name are you using?"

Man who had been sitting alone: " I'm using the name of H.L.Lee.

Jack Ruby: "What do you want?"

Lee: "I need some money,."

Jack Ruby: " Money?"

Lee: " I just got in from New Orleans, I need a place to stay, and a job."

Jack Ruby: " I noticed you hadn't been around in two or three weeks, what were you doing in New Orleans? "

Lee: "There was a street fight, and I got put in jail."

Ruby: "What charge?"

Lee: "Disturbing the peace."

Ruby: "How did you get back?"

Lee: "Hitch-hiked, I just got in."

Ruby: "Don't you have a family, can't you stay with them?"

Lee: "They are in Irving, they know nothing about this; I want to get a place to myself; they don't know I'm back."

Ruby: "You'll get the money after the job is done."

Lee: "What about half now, and half after the job is done?"

Ruby: "No, but don't worry, I'll have the money for you, after the job is done."

Lee: "How much?"

Ruby:"We've already agreed on that.."

(Ruby leans forward, and some of the conversation following is not heard by the witness)

Ruby: "How do I know that you can do the job?"

Lee: "It's simple, I'm a Marine sharpshooter."

Ruby: "Are you sure that you can do the job without hitting anybody but the Governor?"

Lee: "I'm sure, I've got the equipment ready."

Ruby: "Have you tested it, will you need to practice any?"

Lee: "Don't worry about that, I don't need any practice; when will the Governor be here?"

Ruby: "Oh, he(ll be here plenty of times during campaigns..." (distraction....)

Lee: "Where can I do the job?"

Ruby: "From the roof of some building."

Lee: "No, thats too risky, too many people around."

Ruby: "But they'll be watching the parade, they won't notice you

Lee: "But afterwards, they would tear me to pieces before I could get away."

Ruby: "Then do it from here (indicating the North end of the Carousel Club) from a window."

Lee: "How would I get in?"

Ruby: "I'll tell the porter to let you in?"

Lee: "But won't there be people in the place?"

Ruby: "I can close the place for the parade, and leave word with the porter to let you."

Lee: "But what about the porter.."

Ruby: "I can tell him to leave after letting you in, he won't know anything."

Lee: " I don't want any witnesses around when I do the job."

Ruby: "You'll be alone."

Lee: "How do I get away, there won't be much time afterwards."

Ruby: "You can run out the back door."

Lee: "What about the rifle, what do I do if the police run in while I'm running out?"

Ruby: "Hide the rifle, you just heard the shot and ran in from the parade to see what was going on; in the confusion you can walk out the front door in the crowd."

Lee: "No, they might shoot me first; there must be time for me to get out the back way before the police come in; can you lock the front door after I come in, and leave the back door open?"

Ruby: "That would get me involved, how could I explain you in my club with a rifle and the front door locked?"

Lee: "You left the front door open, and it was locked from insid when somebody slipped in while you were outside watching the parade."

Ruby: ---(distraction---)

Lee: "But what about the money, when do I get the money?"

Ruby: "I'll have it here for you."

Lee: "But when? I'm not going to have much time after the shooti to get away."

Ruby: "I'll have the money on me, and I'll run in first and hand it to you, and you can run on out the back way."

Lee: "I can't wait long, why can't you leave the money in here?"

Ruby: "How do I know you'll do the job?"

Lee: "How do I know you will show up with the money after the job is done?"

Ruby: "You can trust me, besides, you'll have the persuader."

Lee: "The rifle, I want to get away from it as soon as its used.

Ruby: "You can trust me."

Lee: "What about giving me half of the money just before the job is done, and then you can send me the other half later

Ruby: "I can't turn loose of the money until the job is done; if there's a slip up and you don't get him, they'll pick the money up, immediately; I couldn't tell them that I gave half of it to you in advance; they'd think I doublecrossed them. I would have to return all of the money. People thi I have a lot of money, but I couldn't raise half of that amount even by selling everything I have. You'll just have to trust me to hand you the money as soon as the job

is done. There is no other way. Remember, they want the job done just as bad as you want the money; and after this is done, they may want to use you again."

Lee: "Not that it makes me any difference, but what have you got against the Governor?"

Ruby: "He won't work with us on paroles; with a few of the right boys out we could really open up this State, with a little cooperation from the Governor. The boys in Chicago have no place to go, no place to really operate; they've clamped down the lid in Chicago; Cuba is closed; everything is dead, look at this place, half empty; if we can open up this State we could pack this place every night, those boys will spend, if they have the money; and remember, we're right next to Mexico; there'd be money for everybody, if we can open up this State."

Lee: "How do you know that the Governor won't work with you?"

Ruby: "Its no use, he's been in Washington too long , they're too straight up there; after they've been there awhile they get to thinking like the Attorney General. The Attorney Gener now there's a guy the boys would like to get, but its no use, he stays in Washington too much."

Lee: " A rifle shoots as far in Washington as is does here, does it?"

Ruby: "Forget it, that would bring the heat on everywhere, and t Feds would get into everything, no, forget about the Attorney General."

Lee: "Killing the Governor of Texas will put the heat on too, won't it?"

Ruby: "Not really, they'll think some crack-pot or communist did it, and it will be written off as an unsolved crime."

Lee: " That is if I get away."

Ruby: "You'll get away, all you have to do is run out the back door."

Lee: "What kind of door is there back there, it won't accidentl lock on me will it?"

Ruby: "No, you can get out that way without any trouble."

Lee: "It does't open onto an open fire escape, does it? I don' want to run out onto an open fire escape with a rifle in my hand right after the shooting."

Ruby: "No, its a safe way out, I'll show you.but not now."

(distraction------)

Lee: "There's really only one building to do it from, one tha covers Main, Elm, and Commerce."

Ruby: "Which one is that?"

Lee: "The School Book Building, close to the triple underpass.'

Ruby: "What's wrong with doing it from here?"

Lee: "What if he goes down another street? "

(distraction-------)

Lee: (looking up and staring directly at the witness) Who is that? he's from the F.B.I."

Ruby: (half turning in his chair, looks at witness who tries to appear to be looking at the floor show); Ruby gets the attention of the exotic dancer who says: "Mr. Ruby, can I see you on business?" Ruby;"Yes, later, but come here now.' (The dancer moves her chair over to the other table and remains for two or three minutes.. the conversation is too low to hear; when the dancer returns to the witnesses table she says: "What was that about? They asked me if you were with the F.B.I., I told them you were an advertising m from Arizona; you're not with the F.B.I., are you? " Witness: "No. "

Lee and Ruby hudle closer over the table, and talk in lower tones----

Lee: "I know he's from the F.B.I., they talked with me in New Orleans, and they followed me."

Ruby: "He couldn't hear anything over there."

Lee: " He heard everything, we'll have to get rid of him."

Ruby: "No, they work in pairs, ...we'll have to think of something else.."

--Ruby and Lee talk in inaudible tones...Ruby leaves and makes some introductions of guests from a microphone close to the

stage; later returns to the table and asks Lee to come over and meet a celebrity; a spot light is turned on the table at which Ruby has made some introductions, and at least one flash photo appeared to have been made by the night-club girl photographer , which possibly included Lee in the back of the other guests at the spot lighted table, standing;)

Some twenty or thirty minutes later, Lee walks out alone; in a few minutes the witness and the dancer walk out; at the bottom of the stairway partially blocking the doorway Lee is standing; he stares intently at the witness, and appears to have his hand in his jacket; after some delay the witness manages to to position a departing customer between himself and Lee.

The next morning, Oct. 5, 1963, Saturday, the witness telephoned the Texas Department of Public Safety at the number listed on th first page inside the cover of the Dallas Telephone Driectory, and the gist of the above over-heard conversation was reported, with the request that it be relayed to the Governor, and the witness was assured that this would be done.

On Sunday Nov. 24, 1963 the witness realized with certainty that the photograph of Lee Harvey Oswald printed in the Nov. 23, 1963 issue of the Dallas Times Herald was a photograph of the man using the name of H.L.Lee whose conversation with Jack Ruby in the Carousel Club on Oct. 4, 1963 the witness had over-heard to a substantial extent.

This witness's account perhaps can be substantiated if the photo made in the Carousel Club on the night of Oct. 4, 1963 in fact show H.L.Lee-Oswald to have been present. The "exotic dancer", stage name "Robin Hood", real name Shirley Mouldin, may be able to recall some of the events above related; her last address was 3621 McKinney Ave. Apt. 211 B. Dallas, Texas, she uses a theatri booking agent in St. Louis, Mo., name unknown to witness, and sh indicated on Oct. 4, 1963 that she was booked for appearances in St. Paul, Minn. the following week. The colored porter at th

Carousel Club may be able to recall part of the events described and the M.C., entertainers, and customers at the club at the time may be able to recall part of the events. The date of Oct. 4, 1963 has been established with certainty as far as the witness is concerned, by referring back to notes made and dated then in regard to telephone calls made to him in the course of his business by the "exotic dancer", a client.

JACK LEON RUBY, also known as
Jack Rubenstein;
LEE HARVEY OSWALD, also known as
Alek James Hidell, O. H. Lee -
VICTIM (Deceased)

FRANK BERNARD JOHNSTON, photographer, United Press International, American Statesman Building, Austin, Texas, home address 3011 Whitis, Apartment 205, advised Special Agent H. T. BURK on November 30, 1963, as follows:

JOHNSTON holds press cards issued by the Austin Police Department and the Texas Department of Public Safety, Austin, Texas. He went to Dallas on November 22, 1963, and after covering an assignment to secure photographs at a rooming house where LEE HARVEY OSWALD lived, he was assigned to cover the third floor of the City Hall in Dallas on the night of November 22, 1963, where OSWALD was being questioned. No one asked him for identification and none was shown by him. He remained on this assignment until after midnight and perhaps as late as 2:00 a.m., November 23, 1963.

Those present during this time were: PETE FISCHER, United Press International photographer, New Orleans, Louisiana; FRED KAUFMAN, photographer, Associated Press, Dallas; an unknown TV cameraman and several reporters, but the names of the papers they represented are not known to JOHNSTON.

JOHNSTON does not know whether there was anyone present on the third floor other than the photographers and

COPIES DESTROYED
21 DEC 19 1972

reporters and police since he has never worked in Dallas before and knows very few people there.

On November 23, 1963, JOHNSTON returned to the third floor of City Hall, Dallas, between 6:00 a.m. and 7:00 a.m. and relieved WILLIAM BAILEY, United Press International, Bureau Manager of Houston, Texas. During this day there were so many people in and out of the third floor it was impossible to formulate any idea of their identity as to whether they were police, reporters, or curious citizens. OSWALD's mother, wife, and brother were all in and out of the third floor this day. On one occasion on November 23, 1963, OSWALD was brought out of the elevator on the third floor into an interrogation room and JOHNSTON made photographs of him as well as the above mentioned relatives. JOHNSTON cannot recall ever having spoken to JACK RUBY at any time and has never met him officially. He recalls having seen RUBY on the third floor of City Hall during the day of November 23, 1963. JOHNSTON went off duty after 12:00 p.m. on November 23, 1963, after spending all day on the third floor. About 4:30 a.m. November 24, 1963, JOHNSTON relieved PETE FISCHER in the basement of City Hall, Dallas. FISCHER had his rented car parked in the basement of City Hall at that time just opposite the hallway where OSWALD was shot. JOHNSTON recalls asking FISCHER how he happened to get his car into that location and FISCHER replied that he just drove it there and parked it.

JOHNSTON showed no identification to get into the City Hall basement but recalls introducing himself to Lieutenant WIGGINS, Booking Desk, Dallas Police Department basement and told him orally that he was a United Press International photographer. JOHNSTON recalls seeing a free-lance photographer, name not known, in the basement of City Hall that morning with a 35 milimeter Nikon-F Camera, described as 24 to 25 years of age, white male, 6' tall, dark hair, 150 to 165 pounds, and slender build. This man said he had been there all night and stood near JOHNSTON waiting for a considerable time.

Others known to have been in the City Hall basement in Dallas on November 24, 1963, are as follows:

1. MIKE SMITH, Associated Press photographer, Los Angeles, California.

2. JACK BIERS, Photographer, Dallas Morning News.

3. BOB JACKSON, Photographer, Dallas Times Herald.

4. A man with National Broadcasting Company who had a movie rig, name unknown.

5. Another movie cameraman who had a sound man helping him, names unknown.

6. Unknown United Press International Newsreel Cameraman from Chicago, Illinois.

7. Numerous persons thought to be newspaper reporters.

8. Lieutenant WIGGINS and his staff.

9. JACK RUBY who was not observed in the basement until about the time OSWALD was brought out and RUBY seemed to come up from behind where JOHNSTON was standing, then pushed in front of JOHNSTON as OSWALD approached.

JOHNSTON took three photographs of OSWALD: one when he was about ten feet away; one in which RUBY jumped in front of JOHNSTON and blocked his view of OSWALD; and one was made of Dallas Police Department Detective GRAPPLING with RUBY after the shooting of OSWALD.

Prior to OSWALD being brought out of the elevator in the City Hall basement, a large number of police "made a chain" along the route OSWALD would take from the elevator

to a waiting car. Captain WILL FRITZ, Dallas Police Department preceded OSWALD out of the elevator with two other detectives on each side of OSWALD. Someone remarked "Here he comes." After JOHNSTON took his first photograph of OSWALD, he recalls seeing RUBY's image in his view finder of his camera before he snapped the second photograph and he recalls RUBY remarked "You son of a bitch," then JOHNSTON saw a flash from what he supposed was a gun that sounded like a firecracker. Everyone seemed to freeze for a split second and officers grabbed RUBY.

JOHNSTON did not know RUBY by name until after the shooting but recognized him as the same person he had seen previously on the third floor of City Hall.

JOHNSTON was pushed back six to ten feet after the shooting by the crowd in the hallway, most of whom he took to be police officers. Several officers pulled their guns and one was heard to remark "Don't anybody move." JOHNSTON was not required to identify himself after the shooting and he waited in the basement to get three photographs of OSWALD being carried out on a stretcher. He never observed any security procedures in force at City Hall, Dallas, prior to OSWALD being shot other than the line or chain of police referred to above.

After the shooting on November 24, 1963, JOHNSTON went back to the third floor of City Hall and at that time recalls having to exhibit his press card for admission and again on November 25, 1963, on the third floor of City Hall he was required to exhibit his press card. On this latter occasion he was trying to get photographs of JACK RUBY. Later on November 25, 1963, he went to the basement of City Hall to get a photograph of JACK RUBY and on this occasion no one challenged him and he did not show his press card.

All photographs taken by JOHNSTON were turned over to United Press International in Dallas and he does not have any photographs in his possession. JOHNSTON cannot recall

having seen anyone talking to JACK RUBY at any time and has no knowledge of any friendships or other relationships between RUBY and any members of the Dallas Police Department.

H. R. ~~HIEMAN~~ NIEMAN, JR., retired U. S. Navy Admiral, Executive Director, Texas State Building Commission, Austin, Texas, home address 4700 Balcones Drive, advised SA DAVID G. LOVELESS on 12/4/63 as follows:

NIEMAN in the early 1950s was Commanding Officer of the Naval Air Station in Dallas, Texas. He recalls that a young Naval officer, CHARLES LEON NAGLE, during 1951 was found in an unconscious state at the foot of some stairs leading from the Colonial Club, a night spot in Dallas, NAGLE was hospitalized and NIEMAN conducted an investigation.

The assassination of President KENNEDY and subsequent murder by JACK RUBY caused NIEMAN to recall the incident. He believes that RUBY was working at/or Manager of the Colohial Club at the time of above incident and that this club's present name is the Carousel Club. NIEMAN feels if NAGLE is interviewed he could furnish information re RUBY's character.

SPECIAL REPORT

The Story of Jack Leon Ruby

By JERRY O'LEARY, Jr.
Star Staff Writer

DALLAS, Tex., Nov. 30.—It would be hard to imagine a stranger instrument of vengeance than Jack Leon Ruby, the man who pulled a hammerless .38 caliber Smith & Wesson revolver from his pocket last Sunday morning and committed murder before the eyes of millions of Americans.

In that split second at 11:20 a.m. (CST) on November 24, 1963, the 52-year-old Dallas strip-joint operator catapulted himself from tinsel obscurity into a spotlight that will illuminate him as long as men remember their misdeeds.

Before he gunned down Lee Harvey Oswald, the accused assassin of President John F. Kennedy, last Sunday, Ruby might well have been considered the least likely man in all of Texas to commit such an act.

This was no lanky, hard-jawed westerner, enforcing the eye-for-an-eye code. Around the Dallas bars and girlie clubs, they called him the "Chicago cowboy" and regarded him as a back-slapping, garrulous pest with a yen for "class" and a great desire to hang around Dallas policemen.

JACK LEON RUBY

To their lasting shame, they let him.

Today, Jack Ruby languishes alone in a cell of the county jail overlooking the spot, only a few feet away, where two bullets ended the President's life.

Waiting for the justice he denied to Oswald, Ruby spends his time worrying about whether his friends are mad at him and occasionally

calling his night clubs to check up on business.

Ruby was born Jack Rubenstein, one of eight children of immigrant Polish parents, on March 25, 1911, in a tough west side section of Chicago. His father, a hard-working carpenter and an orthodox Jew, died five years ago at the age of 88 and his mother died in an institution in Illinois.

What little is known of his childhood comes from his short, gray-haired sister, Mrs. Eva Grant, 54, of 3929 Rawlins street, in Dallas. Mrs. Grant, a divorcee, recently underwent major surgery and is now in a highly nervous state.

She earns her living as manager of one of Ruby's two Dallas night clubs, the Vegas, at 3508 Oaklawn street. But she has been seen little in public since last Sunday night when she went tearfully to police headquarters, wearing a white veil, to see her brother in the cell-block just vacated by Oswald.

Her description is that of a large family in poor circumstances which spawned in Jack a fierce desire for social acceptance.

Ruby's education was limited and he learned more of how to survive among the Irish and Polish roughnecks of his milieu than he did of books and more conventional means of advancement.

Early in life, he learned to use his fists and he grew up to be a man who was proud of his physique even after his paunch had thickened and his hair grew thin. They called him "Sparky" around the ghetto of Roosevelt avenue and Peoria streets because of his prowess at street-fighting.

Eva Grant said it was her brother's great pride as a teen-ager to protect her, his older sister, from the neighborhood thugs and oglers. Of the eight Rubenstein children, five managed to acquire college educations and escape the environment of their youth. One brother, Earl, changed his name to Rubin and moved to Detroit.

Jack was not one of the five to

Continued on Page A-8, Col. 1

Continued From Page A-

whom schooling appealed, Eva said.

Instead, when he was 16, he became known as "champion gate crasher" at Chicago Stadium, Soldier Field and the Cubs' ballpark. It was his boast that in 1926, he went to Soldier Field with 11 other kids on a bet that he could get all 12 into the game without tickets.

He pulled the stunt off, and earned $20 hawking hot dogs and pop while watching the game. He also often has boasted that he gate-crashed the Dempsey-Tunney fight.

He has no known police record in Chicago, either as Rubenstein or Ruby, but police there recall him as a gambler, ticket scalper, labor organizer and a man on the fringe of mob activities. A police captain remembers him as a loiterer in the notorious Maxwell district, but said he also liked to hang around policemen.

He frequented cheap nightclubs and gymnasiums, where he watched fighters working out.

In 1937, Ruby teamed up with a close friend and neighbor, a lawyer named Leon R. Cooke. The two organized a union of scrap iron dealers and junk handlers.

Partner Murdered

This association came to an abrupt end when Cooke was shot to death in the union office. John Martin, the union president and one-time associate of bootlegger Terry Druggan, was accused, but claimed self-defense and was acquitted. Much of the information police received about the shooting came from the young union secretary, Ruby. Ruby was held in jail overnight but was not charged.

Early in 1940, the union dropped Ruby on the grounds that he was "too temperamental and not good for the union."

Little is known about his life from then until may 31, 1943, when Ruby was inducted into the Army and sent to Camp Grant, Ill. The records indicate only that he served in the Army Air Corps, rose to the rank of private first class and received an honorable discharge at Fort Sheridan, Ill. on February 21, 1946.

Ruby returned to Chicago and for a time frequented gambling spots with a man named Nathan Gumbin until Gumbin was killed in a gangland assassination.

A friend said it was around this time that Ruby changed his name from Rubenstein. District Court records show the new name was authorized on December 30, 1947, by Judge William Cramer. Ruby said the name was shorter and everyone called him that anyway.

Cowboy Attire

As near as can be determined, Ruby took up residence in Dallas about 14 years ago. From the first, he was much taken by life in the West. He wore immaculate cowboy clothes, almost as incongruous in Dallas as they would be in Washington, but later he returned to his favorite wide-brimmed hats and high collars.

He was a flashy dresser, with a sapphire ring on one hand, and a fondness for loud vests.

Tony Zoppi, a Dallas night club writer, says Ruby acted like a frustrated Ziegfeld when he first came here, hanging around the old Plantation Club, and often dashing on stage to take over the mike.

With borrowed investment capital, he soon gravitated into the night-club business with the emphasis on fleshy floor-shows catering to the Dallas convention trade. He acquired the Vegas, in an outlying section, and the Carousel, at 1312½ Commerce street and ran them with an iron hand often acting as his own bouncer.

To hear Dallas policemen tell it, he became something of a pest to them, but some perhaps brought it on themselves by pausing overlong when they had to check his premises or clientele. The records show that Ruby was called up to explain certain violations of the dance hall ordinance and the ban on Sunday drinking.

Carried Pistol

He was twice apprehended for carrying a concealed weapon, although Ruby never made much of a secret of the fact he often carried a pistol to protect his bankroll, he said it was a hammerless model.

Ruby, who never married so far is is known, prospered in the night-club business. He acquired a four-room apartment in the Marcella, at 223 Ewing street, and furnished it with rather garish Italian provincial pieces.

"I've suffered enough and skimped all my life," he told an associate recently. "I want to live a little."

When the father died in 1958, according to his sister Eva, Ruby was terribly broken up and observed a period of mourning lasting a year, in accordance with the ancient Jewish ritual called the Kaddish.

"He was the only one of the sons who did it," said Eva.

In recent months, the 5-foot-9, 210-pound Ruby took to swimming and working out on the punching bag and weights at the YMCA. He kept a pair of bar bells beside his bed.

Fond of Dogs

He is fond of dogs and kept two of those he owned in a backroom of the Carousel.

Gruff-speaking, gregarious, yearning for acceptance, quick to fight or take offense, Ruby seemed to have no active interest in politics except to be noisily in the corner of whoever was President.

A brunette strip-tease entertainer known as "Cindy Embers" said he banned Kennedy jokes in his night spot and tried to attack her husband one night for a relatively mild sally.

Another stripper, Janet Conforto, known on the runway as "Jada," swore out a peace bond on November 1 before Justice of the Peace W. L. Richburg against Ruby. The proprietor of the Carousel, she said, had threatened to burn up $10,000 worth of her costumes in a salary dispute.

He has a quick temper, she says, but also could be kind and generous.

George Senator, 50, a friend for eight years, who moved into Ruby's apartment a month ago, probably knows more than anyone else about Ruby's movements in the hours before and after the death of President Kennedy.

Visits Newspaper

Like everyone else in Dallas, Ruby knew that the President was coming to town around noon on Friday. An hour before that time, Ruby turned up at the offices of the Dallas News, in which he advertised and had breakfast in the newspaper cafeteria. The building is four blocks from the corner of Elm and Houston.

At 12:10 p.m., Ruby entered the News display advertising department in search of John Newnam, who handled his account. Adman Donald Campbell remembered the time because noon was the ad deadline and he automatically looked at the clock.

Ruby: News employes believe, was helping to lay out his ad while Campbell went out to watch the presidential motorcade between 12:20 p.m. and 12:45 p.m. Ruby apparently did not watch. Mr. Newnam turned up at 12:45 p.m. and found Ruby still at the desk.

At 1 p.m., another adman burst in with the tragic news that the President had been shot. From all accounts, Ruby reacted, like everyone else, with shock and disbelief. With others, he rushed to the nearest TV set and a little later canceled his ad and decided to close his nightclubs for three days.

Mrs. Grant says her brother called her from the News office and cried into the phone. He did the same in a long-distance call to the brother in Detroit—Earl Rubin.

Kept Talking

"That night he wouldn't eat anything," his sister said. "He kept talking about Jackie. He said the President could have had anything but had to end up like this."

George Senator said, "He kept telling me over and over again about those poor children."

Ruby went to his Synagogue Sherith Israel, at 9401 Douglas street and prayed for the President's family, said Mr. Senator.

When the word spread that Lee Harvey Oswald had been captured after killing Dallas Police Pvt. J. D. Tippit, Ruby made a bee-line for police headquarters.

This reporter saw Ruby there that night in the hall outside the third floor homicide squad where Capt. Will Fritz was trying to get some answers out of Oswald. There was indescribable confusion and no one among the hundreds of reporters, television men and police paid much attention to Ruby.

I saw him hand one of his cards reading, "Jack Ruby—Carousel," to some out-of-town newsmen. He also handed cards to District Attorney Henry Wade, the county prosecutor, who came to draw up the murder charges against Oswald, and to Justice of the Peace David Johnson, who was there to conduct the preliminary hearing.

Paid Little Heed

He introduced himself to one reporter as a translator for the Jewish press. To others he acted as if he were Dallas' official greeter. It seems clear that police paid him little heed because his face was familiar. One officer says he asked Ruby what he was doing there and Ruby replied, "Oh, I brought the sandwiches."

On four separate occasions that Friday night, Oswald was brought out of the homicide squad and passed within inches of the shouting, crowding press—and, presumably, Ruby.

On Saturday, the questioning of Oswald continued and the press corps multiplied. Ruby was back again with more cards and some sandwiches for the men at the station. He busied himself in other ways until Oswald was brought forth for an 11 p.m. confrontation with the press in the basement lineup room and then taken back to his cell.

Then when prosecutor Wade took the microphone and began detailing the evidence against the prisoner and said that Oswald belonged to a committee dedicated to freeing Cuba, Ruby interrupted. He said Mr. Wade was wrong, that Oswald "belongs to that Communist outfit (the Fair Play for Cuba Committee.)"

Eva Grant recalls that her brother telephoned her six times during the day, the last time at 12:40 a.m. before leaving police headquarters.

When Oswald was put in the top-floor cell-block for the night, Police Chief Jesse E. Curry was asked by newsmen to give them advance notice of when the prisoner would be moved to the county jail next day. The announcement was made that the transfer would be accomplished at 10 a.m. Sunday.

Told of Threat

At 7 a.m. Sunday, Chief Curry got word from the FBI that a phone call had been received saying Oswald would be killed that day, that the prisoner would not reach the county jail alive. Chief Curry ordered special police guard details and directed that an armored car be used for Oswald's 10-block ride. It was decided to check all press credentials and allow no one else near the scene.

Ruby got up Sunday morning and took a swim at the apartment pool. A neighbor said, "I saw him coming up the stairs with a handful of laundry. I said 'hello' but he didn't answer me."

Mr. Senator said he had some scrambled eggs for breakfast and then put his dachshund, Sheba, into his car to go down to the Carousel.

Ruby's attorney, Tom Howard, said Ruby had set out to send a $25 money order to a Carousel girl who needed the money to pay for rent in Fort Worth. He carried his pistol in his pocket because he had several thousand dollars in the car, according to Mr. Howard.

While Ruby was on this errand, Chief Curry called the press into his office and disclosed news of the threats against Oswald's life. He would have moved Oswald during the night, he said, "but I didn't want to double-cross you people."

He said Oswald would be taken by elevator to the basement and there put into the armored car. With this notice, photographers, TV cameramen, radiomen and reporters raced for the basement and set up a double line flanking the path Oswald and his guards would take.

Gets on Elevator

At about 11:16 a.m., Oswald emerged from his cell manacled to two big detectives. Capt. Fritz led the way and the entourage got on the elevator to descend.

At that moment, according to attorney Howard, Ruby had been to Western Union and had driven out of his way to pass where President Kennedy was killed. Later, he had planned to place flowers at the scene, as hundreds have done.

As Oswald was getting on the elevator, Jack Ruby arrived at the Main street entrance to police headquarters where a ramp goes into the garage. Ruby told Mr. Howard the policeman on guard there was distracted by a squad car. "I walked past them and I guess they didn't notice," he said.

This reporter was standing in the garage with the others watching as Capt. Fritz emerged and several voices shouted, "Here he comes." Ruby has told his lawyer he walked up to the line of newsmen from behind at that exact moment. It was 11:20 a.m.

From my vantage point five feet to Ruby's left, I saw a squat figure in a dark suit and a brown hat dart across the intervening space, crushing his body against Oswald and heard rather than saw the shot.

I saw the stricken look of pain and disbelief on Oswald's face as he jack-knifed forward with open mouth and goggling eyes.

Bedlam

Ruby and Oswald went down in a heap together, swarmed under by a shouting cluster of police. It was a bedlam of confusion, rage and fear and many a gun was drawn in reflex by the white-faced police cordon while Oswald was rushed into an ambulance and Ruby to a cell.

At Parkland Hospital, physicians quickly saw that Os-

wald was dying. Ruby had jammed the muzzle of his pistol so tightly into his abdomen that a two-inch powder burn had seared his sweater. The bullet had pierced his liver and several large arteries. Oswald never regained consciousness. At 1:07 p.m., he died in the room next to the one where the President breathed his last.

After Oswald had been taken to the hospital, this reporter by happenstance was the first one to run upstairs to Chief Curry's office. He did not know until then what had happened below.

The chief, grayfaced and in a trembling voice, called newsmen in at 1:27 p.m. and announced that Oswald was dead. He said Ruby would be charged with murder.

Outside, a black-clad woman said, "Hhe deserved to die but he should have been tried."

Her husband murmured, "When is this all going to end?"

Reactions

Assistant District Attorney Bill Alexander said Ruby "thought he'd be the idol of America in two seconds but he misjudged things.".

Mr. Howard was called to quarters, accepted the case and pronounced Ruby a "fine man."

Mr. Senator said his friend had been put in a state of shock by the President's assassination.

Mrs. Grant said her brother was a "good American" who had gotten upset by the President's death.

Herbert Kelly, chef at the Carousel, said, "Patriotic he wasn't, a police buff he was. If he did kill Oswald for revenge, I believe it was more over Pvt. Tippit than over President Kennedy.

Given Hearing

In his first statement to police, Ruby did it because he "couldn't stand the thought of Jackie (Mrs. Kennedy) undergoing the torment of attending Oswald's trial."

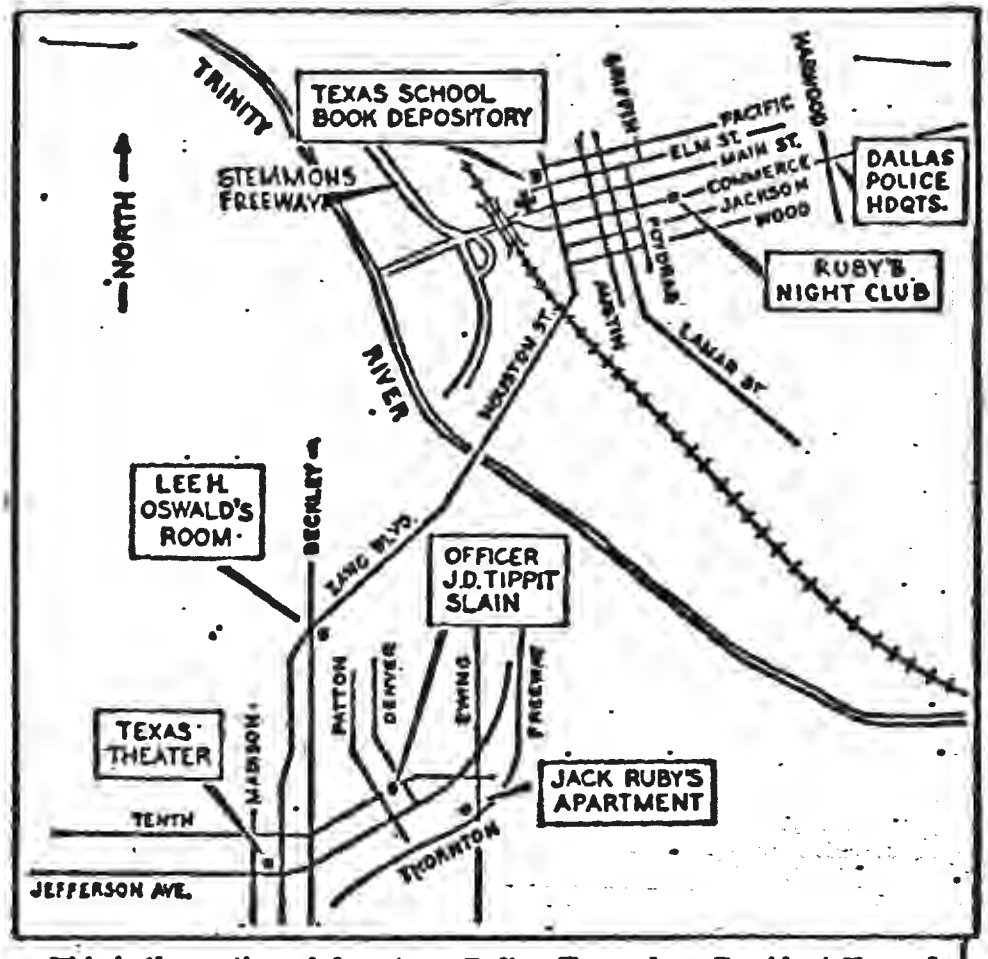
After Ruby was given a preliminary hearing that afternoon on a charge of murder, Attorney Howard quoted him as saying:

"He (Oswald) was smirking and so cocky and acted so proud of what he had done I couldn't get it out of my mind. I could not forget the Communists had sent him to kill our President. I could not forget how Jackie had suffered and that Caroline and John wouldn't have a daddy any more."

Mr. Howard brought a psychiatrist, Dr. John T. Holbrook of Beverly Hills Sanitarium, to examine Ruby. Next day, without prior announcement, Ruby was spirited from headquarters to the jail. Sheriff Decker got him into a cell alone with dispatch and there he remains today.

Prosecutor Wade, 47, who was wounded Gov. John Connally's room-mate at the University of Texas, said he would ask for the electric chair for Ruby.

Mr. Howard is considering two moves: a request for a sanity hearing and a request for a change of venue. He said he is not sure Ruby could get a fair trial in this part of Texas.



This is the section of downtown Dallas, Tex., where President Kennedy was assassinated on November 22, setting loose a chain of events that led to the deaths of a Dallas policeman and the President's accused murderer. The focal points are designated above with the black cross marking the spot where President Kennedy was killed. The map covers an area of only four miles.—Star Staff Map.

NOTE:
Nancy Elaine Perrin, Hayward, California, states she was formerly employed as a waitress and bartender in Ruby's Carousel Club. This was in July and August, 1961. She claims she and her deceased husband attended four meetings at an unknown apartment in Dallas, the purpose of which was to arrange to send Enfield rifles to Castro in Cuba. She stated Jack Ruby was present at three of these meetings.

Perrin furnished a signed statement containing the above information on 12/3/63. She also furnished a signed waiver of consent to be interviewed with the polygraph. She has a nervous disorder, St. Vitus Dance, which she feels may affect the polygraph, but is willing to make an effort. Previous leads have been set out for Dallas concerning this information, including the interviews of individuals who knew Perrin in order to establish her reliability.

Rerep SA Manning C. Clements dated 11/30/63 and Bureau airtel 12/5/63.

The following additional points are being brought to your attention subsequent to a review of rerep in the event these items have not to date been resolved.

Joe Bonds, an inmate, Texas Department of Corrections, Huntsville, Texas, and an associate of the subject, advised the subject gave some police officers off-duty paying jobs in his clubs. Bonds should be reinterviewed and this specific point elaborated upon in an attempt to ascertain the identity of particular police officers who according to Bonds were in the employ of the subject on off-duty hours. These officers should then immediately be interviewed.

Interviews with police and other pertinent persons should include, but not be limited to determining whether the person interviewed or any close friend of Ruby's was a member of the police security detail on 11/24/63 and whether he has any knowledge of how Ruby gained access to the basement bearing in mind the possibility that Ruby may have been knowingly permitted to enter by a friendly officer.

Known associates of the subject, such as Joe Slaton, Marvin Ralph Prestridge, Dr. (FNU) Uhlevitch and LeRoy Mabray, should be interviewed.

Joyce Lee Witherspoon McDonald, an exotic dancer employed by subject, advised Detective Bob Carroll of the Dallas Police Department and Tony Zoppi, a reporter with the "Dallas Morning News," were friends with the subject as each had come to the club on numerous occasions and gone to the subject's office to discuss matters with him. All information in the possession of these individuals must be obtained.

Reagan Turman, Los Angeles, California, has stated he believed he heard the name of J. D. Tippit mentioned by the subject and he knows the subject is a good friend with one Lt. Arnett, first name believed to be George. Interview Lt. Arnett to establish the extent and degree of his association with subject. Obtain from Lt. Arnett any knowledge of association between subject and Officer Tippit.

Mrs. Paul Calgrove, Houston, an exotic dancer, advised the husband of a former landlady in Dallas was LeRoy Hulse, a uniformed patrolman of the Dallas Police Department. Patrolman Hulse allegedly told her several times of having bounced numerous people from the Vegas Club and the possibility exists Hulse has been employed on a part-time basis at this club. Contact Hulse in order to resolve this fact and obtain all information in his possession.

Truitt Walton, Dallas Police Department, according to Mrs. Paul Salos used to appear at the Carousel Club during off-duty hours and appeared to know the subject quite well. Walton should be thoroughly interviewed.

Don Tabon alleged that in early February, 1963, he was attacked by the subject at the Adolphus Hotel, filed a complaint against the subject and received a telephone call at his home from a detective, whose first name was believed to be Tommy, suggesting that he drop the complaint against the subject. Attempt to identify this detective obtaining the circumstances surrounding this matter and his association with the subject.

Rerep contains a listing of individuals possessing permanent pass cards to the Carousel Club. Ascertain whether or not any of these individuals are law enforcement officers and in the event it is ascertained that they are law enforcement officers, interview them relative to association with subject.

Contact W. E. Naylor, Department of Public Safety, Chief, Narcotics Division, Austin, Texas, for any information in his possession concerning subject, it being noted subject possessed a business card of Naylor's.

All phases of this investigation must be completely and thoroughly explored. Bear in mind the heretofore-mentioned items are not all inclusive.

FLOYD was interviewed exhaustively and maintained his same story. An authorized polygraph test was given following which FLOYD admitted his story was a fabrication, claiming that he wanted "to get even" with RUBY whom he suspected of having unnatural sex relations with FLOYD's wife. The Bureau has been advised of the results of the polygraph test by separate communication.

Two copies of an interview with FLOYD are transmitted herewith to the Bureau and the original will be maintained in Dallas file. Also enclosed are 2 copies of an insert prepared in Dallas on the basis of information supplied by the Houston Office.

Date November 30, 1963

JAMES EUGENE FLOYD, JR., Texas Department of Corrections No. 172555, an inmate of the Eastham State Farm, furnished the following information:

In the summer of 1959 he was living in Dallas, Texas, and became acquainted with JACK RUBENSTEIN, also known to him as JACK RUBY, who was operating the Vegas Club on the west side of Dallas. RUBY was well known to police characters in Fort Worth, Texas, as a source of money orders. FLOYD was introduced to RUBY by a mutual friend of Fort Worth, KENNETH TAFT, who is a burglar and check passer and who reportedly was arrested in Oklahoma for stealing a horse and bringing it to Texas. On this occassion, FLOYD purchased 100 money orders for RUBY for an unrecalled amount equal to $.20 on the $1.00. FLOYD passed these money orders in Texas and then went to work for a geophysical company located on Highway 75 between Denison and Sherman, Texas, across the highway from the Harris Truck Stop.

He worked for this company in the Sherman, Texas, area, then quit and went to Lubbock as a switchman for the Santa Fe Railroad, lost this job in 1959, and went back to work at the geophysical company who sent him to Alabama. In the last part of 1959, he passed a number of no account payroll checks in Alabama and then returned to Lubbock. In October of 1959, he was arrested at Lubbock and Sheriff of Grove Hill, Alabama, notified, who came after him on check charges. He arrived Grove Hill on November 26, 1959, and was unable to make bond. During the last two or three days of January, 1960, he called RUBY collect at the Vegas Club and told him of his difficulty and also where RUBY could reach FLOYD's wife. In about a week, believed to be February 3, 1960, FLOYD's wife and father came to Grove Hill, Alabama, and got him out on bond. FLOYD's father gave the sheriff $800.00 in cash and FLOYD, his wife, and father then returned to Dallas. He did not ask, and no one told him who furnished the money, but learned RUBY stated he had furnished money to get FLOYD out of jail. A month later, he returned to Grove Hill, Alabama, pleaded guilty to check charges and received two one-year and one-day sentences to be served consecutively with both sentences then being probated.

DL 89-43
44-1639

Between March 5 and 15, 1960, he purchased a 1955 yellow and white Pontiac Catalina from Taylor Pontiac on West Jefferson Street, Dallas. RUBY gave him $750.00 in cash and told him to go to Taylor Pontiac and give the car he wanted and RUBY would call and arrange the financing. FLOYD and his wife picked out the above car and the salesman okayed the deal himself. He does not think RUBY's name was on the financing papers which were handled by GMAC. He made no payments and after six or seven months, the car was picked up by the finance company.

In about February, 1960, he contacted RUBY again at the Vegas Club with no specific purpose in mind. RUBY is a homosexual and FLOYD started visiting RUBY's apartment occasionally and submitted to unnatural sex acts with RUBY. RUBY was giving him spending money. He was still living with his wife, MARY KATHERINE who in 1961 was married to IRA CABANASS and they were living in Dallas, Texas. He was not spending his nights with RUBY, but was spending them at home with his wife, where they were living at 901 Center Street in Dallas. They did not have a telephone and he was working for Prior Products located on Rachael Street in Dallas.

In August of 1960, he started spending a lot of time with RUBY at his apartment which was located north of White Rock Lake and between Casa Linda Center in an estate known as Red Bird Hill. RUBY lived in the upper lefthand apartment of a four-apartment unit, which was of beige brick construction. The living room was furnished with Early American furniture. The dining room had a large round mahogany table with high back chairs. There were two bedrooms, one furnished with a light wood bedroom suite and the other was of a dark wood. Both were of standard type bed construction, with a headboard and footboard. The living and dining room were separated by an ornamental iron room divider displaying crystal goblets, glasses, etc.

He was working part time for a carpet company across the street from Meadows Building on the central expressway in Dallas. His wife knew he was meeting someone but did not know it was RUBY. He was getting spending money from RUBY but not large amounts.

On September 8, 1960, he was arrested by the Dallas County Sheriff's Office for check forging in 1957. He was tried

DL 89-43
44-1639

first in Dallas County on January 6, 1961, and received four, three-year sentences to run concurrently. He was then returned to Grayson County, Texas, then Stephens County, where he received sentences to run concurrently with sentences received in Dallas County. After that he was taken to the Sheriff's Office, Fort Worth, Texas, which was in March, 1961, to stand trial for forgery. He wrote to RUBY, who came to visit him at the County Jail. He told RUBY he was going to the penitentiary on check charges and RUBY told him he could get him out of it. A day or so later, he had a letter from RUBY saying he had arranged for FLOYD to get a nine-month county jail sentence instead of being tried on a felony charge. A day or two later, FLOYD was taken to court and received a nine-month jail sentence which was back-dated to the day he had arrived at Fort Worth. He was released on September 2, 1961, and was not sent to the penitentiary to serve the other sentences he had received in other counties. He does not know who RUBY paid off, but RUBY said it had cost him some money.

While he was in jail, on April 8, 1961, his wife, MARY KATHERINE divorced him and on the same day, she married IRA CABANASS.

In September, 1961, he went to Juarez, Mexico, and killed a Fort Worth police character with a pistol. He made this trip for RUBY who paid him $3,000 for this job. He does not know if this was for RUBY himself, or if RUBY was acting as the middle man in this transaction.

After this job, he went directly to Oklahoma City for two days, where he purchased a 1960 Pontiac from RAYMOND TIDWELL, an Oklahoma City police character. He gave TIDWELL $1500.00 in cash, and TIDWELL gave him the title which was in some Mexican name. In 1962, he put this car in the east fork of the Trinity River as it had been used in unlawful act by another party and the car was hot. Further, TIDWELL was killed in Oklahoma City a short time after this purchase, by a Fort Worth prostitute named TINA MARTINEZ.

After returning to Dallas from Oklahoma City in September, 1961, he went to work for Wesco Material Company, located about two blocks off Highway 114 just past the traffic circle on Harry Hines Freeway. He worked for this company until about September 27, 1961, when he married SALLY BETT CARROLL in Durant, Oklahoma. Abat two

DL 89-43
44-1639

days later, he got into trouble at the It'll Do Club, Dallas. This was when he dumped the 1960 Pontiac in the river. He went by the Vegas Club, told RUBY he was in trouble and RUBY gave him $300 cash. He picked up SALLY and they stayed at SALLY's sisters house. The next day they traded SALLY's 1954 Chevrolet to the Chevrolet dealer on Ross Avenue for a 1955 Chevrolet. The trade was made in SALLY's name and they left the same day for Seattle, Washington. While in Seattle, they stayed at an unrecalled motel located at 46952 Vancouver Highway, arriving there on December 3, 1961. They stayed in Cabin 13 and outside of this motel was a public pay telephone. On December 4, 1961, he went to the Western Union Office in downtown Seattle and picked up $200.00 RUBY had wired him in his own name. He was paid in cash and the only message was "Love, Jack." He called RUBY again at the Vegas Club from this same pay telephone on December 8, 1961, to tell him he was planning to return to Dallas to see if the police were looking for him. He paid for both of these calls himself. He and SALLY stayed there until December 15, 1961, and then left without paying the motel bill. They then returned to Grapevine, Texas, December 20, 1961.

On December 20, 1961, he and SALLY had gone over to his mothers at Lake Worth Village when the police came to the house looking for him. He ran out the backdoor and got away and sent to 3221 Apache Drive, Lake Worth Village, and the occupant of this residence gave him permission to use the telephone. He called RUBY at the Vegas Club and told RUBY to come after him, which RUBY did. He dialed the Vegas Club so this telephone call would be charged to the person living at the above address. RUBY drove him to his brother's house, 5608 Taylor, River Oaks, Texas, and RUBY gave him $20.00 and he left the car.

On December 21, 1961, he and his brother, JACK JEFFERIES, Grapevine, Texas, left and went to Odessa, Texas. On December 23, 1961, he was arrested in Odessa on investigation and vagrancy. The authorities at Midland, Texas, also had a case for fraudulent application for a driver's license, so it was February 28, 1962, before he was returned to Fort Worth, Texas. During this time, he had not been in contact with RUBY.

He was handled on an old check charge in Fort Worth, Texas and received a six month sentence. He was released on May 5, 1962.

During the time he was in jail in Fort Worth, SALLY left him, and she now is reportedly the wife or intended wife of attorney VERNON (Last Name Unknown, not possibly CLARK) of Dallas, Texas.

During this period he was in jail, RUBY was writing to him at the county jail and was sending him $5.00 a week to the county jail to be put in his promissory account. He believes it is possible he retained some of these letters from RUBY and if so, they would be in a position with his other letters in the closet of the bedroom of his mother's house.

After his release on May 5, 1962, he alternated staying with his brother and mother.

About May 10-15, 1962, RUBY called him and he met RUBY at the drive-in restaurant on the corner of Haskell and Gaston Avenue in Dallas. RUBY offered him $10,000 to kill a man in Dallas, and he agreed. RUBY then gave him $5,000 in one hundred dollar bills that night and was to give him another $5,000 when the job was completed. Three days later he shot at this man with his rifle on which a scope was mounted and as he was shooting from 600 years away, he missed the man and the bullet hit the man's car. This apparently frightened him so sufficiently that he left Dallas so RUBY paid off the additional $5,000 anyway. FLOYD sent $8,000 of this money in cash to a friend in Bonham, Texas to pay on the $40,000 farm FLOYD purchased from another man in 1958. Todate, he has paid $28,000 on this 130 acre farm. He said he would not disclose any additional information concerning this farm without consulting his attorney.

Also after his release from jail on May 5, 1962, he worked for two or three weeks for a garage on North Main Street, across from the Triple A Drive-In in Fort Worth. He then started dating MARY HELEN VINTMIGILIA, whose present address would be known to Deputy Sheriff BOB PRINGLEY, Fort Worth. In June, 1962 he moved to Apartment 13, Frances Street, Fort Worth, Texas. In June, 1962, he set up a swindle of a bank in Waco, Texas and then returned to Fort Worth. He went back to Waco in 48 hours and completed the swindle which was worth $2,230, and then returned to Fort Worth.

During the latter part of May and in June and then the first half of July, 1962, he had no contact with RUBY. In the last part of July, 1962, he was picked up by the Sheriff's Office at Fort Worth, Texas, on investigation of narcotics and checks. He was released the same day and immediately left town. He drove to Memphis, Tennessee to his grandmother's house to Evansville, Indiana and back to Memphis. He returned to Dallas during the last two or three days of July, 1962 and went to the Vegas Club to see RUBY. RUBY gave him 25 postal money orders and he was to pay RUBY later. He returned to Memphis, Tennessee and then to Bonham, Texas where he was arrested August 2, 1962 on a check charge from Fort Worth, Texas and also Waco, Texas.

He was returned to Fort Worth and on September 28, 1962, his grandmother put up the money to have JACK RUSSELL, a bondsman, secure his release on bond.

About September 30, 1962, his mother and brother purchased a closed beer tavern called the Blue Haven, located at 7603 Weatherford Avenue, Fort Worth, Texas for $1,000. He was to operate it to establish himself as a law abiding citizen before going to trial. He put some of his own money in the stock of this tavern but the beer license was in his mother's name as he was not eligible to hold the license as being an ex-convict.

On November 24, 1962, he had a telephone call at the Blue Haven from RUBY, who wanted to know if he wanted "Some local business". FLOYD agreed to go see RUBY that day. He went to the Vegas Club about 9:00 P.M. that day and met with RUBY in the office of the Vegas Club. There was another man present in the office who was not introduced to him. RUBY explained the "local business" was to get rid of someone and FLOYD asked the price. When RUBY said $5,000 in advance and $15,000 after completion, FLOYD commented that it must be someone important and RUBY agreed that it was. FLOYD then told RUBY that would carry too much heat and he didn't think he wanted it. The name of the Victim was not mentioned so he left and went back to Fort Worth.

During the period November 24, 1962 to January 5, 1963, he went broke in the Blue Haven Tavern and was needing money.

He believed it was sometime in December that he called RUBY at the Vegas Club. He placed this station to station call from the pay telephone in the Blue Haven, PD 7-0852 (?), and talked to RUBY 30 to 40 minutes about his business and the fact

he was going broke. RUBY invited him to Dallas but he declined. Nothing was said about their conversation on November 24, 1962.

On January 3, 1963, he married SHARON KAY HILTON, nee, NICHOLS, and he moved into her apartment at 511 South Jennings, Fort Worth, Texas.

On January 5, 1963, he called RUBY at the Vegas Club placing the call from a pay telephone booth on Rosedale Street directly behind their house. He asked if RUBY had made a contact for a deal, and RUBY said no. He told RUBY that if the price was still the same, he was interested and made arrangements to met RUBY at the Vegas Club early that evening. When he arrived at the Club, RUBY was at the door and took him to one of the back tables. The same man that had been present at the first meeting in the office, was sitting at another back table with another man and two women. This man then came over and joined them at this table. They talked again and FLOYD agreed to do the job for $20,000. RUBY went to his office and came back with some one hundred dollar bills. FLOYD counted them and there was only $1,000 so he commented that was not their deal and he was to get $5,000 in advance. The other man then spoke up and said FLOYD had caught them short on money, and that he would give RUBY $4,000 within three days to give to FLOYD. There was then a discussion about the date and manner of the killing, and RUBY then identified the Victim to be Governor JOHN CONNALLY of Texas. This man said FLOYD had from 30 to 60 days to complete the job, and there was no special way it was to be done. FLOYD suggested a rifle and this was agreeable. They had a few drinks and then FLOYD left for Fort Worth. On January 7, 1963, he was at his mother's house and received a telephone call from RUBY to meet him at the Fair Park Zoo that night at 9:30 P.M., as he had the rest of the money. FLOYD had no intention of killing Governor CONNALLY and instead planned to cheat RUBY out of the $5,000. RUBY was about 30 minutes late for the meeting and when RUBY held out the $4,000, FLOYD grabbed the money, kicked him in the groin, knocking RUBY to the ground. FLOYD pulled his revolver and planned to shoot RUBY but saw a police squad car go by so he turned and ran away from his car in the opposite direction. He heard a shot and the bullet struck him in the fleshy part of his leg just over the left ankle. This knocked him off his feet and in falling, dropped the $4,000 then got up and ran away without retrieving the money. When he got back to the apartment in Fort Worth that night. he awakened his wife, SHARON, and had her cut out the bullet with a razor blade.

The bullet was a .22 caliber shell and was close to the surface just under the skin. He told SHARON that he and KENNETH TAFT had been involved in a burglary and that the night watchman had shot him. She commented that it was unusual for a night watchman to be carrying anything as small as a .22 caliber.

On about January 10 or 11, 1963, he left Fort Worth and traveled in Texas, Oklahoma and New Mexico and on February 4, 1963, he was arrested in Globe, Arizona and has been in custody since that time.

Other than the patrons of the Vegas Club, he knows no one who actually saw him in the company of RUBY. He has told KENNETH TAFT of some of his associations with RUBY, but not any of his business dealings with RUBY.

He added that SHARON KAY HILTON can be located through the Lena Pope Home for Children in Fort Worth, Texas, as three of her children reside there.

FLOYD said he has never been afflicted with mental illness of any type, however, when angry he "goes out of his mind". He added that while in the Army in 1956, he had a fight with another soldier over a woman and he hit this soldier with a metal bar. FLOYD was put in the hospital for observation for a few days and was then released.

FLOYD was questioned as to whether he had ever tried to commit suicide and specifically whether he had attempted suicide in the Tarrant County Jail, Fort Worth. He said he definitely had not, but that while in jail in New Mexico, he had a fight with a Mexican who cut him with a knife several places on the arm and these had not healed completely when he was brought to Fort Worth for trial. He added that he had definitely not attempted to commit suicide.

AT HOUSTON, TEXAS

The following investigation was conducted by SA ROBERT E. WIATT:

On November 28, 1963, JACK HEARD, Assistant Director, Texas Department of Corrections, Huntsville, and ELI RUSHING, Warden, Eastham Prison Farm, Weldon, Texas, advised as follows:

Convict JAMES E. FLOYD, Texas Department of Corrections (TDC) Number 172555, incarcertated Eastham Prison Farm, advised Warden RUSHING, this date, that he was acquainted with JACK RUBY and in January of 1963, while FLOYD was fleeing from the law, he contacted RUBY and claims RUBY offered him $5,000 to kill Governor CONNALLY. FLOYD claims RUBY gave him $1,000.00 down payment. Claims that later when FLOYD refused to go along with the deal RUBY shot him in the heel.

TDC records reflect that FLOYD, while in the U. S. Army, was held under observation as possibly psycho; however, Warden RUSHING states FLOYD appears intelligent and mentally stable. Warden RUSHING made a tape recording of FLOYD's statements as above.

IN NINETEEN FIFTYTWO, HE TOOK OVER THE BOB WILLS RANCH HOUSE CLUB, LOCATED AT CORINTH AND INDUSTRIAL STREETS, AND OPERATED BOTH PLACES FOR A SHORT TIME, BUT SOON WENT BROKE AND LOST BOTH CLUBS. IN ABOUT NINETEEN FIFTYTHREE, HE WAS ABLE TO INTEREST JOE BONDS AND IRVING ALKANAN INTO TAKING OVER THE VEGAS CLUB WITH HIM. FOLLOWING THREE ZERO TWO BY SA HALL, NOVEMBER TWENTYFIVE AT DALLAS -

JACK RUBY WAS ADVISED THAT HE DID NOT HAVE TO MAKE A STATEMENT, THAT HE HAD A RIGHT TO TALK WITH A LAWYER BEFORE MAKING ANY STATEMENT, AND ANY STATEMENT HE MADE COULD BE USED AGAINST HIM IN A COURT OF LAW.

RUBY STATED HE WAS BORN MARCH TWENTYFIVE, NINETEEN ELEVEN, AT CHICAGO, ILL., AND ATTENDED THE SECOND YEAR OF HIGH SCHOOL BUT DID NOT COMPLETE THAT YEAR OF SCHOOL. HE PRESENTLY RESIDES AT APT. TWO ZERO SEVEN, TWO TWO THREE SOUTH EWING, DALLAS, TEX. HE OPERATES THE CAROUSEL CLUB AT ONE THREE ONE TWO AND ONE-HALF COMMERCE, AND THE VEGAS CLUB, THREE FIVE ZERO EIGHT OAK LAWN, IN DALLAS, TEX. HIS NAME AT BIRTH WAS JACK RUBENSTEIN, BUT HE HAD HIS NAME LEGALLY CHANGED TO JACK RUBY AT DALLAS, TEXAS, IN NINETEEN FORTYEIGHT OR FORTYNINE. HE HAS ALSO USED THE NAME JACK LEON RUBY. HE HAS LIVED IN DALLAS SINCE NINETEEN FORTYSEVEN, LIVING MOST OF THE TIME IN CHICAGO, ILL., BEFORE THAT TIME.

ON FRIDAY, NOVEMBER TWENTY SECOND, NINETEEN SIXTYTHREE, AFTER HE HEARD THAT PRESIDENT KENNEDY HAD BEEN ASSASSINATED, HE PLACED SIGNS ON THE DOORS OF BOTH OF HIS CLUBS, THAT BECAUSE OF THE DEATH OF THE PRESIDENT, THE CLUBS WOULD BE CLOSED. HE HAD NOT PLANNED ON OPENING THEM AGAIN UNTIL AFTER THE PRESIDENT/S FUNERAL, BECAUSE HE WAS ASHAMED THAT ANYONE WOULD WANT TO PARTICIPATE IN DANCING OR ANY ENTERTAINMENT AFTER THE ASSASSINATION. ON FRIDAY NIGHT, HE WENT TO HIS CHURCH, CONGREGATION SHEARITH ISRAEL SYNAGOGUE, FOR PRRAYER, AND REMEMBERED THAT RABBI SILVERMAN TOLD THOSE PRESENT THAT THIS TRAGIC EVENT SHOULD MAKE US ALL BETTER PEOPLE. HE LATER WENT TO A DELICATESSEN AND HAD SOME SANDWICHES MADE UP, AND DROVE DOWNTOWN AND CALLED DETECTIVE SIMS AT THE HOMICIDE AND ROBBERY BUREAU AT THE POLICE DEPARTMENT, TO SEE IF ANYONE THERE WANTED THE SANDWICHES. MR. SIMS TOLD HIM THEY HAD ALL EATEN, AND THE SANDWICHES WERE NOT NEEDED. RUBY EXPLAINED THAT HE HAS OPERATED NIGHT CLUBS IN DALLAS SINCE NINETEEN FORTYSEVEN, AND DURING THAT TIME HAS BECOME PERSONALLY ACQUAINTED WITH MANY MEMBERS OF THE DALLAS POLICE DEPARTMENT. THE OFFICERS HAVE BEEN VERY FAIR WITH

HIM, AND NOT ONE HAS EVER PUT HIS HAND OUT FOR EVEN ONE DIME. HE KNEW THAT THE POLICE OFFICERS WERE WORKING VERY HARD, AND HE JUST WANTED TO DO SOMETHING FOR THEM, SO HE THOUGHT HE COULD HELP THEM BY GETTING THEM SOME FOOD. AFTER HE TALKED WITH DETECTIVE SIMS, HE DECIDED TO CALL RADIO STATION KLIF IN DALLAS, TO SEE IF ANYONE THERE WANTED THE SANDWICHES. HE COULD NOT GET ANYONE TO ANSWER THE PHONE, SO HE WALKED OVER TO THE POLICE DEPARTMENT TO FIND SOMEONE THAT COULD GIVE HIM THE PHONE NUMBER IN THE ROOM WHERE THE BROADCASTS WERE BEING MADE AT KLIF. WHILE IN A HALLWAY AT THE POLICE DEPARTMENT, HE SAW THE OFFICERS ESCORTING OSWALD, THE MAN WHO KILLED PRESIDENT KENNEDY, DOWN THE HALL TO AN ASSEMBLY ROOM. HE HAD NEVER SEEN OSWALD BEFORE, AND DID NOT KNOW HIM. HE NOTICED THAT OSWALD HAD A BLACK EYE, AND HIS FACE WAS SCRATCHED, AND HEARD OSWALD MUMBLE SOMETHING AS HE PASSED BY HIM. OSWALD WAS IN THE ASSEMBLY ROOM FOR A FEW MOMENTS, THEN WAS BROUGHT BACK DOWN THE HALL AND TAKEN UP-STAIRS. HE LATER RETURNED HOME, WHERE HE WATCHED TELEVISION

BROADCASTS ABOUT PRESIDENT KENNEDY AND THE ASSASSINATION, AND READ THE NEWSPAPER ARTICLES ABOUT IT. THE FOLLOWING MORNING, HE DROVE DOWN TO THE SPOT WHERE PRESIDENT KENNEDY WAS KILLED, AND SPENT ABOUT AN HOUR THERE, TALKING FOR SOME TIME WITH POLICE OFFICER CHANEY, WHO WAS ON DUTY THERE. AFTER THAT, HE RETURNED HOME WHERE HE READ NEWSPAPERS AND WATCHED TELEVISION. WHEN HE WAS ALONE, HE CRIED A GREAT DEAL, BECAUSE PRESIDENT KENNEDY WAS HIS IDOL, AND HE WAS GRIEVED THAT THIS NUT OSWALD DID A THING THAT BROUGHT SUCH GRIEF TO THE PEOPLE OF DALLAS AND PEOPLE ALL OVER THE WORLD.

ON SATURDAY NIGHT, NOVEMBER TWENTYTHIRD, NINETEEN SIXTYTHREE, HE CALLED A FRIEND, TOM O/GRADY, WHO WAS FORMERLY A MEMBER OF THE DALLAS POLICE DEPARTMENT, AND TALKED WITH HIM ABOUT PRESIDENT KENNEDY -S DEATH, BUT HE DID NOT DISCUSS WITH O/GRADY ANYTHING ABOUT SHOOTING OSWALD, BECAUSE SUCH A THOUGHT HAD NOT OCCURRED TO HIM AT THAT TIME.

RUBY DECLINED TO GIVE A DETAILED ACCOUNT OF HIS ACTIVITIES, OR ANY OTHER NAMES OF PERSONS HE HAD BEEN IN CONTACT WITH DURING THE PAST FEW DAYS.

HE WAS ALSO UPSET OVER AN ADVERTISEMENT BY ONE BERNARD WEISSMAN IN THE DALLAS MORNING NEWS NEWSPAPER OF NOVEMBER TWENTY-SECOND, NINETEEN SIXTY THREE, CRITIZING PRESIDENT KENNEDY. RUBY SAID HE WAS PROUD OF THE FACT THAT HE WAS A JEW, AND WAS ASHAMED THAT ANYONE NAMED WEISSMAN WOULD CRITICIZE THE PRESIDENT.

RUBY SAID THAT MANY GRIEVANCES BUILT UP, APPARENTLY, UNTIL HE REACHED THE POINT OF INSANITY. HE READ IN THE NEWSPAPER ABOUT OSWALD HAVING A TRIAL, AND HE THOUGHT THAT OPRESIDENT KENNEDY/S WIFE WOULD HAVE TO RETURN TO DALLAS FOR THE TRIAL AND HE DID NOT THINK SHE SHOULD HAVE TO UNDERGO THAT ORDEAL. HE RECALLED THAT NOT TOO LONG AGO AN OFFICER OF THE DALLAS POLICE DEPARTMENT WAS KILLED BY A HOTEL MAN, AND THE HOTEL MAN BEAT THE DEAL AND WAS NEVER EVEN SENTENCED FOR THE KILLING. BECAUSE OF THIS, HE WAS AFRAID THAT IF OSWALD WERE TRIED IN COURT, HE MIGHT BE TURNED LOOSE. AS HE WALKED DOWN THE STREETS, HE NOTICED THAT PEOPLE WERE GOING ABOUT TTHEIR REGULAR ACTIVITIES, AND AT NIGHT THEY WERE IN CLUBS DANCING AND HAVING A

GOOD TIME, APPARENTLY NOT IN MOURNING OR GRIEVING CONTINUOUSLY AS HE HAD. HE FELT THAT THE CIVIC LEADERS OF DALLAS WERE VERY SINCERE IN THEIR SORROW, BUT WERE HELPLESS TO SHOW HOW MUCH THEY WERE GRIEVING. HE ALSO KNEW THAT THE OFFICERS OF THE DALLAS POLICE DEPARTMENT WERE HELPLESS TO DO ANYTHING TO OSWALD FOR KILLING PRESIDENT KENNEDY. HE SAID HE SAW ATTORNEY GENERAL BOBBY KENNEDY ON TELEVISION, AND THOUGHT HOW MUCH HE LOVED HIS BROTHER, THE PRESIDENT, AND HOW MUCH BOBBY KENNEDY WOULD LIKE TO DO SOMETHING TO OSWALD, BUT COULDN/ DO ANYTHING TO OSWALD. HE READ NEWSPAPER ARTICLES ABUT THE PRESIDENT/S CHILDREN, AND HE THOUGHT OF THE SORROW THAT HAD BEEN BROUGHT TO THEM. HE SAID HE WAS PROUD OF THE WAY THE CITY OF DALLAS HAD HANDLED RACIAL PROBLEMS, AND HE THOUGHT IT WAS THE GREATEST CITY IN THE WORLD, SO HE WANTED TO BE SOMETHING, BETTER THAN ANYONE ELSE.

RUBY SAID HE THOUGHT ABOUT THESE THINGS, AND HAD BECOME VERY EMOTIONAL. ON SUNDAY MORNING, NOVEMBER TWENTYFOUR, NINETEEN SIXTYTHREE, HE LEFT HIS APARTMENT AT ABOUT TEN A.M. AND DROVE HIS

WESTERN UNION OFFICE, AT THE CORNER OF MAIN STREET AND NORTH CENTRAL EXPRESSWAY. BEFORE HE LEFT HOME, HE PUT HIS REVOLVER IN HIS RIGHT COAT POCKET. HE HAD BOUGHT THIS REVOLVER, A SMITH AND WESSON THIRTYEIGHT SPECIAL CALIBER HAMMERLESS REVOLVER, TWO OR THREE YEARS AGO, AT RAY/S HARDWARE ON SINGLETON AVENUE, IN DALLAS, TEXAS. AFTER PARKING HIS CAR, HE WENT TO THE WESTERN UNION OFFICE, AND SENT A TWENTYFIVE DOLLAR MONEY ORDER TO AN EMPLOYEE, KAREN BENNETT, AT FT. WORTH, TEXAS, SO THAT SHE COULD GO BY THE WESTERN UNION OFFICE THERE AND PICK THE MONEY UP, AS SHE HAD REQUESTED HIM TO DO. KAREN BENNETT LIVES IN FT. WORTH.

SOMETIME AFTER SENDING THE TELEGRAM, HE ENTERED THE BASEMENT OF THE BUILDING WHERE THE POLICE DEPARTMENT IN DALLAS IS LOCATED, ENTERING FROM THE MAIN STREET SIDE. RUBY SAID HE DID NOT WISH TO SAY HOW HE GOT INTO THE BASEMENT, OR AT WHAT TIME HE ENTERED. HE DID SAY THAT NO ONE HELPED HIM IN ANY WAY TO ENTER THE BASEMENT OF THE BUILDING, AND HE DID NOT USE ANY PRESSBADGE OR HELP ANYONE MOVE IN CAMERA OR PRESS EQUIPMENT INTO THE BUILDING TO GAIN ENTRANCE. WHEN OSWALD WAS BROUGHT OUT THROUGH THE DOOR TO THE BASEMENT, RUBY SAID HE WAS STANDING AMONG THE PRESS REPRESENTATIVES. WHEN OSWALD PASSED NEAR HIM, RUBY PULLED HIS REVOLVER FROM HIS POCKET, PLACED THE REVOLVER NEXT TO OSWALD, AND FIRED ONE SHOT AT OSWALD. RUBY WAS IMMEDIATELY GRABBED BY THE POLICE OFFICERS AND TAKEN INTO CUSTODY.

RUBY SAID HE HAD NOT PLANNED TO DO THIS WHEN HE WENT INTO THE BASEMENT, BUT DECLINED TO SAY WHY HE BROUGHT HIS REVOLVER WITH HIM WHEN HE CAME DOWNTOWN. HE ALSO DECLINED TO GIVE ANY TO GIVE ANY REASON FOR SHOOTING OSWALD, EXCEPT TO SAY THAT IT WAS JUST A MOMENT OF INSANITY THAT OVERCAME HIS SANE REASONING WHEN HE SAW OSWALD.

RUBY SAID THAT BASICALLY, HE WAS A HUMANITARIAN, AND WAS NOT A JOINER OF ORGANIZATIONS. HE BELONGS TO NO CLUBS, OR GROUPS

OF ANY KIND, AND IS NOT A MEMBER OF ANY POLITICAL GROUP. HE HAS NO PARTICULAR POLITICAL PHILOSOPHY, AND WHEN HE VOTES, HE VOTES FOR THE MAN THAT HE THINKS WILL DO THE BEST JOB. HE SAID HE HAD NOT TALKED WITH ANYONE ABOUT SHOOTING OSWALD, HE MADE NO TELEPHONE CALLS, OR TOLD ANYONE DIRECTLY OR INDIRECTLY THAT HE INTENDED TO SHOOT OSWALD, AND HE MADE NO PLANS TO SHOOT OSWALD. HE SAID HE WAS NOT INVOLVED IN ANY CONSPIRACY WITH ANYONE, NO ONE ASKED HIM OR

HIS AUTOMOBILE IS A WHITE NINETEEN SIXTY OLDSMOBILE TUDOR SEDAN, AND HIS NINETEEN SIXTYTHREE TEXAS LIC IS BELIEVED TO BE PD SIX SEVEN EIGHT. Jack Ruby

Mr. Richard Berlin called and stated that Mr. Jack Cook, an employee of the Hearst Corporation who has charge of all their land, of one of their vice presidents' land, cattle, mines, etc., in the West, was in Mr. Berlin's office and was telling him that a San Francisco lawyer by the name of Harold [illegible] Tobin, 221 Geary Street, San Francisco, came to Mr. Cook's office the other day and said he had offered to represent this fellow Rubenstein; that he made a trip to Dallas; that he would be glad to tell the Hearst papers that Rubenstein was paid to kill Oswald and who paid him and Rubenstein was guaranteed that he would not be convicted of murder in the State of Texas. Mr. Berlin stated Mr. Cook does not know if Tobin is screwy or not but he is a lawyer in San Francisco. Mr. Berlin then put Mr. Cook on the line.

Mr. Cook said he does not know whether Tobin is just trying to get publicity or not but one of their more illustrious lawyers, Jake Erlich, volunteered to go to Texas and apparently was turned down. Mr. Cook stated Tobin happens to represent somebody with whom they do business; is some sort of an officer of the California Bar Association; in the course of that capacity in order to see American jurisprudence done, said he would go to Dallas and make some representation of this man (Rubenstein). Mr. Cook said Tobin came to his office and thought maybe he would bring some attention to himself and, in the course of so doing, made these statements.

Memorandum for Mr. Tolson, Belmont, Mohr, December 3, 1963
Conrad, DeLoach, Evans, Rosen, Sullivan

I asked if Tobin would be willing to talk to one of our men. Mr. Cook said he thought Tobin would be but he does not know whether Tobin is reliable or not; that none of the television networks apparently inquired of his volunteering representation and set up an interview to be put on the network; that in this regard Tobin told Cook the questions that were to be put to him were all taped and he felt they were so loaded that he chose not to partake of this interview. Mr. Cook said he believed the network was ABC and Tobin did not give them the interview.

Mr. Cook further stated they have a man with the San Francisco newspaper who has done some fairly outstanding jobs of reporting locally, a Mr. Montgomery; that Tobin said he would give Mr. Montgomery his story; that he (Cook) gave this to their San Francisco publisher but that he is not certain how much follow-up he has given.

I stated we have been getting a number of these stories but not one can be discounted.

Mr. Berlin remarked that you never know; that he asked if Tobin is a nut and Mr. Cook said he did not appear to be; that he is an attorney in San Francisco and is in the California Bar Association.

I indicated I would like to have our Agent in Charge, Mr. Lynum, personally see this Mr. Tobin. Mr. Berlin suggested Mr. Lynum first contact Mr. Montgomery. I then asked if he knew whether Montgomery knows about this yet. He did not. Mr. Cook said this happened just last week before he came to New York; that the publisher of the paper is in New York for a few days; and that they could find out from him if he knows whether the assignment of this has been given.

Mr. Berlin then suggested I not use his name or Montgomery's name; that we just ask him (Tobin) to give our man the story and see if he can develop it.

I then said I thought we should handle it as Mr. Berlin suggested; that I would get in touch with Mr. Lynum; that we will find out what Montgomery knows; and then will follow up and see Tobin this evening.

Mr. Cook then advised that Tobin told Cook that he (Tobin) had been asked by the FBI in Dallas or somewhere just not to stir up the waters because the FBI was in the process of preparing a report for the President

and would prefer not to have too many other people mixing in it. I stated I doubted our men would say that; that we have to cover everything in the report to the President; and that we could not choose just what we want to put in the report. Mr. Berlin remarked that this was Tobin's excuse at the moment that he had been asked to stay out until the FBI was through and that it sounds phony.

I told Mr. Berlin we would get in touch with Montgomery right away and then would be in touch with Tobin.

Very truly yours,

J. E. H.

RACIAL MATTER - NAZI

Subject arrested 11/22/63 by Madison P.D. on disorderly conduct charge arising from his loud comments in corridors of State Capitol at Madison to the effect that he regretted he had not had the opportunity to "eliminate" the late President KENNEDY himself.

On 11/26/63, ROBERT OLSON, State Parole Officer, Madison, advised that Subject has been committed to Central State Hospital for Criminally Insane for 60 days observation.

OLSON also advised that a Mrs. RAYE or RAE RYAN, 1409 Reetz Road, Madison, telephone CEdar 8-2550, gave him the following information:

Mrs. RYAN, believed to be a divorcee, has been friendly with REIERSON for some time and has been attempting to "straighten out his thinking." She is now very antagonistic toward REIERSON in view of his activities on 11/22/63.

Mrs. RYAN recalls that she was not home during the evening of 11/18/63 and when she returned home her babysitter advised her that there had been a long-distance phone call for Mrs. RYAN from Dallas, Texas earlier in the evening. No further details were given, the call was not repeated, and Mrs. RAYN does not know anyone in Dallas. She suggested that some American Nazi contact of REIERSON's in Dallas may have attempted to contact him through her, but she had no knowledge that REIERSON has any such contacts in Dallas.

repressive measures" in Angola. (See WORLD: Angola; Portugal.) The vote on the resolution was 9 to 0. Britain and France abstained. The U.S., though troubled at having to rebuke Portugal, a North Atlantic Treaty Organization ally, voted in favor of the resolution.

U.S. "Colonialism" Under Fire

Twice in 1961 the U.S. was reprimanded by the UN. In April, the General Assembly passed a vaguely worded appeal for lowering tensions after a bitter debate on Cuban charges of U.S. assistance in the invasion of Cuba. (See WORLD: Cuba.) The vote implied a criticism of the U.S. role.

In the second case, a UN mission to the Pacific islands called on the U.S. to make greater and faster efforts to bring self-government to the Micronesian islands in the Trust Territory of the Pacific Islands. The mission's report charged that the U.S. had seriously neglected the economy of the island groups which had been placed under U.S. administration after World War II.

Red China and Disarmament

For the first time, in the 16th General Assembly, the U.S. dropped its long fight to keep from debate the issue of admitting the People's Republic of China to the UN. (See WORLD: China, People's Republic of.) In December, however, the General Assembly voted 48 to 36, with 20 abstaining, not to seat Red China.

The following investigation was conducted by SA EDWARD F. FARRINGTON on 12/3/63:

At Milwaukee, Wisconsin

Mrs. MARGARITA REYES, 713A South 6th Street, Milwaukee, advised that she was born 52 years ago at San Diego, Texas, and has lived at her current address approximately four years. She stated that although she has lived in the United States practically all of her life, she has considerable difficulty speaking the English language, and that she has had only an 8th grade education.

Mrs. REYES advised that she has worked in the Cafe Michoacan, 604 West National Avenue, working there two months until recently when she was forced to quit due to having severely cut her hand.

Mrs. REYES advised that approximately one week before the ANTHONY J. BIERNAT abduction and killing she had observed three or more men come into the alley behind her house with a maroon automobile at approximately 2 PM in the afternoon; that they put this automobile into a garage which faces toward her residence from across the alley. She stated she believed that one of the

men was taking the lining off the left inside part of the trunk or otherwise repairing it. She related that she did not know the make, year or model of this car.

When Mrs. REYES referred to the BIERNAT murder at different times during her story she referred to it as having occurred six months ago, a year and a half ago and two years ago. For general information, ANTHONY J. BIERNAT, a juke box operator, was abducted and slain January 7, 1963, at Kenosha, Wisconsin, and was believed to have been killed by hoodlums of the Wisconsin area.

Mrs. REYES stated that after seeing pictures of LEE OSWALD and JACK RUBY in the paper in connection with the recent assassination of President JOHN F. KENNEDY and the killing of LEE OSWALD at Dallas, Texas, she believed that the men she had seen in the alley approximately a week or so before the BIERNAT murder were in her opinion possibly OSWALD and RUBY.

Mrs. REYES stated that the following are the descriptions of the men she saw put the maroon car into the garage in the alley:

No. 1 man

A dark-complected male who stood on the left side of the maroon automobile and to her appeared not very tall but very thin. She stated that his body resembled that of OSWALD based on the picture she saw of OSWALD on the TV. She estimated his age as 25 - 27 and his height as 5'3" to 5'4".

No. 2 Man

She stated this man was heavy and merely walked around observing the activity of the other men. This individual she believed resembled JACK RUBY. She estimated his height as 5'2", his age as 50 - 51 and his weight as 225 pounds.

No. 3 Man

This man appeared to be working on the lining in the trunk and had hair and face which she said resembled that of OSWALD. She described him as possibly having light blond hair, 5'11" and approximately 30 or 31 years of age.

The fourth male individual she stated she could not recall or give a description.

Mrs. REYES stated that approximately one week after the BIERNAT slaying at Kenosha, Wisconsin, she again saw No. 1, No. 2 and No. 3 men at about 4 PM in the afternoon; that they came into the alley in a hurry and parked the maroon car in the garage and departed in another old automobile, which might possibly have been a Chevrolet. Mrs. REYES stated she could not identify the year or model, but that it was so old that it had a running board on either side and that it was either a dirty green or blue. Mrs. REYES stated she did not get the license.

Mrs. REYES advised that she has seen No. 2 and No. 3 Men on more recent occasions, but not individuals No. 1 and No. 4. She recalled that the last time she saw the men who looked like OSWALD and RUBY was on September 14, 1963, at approximately 4 PM in the afternoon, at which time they appeared to have trouble getting the maroon car into their garage. She stated she has not seen these individuals since that date. Mrs. REYES stated that she was fairly certain of this date due to the fact that her hours at the restaurant had been changed on or about this time.

Mrs. REYES stated that at the time of President KENNEDY's assassination and OSWALD's slaying at Dallas, Texas, she had watched TV as much as she possibly could, both during the day and evening hours to "keep up" with what was happening. She admitted she was very "upset" about the whole affair.

While pointing to the door of the garage where the men reportedly had parked their maroon automobile, Mrs. REYES called attention to some chalk scrawling on the garage door which was approximately six inches in diameter and which was in the general form of a circle or was oblong. Mrs. REYES stated that this would be the figure of a head and that in the aperture where the mouth would be she could perceive the face of a clock. According to Mrs. REYES, the hands of the clock read twenty minutes to eleven and she stated that she believed that this was probably a signal or code for the men who had parked the maroon automobile.

Investigating Agent observed the chalk scrawling, but could see no resemblance to the figure of a head of a man, nor did there appear to be the face of a clock amid the various chalk lines. Further, it appeared the lines appeared to have no particular pattern and only by imagination could one figure be said to bear the resemblance to anything and this was some similarity to the letter "J."

Mrs. REYES stated that she has been going to the Milwaukee County Hospital for some time and that upon visits to the hospital she is given a prescription of pills periodically. She stated that when she takes these pills they make her "feel happy."

Inasmuch as there is no indication that OSWALD or RUBY were in this area at that time, no other investigation is being conducted by Milwaukee unless desired.

No inserts or FD-302's are being forwarded.

THEY ADVISED SHE WAS NOT A DIABETIC.

END PAGE FOUR

PERTAINING TO THEIR FATHER, THEY ADVISED THAT HE HAD BEEN A CARPENTER AND FOLLOWED THIS CRAFT THROUGHOUT HIS ENTIRE LIFE UNTIL HE DIED IN NINETEEN FIFTY EIGHT AT THE AGE OF EIGHTY NINE YEARS.

PERTAINING TO ANY INJURIES OF THEIR BROTHER, JACK, THEY STATED THEY KNEW OF NO SERIOUS ILLINESSES, EITHER PHYSICAL OR MENTAL, SUFFERED BY HIM. THEY STATED THAT HE HAD NOT BEEN WOUNDED DURING HIS MILITARY SERVICE, AND THAT TO THE BEST OF THEIR KNOWLEDGE, HE SPENT MOST OF HIS MILITARY CAREER AT KEESLER AIR FORCE BASE, BILOXI, MISSISSIPPI. THEY ADVISED THAT THEY DID NOT BELIEVE THAT JACK HAD ANY TYPE OF A PLATE IN HIS HEAD AND COMMENTED THAT IN AS MUCH AS HE WAS NEARLY BALD, THEY ARE SURE THEY WOULD HAVE SEEN SUCH A SCAR.

IN REGARD TO THEIR BROTHER JACK-S METHODS OF MAKING A LIVELIHOOD, THEY RECALL THAT FROM THE TIME HE LEFT HIGH SCHOOL

END PAGE FIVE

UNTIL THE TIME HE ENTIRED THE MILITARY SERVICE, HE COULD BE CLASSIFIED MAINLY AS A PEDDLER OR SALESMAN. HE WAS ALWAYS MAKING OR SELLING SOME NEW PROJECT IN THE NOVELTY LINE, SOLD PENNANTS AT THE BALL GAMES AND SCALPED TICKETS. HE SOLD MINITURE CESAR CHESTS AND EVEN AFTER THE WAR AND WHILE ENGAGED IN THE NIGHT CLUB BUSINESS IN DALLAS, HE ALWAYS WAS INTERESTED IN PROMOTING NEW LINES OF THIS TYPE. MRS. CARROLL INTERJECTED THAT THE DAYS BEFORE THE WAR WERE DEPRESSION YEARS AND THAT ALTHOUGH NONE OF THE FAMILY WERE EVER ON RELIEF, SHE HERSELF HAD ALMOST TWENTY-JOBS IN ONE YEAR. SHE RECALLED THAT AT ONE TIME PRIOR TO THE WAR, JACK OBTAINED A JOB SELLING MAGAZINES AND JOURNEYED TO SAN FRANCISCO WITH THE CREW WHERE HE STAYED FOR ONLY A SHORT TIME.

FOLLOWING HIS MILITARY SERVICE, JACK JOINED HIS BROTHERS HYMAN AND EARL IN THE OPERATION OF THE EARL NOVELTY COMPANY,

END PAGE SIX

HOWEVER, THEY HAD A FALLING OUT OVER THE OPERATION OF THIS COMPANY AS JACK, AT TIMES, WOULD BUY WHAT THEY CALLED QUEER MERCHANDISE FOR WHICH THERE WAS NO MARKET AND WHICH WOULD REQUIRE AN EXTENSIVE OUTLAY FOR MANUFACTURE. THEY THEN RECALLED THAT IT WAS AT APPROXIMATELY THIS TIME THAT JACK DECIDED TO MOVE TO DALLAS, TEXAS TO ASSIST HIS SISTER, EVA, IN THE OPERATION OF THE SILVER SPUR NIGHT CLUB. MRS. CARROLL STATED THAT IN THIS VENTURE, SHE INVESTED ONE THOUSAND DOLLARS BUT HAD NEVER RECEIVED ANY DIVIDENDS IN RETURN FOR THIS INVESTMENT. SHE COMMENTED THOUGH THAT JACK HAD ALWAYS SENT MONEY TO ASSIST IN THE MAINTENANCE OF THEIR FATHER UNTIL THE TIME TZUR

BOTH WOMEN ADVISED THAT THEY HAD BEEN READING ARTICLES IN THE CHICAGO PAPERS LINKING THEIR BROTHER, JACK, RUBY, WITH NIGHTCLUBS AND HOODLUMS IN THE CHICAGO AREA PRIOR TO HIS GOING TO DALLAS, TEXAS. BOTH WOMEN EMPHATICALLY STATED THAT TO THEIR KNOWLEDGE HE WAS NEVER AFFILIATED WITH, OPERATED, OR OWNED OR MANAGED ANY NIGHTCLUB OR TAVERN IN THE CHICAGO AREA. FURTHERMORE, HE NEVER KNOWINGLY ASSOCIATED WITH ANY KNOWN HOODLUMS UNLESS PERCHANCE THEY MAY HAVE GROWN UP WITH HIM IN THE NEIGHBORHOOD. SPECIFICALLY, MRS. CARROLL STATED SHE HAS HEARD THE NAME LEONARD PATRICK, WHO IS CONSIDERED TO BE A CHICAGO AREA HOODLUM, AND STATED PERHAPS HE GREW UP IN THE AREA WITH JACK BUT IS QUITE SURE THEY WOULD HAVEE.

O.

PERHAPS HE GREW UP IN THE AREA WITH JACK BUT IS QUITE SURE THEY WOULD HAVE NO MORE THAN A SPEAKING ACQUAINTANCE. REGARDING OTHER ASSOCIATIONS AND ACTIVITIES, THEY ADVISED THAT IN ABOUT NINETEEN THIRTYNINE, HE BECAME ACQUAINTED WITH MR. LEON COOK, AN ATTORNEY WHO WAS THE SON OF A JUNK DEALER AND ORGANIZED A JUNK HANDLERS UNION. THEY RECALLED THAT COOK FELT THAT THE JUNK HANDLERS WERE NOT MAKING ENOUGH

MONEY AND JACK WAS HIRED BY COOK TO HELP ORGANIZE THE UNION. COOK WAS MURDERED IN CHICAGO, ACCORDING TO THE WOMEN, BY A HOODLUM NAMED MARTIN AND IN THIS CASE MRS. CARROLL STATED POSSIBLY JACK WAS QUESTIONED BY THE POLICE, BUT HE MOST CERTAINLY WAS NOT ARRESTED, NOR DETAINED IN ANY MANNER IN THE CASE. THEY ALSO POINTED OUT THAT THEIR BROTHER JACK/S ASSOCIATION WITH THIS UNION DID NOT EXCEED A PERIOD OF TWO MONTHS.

THEY COMMENTED THAT DURING THE PERIOD WHEN HE ATTENDED MARSHALL HIGH SCHOOL, HE BECAME KNOWN AS SPARKY BECAUSE OF HIS YOUTHFUL APPEARANCE AND ENERGETIC ATTITUDE. ALSO, DURING THE PERIOD BEFORE THE WAR, THEY RECALLED THAT HE HAD GOTTEN INTO A FIGHT WITH A GROUP OF NAZI SYMPATHIZERS IN THE AREA OF WHITE CITY, A CHICAGO NEIGHBORHOOD. THEY STATED JACK SHOULD NOT BE CONSIDERED A STREET BRAWLER, HOWEVER, HE DID NOT HESITATE TO TAKE SOMEONE/S PART IN A FIGHT IF HE FELT THE INDIVIDUAL WAS UNJUSTLY WRONGED. THEY ALSO STATED THEIR BROTHER, JACK, ALWAYS HAD A STRONG FEELING OF AFFECTION AND ADMIRATION FOR PEOPLE IN THE PUBLIC

EYE. THEY COMMENTED THAT HE HAD HAD BUSTS OF ROOSEVELT AND MAC ARTHUR MADE WHICH HE KEPT IN HIS ROOM, AND THEY CLASSIFIED HIM QUOTE AS A PATRIOTIC KID, END QUOTE.

PERTAINING TO HIS MOVE TO DALLAS, THEY ADVISED THAT THE CLUB HE JOINED HIS SISTER IN OPERATION WAS THE SILVER SPUR AND THIS WAS A QUOTE SET UP, UNQUOTE, CLUB, WHERE DANCING WAS PROMOTED. SINCE THAT TIME HE HAS BRANCHED OUT INTO OTHER CLUBS AND IN FACT HE HAD THE FIRST KEY CLUB IN DALLAS. THE KEY CLUB WAS FREQUENTED BY MANY DOCTORS, LAWYERS AND WAS THE FAVORITE OF MANY POLITICIANS. THEY STATED THAT IN THIS REGARD THEIR BROTHER, JACK, HAD RECENTLY STAGED A STAG PARTY FOR THE BENEFIT OF THE TEXAS BAR ASSOCIATION. THEY REITERATED THAT THEIR BROTHER, JACK, WAS A VERY POPULAR AND WELL KNOWN FIGURE AMONG POLICE OFFICIALS IN THE CITY OF DALLAS, TEXAS.

AS POINTED OUT ABOVE, BOTH WOMEN REQUESTED TO BE INTERVIEWED TOGETHER AND DURING THE COURSE OF THE INTERVIEW CORRECTED EACH OTHER AS TO THE TIMES, DATES, AND EVENTS THAT TOOK PLACE IN THEIR COLLECTIVE LIVES, AND THEREFORE ALL STATEMENTS SET FORTHABOVE CAN BE CREDITED TO EACH. IT IS NOTED MARIAN

CARROLL AT TIMES WOULD BREAK INTO TEARS IN DISCUSSING THIS SITUATION IN DALLAS. BOTH STATED THEY WERE GREAT ADMIRERS OF PRESIDENT KENNEDY AND FEEL GREATLY FOR HIS WIDOW AND CHILDREN. ONCE AGAIN THEY STATED THAT THEY CAN OFFER NO PLAUSIBLE REASON WHY THEIR BROTHER SHOT LEE OSWALD, OTHER THAN THAT HE WAS A GREAT ADMIRER OF THE PRESIDENT AND IS AN EMOTIONAL MAN.

BOTH WOMEN COMMENTED THAT THEY FEEL THEIR FAMILY ARE VERY PATRIOTIC AMERICANS AND ARE EXCEEDINGLY HAPPY THAT THEIR PARENTS HAD BEEN ADMITTED TO THIS COUNTRY FROM POLAND, THEY HAVE FELT REMORSE FOR RELATIVES THAT THEY KNOW STAYED BEHIND IN THE OLD COUNTRY, WHOM THEY HAVE NEVER HEARD FROM AND ASSUME WERE MURDERED BY THE NAZIS.

JACK LEON RUBY;
LEE HARVEY OSWALD - VICTIM (DECEASED)

Mr. CHARLES THOMAS MITCHELL, JR., also known as CHUCK MITCHELL, permanent address 1626 K Avenue, Bridgeport, Connecticut, temporary address 5017 Scott Street, Houston, Texas, who is employed as a night club singer and who was temporarily stopping at the Villa Capri Motel, Austin, Texas, on November 26, 1963, advised that he has known JACK RUBY for approximately six years, having met him at a memorial service for a Dallas television star by the name of "TINY" GRANT about six years ago.

At that time RUBY came backstage where the actors and singers in Dallas were putting on a show to raise money for GRANT. At that time RUBY had contributed the services of an orchestra which he had playing in his night club to be utilized in the show raising money for GRANT's widow.

MITCHELL advised that he at no time has ever actually worked for RUBY, but that RUBY had offered to hire him to entertain in his club but MITCHELL had never had any sparetime in which to accept such an engagement. He advised that he is on very friendly terms with RUBY, and considers him a personal friend. He referred to RUBY as a very, very emotional man and pointed out that he has seen RUBY fire a girl in his night club whom RUBY suspected of "soliciting" in the club.

friendly with the Dallas Police Department and that it was his feeling that RUBY had numerous friends among the policemen on the Dallas Police Force. He does not know specifically any individual on the Dallas Police Force who were friendly with RUBY, but has been in RUBY's club on numerous occasions and observed policemen talking to RUBY.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

JACK LEON RUBY

MITCHELL knows RUBY to own the Vegas Club in Dallas, Texas, and to have some sort of working interest in the Carousel Club in Dallas. He pointed out the Carousel Club was previously known as the Sovereign Club. MITCHELL stated that RUBY at one time invited him to purchase an interest in the Sovereign Club when RUBY was running the club under that name. He advised that RUBY has a sister, ROSE (last name unknown). MITCHELL has no knowledge of RUBY's activity prior to his coming to Dallas, Texas, and has never heard him speak of any activity prior to his arrival in Dallas. He advised that RUBY was the type of fellow that made a very desperate effort to make friends and that he was a very sentimental type person. He pointed out that RUBY was fond of pets and had four or five dogs. Insofar as he was able to tell, RUBY had no real enemies of any sort and he was not interested in political matters at all. He pointed out that he has never known RUBY to be interested in, or crusade for, any particular cause and has never heard him mention the Fair Play for Cuba movement or any Communist Party activity of any type.

MITCHELL advised that he does not know definitely, but does not feel that RUBY was acquainted with LEE HARVEY OSWALD. He advised that RUBY was a 100 per cent American and that if a fellow like OSWALD, who was of a reputation of having been active in the Fair Play for Cuba, had been in the audience in RUBY's night club, RUBY no doubt would have asked him to leave due to the fact that RUBY is a man of strong likes and dislikes.

MITCHELL further pointed out that RUBY was not an individual who had any racial bias or prejudice and that RUBY hired the first Negro "limbo entertainment" to come to Dallas and that he had Negro performers in many of the shows in his club.

MITCHELL advised that due to the fact that RUBY was running a club where beer was sold and where people did considerable drinking, it was natural that RUBY would be

POLYGRAPH REPORT

On 11/30/63 JAMES EUGENE FLOYD, JR. was interviewed with the use of the polygraph, in the Warden's Office, at Eastham State Prison, Weldon, Texas, by SA C. RAY HALL, with SA ROBERT J. STEVENS of the Dallas Office and SA ROBERT E. WYATT of the Houston Office present during the interview. FLOYD signed a consent to interview with polygraph on November 30, 1963. This interview was authorized by Inspector JAMES R. MALLEY, of the Bureau.

During the interview with FLOYD, he was asked relevant questions relating to whether he knew JACK L. RUBY of Dallas, Texas, and whether RUBY had ever asked FLOYD to kill Governor JOHN CONNALLY of Texas. Significant emotional responses were recorded by the polygraph, when FLOYD was asked whether he intended to answer questions truthfully; whether he ever knew JACK L. RUBY, or whether RUBY ever asked FLOYD to kill Governor JOHN CONNALLY. FLOYD answered yes to all these questions. The responses recorded by the polygraph were not those normally expected of an innocent person telling the truth.

When questioned concerning these responses, FLOYD admitted that JACK L. RUBY had never asked him to kill Governor JOHN CONNALLY or any other person, and RUBY had never paid FLOYD any money for anything. FLOYD claimed, however, that in March, 1956, he and his first wife MARY KATHERINE (who is now Mrs. IRA CAVINESS of Dallas, Texas) were living on Center Street in Dallas, Texas. He made a trip to Alabama with his father and returned to Dallas unexpectedly. A man whom his wife said was JACK RUBY came by his house, expecting to have a date with FLOYD's wife and FLOYD ran the man off. That night, according to FLOYD, FLOYD's wife asked him to commit an unnatural oral sex act on her. Because of this request, he assumed that RUBY had engaged in this act with FLOYD's wife, during the time FLOYD was in Alabama, although his wife never told him that this occurred. FLOYD said that this one time was the only time he had ever seen the man believed to be JACK RUBY. For this reason, after he had seen on television and read in the newspapers, the story about RUBY killing OSWALD, he decided to do something to get even with RUBY, and made up this fictitious story that RUBY had paid him to kill Governor CONNALLY. Following this admission, FLOYD was very emotional, and stated he did not want to be interviewed further with the polygraph.

The polygraph charts and questions used in this interview are being retained in the files of the Dallas Office.

Synopsis: Contact with recruitment informants, sources of information and major law enforcement agencies in Oregon has not disclosed any information concerning OSWALD or RUBY. HELEN HAFFER, entertainment, Portland, Oregon, states she broke engagement with RUBY at Carousel Club, Dallas, Texas, January 1963 because he was unstable. GEORGE WILLIAM FERRENBACH, Jerome, Medford, Oregon, expresses opinion that one JACK FERNSTEIN whom he knew in Muncie, Indiana, in 1941 is and was believed to be connected with communist activities, is identical with JACK RUBY, Dallas, Texas. J. PAT HOYLE, Portland, Oregon, furnished motion picture film taken August 1963, at New Orleans, Louisiana, which may contain photographs of OSWALD engaging in pro-Cuban demonstration.

DETAILS:

Contact with logical informants and sources of information familiar with gambling activities, the entertainment field, some activities of the Communist Party in Oregon and contact with the major law enforcement agencies in Oregon has not disclosed any information concerning LEE HARVEY OSWALD and JACK LEON RUBY.

On November 25, 1963, HELEN HAFFER volunteered the following information concerning JACK LEON RUBY and furnished the following voluntary signed statement:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

"November 25, 1963
Portland, Oregon

"I, Helen Harper, make the following voluntary statement to James Allen Benbrook and William S. Brown, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I have been advised that this statement may be used in a court of law.

"For the last seven years I have been a stripper and my stage name is Honey Harper. I am 28 years of age having been born April 5, 1935 at Birmingham, Alabama. I presently reside at the Commodore Hotel, Portland, Oregon.

"While at Des Moines, Iowa in December, 1961, I received a booking through the Mike Riaff Agency, St Louis, Mo. to go to the Carousel in Dallas, Texas. I started to work for Jack Ruby at the Carousel, Dallas, about two days after Christmas, 1961 on a week to week contract. After about two and one half weeks of working for Ruby I quit, mainly because JACK RUBY was always getting upset, and on some occasions would haul off another employee or haul me out, and then turn around and apologize for his actions. Because of these actions I thought RUBY was kooky and unstable.

"During this period of time while I was at the Carousel the master of ceremonies and comic was Bobby O'Day and on a couple of occasions in the middle of his act, RUBY would go up to the raised stage and haul him out for one thing or another and then later apologize, but would then turn around and do the same thing again.

"I have not seen or heard from Jack Ruby since the time I left the Carousel in January, 1962.

"I have read this this one page typewritten statement, and it is true and correct to the best of my knowledge.

Date December 1, 1963

On November 25, 1963 GEORGE WILLIAM FEHRENBACH, Jeweler, Medical Center Building, Medford, Oregon, volunteered the following information:

"Ashland, Oregon
November 25, 1963

"I, George William Fehrenbach, make the following voluntary statement to James J. Mullaney and J. Eldon Dunn who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I have been advised that I am not required to make a written statement but do so of my own free will and I am willing to testify in a court of law to the information contained herein.

"I was born March 8, 1926, in Muncie, Indiana.

"When I was sixteen years old I left school and took a job with Sam Jaffe as a jeweler apprentice. His store was located on Walnut Street between Jackson and Adams Streets in Muncie, Indiana. There was a group of men in the neighborhood who talked to me about the Communist Party and about Russia and I believe that they were members of the Communist Party. They were Phillip Jasser, of Jasser's Clothing Store on Mulberry Street; Lawson Jaffe, who owned Lawson's Jewelers on Walnut Street; and Morton Standt, who owned Standt's Jewelery Store on Jackson Street, and he also owned Roger's Jewelers on Walnut Street.

"About six months to a year after I started work for Sam Jaffe a group of people came down from Chicago and I believe they were going to hold a meeting in Muncie. The group I have named were going to attend the meeting and I believe the meeting had something to do with the Communist Party or with Russia. It was to be held in a union hall upstairs from the store where I worked or in the Jewish meeting hall. The son-in-law of Sam Jaffe was one of the people who came from Chicago and he brought with him a man who was introduced to me as Jack Rubenstein (ph).

"Last night I saw the picture of Jack Ruby on television and at that time I did not think any more about it. Today while I was at work it came to me suddenly that Jack Ruby is the same person who was introduced to me in Muncie, Indiana, as Jack Rubenstein.

"As I remember it Jack Rubenstein came to Muncie, Indiana, twice with the son-in-law of Sam Jaffe before I went in the Navy. Both times they were there to attend a meeting with the group that talked to me about the Communist Party. I recall that Jack Rubenstein was in show business in Chicago as he showed me a few card tricks and reading from a folded piece something I had written. He also brought with him a very tall blond girl who was in show business.

"I went in the Navy on 6-11-44 and was discharged on 6-21-46. I then went back to my job with Sam Jaffe.

"Shortly after my first boy was born in June 1947, there was another meeting held and Jack Rubenstein came again from Chicago with the son-in-law of Sam Jaffe. This meeting was held in the union hall above the Jaffe store. The next morning after the meeting I was sent up to the union hall to get a chair that had been taken up there from the store. Up in the hall I saw a list of names on a table. There were ten typewritten pages of names. The first names as I remember them were Lessor Jaffe, Phillip Jaffey, Herbert Fazel, Morton Fazel, Morton Brands, and Jack Rubenstein. I took this list of names to Muncie Police Headquarters, an uncle to my wife, who was on the Muncie Police Department. He said he would turn the list over to the FBI.

"Tonight I have been shown the picture of Jack Ruby in the Oregon Journal, 11-25-63, and this is a very good likeness of the person who was introduced to me as Jack Rubenstein. He appears older and the hair line is a little higher. I have also been shown the picture of Jack Ruby on page twelve of the Oregonian, 11-25-63, and this picture does not look like Jack Rubenstein. I have also been shown the picture of Jack Ruby in the San Francisco Examiner - page D, 11-25-63, and this picture looks like Jack Rubenstein except the hair line is higher and Ruby appears heavier.

"After the meeting when I got the list I never saw Jack Rubenstein again.

"I never saw any membership cards of the people who talked to me about the Communist Party and they did not directly say

they were members but they told me I should join the Communist Party and 'get on the right side of the fence before it was too late.'

"The last time I saw Jack Rubenstein I would describe him as follows: 30 to 35 years of age, height about 5'10" to 6', 165 to 175 pounds, no scars or marks or anything unusual I can remember but he almost always wore a hat.

"When the son-in-law of Sam Jaffe and Jack Rubenstein traveled from Chicago to attend the meetings I think they came by auto but I do not remember seeing it.

"I have read the above statement & to the best of my memory it is true.

"/s/ George William Fehrenbach

"Witnessed:
/s/ James J. Mullaney, Special Agent, FBI, Medford, Oregon
/s/ J. Eldon Dunn, Special Agent, FBI, Medford, Oregon"

FEHRENBACH advised that SAM JAFFE died in 1959 or 1960 at Miami Beach, Florida, but was buried in Chicago where FEHRENBACH believed his widow still lives. FEHRENBACH said that SAM JAFFE had two daughters, CHARLOTTE and another, name unknown, who was married to the above son-in-law. FEHRENBACH believed that the FAZOLs and STANDS are still in Muncie where the FAZOLs once operated a jewelry store at Jackson and Walnut Streets. FEHRENBACH believed that LAWSON JAFFE sold his store in Muncie and went to Dayton, Ohio, about ten years ago and that JAFFE is deceased.

FEHRENBACH stated that in addition to serving in the Navy, with honorable discharge, he also served in the Korean War, 1950 to 1951, with hardship discharge. He married PHYLLIS SWALLOW, a native Muncie girl, on July 27, 1946.

Mrs. J. Making the trip with them were their two young children, JIM, age 14, and SHARON, age 12.

Accompanying the DOYLEs to New Orleans were Mr. and Mrs. MATT WILSON of Portland and their two children, MARSHA, age 13, and DONALD, age 11. Mr. WILSON attended the convention with Mr. DOYLE.

On the afternoon of Friday, August 9, 1963, at about four o'clock, the two families were walking along Canal Street in New Orleans, some five blocks toward the Mississippi River from the Jung Hotel. Mrs. DOYLE and Mrs. WILSON, with their daughters, were walking approximately a quarter of a block in front of Mr. DOYLE, Mr. WILSON, and the boys. About the middle of the block, they passed two young men who were carrying signs, which bore pro-Cuban wording. One of the men was carrying a placard on a stick and the other wore on his front, a yellow or orange colored sign which, as part of its wording, said, "Viva la Fidel." The two men also were carrying leaflets in their hands.

Shortly after the women passed these men, a disturbance started when other individuals, who had the appearance of Cubans, started arguing with the demonstrators. The placard was smashed, and the leaflets scattered on the sidewalk. Police officers soon appeared, however, and prevented further trouble. They also placed the two young men in a patrol car, along with the pieces of the placard, and took them from the scene.

During the difficulty, motion pictures were taken of the incident by young JIM DOYLE.

Since the assassination of President KENNEDY, Mrs. DOYLE and her family viewed the pictures taken by her son and had agreed that the demonstrator who wore the yellow-colored sign strongly resembled photos they had seen of LEE HARVEY OSWALD.

MATT WILSON, 14714 NE Hancock, Portland, Oregon, operator of the Wilson Construction Company, at the same address, advised that he attended an electrical contractors' convention in New Orleans, Louisiana, in August, 1963. He was accompanied by J. PAT DOYLE of Portland, who also is in the electrical construction business.

Both men were accompanied by their wives and children. Mr. WILSON's family consisted of his wife and two children, a daughter, MARCHA, age 13, and a son, DONALD, 11. The DOYLE family was made up of Mr. and Mrs. DOYLE and their two young children, JIM, age 14, and SHARON, 11.

In the afternoon of Friday, August 9, 1963, at about four o'clock, the two families were walking along Canal Street in New Orleans. Mrs. WILSON and Mrs. DOYLE and their two daughters were walking approximately a quarter of a block ahead of their husbands and two sons. The location of the entire group was some five blocks toward the Mississippi River from the Jung Hotel.

As Mr. WILSON and his companions reached a point about the middle of the block, they noted a young man who was wearing a yellow-colored sign on his front and carrying leaflets in his hand. The sign bore pro-Cuban wording, including the words, "Viva la Castro" or something similar. There were other words which favored Cuba, but which Mr. WILSON could not remember.

About the time that this young man was observed a group of individuals who appeared to be Cubans approached and took issue with him. Police officers soon arrived on the scene and prevented further trouble, but not before the leaflets were torn from the man's hand and scattered on the sidewalk.

Mr. WILSON seemed to recall that during the difficulty, a placard on a stick was leaning against a light post nearby. He could not recall any of the wording thereon.

The young demonstrator eventually was placed in a police patrol car and taken from the scene.

During the incident, motion pictures were taken by young JIM DOYLE.

FEDERAL BUREAU OF INVESTIGATION

Date November 29, 1963

Mrs. MATT WILSON, 14714 NE Hancock, Portland, said that she accompanied her husband to New Orleans, Louisiana, in August, 1963. Mr. WILSON attended an electrical contractors' convention, and Mrs. WILSON and their two children, MARSHA, age 13, and DONALD, 11, made the trip with him. They were accompanied by Mr. and Mrs. J. PAT DOYLE of Portland and their two children, JIM, age 14, and SHARON, 11, since Mr. DOYLE attended the convention with Mr. WILSON.

At about four o'clock in the afternoon of Friday, August 9, 1963, the two families were walking along Canal Street in New Orleans, the two women and the two young girls preceding their husbands and the boys by about a quarter of a block. The location was approximately five blocks toward the Mississippi River from the Roosevelt Hotel.

As the women reached a point about the middle of the block, they noticed a young man who was wearing some kind of a sign. At about the same time, a group of individuals on the sidewalk who apparently disagreed with the young man, approached him and started to argue. Since trouble appeared imminent, Mrs. WILSON and Mrs. DOYLE hurried with their young daughters on along the sidewalk, away from the immediate trouble zone. Police officers arrived almost immediately, however, and prevented further difficulty. They took the young demonstrator from the scene in a patrol car.

Mrs. WILSON said that she did not note any of the wording on the sign worn by the demonstrator.

During the incident, young JIM DOYLE took notice pictures of the difficulty.

In response to instructions set forth in Bureau teletype to all SACs dated 11/25/63 under caption, JACK LEON RUBY, aka; LEE HARVEY OSWALD, aka - VICTIM - DECEASED; CIVIL RIGHTS, the following criminal informants affiliated with or familiar with gambling matters, Albuquerque Division, were contacted on 11/25/63 with negative results:

On November 25, 1963 [redacted] advised SA W. J. WILKINSON, JR., Farmington, New Mexico, that she once met JACK RUBY in an unknown hotel in Dallas, Texas, many years ago. The informant was unable to recall the hotel or other people during this contact. Informant has never met victim.

On 11/25/63, [redacted] advised SA STUART J. CAMERON at Albuquerque, New Mexico, that approximately eleven months ago he met JACK RUBY at the Carousel Club in Dallas, Texas. Informant met RUBY through JACK HARDEE, JR., and when the informant mentioned that he was from Albuquerque, RUBY advised that LOU LEBBY at Albuquerque was a good friend. The informant learned through HARDEE that RUBY came to Dallas, Texas, from Chicago and that a "Jewish boy" had the particular section of town where the Carousel is now located "all sewed up." Informant states RUBY had a difficult time breaking into the area, but that he is now quite well off along with the "Jewish boy," who also has a joint located one block from the Carousel in an upstairs location.

HARDEE mentioned to [redacted] that RUBY had a "good in" with the Dallas Police Department. The informant states this would be borne out from his observation by the fact that RUBY had a B-girl operation where drinks were pushed heavily and they had no interference from the Police Department. The informant knew of no specific connections with the Police Department and only personally engaged RUBY in conversation for five to ten minutes. Informant stated he is not aware of any Chicago underworld connections of RUBY or any subversive or extremist connections. He did not know of any relationship between the subject and the Fair Play for Cuba Committee or any association between OSWALD and RUBY.

It is noted that JACK HARDEE, JR., aka is presently a fugitive and the subject of a UFAP - FORGERY investigation of which the Savannah Division is Office of Origin (Bufile: 88-21156).

AQ 89-27

On 11/25/63, [redacted], Albuquerque, New Mexico, who requested his name be maintained in complete confidence, admitted formerly being a bookmaker in Chicago over fifteen years ago. He advised Special Agent STUART J. CAMERON he is acquainted with JACK RUBY, known to him as SPARKY RUBENSTEIN, who lived in the same general area in Chicago. He did not become too well acquainted with SPARKY until they grew up and [redacted] knew RUBY's father as the "neighborhood drunk."

[redacted] described SPARKY as somewhat emotionally unstable. [redacted] stated SPARKY made his living primarily from "scalping" tickets to sports events in the Chicago area and at one time traveled throughout the country selling punch boards which [redacted] stated was prior to the Senator KEFAUVER investigations. [redacted] described the subject as an extremely stubborn person and a publicity hound; therefore, [redacted] did not think it unusual when newspapers reported that RUBY was more upset over the death of the President than the death of his own father. He stated that he was surprised when SPARKY killed OSWALD, advising that he would think it more proper that RUBY would shoot him in the leg with a .22 in order to get publicity.

[redacted] did not see SPARKY for more than twenty years until [redacted] visited Dallas, Texas, about one and a half years ago. He looked up SPARKY, whose Carousel Club is across the street from the Adolphus Hotel, and they talked briefly of old times.

[redacted] knew of no specific connections SPARKY may have had with the Dallas Police Department, but stated that many policemen knew him and he was well liked. [redacted] was not aware of any underworld connections which RUBY may have had and knew of no particular reason for RUBY's leaving Chicago. [redacted] states SPARKY, to his knowledge, had no extremist or subversive views whatsoever and had no contact with organized criminal or hoodlum element. [redacted] further advised that he was not personally acquainted with OSWALD and knew of no connection of OSWALD and RUBY, or any connection which RUBY may have had with the Fair Play for Cuba Committee.

Concerning RAY PUGH, 1571 Bridge St. SW, Albuquerque, New Mexico, as mentioned in the details of this report, a review of the indices of the Albuquerque Division shows that ROBERT RAY PUGH, aka Ray Pugh, same address, was the victim in a case entitled "JOE MARTINO, aka Joe Sanchez; LUCILLE PUGH; FELIX L. PUGH- VICTIM; ROBERT RAY PUGH - VICTIM, EXTORTION."

The report of SA ROY I. MISCHKE dated December 18, 1950, at Albuquerque shows that the victims received a non-specific note left by subject MARTINO on their property at 1571 Bridge St. on July 20, 1950, which the victim interpreted along with an oral statement of MARTINO to be a demand for $10,000 made under the threat of informing on violations of income tax laws. Investigation revealed that subject MARTINO actually made a report to the Bureau of Internal Revenue at Albuquerque on July [illegible], 1950, and that the Bureau of Internal Revenue attempted to collect about $16,000 from the victims. United States Attorney at Albuquerque declined prosecution of subjects on the extortion matter under Section 873, Title 18, U. S. Code on December 12, 1950, in that there was no direct demand made to the victims under threat or force in violation of Federal law and no evidence of intention on the part of either subjects to withhold information for payment of money.

The Albuquerque indices also reflect that ROBERT RAY PUGH was the original complainant in the case entitled "RICHARD C. BRUCE, IMPERSONATION" in which PUGH claimed that his parents, Mr. and Mrs. FELIX L. PUGH, 1571 Bridge Street, Albuquerque, had been visited by BRUCE who informed them with shouts and gestures that he was the FBI and that their fine would be $19,700 in taxes. This allegedly occurred on August 3, 1950, but was not reported to the FBI until August 24, 1951. Investigation reflected that RICHARD C. BRUCE was actually employed as a Deputy Collector, U. S. Bureau of Internal Revenue, Albuquerque, New Mexico. It is noted that BRUCE had appeared at the FBI Office, Albuquerque, New Mexico on November 14, 1950, and advised that the PUGHs had actually accused him of such misrepresentation but that the accusation was false and he had carefully explained his true position and displayed proper credentials. BRUCE stated that he feels sure that FELIX PUGH and ROBERT RAY PUGH were merely using this allegation in an attempt to discredit the Bureau of Internal Revenue.

AQ 89-27
SJC:fd

The matter concerning BRUCE was discussed with United States Attorney, Albuquerque, December 28, 1951, who declined prosecution of BRUCE inasmuch as investigation did not reveal any substantiation of the original allegation made by the individuals under investigation for violation of income tax statutes and therefore there was no justification for prosecution of BRUCE.

MISCELLANEOUS - THREATS AGAINST PRESIDENT
KENNEDY, M. C. ROBERTS - SUSPECT

On November 23, 1963, [redacted] N.M., who requested her identity be concealed, advised SA FRANK W. HAINES that M. C. ROBERTS resides in one of her apartments. She advised that she was watching a television program on November 22, 1963, when the announcement came across the television that PRESIDENT KENNEDY had been assassinated. She stated she believed she was watching the program "As the World Turns." [redacted] advised that shortly after the announcement of the President's assassination, M. C. ROBERTS came to the Zia Lodge. She stated that this was merely a few minutes after the announcement. [redacted] advised that ROBERTS stated that he was "thrilled" over the President's death and that he "hated his guts." She also recalls him saying that he was never so glad to see anyone dead in his whole life. [redacted] advised that ROBERTS was a lunatic when it comes to politics and described him as "nutty as a fruit cake." [redacted] advised that ROBERTS never mentioned anything as to who could have assassinated the President, nor made any other comments which would indicate he knew anything concerning the President's assassination. [redacted] advised that her husband, [redacted] was present when ROBERTS made these statements. [redacted] advised that she will be glad when ROBERTS moves out of her apartment. She stated he was building a penthouse behind the Cashway Grocery Store, and that he was very wealthy. She stated that he was connected with the Juanita Hancock Real Estate Agency, and noted that ROBERTS takes a nap every afternoon after lunch. [redacted] also advised that the apartments in the back where ROBERTS resides have been branded with various type brands. She stated that on his door was a rocking chair. [redacted]

On December 12, 1962, [redacted] advised that a meeting of the Freemen, also known as The Council of Statehood was held on December 11, 1962, in Boynton Beach, Florida.

Approximately 30 people were present. He stated that the general purpose of this organization was to eliminate, by force if necessary, all Jewish people who hold high positions in business and government, as well as to eliminate all Jews who are communists. At a later date, this source furnished a mailing list of this organization which he had obtained on January 24, 1963, from RAY MC CABE, West Palm Beach, Florida. The name Mr. M. C. ROBERT, Box 445, Clovis, New Mexico, appeared on this list.

The above information was taken from the report of SA ROBERT W. WISEMAN dated February 8, 1963, at Miami, Florida, captioned, "Council of Statehood, aka., Freemen, RACIAL MATTERS."

Additional information concerning M. C. ROBERTS is set out in the details of this report.

MISCELLANEOUS - THREATS AGAINST PRESIDENT
KENNEDY, ROBERT E. WILLETT - SUSPECT

The ROBERT E. WILLETT mentioned in the details of this report may be identical with ROBERT ERIC WILLETT who was the subject of file captioned, "ROBERT ERIC WILLETT, JAMES WILSON, aka. - FUGITIVE, ITSP; OO: Springfield, Bufile 87-58861." The final outcome of the investigation in that case is not known to the Albuquerque Office. The results of the investigation in Albuquerque concerning WILLETT was furnished to the Dallas Office by teletype dated November 23, 1963. The setting out of any leads concerning WILLETT was left to the discretion of the Dallas Office as that office was in possession of complete information to determine whether such leads were necessary.

MISCELLANEOUS - INFORMATION CONCERNING
JACK L. RUBY

In addition to the information set out in the details of this report, Mrs. PHYLLIS SNOW, 227 Artist Road, Santa Fe, N.M., advised SA WIRT R. JONES that although she had never been in Dallas, Texas, she knows that a secretary who was employed in the Dallas Office of the FBI has been engaged in stealing information from the files of that office. This secretary

recently discontinued her employment. She stated that she was not able to describe this female employee, except to say that she is female. She stated that it had been revealed to her by the "supernatural power" that this secretary intentionally omitted some information from a letter dictated to the Secret Service Office in Dallas recently. Mrs. SNOW stated that she was instructed by this same "supernatural power" to send a telegram to the FBI Office in Dallas covering the information that she furnished SA JONES. She called the message to the Western Union Office in Albuquerque from a pay telephone in Albuquerque, but she hung up before paying for the message.

It will be noted that Mrs. SNOW stated that she had absolutely no information concerning this matter, except that which she had received from a "supernatural power" in the nature of a vision.

On December 2, 1963, [redacted] Western Union Telegraph Company, Albuquerque, New Mexico, advised SA J. JEROME MAXWELL confidentially that a telegram similar to that described by Mrs. SNOW had been called into the Western Union office in Albuquerque at about 7:26 PM, on November 25, 1963. [redacted] stated that the regulations of his company prevented his furnishing a copy of this telegram except on a court order or upon receipt of a a letter from the sender. He stated that the telegram was not actually sent as it had not been paid for. A check by his office reflected that the telegram had been called in from pay telephone #344-0068, which is located near Griegos and Fourth Streets, NW, Albuquerque, New Mexico, by a woman giving her name as CARROLL REESE. [redacted] stated that this telegram was to go to the Dallas Police Department and not to the FBI in Dallas. He stated that the substance of the telegram which was not actually sent was to the effect that a check should be made of the associates and companions of JACK RUBENSTEIN prior to his moving to Dallas, as he was a member of subversive organizations in Chicago, Illinois and Gary, Indiana. He was described as a clog of a plot of international magnitude. The telegram concluded by stating that the local office of the FBI should re-examine all personnel carefully, particularly the

secretarial and janitorial staff, including those who have been hired and who have left within a year. The telegram ended by stating, "A traitor is among these." [redacted] stated that he considered the person who had called in this telegram to be a crackpot, therefore, he had taken no action except to file the copy of the proposed telegram.

After his telephone conversation terminated, he told her that the man he was talking to, name not mentioned, said something about someone killing President KENNEDY.

She said she thought in view of the shooting of the President, she should report this to the FBI, and that she had no further information concerning the matter.

DAMON R. STRANGE, Agent for the Farmers Insurance Company, 1529 Bridge Boulevard SW, telephonically advised that about one month ago he had a telephone conversation with a man named RAY PUGH who carries insurance with him. He said that PUGH had voiced his objection to the Federal Income Tax and other government procedures, and had frequently criticized President KENNEDY. He mentioned that about two months ago, after making a trip to Southern New Mexico and possibly Texas, PUGH said that when the President went to Texas, he would be killed. PUGH indicated he had heard this on the trip he had just completed.

STRANGE advised that PUGH operates the Valley Automobile Sales at about 1545 Bridge Street SW. He described PUGH as follows:

Race	White
Sex	Male
Nationality	American
Age	53-54
Height	5'10"
Weight	250-275 pounds
Build	Heavy, large stomach

The Albuquerque Telephone Directory indicated that PUGH resides at 1571 Bridge Boulevard SW in Albuquerque.

Mr. RAY PUGH, 1571 Bridge Street SW, stated that he has lived here for many years and has been in the automobile business. He has been inactive for approximately the past eight months due to pneumonia, and is in the process of trying to reopen his business at the present time. He stated he went to Texas in January, 1963, and later took a short trip to Odessa, Texas, approximately three months ago.

He said that at no time during these trips to Texas, nor at any other time has he heard that when the President went to Texas he would be killed. He stated that if such a statement was attributed to him, it was definitely a mistake. He advised that at no time during these trips did he engage anyone in conversation along these lines and he cannot recall any statement which he may have made in the recent past which anyone could mistake as a warning for a possible attempt to assassinate the President.

Mr. PUGH offered to be of assistance in any way he could and again reiterated the fact he has never heard anything in advance concerning the assassination of President KENNEDY.

MISCELLANEOUS - THREATS AGAINST
PRESIDENT KENNEDY,
ROBERT E. WILLETT - SUSPECT

The following investigation was conducted based on information that LOIS SITZ, manager, Half Circle J Motel, Ft. Worth, Texas, had advised that on November 20, 1963, a man who had registered at that motel and whom she described as being drunk and having a pistol, had inquired for directions to the parade route on the morning of November 21, 1963. This person was driving a 1955 two-tone red and white Chevrolet or Oldsmobile bearing New Mexico license 2-80392. Mrs. SITZ stated that she felt this man was identical with the picture of HARVEY LEE OSWALD which had appeared in the November 23, 1963 edition of the Ft. Worth paper.

The following investigation was conducted by SA J. JEROME MAXWELL:

AT ALBUQUERQUE, NEW MEXICO

On November 23, 1963, Officer LEONARD JOHNSON, Records Section, Albuquerque Police Department, advised that their records reflect that New Mexico license 2-80392 is registered to R. E. WILLETT, 324 Hazeldine Drive, SW, Albuquerque, New Mexico, for a 1955 Chevrolet.

The 1962 Albuquerque City Directory reflects that GEORGE L. MC KENZIE resides at 324 Hazeldine Drive, SW, Albuquerque, New Mexico.

On November 23, 1963, Mr. and Mrs. GEORGE L. MC KENZIE, 324 Hazeldine Drive, SW, advised that R. E. WILLETT had rented a room at their residence for five or six months and that he had worked as a salesman for Leed's Shoe Store in Albuquerque. He had made two long distance telephone calls on October 18, and 31, 1962, to his father at the home of one of his father's friends in Baltimore, Maryland. Mr. MC KENZIE located the telephone bill in question and stated that this call was made to Baltimore, Maryland, telephone #CE3-9514. WILLETT had moved out

of his room without notice and without paying his rent on the night of the second telephone call, October 31, 1962. He still owes the MC KENZIES for three weeks rent and for the two long distance telephone calls. Since his disappearance, inquiries concerning WILLETT's bad debts have been received by the MC KENZIES. At the time WILLETT left, he was driving a 1955 Chevrolet with "LUCKY" painted in about four inch letters on the left side of the car. The MC KENZIES did not recall the color of this car definitely, but thought that it was possibly brown.

Mr. and Mrs. MC KENZIE described WILLETT as follows:

Name	ROBERT WILLETT
Race	White
Sex	Male
Nationality	American
Age	Early 20's
Height	5'8" - 10"
Weight	155 lbs.
Build	Slender
Hair	Dark brown
Complexion	Fair

The files of the Albuquerque Credit Bureau were checked on November 23, 1963, and these files reflect that R. E. WILLETT, 324 Hazeldine Drive, SW, Albuquerque, New Mexico, and who was employed by Leed's Shoe Store in Albuquerque had been known to their files since November 1962, when the Albuquerque Credit Bureau received an inquiry concerning WILLETT from the Credit Bureau in Baltimore, Maryland. WILLETT's Baltimore address was shown as 1410 Holland Street, Baltimore, Maryland. The credit bureau records reflect that WILLETT had formerly served in the United States Marine Corps and that two of his accounts had been received for collection.

MISCELLANEOUS - THREATS AGAINST PRESIDENT
KENNEDY, M. C. ROBERTS - SUSPECT

On November 26, 1963, Mr. M. C. ROBERTS, Zia Lodge, Clovis, New Mexico, was interviewed by SA FRANK W. HAINES in the presence of Chief of Police LLOYD NIECE, Clovis, New Mexico, Police Department. ROBERTS advised that he was a conservative, and proud of it, and travels extensively around the country to conservative meetings. ROBERTS advised that the people with whom he associates did not agree with KENNEDY's policies, but did not want to kill him. He stated that they wanted to vote him out of office, but not to assassinate him. ROBERTS advised that he had never heard anyone mention that they would want to kill the President. He stated that the people he associates with are high type people.

ROBERTS stated that he had no information concerning the assassination of President KENNEDY.

ROBERTS stated that it was a shame that the United States could not have a president without him being killed. He stated he was trying to see some good coming out of the assassination and believed it was a good thing because it "busted up the KENNEDY Dynasty." He also stated he thought it was a good thing because there would not be a KENNEDY as president for the next 100 years. He advised that under KENNEDY, the Communists were put on pedestals.

ROBERTS advised that he had known President LYNDON JOHNSON all his life and believes that he will be a better president than KENNEDY even though he "is the biggest crook in Texas."

ROBERTS again advised that he had no information concerning the assassination of President KENNEDY.

It should be noted that in ROBERTS' room was a sign which reads "Sink KENNEDY in GOLDWATER."

AQ 89-27

On August 16, 1963, Chief of Police LLOYD NIECE, Clovis, New Mexico Police Department, advised SA FRANK W. HAINES, that Mr. M. C. ROBERTS, Roberts Seed Company, Clovis, New Mexico, had come to his office and told him that when the Negroes march on Washington, D.C., on August 28, 1963, that this was a signal for the Negroes to rise up and to blow up the television stations and the power and light companies as well as to murder as many white people as possible. Chief of Police NIECE advised that ROBERTS said he heard this at a meeting in Amarillo, Texas, and that if he wanted to check his story to check with J. K. PHILLIPS, editor of the Borger, Texas newspaper, or retired General WILLIAM L. LEE, Paramount Boulevard, Amarillo, Texas. NIECE stated that ROBERTS advised that he had just returned from a trip all over the country on a BARRY GOLDWATER campaign and that everywhere he went this was the talk. NIECE stated that ROBERTS also added that there was a possibility that the Russians had troops in ships off the coast of the United States and that when this took place, the Russians would hit the United States shores. NIECE advised that ROBERTS is a wealthy businessman in Clovis, New Mexico, and is somewhat "radical" in his thinking.

Sheriff NELSON WORLEY, Curry County Sheriff's Office, Clovis, New Mexico, was present when Chief of Police NIECE furnished the above information and characterized Mr. ROBERTS as a "screwball."

On August 16, 1963, Mr. J. HARVEY WILSON, District Manager, Southern Union Gas Company, Clovis, New Mexico, advised SA FRANK W. HAINES that Mr. M. C. ROBERTS of Clovis had come to his office while he was out on August 16, 1963, and had dictated a note to WILSON's secretary, which reads as follows:

"Mr. M. C. Roberts came in to see you and said give you this message: He has been in a conference in Amarillo with General WILLIAM L. LEE, and Mr. J. K. PHILLIPS (who is editor of the Borger News Herald) and on the 28th of August, the negroes march on Washington, which is the signal for a negro uprising all over the nation. Negroes have instructions to first blow up all utilities, and under cover of darkness murder as many whites as possible. This may not happen in Clovis, but keep

in mind that less than 1% of the Russian population took over the government of Russia and we have here in Clovis 10% colored population that are armed and dangerous."

Mr. WILSON stated that he had heard that M. C. ROBERTS had been kicked out of the John Birch Society and that he felt that ROBERTS "must be going off his rocker," and that he is a "little warped." WILSON continued that ROBERTS has always tried to tell the Southern Union Gas Company how to advertise and that ROBERTS believes that the United States Government is going Communistic.

Mr. WILSON also advised that although he did not put much stock in what Mr. ROBERTS said, he had advised his superiors of the information furnished to his office by ROBERTS on August 16, 1963.

On August 16, 1963, Mr. M. C. ROBERTS, 713-18th Street, Clovis, New Mexico, was telephonically contacted by SA FRANK W. HAINES for the purpose of making an appointment to interview him. ROBERTS advised that he was too busy at that time to be interviewed, but he did furnish the following information by telephone:

ROBERTS stated that he believed that the August 28, 1963, march by the Negroes on Washington, D.C., was a signal for a Negro uprising all over the nation. He stated he felt the Negroes have instructions to blow up all of the utilities and under cover of darkness murder as many white people as they could. When questioned as to why he believed this, ROBERTS advised that he heard this in a lecture given by J.K. Phillips, editor of the "Borger News Herald," at a meeting held at the Conservative Club Number 1, in the Colonial Cafeteria, Amarillo, Texas, on August 14, 1963. ROBERTS also advised that retired General WILLIAM L. LEE, Paramount Boulevard, Amarillo, Texas, had been in telephonic contact with him and General LEE had mailed him a carbon copy of the "Defenders of the American Constitution, Inc., Alert No. 5: August 9, 1963," which was signed P. A. del VALLE, President Lt. Gen. U.S. Marines (Retired), Defenders of the American Constitution. ROBERTS advised that General LEE suggested that this be mimeographed and sent to friends of ROBERTS. ROBERTS stated that he had his secretary mimeograph a hundred or so copies

of this Alert Number 5, which he is planning to mail to his friends so that he could warn his friends about this uprising. ROBERTS further advised that he had just returned from a six week tour all over the country, which had taken him from San Francisco, to New York, Phoenix, Chicago, and all over the country. He stated that this talk is everywhere. ROBERTS stated that he talked to the GOLDWATER supporters in New York, who are also saying the same thing. ROBERTS stated that he feels the people should be alerted as well as the Sheriff's Offices, Police Departments, National Guard, Mounted Patrol, and everyone else so that the utilities and the people can be protected. He stated that if the "Niggers" find out we are ready for them, they will not do anything. He stated that they will merely put their tails between their legs and run. ROBERTS stated that he believes that everyone should arm themselves so that they would be ready for the Negro uprising.

Mr. WILLIAM H. BERRY was interviewed at the Albuquerque Division. He stated his permanent address is 117 South Simms, Columbia, South Carolina. He stated he is en route to Charlotte, North Carolina, where he will continue his employment with the Periodical Publishers Service Bureau located in the Wilder Building there. He said he is en route east from Salt Lake City, Utah, where he was employed by the same firm. He furnished the following information

He is driving a gray 1963 Studebaker Lark Sedan, bearing Florida license, and at 7:30 AM or 7:45 AM, November 25, 1963, after spending last night in Gallup, New Mexico, he was proceeding east on Highway 66. He stopped at a Texaco Station located on the south side of Highway 66 in the Grants, New Mexico area. He parked his car on the street and merely went to the service station in order to use the rest room. There he joined a Spanish male employee at the Texaco Station in general conversation. During this conversation, the person he presumed to be manager walked in during the time the assassination of President KENNEDY was mentioned.

The manager mentioned that it was nothing but a gangster killing and that JACK RUBY is a known prominent gangster. The manager mentioned two $5,000 bets which were made that KENNEDY would not complete his trip on that particular procession or parade. Mr. BERRY assumed that these bets were made elsewhere than the Grants, New Mexico area and could furnish no further details on the comments made by the manager. The manager did mention, however, that a gangster killing was behind the assassination.

Continuing the conversation, the manager stated there was a man in the station yesterday, November 24, 1963, who showed the manager $8,000 which he had won on an identical kind of bet, that is, that President KENNEDY would not complete the parade in which he was riding and in which he was killed. The unknown man allegedly mentioned to the manager that the $8,000 was tax free. Mr. BERRY described the manager was white male,

FELIX VORST, owner and operator of Texaco Service Station located 301 West Santa Fe Avenue, Grants, New Mexico, was interviewed and it was determined that he is the person who talked to Mr. WILLIAM H. BERRY earlier that day. He acknowledged telling BERRY that a gangster killing was behind the President's assassination, and that a man was in his station November 24, 1963, claiming to have won an $8,000 bet.

At the outset of the interview, VORST appeared very nervous and stated numerous tourists from back East had recently stopped at his station stating that President KENNEDY's death was the work of gangsters and that bets could be made back East lately to the effect that President KENNEDY would not last out his four-year term of office. When interviewed further, VORST stated that only one such person had made the above statement, that being last Saturday, November 23, 1963. This particular individual did not state that he had made such a bet or that he had won any money on this type of bet.

VORST also stated that to his knowledge no individuals have been into his station claiming they have won $5,000 bets on the fact that President KENNEDY would not complete his trip through Dallas, Texas.

Nevertheless, VORST stated that on November 24, 1963, an individual described as a white male, American, over 6' tall, heavy build, approximately 60 years of age, driving a 1959 black four-door Chevrolet, bearing Texas license unknown, came into his station and filled up with gasoline paying cash. This unknown individual stated that JACK RUBY was an ex-jewel thief from Chicago, Illinois. This unknown individual also stated he had recently won $8,000 on a bet regarding the "KENNEDY deal." When further interviewed, VORST stated this unknown individual did not further specify or explain what he meant by the "KENNEDY deal." This individual left the station and headed in an easterly direction with a female, believed to be his wife.

VORST stated that his helper, ANDRES MARTINEZ was in the station and heard this unknown individual make the above statement.

VORST stated he had not heard any other individuals make any type of statement concerning the assassination of President KENNEDY in regard to gambling bets being made on the fact that the President would be assassinated.

11/30/63

ANDRES MARTINEZ was interviewed at his place of employment, Vorst's Texaco Station, 301 West Santa Fe Avenue, Grants, New Mexico. He stated that he remembers a heavy set individual over six feet tall, approximately 60 years of age, driving a 1959 black four door Chevrolet from Texas, stopping at the gasoline station yesterday, November 24, 1963, and engaging in a conversation with his employer, FELIX VORST. When this man paid for the gasoline which was put in his car, he came inside the gasoline station and briefly engaged in a conversation with VORST. Nevertheless, he knows nothing about their conversation, inasmuch as he was working at the grease rack during the short time this individual was inside the gasoline station talking to VORST.

He stated he did not hear this individual mention anything about winning a large sum of money on a bet that President KENNEDY would be assassinated, and in fact does not recall anything concerning the conversation he had with VORST.

On November 25, 1963, Chief of Police LUPE SANCHEZ, Grants, New Mexico, advised that he was acquainted with FELIX VORST, owner and proprietor of a Texaco Station located at 301 West Santa Fe Avenue, Grants, New Mexico. SANCHEZ described VORST as "an alarmist nut," one who constantly exaggerates, a fabricater, and completely unreliable. He advised VORST has been a suspect in several petty thefts from cars left over night at his station.

On November 24, 1963, Mr. HARRY NORVELL, Radio Station KOB-TV, Albuquerque, New Mexico, advised Security Patrol Clerk ROLLAND G. LLOYD that BILLY BRYANT, a part-time employee at that station, received a call from a person furnishing the phonetic name of LAWRENCE RENIENY from Dallas, Texas. NORVELL stated that RENIENY wanted to advise Station KOB-TV to announce that money sent to the TIPPETT family be sent in care of the Dallas Police Department. According to Mr. NORVELL, RENIENY then asked if there were any riots in Albuquerque. BRYANT reportedly replied, "Of course not." Whereupon BRYANT asked how things were in Dallas. RENIENY said that it was like a powder keg ready to blow up at any time and that some "bastard will try to shoot OSWALD." BRYANT reportedly asked if RENIENY were with the Police Department in Dallas and RENIENY said that he was not.

On November 26, 1963, Mr. BILLY BRYANT, 272 Valley High Road SW, Albuquerque, New Mexico, advised SA STUART J. CAMERON he is employed in a traveling capacity by the Mountain States Telephone and Telegraph Company and works on a part-time basis as a technician by Station KOB-TV in Albuquerque. He then furnished the following information:

At approximately 9:30 a.m., November 23, 1963, he was taking telephone calls at the TV station when he received a call from a person identifying himself as LAWRENCE REMING (phonetic) who said he was calling from Dallas, Texas. REMING stated "they" were getting an awful lot of calls concerning contributions for the TIPPETT family. He asked BRYANT if that station could not make an announcement to the effect that any contributions to the TIPPETT family should be made to J. D. TIPPETT, c/o Dallas Police Department, Dallas, Texas.

BRYANT and REMING then discussed events concerning the assassination generally and REMING asked if they were having any trouble in Albuquerque. BRYANT told him they were not, to which REMING replied that there was a great deal of tension mounting in Dallas and that things were very "touchy." BRYANT stated neither he nor REMING mentioned OSWALD and stated that REMING definitely did not mention the fact that someone was going to try to shoot OSWALD as Mr. NORVELL had previously advised. BRYANT then asked REMING if he were with the Dallas Police Department, to which REMING replied negatively.

He stated that he cannot recall that BRASHER made any remarks indicating there was a conspiracy to kill the President, and added he is certain he made no similar comment during these discussions. He advised he could not recall any such statement by any other individual and said he would have reported this fact immediately to the proper authorities. He stated he could not recall any conversation he has ever had which would shed any light on the statement attributed to him, which was allegedly learned from Texas politicians, and he also added he knows very little concerning Texas politics and Texas politicians.

MISCELLANEOUS - INFORMATION CONCERNING
JACK L. RUBY

On November 26, 1963, Mrs. PHYLLIS SNOW, also known as Mrs. ROBERT H. SNOW, 227 Artist Road, Santa Fe, New Mexico, was interviewed at the residence of Mrs. D. L. LEISHER, Timberwick Road, SE, Santa Fe, New Mexico, by SA WIRT R. JONES at Mrs. SNOW's request. Mrs. LEISHER was present during the interview.

Mrs. SNOW stated that she is the wife of Dr. ROBERT H. SNOW of Santa Fe, and Mrs. LEISHER described herself as being the wife of a retired Army engineer. Mrs. SNOW related that since childhood, she had been endowed with what she referred to as "sight," a quality better known as clairvoyance and cited numerous examples of her predictions which had later come to pass. She stated that a detailed study of this ability is being made in this country as well as in Russia.

Mrs. SNOW continued that shortly after President KENNEDY was assassinated, she was informed by this "supernatural power" from which she had received previous information that LEE HARVEY OSWALD would be killed. She stated that she did not report this matter at the time as she felt that no one would pay the matter any heed.

Mrs. SNOW stated that she had also been informed by this "supernatural power" that JACK L. RUBY, also known as JACK L. RUBENSTEIN is a part of a plot and that he was sent to kill OSWALD since OSWALD did not succeed in committing suicide as planned. She stated that RUBY has been engaged in subversive activity under another name in Chicago, Illinois and Gary, Indiana, in the past. She predicted that Mrs. OSWALD will be killed soon and her death will be made to appear accidental.

Mrs. SNOW stated that she definitely had no information of any kind concerning the assassination of the President or concerning OSWALD or RUBENSTEIN, except that which she had received in the nature of a vision from a "supernatural power."

Mrs. D. L. LEISHER advised SA JONES that she has a similar ability as that of Mrs. SNOW, however, she did not have any information regarding the assassination.

December 9, 1963

Mrs. YVETTE SEARCY, 7340 Guadalupe Trail NW, advised she is presently employed in the Accounting Department, Fedway Stores, downtown branch, in Albuquerque. She said that she worked at the Centex Corporation in Dallas, Texas from April, 1962, through December, 1962. She said that a person whose full name she did not know but whose last name is SWANSON, also worked for Centex Corporation and traveled on construction work in a very good position under the supervision of Mr. LEE HIGGINS. SWANSON asked her at sometime during this period to translate some documents from French into English. One of the items was a proclamation which was a year or two old, author not recalled, but the tenor of which was that the French were jailing people in France in the same manner the Nazis did in Germany.

SWANSON also showed her a news article in English, details of which she could not recall, but to effect that President KENNEDY was actually a Communist. She remarked to SWANSON that this article was accusing the president of being a Communist, to which SWANSON replied, "that's what he is."

SEARCY knew of no organization to which SWANSON belonged but he had her make 25 copies of the material she translated, and these were made at Centex Corp. on their Zerex duplicating machine.

SWANSON said he was obtaining the material from a woman whose first name was possibly LUCILLE, and this woman was in Indiana or some other state.

SEARCY described SWANSON as follows:

Race:	White
Sex:	Male
Nationality:	American
Age:	45
Height:	5'8"
Weight:	175 pounds
Hair:	Brown, wavy
Eyes:	Believed blue

DETAILS: BACKGROUND ON JACK RUBY

On November 27, 1963, ROBERT L. WELSH, Immigration Inspector, Acting Officer in Charge, United States Immigration and Naturalization Service (INS), Calexico, California, advised that an anonymous letter in the Spanish language had been received that morning which indicated that "JACK" had bet with individuals in Mexicali, B. Mr. WELCH made available the letter and a translation thereof which had been made by LINDA M. MONTOYA, Clerk-Typist. This translation was as follows:

"Do you want to know who killed your President. Interrogate these persons: REMIGIO AGUILAR, EDUARDO TUBACH, LLOY HORAL. These last ones are from Brawley, California. EDUARDO TUBACH, Rancher, 152 G Street, Brawley, California, advised Agents of the Federal Bureau of Investigation that all persons mentioned in the letter were known to him. He identified REMIGIO AGUILAR as the owner of the major cattle shipping yards in Mexicali, LLOYD E. HORAL as one of his foremen in his ranching enterprises, and himself as a rancher doing business as Edward Tubach Ranches, Imperial County, California.

TUBACH stated NORMA GUTIERREZ was a "girlfriend" of AGUILAR; that IRMA GUTIERREZ was the "girlfriend" of HORAL; and that MARIA LUISA GARCIA SILVA was his "girlfriend". IRMA GUTIERREZ and NORMA GUTIERREZ are sisters.

TUBACH stated that HORAL commenced to visit Mexicali frequently about six or seven years ago. He eventually became acquainted with SILVIA GARCIA VIRGENES in Mexicali and resided with her from time to time in a common-law relationship.

Approximately four years ago, TUBACH commenced visits to Mexicali where he rented an apartment near the corner of Avenida Compuertas and Calzado Justo Sierra. He had met MARIA LUISA GARCIA SILVA, and they resided in the apartment as man and wife. NORMA GUTIERREZ resided in the next apartment, and about a year ago he became acquainted with AGUILAR who visited her with regularity. At about that time, HORAL, through NORMA GUTIERREZ and MARIA LUISA GARCIA SILVA, became acquainted with IRMA GUTIERREZ. He dropped SILVIA GARCIA VIRGENES and commenced a relationship with IRMA GUTIERREZ.

This angered SILVIA GARCIA VIRGENES who threatened to have both TUBACH and HORAL arrested and expelled from Mexico. Both had been visiting Mexicali without proper documents. She also threatened to cause them other unstated embarrassments.

TUBACH said all the above were known, one to the other. On rare occasions, they would all be at the apartments, but not together. He could recall only one occasion when they all dined together. He denied knowing JACK.

Date December 2, 1963

GEOFFREY EDWARDS, 4323 Canterbury Drive, La Mesa, California, advised that he is currently employed as a newsman for KHJ radio, Los Angeles. He advised that on November 22, 1963, KHJ dispatched him to Dallas to cover the assassination of President KENNEDY. On November 24, 1963, he stated he was one of the many newsmen on the scene at the Dallas, Texas, City Hall when LEE HARVEY OSWALD was shot.

EDWARDS stated he entered the Dallas City Hall basement through the entrance off of the parking lot approximately fifteen minutes before OSWALD was shot. He advised the entrance is also known as the "Booking Entrance" at the City Hall.

EDWARDS stated he exhibited his press card to a uniformed officer, name and badge number unknown, who was on duty at the entrance. He knows of no unauthorized person or persons permitted to enter the basement without showing appropriate identification.

EDWARDS stated he is of opinion ample arrangements for security had been made inasmuch as the news media had to enter the basement from the parking lot, identify themselves, and remain in a specified area once in the basement.

EDWARDS stated he has no information that anyone, including police officers or other officials, conspired with RUBY or willingly permitted the killing of OSWALD. He advised he did not talk to RUBY, and the only time he saw RUBY was at the shooting of OSWALD.

EDWARDS advised he has no information regarding any relationship or prior acquaintanceship between RUBY and OSWALD.

EDWARDS stated he interviewed TOM HOWARD, attorney for RUBY, and HOWARD stated RUBY had entered the basement of Dallas City Hall through the Main Street entrance.

EDWARDS stated he left Dallas November 26, 1963, and returned to Los Angeles, California.

OO: Dallas

44-24015-Serial 136849

There is enclosed herewith one letter on the letterhead stationery of Jack Ruby Associates, addressed "Dear Gail", and appearing in the upper right hand corner in the notation C. L. Crafard, 1312 1/2 Commerce. This letter is written on both sides of the paper and does not bear a signature.

There is also enclosed herewith a Penway memo book, spiral bound, with a royal blue front cover. There is to be noted on the sixth page from the rear the words "Bob Patterson".

On November 26, 1963, ROBERT KERMIT PATTERSON, an admitted homosexual, advised that approximately two weeks ago JACK RUBY and an individual he believes to be LEE HARVEY OSWALD had appeared at his place of business. While at the small television and radio repair shop operated by PATTERSON, JACK RUBY allegedly had his accomplice write PATTERSON's name in a notebook so that RUBY would be able to send PATTERSON a permanent pass to his club, the Carousel Club.

PATTERSON's partner and employee recalled the incident but were not of the opinion that the man with RUBY was, in fact, OSWALD.

Investigation at the Carousel Club disclosed that during early October, RUBY took into his employ one CURTIS L. LARRY CRAFARD, an itinerant carnival follower. This individual, CRAFARD, worked for RUBY and resided in a room adjacent to RUBY's office. CRAFARD allegedly left the Dallas area on November 23, 1963. Investigation is underway to locate him for interview.

On the evening of November 26, 1963, in the room adjacent to RUBY's office, formerly occupied by CRAFARD, was found the above-mentioned memo book. On the royal blue cover, it is possible to see the name C. L. (LARRY) CRAFARD. It would appear from the foregoing that CRAFARD was actually present with RUBY at the shop of ROBERT KERMIT PATTERSON as set out above.

The Laboratory is requested to compare the name Boby Patterson as set out in the memo book with the handwriting contained in the letter enclosed herewith in an effort to determine if both were, in fact, written by the same individual. If the name Boby Patterson is not identified as being written by the writer of the enclosed letter, will compare the name Boby Patterson with the handwriting of LEE HARVEY OSWALD to determine if same could have been written by him.

TO : Mr. Belmont

DATE: December 5, 1963

FROM : A. Rosen

SUBJECT: JACK LEON RUBY, aka.
LEE HARVEY OSWALD, aka.,
DECEASED - VICTIM
CIVIL RIGHTS

This is to advise that the Dallas Office has obtained information which indicates that Jack Ruby was at the Parkland Hospital, Dallas, Texas, on 11-22-63, following the assassination of President Kennedy.

Seth Kantor, a Scripps-Howard Alliance reporter, advised he arrived at the Parkland Hospital shortly after the President was taken there on 11-22-63 and was awaiting an official announcement which was to be made by a White House Press Aide at 1:30 p.m. Upon entering the building, Kantor felt someone tug at his coat and found it was Jack Ruby, whom Kantor had known in Dallas when Kantor was on the staff of the "Dallas Times Herald".

Kantor stated he later filed a story concerning his observation of the killing of Lee Harvey Oswald by Ruby. In this story he related that he had seen Ruby at the Parkland Hospital on 11-22-63, at which time Ruby expressed deep grief because of the assassination. In this story Kantor also reported he had known Ruby when Kantor lived in Dallas and stated Ruby had always been attracted to "unusual people". This had reference to some of the acts which had performed at Ruby's club. He said Ruby was a non-political man but was always emotional.

EX-108

REC-3 598

In his article Kantor included the following paragraph: "Ruby knew and was known by many Dallas police. He was allowed in, somehow. He was Jack Ruby the kibitzer in the jail basement, just as he had been Jack Ruby the kibitzer at the hospital where President Kennedy died. He was a familiar face at all kinds of strange events in the city. But yesterday, he stopped being the kibitzer."

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

Our reports will probably be disseminated to the Commission. We are presently getting together additional copies for dissemination.

In order to preclude questions being raised as to what else will be submitted, it is suggested that we have a preface in each report which clearly indicates the status.

In this connection, it is, therefore, recommended that The Assassination Report contain the following preface:

This report in Part I briefly relates the assassination of the President and the identification of Oswald as his slayer.

Part II sets forth the evidence conclusively showing that Oswald did assassinate the President.

Part III is in two sections, the first setting forth what the FBI knew about Oswald prior to the assassination; and the second section setting forth the results of our investigation of Oswald's background, activities, associates, et cetera, subsequent to the assassination.

Three sets of exhibits accompany this report. The first sets out evidence tying in Oswald with the assassination of the President; the other two set out documents relative to Oswald's contacts with the Soviets, the Communist Party, et cetera.

We are continuing to receive leads concerning Oswald and consequently at the conclusion of the report it is stated this investigation will continue in order to resolve them.

Memorandum to Mr. [illegible]mont
Re: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

The Report of the Killing of Lee Harvey Oswald should have the following prefatory statement:

This report covers the killing of Oswald by Jack Ruby. The information developed concerns Jack Ruby; the interview of Ruby; Ruby's whereabouts from November 23 to November 24, 1963; and the investigation by the FBI under the Civil Rights Statutes to determine whether there was any conspiracy involved in the killing.

Attached to this report are two exhibits, one a photograph of the actual killing and the other a diagram of the police department building basement where the killing occurred.

No records were kept of the police officers or news media representatives in the basement at the time of the killing. We have not been able to identify, locate and interview all persons who were present when Ruby killed Oswald. The report reflects that persons identified to us have been or are being interviewed. We have interviewed 98 Dallas police officers and are attempting to identify any others who were in the basement and interview them. An estimated 150 news media representatives were in the basement. We have been able to identify and interview 51 so far, and leads are set out throughout the country to identify and locate others who may have been present. We have no facts at this time to indicate that the stories of these people, when they are located, will be at variance with the facts developed so far. Every effort is being made to locate them so that all possible questions can be resolved.

You will note the statement at the end of this report that the investigation will continue until every possible source of pertinent information has been exhausted.

RECOMMENDATION

If approved, the above prefatory statements will be included in each report submitted in order to preclude unnecessary questions from being asked while the report is being reviewed by recipients.

29 November 1963

Mr. Edgar J. Hoover, Director

Federal Bureau of Investigation

Washington, D. C.

Dear Mr. Hoover:

You have probably received many letters from citizens expressing opinions regarding our recent national tragedy. I feel so strongly about certain aspects involved in the President's assassination and the subsequent events that I wish to express them.

It is my opinion that the man who shot the President was highly trained far beyond the training he received in the Marine Corps, assuming that this man was Oswald which supposedly has been pretty well substantiated. However, it will be next to impossible to check out any factual data on his stay in Russia.

Many people I have talked to believe that Dallas, known for its conservative and anti-communistic views, was picked by the Communists as the city to carry out their dastardly deed so they could point their finger at the Conservatives. They certainly picked their scapegoat carefully as he almost got away, and in fact they thought he had succeeded as they were certain this man could. Because of this they wasted no time in blaming the conservative elements for the act only a very short time after the assassination. But they acted too quickly and were caught red handed when by chance their man was apprehended by alertness they did not figured on.

I also firmly believe that Rubinstein is not just an irrational emotional citizen seeking personal revenge for the assassination. I believe he was the man behind Oswald and held the responsibility for Oswald's success or failure. Oswald's capture meant that Rubinstein had to liquidate him before he might reveal facts. He had no choice, in my opinion, as he was as good as dead anyway if Oswald remained alive in custody.

I also believe that we are about to witness a very strong emotional spread to the American Public to spare Rubinstein's life. Attempts will be made to transform him from a rat to a butterfly.

If you've had a chance to read this Mr. Hoover I want to thank you for your time. I only hope I may not have written this in vain, and you did get to read my opinions.

Mr. HERMAN KNIPPA, 322 Summerset, Box 364, Lytle, Texas, telephonically contacted the San Antonio FBI Office on November 27, 1963, and advised that a group of musicians and a group of girls headed by one SIDNEY SIMS moved down from Dallas to Devine, Texas, over the weekend. This SIDNEY SIMS is allegedly a very good friend of RUBY. KNIPPA further stated that he thinks SIMS is acting very strange and in his opinion he should be investigated.

On November 29, 1963, Sheriff CHARLES J. HITZFELDER (NA), Hondo, Texas, advised he is well acquainted with SIDNEY SIMS who resides at Devine, Texas. He states SIMS is about 22 years old and graduated from Hondo High School a few years ago. He said SIDNEY SIMS organized a small orchestra and goes around the country playing music at different places. On Demceber 2, 1963, HERMAN KNIPPA, 322 Summerset, Box 364, Lytle, Texas, was interviewed at his place of employment, Lackland Air Force Base, Texas, and advised that SIDNEY SIMS is the son of A. T. On November 26, 1963, at approximately 3:00 AM SIDNEY SIMS accompanied by two other white males both approximately 25 years of age arrived in Devine, Texas. He was told that SIDNEY SIMS knows RUBY's sister and has seen RUBY and Mrs. SIMS left the impression with Mrs. KNIPPA that SIDNEY was friendly with RUBY's sister.

KNIPPA has heard that SIDNEY is in a band which plays in strip joints in the Dallas area. He believes SIDNEY has been in the Dallas area.

Mrs. A. T. SIMS, Devine, Texas, on December 3, 1963, advised that she is the mother of SIDNEY SIMS who plays the electric bass in a combo which frequently plays in night clubs in the Dallas area. Approximately one week ago she believes that her son played in a night club owned by RUBY. RUBY's sister at this time was doing the entertainment booking for his clubs. She believes her son met RUBY's sister at this time, but has no knowledge of her son meeting RUBY. She further stated that her son has never mentioned the name OSWALD to the best of her recollection. Her son is presently living in Lemonwood Apartments, Apartment 3584, Inwood Road, Dallas, Texas, telephone number LA 6-5013, and is presently playing in the combo known as Royce McAfee (phonetic).

In summary, the information, if true, would establish RUBY as a confidence man and with extensive gambling activities. Such has not been established through hundreds of interviews with persons in all sections where RUBY has resided.

Two copies of the FD-302 and two copies of an accompanying insert relative to HALL are enclosed to Bureau, Las Vegas, El Paso, Chicago, and San Francisco, in view of alleged activities. FEDERAL BUREAU OF INVESTIGATION

1

Date 11/30/63

On November 11, 1963 HARRY HALL, an inmate at the Federal Correctional Institution (FCI), Terminal Island, California, was contacted in view of his request to the Secret Service at Los Angeles, California on November 29, 1963 that he be contacted inasmuch as he felt he had information of value concerning JACK RUBY of Dallas, Texas. Present at the interview was Special Agent in Charge GUY H. SPAMAN of the Secret Service, Los Angeles, California.

HALL advised that his reason for contacting law enforcement was that he desired to get out of FCI and before he gave any information, he wanted some assurance of this fact.

HALL was advised that no such assurances could be given to him and if he had information it should be given to the FBI immediately in view of the fact that to conceal valuable information would in effect be obstructing the current investigation with regard to JACK RUBY. HALL was advised that the fact that he did furnish information would be made known to the U. S. Attorney at Los Angeles for whatever consideration he might wish to grant to such an act on the part of HALL. He was definitely advised that no promises of any kind could be made to him in this regard.

HALL advised that in about the latter part of 1952 or the early part of 1953 he first met JACK RUBY at Dallas, Texas. HALL was introduced to RUBY by his, HALL's, uncle MARTY FIELD, whose real name is MARTY SCHWARTZ and who is currently a dealer at the Sands Hotel, Las Vegas, Nevada. HALL advised that at that time JACK RUBY was operating a club, the name of which HALL could not recall, but he advised that it looked sort of like a shed of some kind and was located in a rather run down neighborhood and RUBY charged admission to get into this particular club.

HALL advised that following his introduction to RUBY, he became friendly with him inasmuch as he, HALL, was busy acting as a "promoter" at that time and JACK RUBY had a Negro entertainer in connection with whom he asked HALL

to see if he could get him a spot on the Ed Sullivan TV Show. HALL advised that he never followed through on his promise to RUBY in this regard.

HALL noted that in connection with his association with RUBY, RUBY apparently had two places of residence, one of which was quite pretentious and where RUBY lived alone. The other residence which HALL also visited, which would be about 1953, was not nearly as elaborate as the first one, but was a place where RUBY apparently kept his files and records. HALL advised that at one time he went with RUBY to this particular domicile and RUBY picked up a manila envelope and took it with him to his club. HALL noted that during this period, RUBY had a gun with him at all times. HALL advised that he has no particular knowledge of weapons and could only identify the weapon that he saw in RUBY's possession at that time as a long-barreled gun.

HALL advised that at this time in the Dallas area he, HALL, had a good thing going. He had gone to Dallas and was utilizing the name of HARRY SINCLAIR, JR, and upon his arrival in Dallas, he had contacted a wealthy individual by the name of DICK ANDRADE, whose background HALL knew from contacts that HALL had in Los Angeles. HALL, posing as a member of a wealthy oil family, was able to strike up an association with ANDRADE and through him was able to go to the Petroleum Club in the Baker Hotel, Dallas, Texas. HALL advised that he developed this association because of the fact that ANDRADE had a reputation as a heavy bettor and through his association with ANDRADE he was able to be introduced and vouched for to ANDRADE's bookmaking source at Montreal, Canada. This then enabled HALL to place extremely large bets without utilizing any money.

HALL advised that he took JACK RUBY as his guest to the Petroleum Club on one occasion and explained his set up to RUBY, which impressed RUBY very much. RUBY, when he learned of the scheme that HALL was employing, asked to be cut in on it telling HALL that as a "Jew" he would have no chance at all in Dallas if he were arrested. RUBY,

however, according to HALL, claimed that he, RUBY, at that time had "plenty of juice" going with the Dallas Police Department and could take care of any squawks that might come up from HALL's operation. HALL advised that he cut RUBY in on a 60-40 split with RUBY providing a bank roll of some several thousand dollars that could be utilized to flash around in the presence of DICK ANDRADE.

HALL advised further that in connection with DICK ANDRADE, RUBY advised him that he could get a couple of guys from Chicago and they could set ANDRADE up which would mean a good score for all of them. HALL claims that he declined RUBY's offer in this regard.

HALL advised that at a later time he again was in the Dallas area and stopped in to see RUBY and he was advised by a girl in RUBY's club that RUBY was in Chicago. The girl gave HALL a telephone number where RUBY could be reached, but HALL does not have this number now.

HALL advised that he called RUBY at this number, which was a store selling off-brand merchandise and located on the west side of North State Street about a half block south of Grand in Chicago. HALL advised that the individual who ran this store, whose name he did not recall, had in addition to the material that was on the shelves in front, guns for sale to those individuals desiring them. This individual also had a brother who was an ex-con and who, according to HALL, was running a similar shop some time last year, also in Chicago. In talking with RUBY at this store, HALL advised that RUBY told him he was buying some "schlock", which term HALL defined as a bunch of off-brand junk. He advised further that at this time RUBY was also engaged in the Dallas area in handling gambling action.

It was at this point in the interview that HALL advised that during his association with RUBY over a period of some three years off and on, he became well acquainted with the fact that RUBY was greatly addicted to fried chicken.

He advised further that the original spot that he recalled being operated by RUBY sold fried chicken in a box. He stated that this point came to mind when he saw news coverage reflecting that the spot allegedly utilized by LEE HARVEY OSWALD for his assassination of the President of the U. S. had had chicken remains left behind.

HALL advised that following his original introduction, he was with JACK RUBY for a period of four months straight and RUBY was always raising some issue about what kind of a score they could make.

In this connection, HALL advised that some time in the period between 1953 and April, 1955, he recalled that while he was at the Petroleum Club, JACK RUBY propositioned HALL with a deal concerning H. L. HUNT. According to RUBY, HUNT had a son named "HASSIE", which was not generally known and who at that time was located in Concord, Massachusetts. RUBY wanted to lay a trap for H. L. HUNT through HASSIE utilizing a scheme where HALL would pose as a doctor. HALL advised that this deal fell through for some reason which he could not recall.

HALL also advised that he and JACK RUBY teamed up at that period when HALL was posing as HARRY SINCLAIR, JR. and beat some gamblers in Dallas, Texas for some $70,000 to $80,000, which they split 60-40 to HALL and RUBY respectively.

HALL advised that in order to build up his front, he went into Nieman-Marcus at Dallas with RUBY and bought a thousand dollars worth of clothes, which he paid for by check issued in the name of HARRY SINCLAIR, JR. With his new wardrobe, HALL was able to contact those who had been taken by him and RUBY and secured enough cash to go back to the department store the same date and retrieve the check before it was deposited.

HALL also recalled that he went to Midland, Texas and stayed at a hotel whose name he recalled as the Sharborough (phonetic) with JACK RUBY, at which time he noticed that JACK RUBY had four guns with him. HALL at that time was still utilizing the name SINCLAIR.

He advised that the trip to Midland, Texas was in connection with the scheme to get the $70,000 or $80,000 mentioned above.

Going back to DICK ANDRADE, HALL advised that over a period of some months he and RUBY, utilizing ANDRADE's betting contact at Montreal, were able to build up a $5,000 credit. It was agreed that he and RUBY would go to Montreal to collect and he recalled that he, HALL, proceeded to Montreal and JACK RUBY stopped off at Chicago. HALL recalled that he was paid off by an individual named GORDON at Montreal and also that he, HALL, on several occasions while staying in Montreal contacted RUBY at the store previously mentioned, located on State Street in Chicago. HALL advised that he was able through good betting at Montreal to build up the $5,000 to almost $20,000 and he proceeded from Montreal and met JACK RUBY at the Devonshire Hotel located on Ohio Street in Chicago. He advised that a couple named OLLIE and PETE (LNU) were operating the hotel at that time.

In connection with this particular time he advised that he split the winnings with JACK RUBY and on one occasion he went with RUBY to visit a joint run by BUZZY RIVKIN. He also recalls at that time that JACK RUBY met with one DAVE "DINGY" HALPER, also of Chicago, and thinks that this meeting took place at the club run by BUZZY RIVKIN.

HALL at this time corrected himself by advising that he believed that RUBY met him at the Devonshire Hotel, but was actually staying at the Croydon. HALL advised that he, HALL, stayed at the Palmer House, Chicago.

HALL advised that following this visit to Chicago, he and RUBY flew to Oklahoma City where they registered at the Biltmore Hotel under the name HARRY SINCLAIR, JR. They stayed there a couple of days and rented a car and visited the birth place of WILL ROGERS. He remembered that there was a crap game running in that town that RUBY knew about and between them, they took about $2,000 from the gamblers there. HALL recalled that they won this money through some sort of a scheme. He also recalled there were other games at Shreveport, Louisiana following this visit to Oklahoma where JACK RUBY played gin rummy and lost quite a bit of money and gave the guy a check.

HALL recalls that on another occasion he was staying at the Dallas Athletic Club, utilizing the name of SINCLAIR, as a guest of BUDDY FOGELSON and DICK ANDRADE. He advised that all the expenses for both he and RUBY on this occasion were paid for by either FOGELSON or ANDRADE. He advised that they were there for a period of some two or three days and were entertained by two girls who were models from Nieman-Marcus, who had been introduced to them by ANDRADE. He recalled that he, HALL, gave them $300 a piece and that JACK RUBY in a fit of temper had hit one of the girls.

In recalling some of his contacts with RUBY, HALL advised that some time in about 1954 or just prior to his going to jail in California in April, 1955, JACK RUBY had gone to San Francisco and was going to see him on his way back to Dallas. He recalls that RUBY in going to San Francisco, was going to see one "STONEY", a good friend of MARTY FIELD, HALL's uncle. He advised that STONEY was a bookmaker, well known in the San Francisco area and was also engaged in meeting boats at the docks to buy various smuggled goods from the seamen. Also he recalled that JACK RUBY in the San Francisco area was in contact with either HECKIE or SALLIE SCHUMAN about some deal which HALL did not know about. He advised that HECKIE SCHUMAN is a well-known bookmaker in San Francisco.

Another incident concerning RUBY concerned one BILL BYERS, a friend of ANDRADE's. BYERS usually played gin rummy at the Petroleum Club in Dallas and thinking HALL was a wealthy oilman himself, gave HALL a piece of his action in playing gin rummy to the amount of 25 percent of the winnings.

HALL recalled that when RUBY visited him in Los Angeles, he made a proposition to HALL that BYERS usually carried from $40,000 to $50,000 around with him at all times and if HALL could come up with information showing he was making a trip anywhere alone, if HALL would pass the information along to RUBY, RUBY had a couple of guys who would hit BYERS and split the proceeds 50-50. HALL said he agreed to this deal, but his prison term in 1955 interfered. However, he heard later that BYERS had been held up or burglarized a few years later while staying at the Del Charro at Del Mar, California.

He also recalled a deal which concerned a New Years Day when he, HALL, went to Fort Worth, Texas and posing as ED PAULEY, JR., had contacted H. L. HUNT and bet him $1,000 on five different bowl games. He advised that RUBY was in this scam with him and that he, HALL, won all five games. He advised that he does not recall the exact year, but two of the games that he does recall are Texas-Tennessee in the Cotton Bowl and Michigan-California in the Rose Bowl. He advised that they collected $5,000 from HUNT which they split 60-40.

HALL advised that he has not had any direct contact with JACK RUBY since about 1955, although he visited the Carousel Club last year while in Dallas and was surprised to see the prosperity that was surrounding RUBY since he had previously seen him. RUBY at that time, however, was not in town and HALL did not see him.

HALL advised that it was his opinion from his

contacts and knowledge of RUBY that RUBY had some strong motivation for his shooting of LEE HARVEY OSWALD and that the only motivation that he, HALL, could attribute to RUBY was money or the fear that OSWALD possibly might involve RUBY in the assassination of the President of the U. S. He admitted this was pure speculation on his part and made the offer that he would be willing to go to Dallas, Texas and meet RUBY and was sure that from such a meeting that he could learn from RUBY what motivated him to shoot and kill OSWALD.

Dorothy Kilgallen's column appearing in the New York Journal-American, 12/4/63, stated the FBI might check with Joe Glaser the talent manager who knows Jack Ruby. She suggested Glaser might have some interesting impressions of the night club operator's character.

As a result of checking Ruby's toll telephone calls, the New York Office on 12/3/63, interviewed Joseph D. Glaser, President of the Associated Booking Corporation, 50 West 57th Street, New York City.

Glaser on interview advised Ruby personally contacted him 8/5/63, with one Doctor Dante, a hypnotist performer, and requested Glaser to sign Dante to an exclusive contract, which request was denied. Glaser also advised Ruby requested Glaser to contact the American Guild of Variety Artists (AGVA) for the purpose of settling a dispute Ruby claimed he was having with night club competitors in Dallas. Glaser continued that Ruby also asked him for permission to hire one Jewel Brown, a former employee of Ruby, presently under contract with Lewis Armstrong, the internationally known entertainer. Glaser advised all of Ruby's requests were refused.

REC 7 62-109060-614

Glaser advised that he considered Ruby a "phony" as well as a "name dropper" and stated he could best describe Ruby as a "Damon Runyon character."

Our investigation in New York determined Ruby checked into the Hilton Hotel, New York City, on 8/4/63, and departed on 8/6/63. At the time he registered, he informed a clerk at the hotel he was in New York City to look for "talent" for his club in Dallas.

THE VOICE OF BROADWAY

Friends 'Solve' Karyn's Murder

By DOROTHY KILGALLEN

Jottings in Pencil

MANY OF KARYN KUPCINET'S Hollywood friends believe they have solved her murder—and they all agree on the identity of the killer. They almost unanimously describe him as "quite a strange young man" . . . Rumors that Carol Lawrence and Robert Goulet were heading for a marital split are way off. The newlyweds are planning to buy a house in California . . . Get ready for some offbeat casting. The impeccable Cary Grant will play a beachcomber in his next (as yet untitled) picture. knows the slayer of President Kennedy's assassin—in fact, friends are under the impression that Ruby visited him in New York just a couple of months ago—and he might have some interesting impression of the night club operator's character . . . A titled English couple will soon be engaged in a knock-down, drag-out divorce case that will command big headlines in London because both husband and wife are extremely wealthy as well as noble. The lady in the case has a wild crush on a young actor, and he's supposed to reciprocate—but he reciprocates the affections of so many beauties it's hard to say whether she stands a chance.

THE NEW BROADWAY trend is pilgrimages to Washington. Many stage and screen performers and artists connected with the industry are planning solemn visits to President Kennedy's grave in Arlington . . . On the Main Stem morning line, odds on President Johnson retaining his White House post in 1964 went up from 8-to-5 to 2½-to-1 because of the stock market upsurge and the favorable public reaction to his first speeches . . . Morris Lansburgh, the Miami-Las Vegas hotel operator, is back from Paris where he struck out with Brigitte Bardot. He offered her "a fabulous amount" to appear at the Deauville in Miami and the Flamingo in Las Vegas, and her succinct reply was: "One million dollars could not make me go to the United States" . . . Pablo Picasso has joined the "polar bear" fraternity. His new kick is early morning swimming in the surf at Cannes, where the weather is anything but tropical at this time of year. And Picasso's 82 years old . . . Jackie Gleason has just presented his favorite girl, Honey Merrill, with a handsome portrait—of herself, not Jackie . . . Rocky Marciano's friends are beginning to take him seriously when he repeats that he's getting into fighting shape to challenge the winner of the Sonny Liston-Cassius Clay bout. He's even considering a warm-up match, they say, to make sure he's still got what it takes to handle another heavyweight terror.

FOR YEARS, A QUIET, slender, gentle little man named Jack Crystal ran the Commodore Music Shop on E. 42nd st., which catered to jazz fans and featured hard-to-get recordings of the best jazz soloists. Now and then he ran jazz concerts, first at Jimmy Ryan's saloon and later at the Central Plaza on 2nd ave. He never made any money at it—he did it to showcase his "boys," the musicians, or keep their names alive, or provide them with enough fresh money to keep their horns out of hock.

He had a lovely wife, three sons, and a bad heart, and his business folded. He died the other day, and now the boys are doing something for him. They're giving a concert for his family, on Dec. 8th at 7 p.m. at the Central Plaza, and every musician in town—and all those who can get into town from nearby gigs—will play. Tyree Glenn, Tony Parenti, Cozy Cole, Sol Yagad, Eddie Condon, Bobby Hackett, Max Kaminsky, Teddy Wilson—you name it. Tickets are only $3, available at the Musicians Aid Society, 1697 Broadway, or at the Central plaza. It should be a swingin', sentimental evening in tribute to a fellow who didn't make much noise in his 54 years, but was unforgettably nice.

JOE KIPNESS, whose Broadway production "Have I Got A Girl For You" was this week's theatrical turkey, has a nice consolation: his Main Stem restaurant, the Hawaii Kai, is doing great business, serving an average of 3,000 dinners a week . . . Xavier Cugat and Abbe Lane had their audience with Pope Paul a few days ago. His Holiness spoke to them in fluent Spanish, and they discussed modern music and the youth of today. The Cugats were amazed by the Pope's broad knowledge of popular music . . . Mercedes McCambridge is scheduled to play the star female role in "Virginia Woolf" in London. She should be marvelous in the role.

Gentlemen:

There is an Attorney in Lafayette, Indiana who told Reporters in Lafayette about having dealings with Jack Ruby, Who killed the President assassin, when he lived in Chicago.

The Attorney's name is Frederick Hoffman. A practicing Attorney in Lafayette.

Mr. Hoffman represented one of his clients who rented his building to this man who called himself Ruby now but who retained his real name of Rubenstein. While he was a resident in Chicago.

Mr. Hoffman went to see the Landlord to inquire about the lease and collect partial rent in advance. He said, "Ruby was a real shady character" he said to Hoffman, they went to an apartment house to Ruby's mother and found where in it he had $15,000 in cash. Also there was a woman and was told which offered to be Ruby's wife. The apartment was in the poorest neighborhood and every article in it could have been bought for $50.00 or less. This man Ruby does no business except in cash.

He probably lived like that to fool the Internal Revenue Department and to fool so called robbers and gangsters from robbing him. When the little man Ruby is dying for $1.00 an hour How to pay all the doctor bills from two wages, the shady character should have

RAY E. BROSSEAU, Director, Curtis Enterprises Division, Curtis Publishing Company, 380 Madison Avenue, New York, N.Y., was interviewed at the Philadelphia Offices of the Curtis Publishing Company, Philadelphia, Pa. Mr. BROSSEAU advised that the telephone call received in his New York Office on October 25, 1963, which call originated in Dallas, Texas, was received by MIKE SHORE, who was there on business. He stated, as he recalled, someone had either called him from Dallas or he had unsuccessfully tried to place a call to Dallas earlier that date. He stated subsequently SHORE received a telephone call from this same Dallas, Texas, number.

Mr. BROSSEAU stated he first heard of MIKE SHORE sometime during the late summer 1963. He stated that the Curtis Enterprises Division of the Curtis Publishing Company is a new division of Curtis dealing in diversification of business and joint ventures. In this regard, he received an interoffice memorandum from another department or division of Curtis reflecting that the writer thereof had become acquainted with MIKE SHORE at a Premium Convention held in New York during the summer. At this convention, SHORE was promoting the use of a limited number of record albums manufactured by Reprise Records of Los Angeles as sales premiums.

On reviewing the memorandum, BROSSEAU noted that the four records specifically referred to were show albums performed by a repertory company of top name stars, including FRANK SINATRA, ALLAN SHERMAN, BING CROSBY, etc.

BROSSEAU stated that getting the idea that such a record album promotion might be a good project and a successful money-making enterprise for Curtis Enterprises, he studied up on the album business and subsequently contacted MIKE SHORE.

He stated his initial contact with MIKE SHORE was telephonic and was made in approximately September at the business address of Reprise Records. He stated at this time he proposed to SHORE a deal in which albums would be offered as an exclusive

promotion of Curtis Enterprises published in the various publications of the Curtis Publishing Company. He stated SHORE was interested and advised that he would recontact Mr. BROSSEAU after talking the deal over with FRANK SINATRA and other directors of Reprise Records.

Mr. BROSSEAU stated he was subsequently recontacted by SHORE, who indicated that Reprise Records was interested in the deal. After several telephone calls between BROSSEAU and SHORE they had their first physical meeting at the New York Offices of the Curtis Company on 10/2,3/63. At this meeting contract arrangements, promotional material, etc.,were discussed between MIKE SHORE and BROSSEAU.

Mr. BROSSEAU stated that SHORE subsequently returned to Los Angeles and they had numerous telephone calls before they again met physically on 10/25/63 at the Philadelphia Offices of Curtis Publishing Company. On this occasion, SHORE was the recipient of the telephone call from Dallas, Texas, referred to above. Mr. BROSSEAU stated the meeting on 10/25/63 was transferred to New York the following day and lasted until approximately the following Tuesday, 10/29/63 whereupon SHORE again returned to Los Angeles. Mr. BROSSEAU stated this last meeting concerned layout for advertising, final contractual arrangements, and other things connected with the album promotion. He noted that the album series consists of four albums of the shows "Guys and Dolls," "Finian's Rainbow," "Kiss Me Kate," and "South Pacific." The albums are offered exclusively through coupons printed in the various Curtis Publishing Company magazines. The ads for these magazines appeared in the December 7 issue of "Post" and the four previous issues. They likewise appeared in the December issues of the "Journal," the December issue of "American Home," and the January issue of "Holiday."

Mr. BROSSEAU advised that the records are manufactured by Reprise Records, a FRANK SINATRA enterprise, which has recently been sold to Warner Brothers. The business address of Reprise Records is 1347 North Cahuenga Boulevard, Hollywood 28, Calif., telephone number 213-466-8277. MIKE SHORE is the promotional

man for Reprise Records. His home address is 109 North Almont Drive, Los Angeles 48, Calif., and his telephone number is 213-BR 2-9836.

Mr. BROSSEAU advised he did not know whether SHORE was also a Director or stockholder of Reprise Records, or whether he worked on a commission or salary basis or anything else concerning his exact position with the company.

Since their final meeting which began 10/25/63, Mr. BROSSEAU has continued to have telephonic contact with MIKE SHORE. In this regard, he noted that Saturday, 11/30/63, SHORE called him at his, BROSSEAU's, residence and inquired as to whether Curtis Publishing Company was interested in the exclusive story of JACK RUBY. He explained he had grown up in Chicago with JACK's brother EARL, and had maintained contact with EARL, who is a current resident of Detroit. He stated EARL has subsequently gone to Dallas, Texas, to be of whatever assistance possible to JACK RUBY. SHORE advised BROSSEAU that EARL RUBY called him thinking he had contacts in the publication industry and offered to throw his way or to a contact of his JACK RUBY's exclusive story. Mr. BROSSEAU stated that he subsequently placed SHORE in telephonic contact with DON SCHANCHE, Managing Editor of "Saturday Evening Post," whose business address is the New York headquarters of the Curtis Publishing Company.

Mr. BROSSEAU stated MIKE SHORE subsequently telephoned him and advised that he (SHORE) had placed SCHANCHE in contact with EARL RUBY. He stated that he was out of the picture and wanted no part of any arrangements and no financial reward for making any arrangements.

Mr. BROSSEAU stated he knows nothing further about MIKE SHORE other than the fact that he appears to be a brilliant businessman who was supposedly formerly associated with "Madman" MUNIZ. He stated he has never met or talked with JACK RUBY or EARL RUBY and knows nothing concerning them.

Re: Proposed Interview of RUBY.

Dallas Office recommends Bureau approval for interview with RUBY. Reliable information received that Secret Service representatives have interviewed RUBY several times. What information he gave to Secret Service is not known.

Prior to any interview, Dallas will secure approval from District Attorney HENRY WADE, Dallas County, and from TOM HOWARD, RUBY's attorney, or such other attorney as may be representing RUBY at the time should HOWARD be terminated.

Proposed interview would include following in detail:

1. A running account of RUBY's personal history from beginning to time of arrest, including places of residence--under true name or otherwise--identities of all roommates, etc., all legitimate occupations, all criminal activity to which he will admit, all personal associations of any pertinent length.

2. All travel of RUBY during period of residence in Dallas, dates, destinations, mode of transportation, purposes, persons who accompanied him, hotels occupied, etc.

3. Detailed account of RUBY's actions for several days previous to and subsequent to President's assassination.

4. Questions as to RUBY's membership, affiliation, association, activities, in organizations of all types.

5. Whether RUBY had ever seen, associated with, heard of, OSWALD prior to assassination. Facts should indicate or preclude a conspiracy of RUBY with OSWALD.

6. Any information RUBY will supply as to previous illnesses, hospitalizations, rumors of a steel plate in his head, etc.

7. Details as to RUBY's exact movements November 24, 1963, how he got to City Hall premises, whom he saw, who saw him, challenges to his presence, etc.

8. Details of RUBY's association with law enforcement officers, including, specifically, any ever on his payroll, to whom he has given gratuities, his acquaintance and association with Officer J. D. TIPPIT (Deceased), information concerning any conspiracy with police officers or others which concerned the shooting of OSWALD.

9. Details as to whether RUBY has had or ever had a press pass, police courtesy card, any kind of law enforcement special commission, badge, etc.

10. Whether RUBY habitually carried a weapon, reasons, any authority he had for carrying a weapon, etc.

11. Partners and associates of RUBY in operation of his various business ventures.

Dallas recognizes it is possible RUBY's attorney may give his assent to interview upon the condition he be present. TOM HOWARD, the attorney, has a dubious reputation. He is a "hanger on" around the City Hall and Sheriff's Office. He was convicted in U. S. District Court for an income tax violation within the recent past and suspended from practice of law for a period. Newspaper accounts state he and District Attorney WADE have both been served notice to appear before the Grievance Committee of the Bar Association in connection with statements attributed to them which may affect the proper administration of justice.

HOWARD has had his name in the papers frequently since the OSWALD shooting. There is no indication he is "publicity shy". It is considered possible HOWARD would release to the press the fact that FBI Agents had interviewed RUBY and, conceivably, some indication of questions asked, although he would be specifically admonished in this regard prior to any interviews by Agents.

All questions would be so phrased as to not supply information of which he is not already aware through RUBY or otherwise.

Notwithstanding the possibilities in the paragraph above, Dallas Office considers the advantages for interview, even in the presence of the attorney, far outweigh possibilities indicated. In each instance it would be proposed that RUBY would be asked to furnish sources through whom his various statements, and answers, can be verified.

It is considered a substantial amount of time and expense can be saved by the interview, that is, that RUBY can furnish information which is subject to verification relative to various questions which now exist. Special Agents would have the advantage of information which RUBY has furnished to Secret Service or others. Agents will be able to better evaluate reports, rumors, etc., concerning RUBY's alleged presence in other areas, association, etc.

About 8:00 P.M. on 12/9/63 Deputy Sheriff ROBERT SHUPING, Rowan County SO, Salisbury, N. C., advised SA WILLIAM HARRIS he received a telephone call from one JACK P. HATTOWAY who was calling from the State Smoke Shop, S. Main St., Salisbury, N. C., and that this individual indicated that he had information concerning JACK RUBY. HATTOWAY was immediately interviewed and stated that he resides at 32 Knox St., Salisbury, N. C., and is presently unemployed but had been working as a laborer for CLARENCE B. COOPER, 317 N. Jackson St., Salisbury, N. C. HATTOWAY advised that on the date that subject shot victim, LEE HARVEY OSWALD, he was at the residence of PHIL JACKSON, 8 Cooper St., Salisbury, N. C. According to HATTOWAY, when the photograph of RUBY was shown on TV JACKSON stated that this person was the same person that he knew as "Chicago Fats", who operated a "speak easy" in Chicago, Ill., and was a member of the Purple Gang.

HATTOWAY claimed that he had worked in Dallas, Texas, for a period of time from about 1960 to fall of 1962 and that he had resided at 924 Hampton Road and had been employed by the American Tank Co. as a welder's helper by A. He advised that JACK RUBY was not known to him personally. He further claimed that he had met Sheriff BILL DECKER, SO Dallas, Texas. He stated that he had met Sheriff DECKER inasmuch as he had dated VICKIE DIANE HESTER whose father, BOB HESTER, operates a camera shop at 1006 S. Rosemont, Oakcliff, Texas, and that BOB HESTER was a friend of Sheriff BILL DECKER.

HATTOWAY claimed that he had placed a collect call to Sheriff BILL DECKER about 7:15 P.M. on 12/9/63 from a pay station at the State Smoke Shop, telephone ME 3-9776, and that this collect call was accepted and later he was connected with Sheriff DECKER. According to HATTOWAY, he repeated the information given above but gave his name to DECKER as "BILL STODDARD" and told DECKER that he would call back in an hour and furnish more information.

HATTOWAY stated that he had been drinking earlier on the night of 12/9/63. He reiterated that he did not know JACK RUBY or LEE HARVEY OSWALD.

On 12/9/63 PHIL JACKSON, 8 Cooper St., Salisbury, N. C., advised that he is an unemployed painter and that from about 1930 to 1936 he was painting for various companies in Passaic, N. J. He stated that when the photograph of subject JACK RUBY was shown on TV on the date that the victim was shot he thought that RUBY was identical to an individual that he had known as "Chicago Fats" who operated a crap game located in about the 400 block of North Main St., Passaic, N. J., from about 1930 to 1936. He stated that this crap game was located on the second floor of a building and consisted of one large room with a petition. He stated that this location of the building in which this crap game was being operated was on the left hand side of Main Street going towards Patterson, N. J., and about three blocks from the Mantock (ph) Theater. He stated that this individual known only to him as "Chicago Fats" acted as a house man and bouncer for the crap game and that he never knew this individual's true name. He stated that he actually never knew this individual on a personal basis except that he saw him at the crap game. JACKSON

stated that he did not know anyone who would know the true name or identity of this individual "Chicago Fats". However, He felt certain that members of the Passiac, N. J., PD would know the true identity of this individual. JACKSON stated that during the period of 1930 to 1936 it was rumored in Passaic, N. J., that the individual known as "Chicago Fats" was a member of the Purple Gang of Detroit, Michigan. However, he did not have any concrete information concerning this.

No leads are being set out in this communication inasmuch as the background of RUBY furnished Charlotte does not reflect that RUBY ever operated in Passaic, N. J., under name "Chicago Fats".

On 11/25/63, [redacted] SE, Albuquerque, N.M., who requested his name be maintained in complete confidence, admitted formerly being a bookmaker in Chicago over fifteen years ago. He advised he is acquainted with JACK RUBY, known to him as SPARKY RUBENSTEIN who lived in the same general area in Chicago. He did not become too well acquainted with SPARKY until they grew up and [redacted] knew RUBY's father as the "neighborhood drunk."

[redacted] described SPARKY as somewhat emotionally unstable. [redacted] stated SPARKY made his living primarily from "scalping" tickets to sports events in the Chicago area and at one time traveled throughout the country selling punch boards which [redacted] stated was prior to the Senator Kefauver investigations. [redacted] described the subject as an extremely stubborn person and a publicity hound, therefore, [redacted] did not think it unusual when newspapers reported that RUBY was more upset over the death of the President than the death of his own father. He stated that he was surprised when SPARKY killed OSWALD, advising that he would think it more proper that RUBY would shoot him in the leg with a .22 in order to get publicity.

[redacted] did not see SPARKY for more than twenty years until [redacted] visited Dallas, Texas, about one and a half years ago. He looked up SPARKY, whose Carousel Club is across the street from the Adolphus Hotel and they talked briefly of old times.

[redacted] knew of no specific connections SPARKY may have had with the Dallas Police Dept., but stated that many policemen knew him and he was well liked. [redacted] was not aware of any underworld connections which RUBY may have had and knew of no particular reason for RUBY's leaving Chicago. [redacted] states SPARKY, to his knowledge, had no extremist or subversive views whatsoever and had no contact with organized criminal or hoodlum element. [redacted] further advised that he was not personally acquainted with OSWALD and knew of no connection of OSWALD and RUBY, or any connection which RUBY may have had with the Fair Play for Cuba Committee.

On 11/25/63, [redacted] advised SA STUART J. CAMERON at Albuquerque, N.M., that approximately eleven months ago he met JACK RUBY at the Carousel Club in Dallas, Texas. Informant met RUBY through [redacted]., and when the informant mentioned that he was from Albuquerque, RUBY advised that [redacted] at Albuquerque was a good friend. The informant learned through [redacted] that RUBY came to Dallas, Texas, from Chicago and that a "Jewish boy" had the particular section of town where the Carousel is now located "all sewed up." Informant states RUBY had a difficult time breaking into the area, but that he is now quite well off along with the "Jewish boy," who also has a joint located one block from the Carousel in an upstairs location.

[redacted] mentioned to [redacted] that RUBY had a "good in" with the Dallas Police Dept. The informant states this would be borne out from his observation by the fact that RUBY had a B-girl operation where drinks were pushed heavily and they had no interference from the police department. The informant knew of no specific connections with the police department and only personally engaged RUBY in conversation for five to ten minutes. Informant stated he is not aware of any Chicago underworld connections of RUBY or any subversive or extremist connections. He did not know of any relationship between the subject and the Fair Play for Cuba Committee or any association between OSWALD and RUBY.

Files of the Chicago Office reflect the following:

"Chicago Daily Tribune" of December 9, 1939, carried an article stating that JOHN MARTIN, President of the Scrap Iron and Junk Handlers Union Local 20467, AFL, had shot LEON R. COOKE, the attorney for the above union. According to former [redacted] who was interviewed at that time, the informant was then in the process of forming a rival union affiliated with the CIO and had written several letters to junk dealers in this regard which he had signed "Cook". MARTIN learned of these letters, assumed he was being double crossed by LEON COOKE, and during an argument between MARTIN and COOKE which ensued, MARTIN shot LEON COOKE. MARTIN then became a fugitive justice. 8023 SOUTH WOLCOTT, CHICAGO, ILLINOIS

[redacted] advised SA JOHN R. BASSETT on November 24, 1963 that he had been a close friend of subject RUBY for many years in Chicago. This informant advised that "SPARKY" was hot tempered on occasions, but was generally of a good disposition. He stated that RUBY was an excellent fist fighter. According to this informant, RUBY, in the mid nineteen forty's, operated a "book" over a restaurant located east of Kedzie Avenue on the north side of Roosevelt Road in Chicago. Subject was a close friend of one ABE ZUCKERMAN, also known as "ZUCKIE" (phonetic). - In the middle nineteen forty's, according to the informant, ZUCKERMAN was shot and the informant believed that this occurred because ZUCKERMAN did not cut LEONARD PARTICK, one of Chicago's top hoodlums, in on the profits of his book. Shortly after this shooting, PATRICK told the subject to leave town, accusing him of operating a book without PATRICK's sanction. PATRICK warned the subject that if he did not leave Chicago, he would "get what ZUCKIE got". The subject left Chicago at this time for Dallas, Texas, where he ran a club owned by his sister. Informant advised that he has not been in touch with the subject in recent years and was completely at a loss to understand the subject's action in shooting OSWALD.

PCI [redacted] advised SA JOHN W. ROBERTS, JR., on November 24, 1963, that JACK RUBY had, at one time, been close to ROSS PRIO, Chicago top hoodlum. This informant further advised that RUBY had been a close friend of one JOE SCARAMUZZO who owns a gun shop on Halsted Street near Taylor Street in Chicago.

The Chicago Division records contain no information concerning ABE ZUCKERMAN, also known as "ZUCKIE". The same records reflect that JOSEPH SCARAMUZZO is the owner of Scaramuzzo and Sons Gunshop, 831 South Halsted Street, Chicago, Illinois. It should be noted that three of the four guns used by members of the Nationalist Party of Puerto Rico in the shooting at the House of Representatives, Washington, D. C., on March 1, 1954, were purchased by one WILLIAM GALETTY, Gary, Indiana, from Scaramuzzo and Sons, 801 South Halsted Street, Chicago.

[redacted] advised SA JOSEPH G. SHEA on November 24, 1963, that he believed the subject was related in some manner to one HARRY RUBENSTEIN. The informant advised that HARRY RUBENSTEIN had owned the Hotel Olympic on North Clark Street on Chicago's near North side, approximately fifteen years ago. HARRY RUBENSTEIN killed a man in this hotel, but by a payment of $25,000.00 to a Chicago Police Captain, was able to fix this charge. According to this informant, HARRY RUBENSTEIN had good connections with certain unknown criminals in the Chicago area but was not considered by the informant to be a member of the Organized Criminal Element in this city.

It should be noted that the records of the Chicago Police Department reflect one HARRY RUBENSTEIN, a hotel owner on the near North side, as having been sentenced to one year probation on a charge of manslaughter in 1946.

[redacted] advised SA JOSEPH G. SHEA on November 24, 1963, that the subject was related to HARRY RUBENSTEIN who formerly operated two or theee bars in the Chicago loop area. According to the informant, the subject worked as a bartender for HARRY RUBENSTEIN in a bar at the Banker's Building in Chicago-X loop. The informant advised that in 1942 or 1943, JACK RUBENSTEIN attempted to enlist in the United States Navy but was rejected when he failed to pass the physical examination. The informant described JACK RUBENSTEIN as extremely patriotic but moody. This informant was unable to furnish any information concerning HARRY RUBENSTEIN's present whereabouts or activities.

[redacted] (Protect Identity) advised SA JOHN R. BASSETT on November 24, 1963, that he does not know the subject. [redacted] advised that he had contacted a person known to him, whose identity he would not reveal, who recalled the subject as a friend many years ago in the area around Independence Boulevard and Roosevelt Road in Chicago. According to [redacted] this source stated that the subject was not connected with the criminal element, Chicago. This source indicated that RUBENSTEIN was good natured but on occasion was extremely hot tempered. According to this source, the subject had left Chicago in the late 1940's for Dallas, Texas, where he operated a club belonging to his sister. [redacted] advised that he had made an unsuccessful attempt to contact ANTHONY ACCARDO in an effort to obtain information concerning the subject.

It should be noted that ANTHONY ACCARDO is a high ranking member of Chicago's criminal element. [redacted] is known to be a close associate of many of Chicago's top echelon criminals and has, in recent years, been active in the management of several ranking prize fighters.

All other Chicago informants negative and Chicago files reflect no information pertaining to subject's involvement with Chicago criminal element.

[redacted] was contacted by SA WILLIAM F. ROEMER, on 11/25/63, but at that time had no personal knowledge of RUBY. On 11/26/63, [redacted] advised that he had solicited information from politicians of the 24th Ward, the former voting residence of RUBY. PC advised that he talked to two persons who appeared to know RUBY from many years ago. They advised that RUBY was never anything but "a punk" and never had any hoodlum connections or associations. One person advised that he recalls that RUBY attempted to sneak into a prize fight in Chicago, believed to be the second DEMPSEY - TUNNEY fight, and was caught by a police officer who beat him over the head with his night stick. As a result of this beating, RUBY now has a plate in his head. Apparently this causes pressure when RUBY becomes excited and causes RUBY to act emotionally.

[redacted] frequented Clover Bar next door to Sherman Hotel, Chicago, Illinois, 1946 to 1949. He described this bar as a hangout for the hoodlum element. At that time it was operated by IRA COLITZ who was described as a personal friend of Colonel JACOB ARVEY, a well known Chicago political figure. COLITZ possibly was recently a candidate for Alderman in Chicago and resides in penthouse apartment on Michigan Boulevard.

The informant related JACK RUBY, whom he identified from newspaper photographs, frequented the Clover Bar in about 1946 or 1947 and was an acquaintance of IRA COLITZ and possibly was a former school mate of COLITZ on the west side of Chicago. He does not know the nature of RUBY's activities in Chicago.

The informant stated that in about December, 1949, he was in Dallas, Texas, at which time RUBY was operating a night club, name unknown, with western band and western motif. The informant visited this club and chatted briefly with RUBY who requested that he convey RUBY's regards to COLITZ when the informant returned to Chicago.

The informant has not seen or heard from RUBY since 1949 and has never had any specific information concerning RUBY's background or activities but has never had any reason to suspect him of being involved in subversive activities.

On 11/25/63, PCI [redacted], who has furnished reliable information in the past, advised SA JAMES E. HATHAWAY she met JACK RUBY in mid-November, 1962 in the Carousel Club, Dallas, [redacted]. During that period, RUBY operated the club alone, seemed to be on the premises almost constantly but was reportedly residing with mother in a suburban house. RUBY was "a loner" and appeared not to have close associates. [redacted] recalls some talk by employees or patrons indicating RUBY might be regarded as "queer". She knew of no female associates except it was rumored at club that RUBY sometimes dated a waitress employed by him known as "SISSY" or possibly "C. C.", described as WF, about 21, short, slight build, dark hair.

Only other persons considered well acquainted with RUBY were

1. GEORGE (LNU), described as WM, 30-35, medium build, dark hair, "Jewish appearance", who told [redacted] he was contemplating opening a dress shop in Dallas and who frequented the club and often visited RUBY in RUBY's office

2. GEORGE (LNU), WM, 45, medium build, grayish hair, who operated some sort of business dealing in novelty and gift items, and who was also often in RUBY's office

3. WALLY WESTON, emcee at Carousel, described as WM, 40, 5'11", slender, medium complexion, brown hair.

Of the above, [redacted] believes WESTON was closest to RUBY and was believed to have worked as emcee for RUBY for indeterminate time. [redacted] believes WESTON pays AGVA dues in Dallas but was in Louisville, Ky. about 2 weeks ago for a day or two at Merry-Go-Round Club. While in Dallas, he was believed married to an exotic dancer but has ex-wife and child, location not known. WESTON believed originally from Milwaukee.

[redacted] claims no gambling or prostitution at Carousel to her knowledge and she knew of no close associates of RUBY among police officers. Although detectives were occasionally in club, a uniformed officer frequently came in at closing time and made sure patrons left.

[redacted] said she has no knowledge on part of RUBY with subversive groups. She never heard of LEE OSWALD until newspaper publicity of 11/22/63. She was not surprised of hearing that RUBY shot OSWALD since she knew RUBY to be impulsive, quick tempered, over sensitive and at the same time loud, and somewhat of an extrovert. She never saw him with a gun, never heard him threaten anyone, nor did she see or hear of him strike anyone although he frequently argued bitterly with WESTON over details of show.
